

A5 **S5**

Audi A5 | S5 Coupe

**From this moment forward,
everything else becomes irrelevant.**

Graceful contours signal the dawn of a new era for the coupe. Potent power coupled with technologically advanced quattro® all-wheel drive is now the new benchmark of performance.

**Elegance isn't added on.
It's built in.**

Powerful, iconic and confident but most certainly, never superfluous. Every detail of the A5 serves a purpose. The lines, the contours, everything comes together for something that is better experienced than explained.

Intuitive. Luxurious. Responsive.

**Engineering upstages everything,
except the experience.**

The A5 comes from a lineage of over 100 years of technological innovations that have forever altered the track and the street. It is the sum of engineering achievements that result in a singular purpose: driving.

**The reset button
in a world of repeats.**

The Audi S5 does more than stand out from a swarm of automotive parity. It's an unmistakable convergence of luxury and performance. And when the LED lights spring to life, it becomes even more evident: performance like this cannot be replicated.

A5. Premium Package

1.

BI-XENON™ headlamps with LED daytime running lights | BI-XENON™ headlamps produce about twice as much light as comparable halogen headlamps and help make night driving, particularly in poor weather, less tiring for the driver's eyes with improved visibility. LED daytime running lights consume much less energy than conventional daytime running lights.
2.

HomeLink® universal garage door opener | HomeLink® is integrated into the overhead controls and uses a simple three-button system that can activate garage doors, gates and even lights in the home.
3.

Auto-dimming interior mirror with compass | The rearview mirror with compass recognizes distracting bright lights behind the car and darkens the mirror glass automatically.
4.

Heated front seats | The multilevel [1-6] seat heating system is designed to heat the entire surface of the seat; warming is initiated with a convenient control.
- +

Auto-dimming and folding exterior mirrors | The exterior mirrors with automatic dimming recognize glaringly bright headlight beams behind the car and darken the mirror glass automatically. The manual folding feature helps protect the mirrors by collapsing inward to fit into tight spaces.
- +

Memory for driver seat and mirrors | The technologically advanced memory system automatically adjusts the seat's fore/aft position, height, lumbar support, angle of seat cushion and seat back, and outside mirror settings based on the key or button that is being used.

♦ Feature not shown.

A5. S line Package

S line available on A5 3.2

1. **Exterior features** | The visually compelling features in the S line Package include more aggressive front and rear bumpers with dynamic air inlets and rear diffuser. S line badges are applied to the front side panels.

2. **19" five-arm Y-design wheel with 255/35-R19 summer performance tires*** | The S line wheel option adds an athletic feel. The progressive design is matched to the dynamic elegance of the A5, and the summer performance tires optimize driving dynamics.

3. **Sport seats** | The sport seats offer greater lateral support, thanks to more prominent side sections. The seat functions include electric lumbar support and are accented by leather upholstery with perforated Alcantara® inserts and contrast silver stitching.

4. **Sport steering wheel** | The three-spoke leather-covered design has a sporty look and feel, further accented in the S line Package by contrast-color stitching and the S line badge. The multifunction steering wheel provides easy access to infotainment functions.

5. **Interior features** | S line interior touches are anchored with brushed aluminum inlays throughout the cockpit and extend into the rear, including door sill inlays with the S line badge. These contrast with an elegant black headliner that matches the interior.

+ **Sport suspension** | For those who plan to drive in a more sporty fashion, the S line Package includes a firmer suspension. The five-link front suspension has been specially sport-tuned to perform without sacrificing passenger comfort.

+ **Shift paddles** | Tiptronic® models equipped with the S line Package receive shift paddles on the three-spoke steering wheel allowing effortless, race-inspired gear shifting that keep the driver's hands on the steering wheel.

+ Feature not shown.

* See page 30 for important safety information regarding summer performance tires.

A5. Technology Package

1.

Audi side assist | Audi side assist system helps monitor blind spots, as well as fast-approaching vehicles at a range of about 150 ft. to the rear of the car. If Audi side assist identifies another vehicle when you signal to change lanes, it informs the driver via an LED light in the exterior mirror.
2.

Advanced key | With Advanced key, the car can be unlocked and started without removing the key from a pocket or purse. The steering can be released and the ignition turned on electronically, all without inserting the key in the ignition.
3.

Adaptive front lighting system | Utilizing input from the steering and speed of the vehicle, adaptive headlights pivot up to 15 degrees to allow the driver to see ahead in the dark by lighting up corners and curves more effectively.
4.

Advanced parking system | The rearview camera offers a real-time view of the rear parking area, while the rear ultrasonic parking sensor measures the distance to the nearest object.

A5. Navigation Package

5.

Audi Navigation system | An in-car computer processes GPS signals and determines the car's position, providing you with suggested routes in getting to your destination. The in-depth functionality includes radio and hands-free car phone functions by speaking the necessary commands through voice control, and a large color information display screen.
- +

Audi music interface | The Audi music interface offers intelligent integration with the iPod®. Any iPod Generation 4 and higher [iPod, iPod nano, iPod photo] equipped with the Dock Connector may be connected through the glove box, and full iPod controls are available through the MMI® screen.
- +

Voice control | Included with the navigation system are five language settings and a voice control system that can be used to operate the most important navigation, radio and hands-free car phone functions by speaking the necessary commands.

+ Feature not shown.

A5. Audi Drive Select Package

6.

Drive select controls | Adapt the characteristics of the A5 to suit your personal preferences using the three modes – comfort, auto and dynamic – from extremely comfortable to decidedly sporty. Audi drive select includes the dynamic steering and adaptive damper control systems. An optional fourth mode – individual – is available when the navigation system with DVD drive is onboard. The driver can use a wide variety of parameters to customize this mode as desired.
- +

Dynamic steering system | Its key element is a superimposed gear system that alters the overall ratio according to road speed and the chosen Audi drive select setting. Depending on speed and Audi drive select setting, the precise action of the dynamic steering conforms to every driving situation, ensuring a safe and comfortable ride. This concentric-shaft steering gear is extremely compact and light in weight.
- +

Adaptive damper system | The adaptive damper system allows the driver to adjust the operating characteristics of the shocks. It provides for the appropriate damping forces for the desired ride style.

A5. Stand Alone Options

1. Bang & Olufsen® Premium Sound System | This unrivaled sound system combines state-of-the-art technologies that include Digital Signal Processing [DSP] and ICEpower digital amplification with a detailed study of the Audi interior. More than a sound system built into a car, the system is the ultimate driving and listening experience, a virtual concert hall on wheels.

2. Audi music interface | The Audi music interface offers intelligent integration with the iPod®. Any iPod Generation 4 and higher [iPod, iPod nano, iPod photo] equipped with the Dock Connector may be connected through the glove box, and full iPod controls are available through the MMI® screen.

3. Adaptive cruise control | Among other features, the adaptive cruise control monitors distance to the vehicle in front via radar sensors and automatically reduces speed as well as resumes speed to maintain the driver-selected safe distance.

4. 19" five-arm Y-design wheel with 255/35-R19 summer performance tires* | The 19" five-arm wheel option adds an athletic feel. The progressive design is matched to the dynamic elegance of the A5, and the summer performance tires optimize driving dynamics.

5. Genuine Milano leather seats | The superior quality of leather and impeccable craftsmanship complement the seat design.

*See page 30 for important safety information regarding summer performance tires.

A5 | S5. Wheels

- 1. A5 Wheel**
18" five-spoke cast alloy wheel with 245/40 all-season tires | The five-spoke alloy wheel's progressive design is matched to the dynamic elegance of the A5 model. The lightweight alloy complements the excellent driving dynamics.
- 2. Optional S line or Stand Alone Wheel**
19" five-arm Y-spoke cast alloy wheel with 255/35 summer performance tires* | 19" wheel with summer performance tires ensure a ride that will suit the needs of any driver.
- 3. S5 Wheel**
19" five-double-spoke design wheel with 255/35 summer performance tires* | The 19" five-double-spoke wheel is equipped with summer performance tires. This means an extremely sporty ride with superior handling and performance.

*Summer performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tires specified for your car or their equivalent. These summer performance tires also have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at recommended levels. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces, or upon encountering road debris or obstacles. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual, your local dealer or call 1-800-FOR-AUDI.

---	---------------	---	--------	---	----------

* Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children in the rear, using restraint systems appropriate for their size and age.

** Your Audi vehicle is equipped with a phone preparation utilizing Bluetooth® interface to enable hands-free functionality [compatible mobile phones sold separately]. You will need a Bluetooth®-enabled mobile phone in order to utilize this function. Not all Bluetooth®-enabled mobile phone models are compatible with Audi's phone preparation. Visit audiusa.com/bluetooth, or contact your local Audi dealer for the latest listing of compatible phones. Audi recommends use of the Audi phone cradle [sold separately] with your mobile phone while operating this vehicle.

† Summer performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual, your local dealer or call 1-800-FOR-AUDI.

†† Audi Navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destination and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgement in determining whether or not to follow a suggested Audi Navigation plus route. Periodically, the mapping is updated, and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at an additional cost. Consult your dealer or call 1-800-FOR-AUDI for details.

A5 3.2	S5	Features
s	s	Power outside mirrors with defog feature, painted in body color [aluminum look on S5]
o	s	Automatically dimming exterior mirrors with memory
-	s	S sport exhaust, bumpers, badging, grille and door sill trim
s	s	Aluminum trim around side windows
o	s	High-pressure, retractable headlight washers
s	-	Aerodynamic ellipsoid projector headlights with variable focus reflectors, integrated low-beam and high-beam tubes, polycarbonate covers
o	s	BI-XENON™ headlights with automatic self-leveling and LED daytime running lights
s	s	Tilting glass roof
s	s	“Coming home” function, “Leaving home” function and automatic light switch
s	s	Rain sensor: automatically activates the windshield wipers in rainy conditions
s	s	Heated windshield washer nozzles
s	s	Fog lights: two front
s	s	Driver information system with radio display, active Auto Check system with speed warning device, pictogram display for open door/trunk lid, and six-function trip computer including outside temperature gauge.
s	s	Audi Symphony AM/FM stereo with six-disc in-dash CD changer with MP3 capability, SD® card slot [except with Navigation], Radio Data System [RDS] and Graduated Audio Level Adjustment [GALA]
s	s	Ten-speaker sound system including subwoofer and center fill speaker
s	s	SIRIUS® Satellite Radio
s	s	Electronic cruise control with coast, resume and acceleration features
s	s	Electric rear window defogger with automatic timed shut-off feature
s	s	Radio frequency remote locking system with selective unlock, remote decklid opening, panic function, interior lights and alarm system activation – control integration in folding ignition key, panic button
s	s	Retained accessory power after key is removed from ignition
o	s	Garage door opener [HomeLink®]
s	s	Electromechanical parking brake
s	s	Preparation for mobile phone [Bluetooth®]**
s	s	Backlit instrument cluster with automatic brightness control including tachometer, electronic speedometer, odometer, digital clock with date, service interval indicator, fuel and coolant temperature gauges
s	o	Genuine wood inlays in center console and door panels
o	s	Brushed aluminum inlays in center console and door panels
s	s	Folding driver and front passenger center armrest with adjustable height
s	s	Full-length center console with storage area, two built-in cupholders and power outlets
s	s	Red ambient LED lighting in headliner for front center console illumination
s	s	Interior lights in front and rear headliner with fade-in and fade-out feature, time delay and automatic when key is withdrawn from ignition

A5 3.2	S5	Features
s	s	Illuminated glove box, trunk/rear cargo area, lighter and ashtray
o	s	Automatically dimming inside mirror with digital compass
s	s	Manually adjustable tilt-and-telescoping steering column
s	s	Leather-wrapped three-spoke multifunction steering wheel
o	o	Tiptronic® paddle shifters on steering wheel
o	s	Sport seats
s	-	Leather seating surfaces
-	s	Silk Nappa leather seating surfaces
s	s	Leather-wrapped shift knob
s	s	Eight-way power driver's seat, including four-way power lumbar adjustment
s	s	Eight-way power front passenger seat
o	s	Two-position memory for driver's seat and outside mirrors
o	s	Heated front seats
s	s	60/40 split-fold rear seat, lockable
s	s	Fully automatic three-zone climate control system with sun sensor and activated charcoal filter
s	s	Power windows with power retention, “one touch up,” “one touch down” and pinch protection for all windows
s	s	Sliding sun visors
o	-	Premium Package: garage door opener [HomeLink®], BI-XENON™ headlights with automatic self-leveling and LED daytime running lights, automatically dimming exterior mirrors with memory, automatically dimming inside mirror with digital compass, heated front seats
o	-	S line Package [requires Premium Package]: sport suspension, leather-wrapped three-spoke multifunction steering wheel with S line badging [includes Tiptronic® paddle shifters on all automatic model, brushed aluminum inlays in center console and door panels, front sport seats, S line front and rear bumpers, S line grille and door sills, high-pressure retractable headlight washers, 19" five-arm Y-design wheel with 255/35 summer performance tires†
o	o	Technology Package [requires Navigation]: Advanced key, Adaptive front lighting, Audi parking system advanced with rearview camera, Audi side assist
o	o	Audi Navigation Package†† with Voice Control: Audi navigation system, Audi music interface, voice control, color driver information display
o	s	Heated front seats
o	o	Bang & Olufsen® Premium Sound System
-	o	Gray Vavona wood interior inlay
-	o	Carbon Atlas interior inlay
-	o	Stainless steel texture interior inlay with piano black console
o	-	Milano leather seating
-	o	Alcantara® seat inserts
o	o	Metallic or pearl effect exterior paint

Power and Performance

- S5 4.2** | 354 hp: DOHC aluminum 90 degree 4.2 liter V8 engine with FSI® Direct Injection, variable intake valve timing and intake manifold
- | Displacement: 4.2 liters [256.3 cu. in.]
 - | Bore: 3.33 in. Stroke: 3.65 in. Compression ratio: 11.0:1
 - | Horsepower: 354 hp @ 6800 rpm Torque: 325 lb-ft. @ 3500 rpm
 - | 0-60 mph in seconds: 4.9
 - | Top track speed: 155 mph*
 - | Fuel economy estimate: S5 six-speed manual: 14/22 mpg; S5 six-speed Tiptronic® automatic: 16/24 mpg**

* Top track speed electronically limited to 155 mph in the U.S. Obey all local speed and traffic laws. ** EPA estimate; your mileage may vary.

Dressed for performance.

Your Audi is just that – yours. With a number of available enhancements, including wheels and a special aerodynamic spoiler, your Audi can become your own signature model.

1. 18" 15-spoke alloy wheel | The 15-spoke alloy wheel's progressive design is matched to the dynamic elegance of the A5. It adds an extra level of customization to your Audi.

2. Body Styling Kit | Our Audi-designed body styling components complement the pure lines of your Audi A5. For the Audi A5, the following features are available: front chin spoiler, rear spoiler, rear diffuser with blade and side sills.

3. 18" five-arm hollow-spoke alloy wheel | This 18" five-arm design is perfect for those seeking a uniquely customized wheel option.

4. All-weather floor mats | These all-weather floor mats feature a deep, ribbed channel design to help protect your A5 interior floor and carpeting from water, mud, sand and snow. Black with A5 logo.

The power of control.

The evolution of technology is the evolution of Audi. The commitment to innovative driving enhancements is second to none. There are many reasons why Audi performance is unlike any other.

Here are just four of them.

FSI® Direct Injection

This technology increases the torque and power of the engine, making it more economical,* as well as reducing exhaust emissions. More power, better economy and reduced emissions. It's a win-win-win for everyone.

Tiptronic®

Tiptronic® allows the driver to manually select the gears and enables gear changes to take place with minimal interruption in engine power, even during downshifts. An additional sport program delays upshifts for a sportier driving style.

quattro®

Developed and continually refined by Audi, quattro® offers a significantly enhanced level of all-wheel drive performance. With a 40/60 split of power between the front and rear in normal conditions, quattro® becomes simply superlative in the worst of conditions by dynamically shifting torque as required.

Audi drive select

Adapt the characteristics of the A5 to suit your personal preferences using the three modes – comfort, auto and dynamic – from extremely comfortable to decidedly sporty. Audi drive select includes the dynamic steering and adaptive damper control systems. An optional fourth mode – individual – is available when the navigation system with DVD drive is onboard. The driver can use a wide variety of parameters to customize this mode as desired.
