It all started with a vision for what Audi stands for, and it became a statement of what we believe. With the A8 L, we’ve crafted our flagship. The pinnacle of engineering and design—from the gleaming illumination of the full LED headlights, graceful proportions and Singleframe® grille to its powerfully assured performance and precision handling. Whether you are moved by its sophisticated technologies or the sculpted power of a standard 333-hp 3.0-liter TFSI® V6 or an available 450-hp 4.0-liter TFSI V8 engine, this is a vehicle propelled by the passion of distinguished drivers—and driven by the vision of passionate engineers.
It all started with a vision for what Audi stands for, and it became a statement of what we believe. With the A8 L, we’ve crafted our flagship. The pinnacle of engineering and design—from the gleaming illumination of the full LED headlights, graceful proportions and Singleframe® grille to its powerfully assured performance and precision handling. Whether you are moved by its sophisticated technologies or the sculpted power of a standard 333-hp 3.0-liter TFSI® V6 or an available 450-hp 4.0-liter TFSI V8 engine, this is a vehicle propelled by the passion of distinguished drivers—and driven by the vision of passionate engineers.

Driven by distinction, engineered for the distinctive.
Always in our Sunday best.

Casual isn’t in our vocabulary. Audi designers are deliberate in making confident decisions to craft meticulous exterior designs. The Audi A8 L is a work of modern art, apparent in the sleek elegance of the strong lines that highlight the performance capabilities of this vehicle. Attention to detail is demonstrated in the shoulder line, which stretches the design language from the headlights to the taillights, conveying a sense of prestige and virtue in vehicle design that will help keep the A8 L and the driver looking and feeling on point.
Give peace of mind a chance.

We understand that you can’t control everything you experience on the road. That’s why the Audi A8 L was engineered with ten standard airbags¹ and advanced Electronic Stability Control (ESC) with a secondary collision brake assist feature. The A8 L offers ASF® aluminum construction that provides strength, resilience and crumple zones that help mitigate potential injuries.

¹ Airbags are supplemental restraints only and will not deploy in all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.
Because you know what success feels like.

High-caliber craftsmanship pays dividends in a sophisticated interior that was designed for comfort and feel. Thoughtful ingenuity in arrangement starts with the wraparound curve of the dashboard that spans the entire driving environment. Once seated, you will experience comfort from all sides with details such as dual-pane acoustic glass, which helps reduce outside noise and regulate desired interior temperature with the help of four-zone automatic climate control, and an available heated steering wheel. While you’re at it, feel free to relax, as the elegant yacht-inspired gear selector allows your hand to rest while you operate the MMI® system.

2017 Audi A8 L 4.0T Sport shown with Nougat Brown Valcona leather and optional equipment.
Room for the finer things.

Once you've basked in the absolute comfort of the Audi A8 L, niceties will soon turn into necessities. The ample interior includes thoughtful details, refined materials and overall sophistication that define your driving experience. Lounge in a peaceful sanctuary provided by ambient LED lighting, and ease into available 22-way driver and front-passenger comfort seats with ventilation and massage function. And let your passengers equally enjoy the ride with the available Rear Seat Comfort package with power outboard rear seats with lumbar adjustment, ventilation and massage functions plus front-passenger power seat adjustment from the rear. Each time you enter the cabin of the A8 L, you will feel that you are in a true executive sedan.
Confidence is a draw—and a result. The sophisticated performance of the Audi A8 L is enhanced by either a supercharged 3.0-liter TFSI® V6 or an available turbocharged 4.0-liter TFSI® V8 engine with cylinder on demand™ engine efficiency technology¹ and an eight-speed Tiptronic® automatic transmission. With the road-gripping capability of the quattro® all-wheel drive system applying that power, driving the A8 L can feel as confident as its engineering.

## Engine
- **3.0-liter TFSI® supercharged V6 engine.**
  - 333 hp / 325 lb-ft.

## Drivetrain
- Eight-speed Tiptronic® automatic transmission with quattro® all-wheel drive.
- Available dynamic steering and sport differential.

## Performance
- Top track speed of 130 mph.¹
- 0-60 mph in 5.5 sec.

## Engine
- **4.0-liter TFSI® turbocharged V8 engine.**
  - 450 hp / 444 lb-ft.

## Drivetrain
- Eight-speed Tiptronic® automatic transmission with quattro® all-wheel drive.
- Available dynamic steering and sport differential.

## Performance
- Top track speed of 130 mph.²
- 0-60 mph in 4.4 sec.

---

¹ 2017 EPA estimates not available at time of publication. See www.fueleconomy.gov for 2017 EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. ² Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws.

**2017 Audi A8 L 4.0T Sport shown in Monsoon Gray metallic with available equipment.**
In the case of the propulsive Audi S8 plus, the plus means we’ve packed more than 151 horsepower per liter into this singular vehicle. Outperforming even our own lofty expectations of what sport performance can be, the S8 plus boasts an incredible 605 hp and up to 553 lb-ft of torque with overboost in its 4.0-liter TFSI® V8 engine, getting you from 0–60 mph in a mere 3.7 seconds. Adding to its impressive credentials, Audi adaptive air suspension and dynamic steering have been retuned to expertly fit its capabilities.

// Engine
4.0-liter TFSI® turbocharged V8 engine.
605 hp / up to 553 lb-ft with overboost.

// Drivetrain
Eight-speed Tiptronic® automatic transmission with quattro® all-wheel drive.
Dynamic steering, sport differential and available sport exhaust.

// Performance
Top track speed of 155 mph (optionally increased to 190 mph when equipped with the available Dynamic package).1
0–60 mph in 3.7 sec.

It’s understandable to become seduced by the Audi S8 plus. A sleek exterior design is accentuated with an available Florett Silver matte paint effect and three Audi Sport® 21” 5-double-arm design wheel finish options in titanium, silver or high-gloss black. Available gloss black elements such as window surrounds, rear diffuser and the Singleframe® grille add to the allure and draw of going past where you felt sport could go.

Even at the top, some feel the need to go higher.

2017 Audi S8 plus shown in Florett Silver matte with available equipment.

1 Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws.
With great power, comes great prestige.

And when it comes to gaining prestige, you have to be judicious in your decisions. Exclusive to the Audi S8 plus, an available Audi design selection includes Black Valcona leather seats with Arras Red contrast stitching and seat piping as well as a standard Black Alcantara® headliner. Not-so-subtle details like Carbon Twill, Red inlays and a Piano Black gear selector add to the jaw-dropping points you will see every time you get behind the wheel.
No need to suspend your confidence.

Unleash your S8 plus to its top performance potential with the available Dynamic package. Embrace design elements such as a carbon fiber rear lip spoiler and a sport exhaust system with black outlets, plus performance enhancers like front and rear Audi ceramic brakes and a top speed-limit of 190 mph.1

Audi adaptive air suspension

Precise handling meets true comfort. The re-engineered sport-tuned Audi adaptive air suspension allows for speed-dependent lowering of the body, resulting in a lower center of gravity that helps improve your directional stability. Speed or driver-selectable control logic adjusts the air suspension springs at all four wheels, adjusting the suspension in milliseconds.

2017 Audi S8 plus shown in Florett Silver matte with available equipment.

1 Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws.
On our radar, off your nerves.

Knowing that you can process only so much information at once, we set out to provide you with driving technologies that can lighten the sensory load. With available advanced technologies like night vision assistant,1 which uses infrared technology, or Audi side assist,1 which utilizes radar sensors to help inform you of vehicles approaching from the side, our innovations help keep you aware of your surroundings.

Audi uses extra sensors for better perception.

1. The features discussed are not substitutes for attentive driving. Please see your owner’s manual for further details and important limitations.
2. Standard text and data usage rates apply.
Let’s face it—in our modern lives, we are constantly pulled into different directions. To help combat this, the MMI® system offers a wealth of accessible information with a simple touch. A natural extension of your hand, MMI touch with handwriting recognition offers the ability to give commands and retrieve media with just a few simple strokes on the pad. You’ll quickly have access to information such as music files, contact information and destinations. And the possibilities are even bigger as you engage with the functions and features of Audi connect®.

1. Always pay careful attention to the road, and do not drive while distracted. Audi connect® should only be used when it is safe and appropriate. Audi connect services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details.
The orchestra rises for your applause.

When we set out to compose the most precise sound system we've ever assembled, we didn't want you to just hear every note. We wanted you to experience them. From sculpted high notes to a crystal-clear mid-range to deep-diving lows, the available Bang & Olufsen® Advanced Sound System delivers a stunning recreation of sound that you can feel as much as hear. Innovative sound engineering can also be found in the BOSE® Surround Sound System, which effortlessly brings a performance to life. So whether you’re in the mood to be soothed, engaged or inspired, you can expect an immersive experience that can only be matched by the precision driving of your Audi.

1. Always pay careful attention to the road, and do not drive while distracted. Audi connect® should only be used when it is safe and appropriate. Audi connect services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details. 2. Always pay careful attention to the road, and do not drive while distracted. The Wi-Fi® hotspot feature is intended for passenger use only. See materials provided by wireless carrier for terms, privacy, and data security details. Returning devices connect automatically and use plan data unless hotspot is removed from device settings.
A. Available panoramic sunroof | Connecting with your surroundings has never been easier.

B. Standard 18-way front seats | Find the contour that suits you, including comfort front and rear head restraints.

C. Gear selector design | The yacht-style gear selector provides a point to rest your wrist while engaging the MMI® system.

D. Four-zone automatic climate control

E. Available Valcona leather with diamond stitching

F. Exterior LED lighting technology | Full LED headlights and LED taillights form a distinctive look and provide long-lasting illumination.

G. Available rear seat entertainment | Rear seat occupants can control and display a wealth of media choices.

H. Available Audi Sport® 21" 10-V-spoke design wheel

I. Integrated twin-trapezoidal exhaust outlets

J. Available Rear Seat Comfort package | Passengers can enjoy power rear outboard seats with lumbar adjustment, ventilation and massage functions.
Audi Genuine Accessories

You’re a try-anything-once, never-sit-still, give-it-your-all kind of person. Life doesn’t just string you along; you live to take life further. Audi Genuine Accessories can help you do just that. For personalizing, help in protecting and showing your Audi pride, our accessories were made for your lifestyle.

1 Not available in all states. Check with your authorized Audi dealer for product availability.

B. Cleaning technologies
Our Cockpit Care, Plastic Cleaner, Active Foam Cleaner, Wash & Wax Shampoo, Insect Remover and Wheel Rim Cleaning Gel are specially formulated for use with Audi interior and exterior materials.

C. Indoor car cover
A lightweight, easy-to-use cover helps protect the finish of your A8 L. Intended for indoor use only. Storage bag included.

A. 20” 5-arm parabolic wheel and tire package
An elegant, open design with five parabolic arms, each described by one thin and one medium blade. The blades and rim edge are machined to a bright finish, and the remaining surfaces are graced by a rich anthracite tone. Every Audi alloy wheel design is engineered, manufactured and tested to meet rigorous factory standards.

D. Audi beam
Show your Audi pride with this lens that replaces the original entry light under your vehicle’s door. When the door is open, the lens projects the four rings logo on the ground. Also available with the quattro® logo.

Audi Genuine Accessories

**Audi Genuine Sport and Design Accessories**

For a bolder appearance or a finishing touch, we have a solution that helps make every mile more enjoyable—and more yours.

- Stylish wheel designs
- Audi beam
- License plate frames

**Audi TravelSpace Transport Accessories**

When on the go, help make sure your gear fits with a variety of intelligent and innovative solutions.

- Cargo net
- Rooftop cargo carriers (S8 plus models)
- In-vehicle cargo bags

**Audi Guard Comfort and Protection Accessories**

Help protect what you love. Use Audi Guard Comfort and Protection Accessories to help keep your Audi looking like new—inside and out.

- Floor mats
- First aid kit
- Cargo mats

**Audi Guard Car Care Products**

Your Audi A8 L or S8 plus deserves the very best—a car care line designed specifically for Audi.

- Leather care
- Detailing tools
- Winter protection

---

A. 19" A8 L/S8 plus winter wheel and tire package

Adding style and performance, this winter wheel and tire package features Audi Original winter tires specifically engineered to help improve traction and handling in a variety of winter weather conditions. See your authorized Audi dealer for details.

B. All-weather floor mats

The all-weather floor mats feature a deep-ribbed, channeled design that helps protect your vehicle’s floor and carpeting from the elements. Black mats are available in sets of two for front or rear. Front mats feature the A8 logo.

C. All-weather cargo mat

Custom fit for your A8 L, the raised outside edge of the cargo mat helps contain spills and protect cargo-area carpeting from stains. The textured material helps control load shifting.

D. First aid kit

In the event of an emergency, you may want these essentials close at hand. Includes an emergency blanket, burn/wound dressings and much more.

E. Paint protection film

This custom-fit transparent film helps protect the rear bumper from scratches while loading and unloading. It can also be applied to the front of the vehicle to help prevent damage from rocks and other road debris.

---

F. Men’s leather chronograph watch

Add a little extra style to your everyday attire. This watch has a black leather band, a gray dial, a chronograph function and the Audi rings logo.

G. Oakley® Tech Sport Duffle

This duffle fits the bill for a long weekend or forgetting your gear to the gym. Fabric handles and a padded shoulder strap offer versatile and comfortable carrying options, while an ample main compartment and multiple specialized pockets inside and out offer accessibility and organization. 26.25" W x 11.25" D x 12.5" H.

H. Ladies’ half-zip mock neck by Spyder®

Moisture-wicking, quick-drying, slim-fit material provides plenty of comfort. Features the Spyder® and Audi Sport® logos and is available in black, red, gray or white.

---

1 When driving during cold, snowy or icy weather conditions, ensure that your vehicle is equipped with appropriate all-season or winter weather tires. Even with appropriate tires, you must always drive in a manner appropriate for the weather, visibility and road conditions.
Black optic package

Black is still the new black.

You could call it a classic—or a power color. Whatever you choose to call it, it’s undeniable that the Audi A8 L with the available Black optic package creates an indelible impression. Bold gloss-black elements enhance the striking exterior from its Singleframe® grille to window trim surrounds to the Audi Sport® 20" 5-double-spoke design wheel with titanium finish. No matter the trend of the moment, you can engage in a distinguished look that will always keep you looking stylish.

2017 Audi A8 L 4.0T Sport shown in Florett Silver metallic with available Black optic package.

- Front-passenger seat power adjustment from rear seat

**Dynamic package**
- quattro® sport differential
- Dynamic steering

---

1. Tires are supplied and warranted by their manufacturer. High-performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy, or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tire specified for your car or its equivalent. These high-performance tires also have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim, or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at optimum levels. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices.

2. MMI® navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle’s electrical system and existing wireless and satellite technologies must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested MMI® navigation plus route. For mapping updates please see your Audi dealer or call 1-800-FOR-AUDI for details.

3. Always pay careful attention to the road, and do not drive while distracted. Audi connect® should only be used when it is safe and appropriate. Audi connect® services and features are optional, provided with the support of authorized affiliated and third party service providers. They require the support of a cell phone service provider and are subject to cell phone service plans and conditions.

4. EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.
A8 L 4.0T Sport

- Carbon Twill, Copper upper inlays

Dynamic package
- Audi ceramic brakes, front and rear
- Carbon fiber rear lip spoiler
- Sport exhaust system with black outlets
- Top track speed of 190 mph

S8 plus

Featured highlights

Engineering/Performance
- 4.0-liter TFSI® turbocharged V8
- 605 hp/up to 553 lb-ft torque with overboost
- Cylinder on demand™ engine efficiency technology
- Acceleration (0–60 mph) in 3.7 seconds

Suspension/Chassis
- Audi adaptive air suspension (with S model-specific tuning)
- 15.7" ventilated front disc/14.0" ventilated rear disc brakes (with S8 badging)
- Dynamic steering and quattro® sport differential

Exterior
- Audi Sport® 21" 5-double-arm design wheels, titanium finish, with 275/35 summer performance tires
- Platinum gray Singleframe® grille
- S model-specific front/rear fasciae and side sills
- Full LED headlights and high-beam assistant
- Aluminum-optic front/rear twin-blade fins
- Body-color rear lip spoiler
- Sunroof
- Black Alcantara® headliner
- Valcona leather seats
- 22-way power front sport/comfort seats, including power lumbar adjustment, ventilation, massage function, memory and diamond stitching
- Extended Leather package (includes airbag cap, center console, door armrests and pulls)

Infotainment/Technology
- MMI® navigation plus with voice control system
- MMI® touch with handwriting-recognition technology
- Audi connect® with six-month trial subscription
- 7" color driver information system
- BOSE® Surround Sound System with 14 speakers, AudioPilot® noise compensation and 630 watts
- Audi advanced key — keyless start, stop and entry
- Audi side assist® and Audi pre sense® rear
- Head-up display with navigation information
- Parking system plus with rear view camera (front and rear acoustic parking sensors)
- Top and corner view camera system

Interior/Seating
- Four-zone automatic climate control
- Three-spoke multifunction sport steering wheel with aluminum-optic shift paddles (with S8 badging)
- Power tilt and telescopic steering column
- Carbon Atlas upper inlays and shift lever
- Ambient LED interior lighting
- Dual-pane acoustic glass
- Power rear side and rear window sunshades
- Sunroof
- Black Alcantara® headliner
- Valcona leather seats
- 22-way power front sport/comfort seats, including power lumbar adjustment, ventilation, massage function, memory and diamond stitching
- Extended Leather package (includes airbag cap, center console, door armrests and pulls)

Driver Assistance package
- Audi adaptive cruise control with stop & go
- Audi active lane assist
- Audi pre sense® plus

Black optic Exterior package
- Gloss black Singleframe® grille, side window trim and rear diffuser
- Carbon front and rear blade fins
- Carbon exterior side mirror housings
- LED taillights with darkened taillight lenses

---

1. 2017 EPA estimates not available at time of publication. See [www.fueleconomy.gov](http://www.fueleconomy.gov) for 2017 EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. 2. Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws. 3. Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter.
### Wheels

- **19” 15-spoke design**
- **Audi Sport® 20” 5-double-spoke design, titanium finish**
- **Audi Sport® 20” 5-double-spoke design, Galvano Silver finish**
- **Audi Sport® 20” 5-double-spoke design, high-gloss black finish**
- **Audi Sport® 21” 5-double-arm design, silver finish**
- **Audi Sport® 21” 5-arm-rotor design, titanium finish**
- **Audi Sport® 21” 5-arm-rotor design, high-gloss black finish**
- **18” 10-spoke-star design**

Wheel options will vary based on model, trim level and package and may increase price. See your dealer for details.

### Interior Inlays

#### Upper inlay options
- **Dark Brown Walnut Wood**
- **Aspen Grey Valetta Wood**
- **Brown/Gold Natural Fine Grain Ash Wood**
- **Velvet Brown Fine Grain Ash Wood**
- **Baltic Brown Natural Fine Grain Ash Wood**
- **Copper Brown Natural Fine Grain Ash Wood**

#### Carbon Atlas
- **Black Perforated Valcona leather with diamond stitching**
- **Titanium Grey Perforated Valcona leather with diamond stitching**
- **Black Perforated Valencia leather with diamond stitching and piping**
- **Nougat Brown Valetta leather**
- **Nougat Brown Perforated Valencia leather with diamond stitching and piping**
- **Balao Brown Perforated Valencia leather with White stitching and piping**
- **Nougat Brown Perforated Valencia leather with diamond stitching and piping**
- **Velvet Beige Valetta leather**
- **Velvet Beige Perforated Valencia leather with diamond stitching**
- **Audi exclusive leather**

### Interior Colors and Seat Selections

#### Lower inlay options
- **Plano Black**
- **Brushed Aluminium**

Interior inlay and interior color options will vary based on model, trim level and package and may increase price. See your dealer for details.
