You drive it and it moves you.

Quiet and fluid, the smooth, progressive power of the 3.0 TFSI® engine feels infinite. The incomparable interior detailing is exquisite. Driving the new A6 is simply driving bliss.
Power and efficiency aren’t the only things in perfect alignment.
Capable of carrying just about anything.

Including attributes like refined luxury, relentless power and superb handling.
A ribbon of asphalt before you and a wake of contentment behind you.

The S6 proposition is simple: A 435 hp V10 nestled beneath the sculpted S6 hood and an open road assure you of a driving experience unlike any other. Its understated looks, refined luxury and everyday usability belie its true performance and handling capabilities.
Good luck getting it out of your head.

The contoured fit of the sport seats, the distinct grip of the sport steering wheel and a carbon fiber trim option come together for an experience exclusive only to the S6. Not to mention, one that won’t be leaving you anytime soon.
1. LED rear lights  | LED lights are superior to conventional bulbs with their activation speed and their long service life. They can last an entire vehicle lifetime, consume up to 50 percent less energy and take up less space.

2. Walnut wood inlay  | The genuine wood decorative inlays in dash, center console and door panels underscore the refined touch of luxury in the A6.

3. Four-spoke, multifunction, leather steering wheel  | The four-spoke, leather-wrapped design has a refined look and feel. The multifunction steering wheel provides easy access to infotainment functions.

4. Eight-way power front seats  | This comfortable and convenient interior feature includes four-way power lumbar adjustment and adjustable headrests.

5. Sunroof  | Standard on all A6 models, the sunroof provides passengers with a light and airy driving experience.

6. Storage Package  | This comprehensive storage system provides ample and convenient spaces for a wide variety of storage needs.

7. Lighting Package  | The Lighting Package includes LED rear and brake lights, LED footwell lighting in front and rear, illuminated driver and passenger sun visor with normal and magnified mirror.

8. Power lumbar support  | This ultimate in convenience, the power lumbar support gives front and passenger extra lower-back support with the touch of a button.

9. HomeLink® universal garage door opener  | HomeLink® is integrated into the overhead controls and uses a simple three-button system that can activate garage doors, gates and even lights in the home.

10. Bluetooth® hands-free phone interface  | The Bluetooth® hands-free phone interface allows you to pair a Bluetooth-enabled mobile phone with your Audi and access your phonebook within the driver information display or the MMI® screen. For specific compatibility and operation, refer to audiusa.com/bluetooth or contact your local Audi dealer for the latest list of compatible phones.

11. MMI® advanced  | The simple terminal distills advanced technology into a natural, easy-to-use interface. Multi-Media Interface enhances your vehicle experience by integrating many advanced systems into your Audi, making it a remarkable vehicle with intuitive connectivity of your choice.

12. Aluminum doorsill and window trim  | The aluminum doorsill and window trim complement the stylish lines of the A6, adding a touch of sporty elegance to the vehicle [3.0T Avant only].

13. LED rear lights  | The genuine wood decorative inlays in dash, center console and door panels underscore the refined touch of luxury in the A6.

14. LED rear lights  | The genuine wood decorative inlays in dash, center console and door panels underscore the refined touch of luxury in the A6.

15. LED rear lights  | The genuine wood decorative inlays in dash, center console and door panels underscore the refined touch of luxury in the A6.
1. **BI-XENON ™ headlights with LED daytime running lights**
   - BI-XENON ™ headlights produce about twice as much light as comparable halogen headlights and help make night driving, particularly in poor weather, easier for the driver’s eyes with improved visibility. LED daytime running lights consume much less energy than conventional daytime running lights.

2. **Aluminum doorsill and window trim**
   - The aluminum doorsill and window trim complements the stylish lines of the A6, adding a touch of sporty elegance to the vehicle (Standard on 3.0T Avant).

3. **18” five-Y-spoke wheel with all-season tires**
   - The 18” wheel with all-season tires ensures a safe and comfortable ride on virtually all driving surfaces.

4. **Auto-dimming interior mirror with compass**
   - The rearview mirror with compass recognizes distracting bright lights behind the car and darkens the mirror glass automatically.

5. **18” ten-spoke wheel with all-season tires**
   - The impeccably designed wheel provides a touch of sporty elegance.

6. **BOSE® Surround Sound**
   - Nine speakers, including a center speaker matched with a five-channel DSP amplifier, deliver a total output of 255 watts. In addition, the BOSE® exclusive AudioPilot noise compensation technology adjusts the volume in response to unwanted road noise, creating a richer stereo experience.

7. **Audi Navigation system**
   - An in-car computer processes GPS signals and determines the car’s position, providing you with suggested routes in getting to your destination. The in-depth functionality includes radio and hands-free car phone functions by speaking the necessary commands by the push of a button for added comfort.

8. **Shift paddles**
   - Shift paddles allow effortless, race-inspired gear shifting that keeps the driver’s hands on the steering wheel.

9. **Power adjustable steering column**
   - The power adjustable steering column is an added touch of luxury to the car, ensuring maximum driving comfort.

10. **Audi advanced key**
    - With advanced key, the car can be locked/unlocked and started without removing the key from a pocket or purse. The steering can be released and the ignition turned on electronically, all without inserting the key into the ignition.

11. **Rearview camera**
    - The rearview camera aids the driver to see objects behind the vehicle when backing up.

12. **Adaptive headlights with cornering lights**
    - Utilizing input from the steering and speed of the vehicle, adaptive headlights pivot up to 15 degrees to help the driver to see ahead in the dark by lighting up corners and bends more effectively.

13. **Voice Recognition**
    - The Audi voice control system can be used to operate the most important navigation, radio and hands-free car phone functions by speaking the necessary commands.
1. S line bumpers | The unique S line bumpers accentuate the sporty and powerful exterior of the A6.

2. Audi Navigation system | Do-in-car computer processes GPS signals and determines the car’s position, providing vehicle navigation in getting to your destination. The in-depth functionality includes radio and hands-free car phone functions by speaking the necessary commands (through voice control), and a large color information display screen.

3. Rearview camera | The rearview camera helps the driver to see objects behind the vehicle when backing up.

4. Audi advanced key | With advanced key, the car can be locked/unlocked and started without removing the key from a pocket or purse. The steering can be released and the ignition turned on electronically, all without inserting the key in the ignition.

5. MMI® advanced | The simple terminal distills advanced technology into a natural, easy-to-use interface. Multi-Media Interface connects you with every advanced system of your Audi, making a remarkable vehicle an intuitive extension of yourself. Controlling infotainment functions and car settings will become second nature. You will manage Satellite Radio, CDs and vehicle systems with ease, creating a driving experience like no other.

+ BI-XENON ™ headlights with LED daytime running lights | BI-XENON ™ headlights produce about twice as much light as comparable halogen headlights and help make night driving, particularly in poor weather, easier for the driver’s eyes with improved visibility. LED daytime running lights consume much less energy than conventional daytime running lights.

+ Four-spoke, leather, multifunction steering wheel with shift paddles | The multifunction, four-spoke steering wheel not only provides shift paddles for fast, race-inspired gear shifting, it also offers easy access to infotainment functions.

+ Four-spoke wheel with all-season tires | Standard on the A6 4.2, the impeccably designed wheel provides a touch of sporty elegance to the A6.

+A6.4.2+ 

+ BOSE® Surround Sound | Nine speakers, including a center speaker, function as a virtual 5.1 channel 50W amplifier, deliver a total output of 300 watts. In addition, the BOSE® Precision Audio System noise compensation technology adjusts the volume in response to unwanted road noise, smoothing in other driving situations.

+ Voice Recognition | The Audi advanced system can be used to operate the most important navigation, radio and hands-free car phone functions by speaking the necessary commands.

+ Headlight washers | The retractable, high-pressure headlight washers concealed in the front bumper are activated when the driver washes the windshield and the headlights are on.

+ Lighting Package | The Lighting Package includes LED rear and brake lights, LED footwell lighting in front and rear, illuminated keys, door handle and the ignition, interior lights for the glove compartment and the rear view mirror.

+SIRIUS® Satellite Radio | Enjoy commercial-free music and more, available with a subscription to the SIRIUS® Satellite Radio network.

+ Bluetooth® | The Bluetooth® hands-free phone interface allows you to pair a Bluetooth-enabled mobile phone with your Audi and access your phonebook within the driver information display or MMI® screen in your instrument panel.

+ Adaptive headlights with cornering lights | Utilizing input from the steering and speed of the vehicle, adaptive headlights pivot up to 15 degrees to help the driver to navigate the dark by lighting up corners and curves more effectively.
S6

S6 sport seats  | In addition to greater lateral support, the specifically contoured S6 sport seats deliver a sporty and secure feel. Covered in S6 Nappa leather, the seats also feature eight-way lumbar control.

Leather shift knob  | The superior quality of leather and impeccable craftsmanship add to the elegant, dynamic and versatile driving experience.

Dual exhaust quad tailpipes  | Unique quad exhaust tailpipes create a monstrous exhaust note and hint at the power contained under the hood.

BOSE® Surround Sound  | Nine speakers, including a center speaker matched with a five-channel DSP amplifier, deliver a total output of 255 watts. In addition, the BOSE® exclusive AudioPilot® noise compensation technology adjusts the volume in response to unwanted road noise, creating a more consistent listening experience.

Voice Recognition  | The Audi voice control system can be used to operate the most important navigation, radio and hands-free car phone functions by speaking the necessary commands.

SIRIUS® Satellite Radio  | Enjoy commercial-free music and more, available with a subscription to the SIRIUS® Satellite Radio service.

Summer performance tires are designed for optimum performance and handling in warm climates. They are not suitable for use in snowy or icy conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tires specified for your vehicle.

Performance tires also have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at recommended levels. Tire吃过早或被刺伤可导致爆胎。如果车辆在崎岖或损坏的道路上行驶，或遇到路障或障碍物，请也要记住在选择时要考虑，虽然这些轮胎提供了响应的操控性，但可能骑得更不舒适。最后，这些轮胎可能比其他选择磨损更快。有关所有这些主题的更多信息，请参阅车主手册，您的当地经销商或拨打1-800-FOR-AUDI。

1. A6 3.0T Premium, 3.2 Premium
   17" five-spoke alloy wheel with 245/45 all-season tires
   This standard wheel on Premium gives the A6 a sporty look and feel. The all-season tires help provide a safe and comfortable ride in a variety of weather conditions.

2. A6 3.0T Premium Plus, 3.2 Premium Plus
   18" five-Y-spoke alloy wheel with 245/40 all-season tires
   The 18" five-Y-spoke alloy wheel comes standard with the Premium Plus and offers a stylish and refined look to the A6 exterior.

3. A6 3.0T Prestige, 4.2
   18" ten-spoke alloy wheel with 245/40 all-season tires
   Standard on Prestige, this impeccably designed wheel provides a touch of sporty elegance to the A6.

4. S6
   19" five-double-spoke alloy wheel with 265/35 summer performance tires
   This impressive wheel is standard on the S6 and is complemented by summer performance tires, which provide the drive with superior handling.

5. S6 Optional
   18" seven-double-spoke alloy wheel with 255/40 summer performance tires
   The eye-catching seven-double-spoke wheel is optional and comes equipped with summer performance tires.

- 18" ten-spoke wheel with all-season tires
- Four-spoke, multifunction, leather steering wheel
- Power adjustable steering column
- Audi music interface

---

* Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children in the rear, using restraint systems appropriate for their size and age.
†† Your Audi vehicle is equipped with a phone preparation utilizing Bluetooth® interface to enable hands-free telephony. For more information on the mobile phones sold separately. You will need a Bluetooth®-enabled mobile phone in order to utilize this function. Not all Bluetooth®-enabled mobile phone models are compatible with Audi’s phone preparation. Visit audiusa.com/bluetooth, or contact your local Audi dealer for the latest listing of compatible phones. Audi recommends use of the Audi phone cradle [sold from time to time at an additional cost. Consult your dealer or call 1-800-FOR-AUDI for details.

---

The navigation system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. The information on this system is based upon the database of the mapping firms we use. The routing system is designed to operate with the most recent database information. The information contained in the database of the mapping firms we use may contain errors. Periodically, the mapping is updated, and a new database may be required in order to maintain the latest navigation information available to us. These will be available for purchase from Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, so you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgement in determining whether or not to follow a suggested Audi Navigation plus route.

** Based on data available April 2008. May be subject to change. EPA estimate; your mileage may vary.
FSI® Direct Injection
This technology increases the torque and power of the engine, making it more economical,* as well as reducing exhaust emissions. More power, better economy and reduced emissions. It’s a win-win-win for everyone.

Tiptronic®
Tiptronic® allows the driver to manually select the gears and enables gear changes to take place with minimal interruption in engine power, even during downshifts. An additional sport program delays upshifts for a sportier driving style.

quattro®
Developed and continually refined by Audi, quattro® offers a significantly enhanced level of all-wheel drive performance. With a 40/60 split of power between the front and rear in normal conditions, quattro® becomes simply superlative in the worst of conditions by dynamically shifting torque as required.

MMI®
The Multi-Media Interface is a highly intuitive and simple to use system that connects you with every advanced system of your Audi, making this remarkable vehicle an intuitive extension of yourself. The MMI® controls a range of features, including ride dynamics, your entertainment system, your environment, and the Audi Navigation System.

* Fuel economy estimates combined: 18 mpg [Audi A6 4.2], 21 mpg [Audi A6 3.2]. EPA estimate; your mileage may vary.
1. Roof Edge Spoiler | This Audi-designed body styling component contributes to vehicle aerodynamics while it complements the pure lines of the A6 Avant. The spoiler features an integrated brake light.

2. Cargo Net Partition | This practical, durable partition can help keep your cargo or pets safely in the cargo area. Attaches to existing hooks. No drilling necessary.

3. Upright Barracuda Bicycle Holder | This bike holder fits 20-80mm bike frames and is easy to use. It features a molded plastic bracket that allows the bike to stand on its own as you easily secure the bike. Lock included (must be used in combination with the base carrier bars, sold separately).
If all of this wasn't enough to convince you, perhaps a visit to your nearest dealer will.
