YES.
YES ACHIEVES THE IMPOSSIBLE.

It creates progress.  
It takes risks.  
And it makes a statement.  

What follows are the results of refusing to yield to limitations and instead, embracing the possibilities.  

Welcome to the cars that “yes” built.
Once a year, Audi brings its best to a little race called the 24 Hours of Le Mans. And over the past decade, we've stood atop the podium eight times.

A DECADE OF SUNDAYS ATOP THE PODIUM IS VALIDATION OF OUR TECHNOLOGY AND OUR CARS.
The same designers who created the Le Mans-winning prototypes also designed the R8. So, to distinguish it from the racecar, they gave it a radio, roof and AC.
The sideblades allow for personal customization of the R8 as well as channeling air to the state-of-the-art, mid-mounted engine.
WE DRAW INSPIRATION FROM EVERYWHERE.
A highly skilled pair of hands continues to be the ideal tool for creating a mere 20 works of art a day.
We use only the most advanced composites and alloys, such as carbon fiber, magnesium and aluminum blended with silicon, all for the sole purpose of performance.
525 HP MAKES THE WORLD SEEM MUCH SMALLER.

YES  The R8 V10: 0-60 in 3.7 seconds and a top track speed of 196 MPH.*
FLIGHT SIMULATOR OR SUPERCAR?

The R8 double-wishbone aluminum suspension with quattro® all-wheel drive achieves lateral g-forces of 1.2. More g’s than a Saturn V rocket in the third stage of liftoff.
The R8 double-wishbone aluminum suspension with quattro® all-wheel drive achieves lateral g-forces of 1.2. More g's than a Saturn V rocket in the third stage of liftoff.
TEN SCREAMING PISTONS AND TWO WELL-PADDED HEADRESTS.

With a piston speed of 60 MPH at the 8700 RPM redline, it’s no wonder this is the very same engine used in the R8 LMS GT3 racecar.
0.1 SPLIT-SECOND SHIFT TIMES.

YES The R tronic® transmission serves up gears instantaneously, providing relentless V10 power.
We introduced the world to the remarkable performance and handling of quattro® all-wheel drive and reset the possibilities of what a car can do.
The first vehicle to employ a full LED headlight system. The R8 features 24 LED daytime running lights, symbolic of Audi victories at the 24 Hours of Le Mans.

**SPYDER WHEEL OPTIONS**

19" TEN-SPOKE, Y DESIGN WHEELS (Standard)

19" FIVE-ARM, DOUBLE-SPOKE TITANIUM FINISH WHEELS

**SPYDER INTERIOR SEATING OPTIONS**

- BLACK FINE NAPPA LEATHER
- LUNAR SILVER FINE NAPPA LEATHER
- TITANIUM GRAY FINE NAPPA LEATHER
- LUXOR BEIGE FINE NAPPA LEATHER
- NOUGAT BROWN FINE NAPPA LEATHER
- RED FINE NAPPA LEATHER

**SPYDER DECORATIVE INLAY OPTIONS**

- CARBON FIBER SIGMA INLAY
- PIANO BLACK INLAY
- MICROMETALLIC GRAY INLAY (Standard)
The Audi R8 Spyder is peerless in performance and design. The specially designed acoustic top incorporates three layers of insulation for year-round comfort and an interior acoustic level comparable to a traditional coupe. Visually, the R8 Spyder stands out as well with high-gloss black exterior elements such as the aggressive Singleframe® grille, front lip spoiler, rear diffuser, front air inlet and rear air outlet grilles. The engine compartment cover and rear side panels are constructed from innovative Carbon Fiber reinforced polymers for optimal weight distribution. Dual-oval chrome exhaust pipes, Aluminum Optic engine vents and a retractable rear spoiler also hint at its performance potential. Adding to the aggressive yet understated look are dramatic 19” ten-spoke, Y design wheels with summer performance tires! Rounding out the exterior features are body color, heated, power-folding mirrors with auto-dimming capabilities.

**Engine/Performance**

5.2 liter DDHC V10, four valves per cylinder, with FSI direct injection, dry sump lubrication system, aluminum cylinder block and crank case
Displacement: 5.2 liters [317.6 cu.in.]
Bore: 3.33 in. | Stroke: 3.65 in. | Compression Ratio: 12.5:1
Horsepower: 525 @ 8000 RPM | Torque: 391 lb-ft @ 6500 RPM
0 – 60: 4.0 seconds | Top track speed: 195 MPH | Lateral Acceleration: 1.2g
Fuel economy estimate, city/highway: N/A at time of printing

**Chassis/Technical**

Six-speed manual transmission
Six-speed R tronic* sequential automatic transmission (Option)
Audi Space Frame [ASF]
Audi magnetic ride
quattro® permanent all-wheel drive with rear-biased torque distribution
14” perforated and internally ventilated front brake rotors with eight piston calipers
14” perforated and internally ventilated rear brake rotors with four piston calipers

**Safety**

The greatest complement to superior performance is uncompromised safety. The R8 Spyder naturally features a number of active and passive safety systems.
Integrated active rollover protection system with spring-tensioned roll bars
Rigid body, side intrusion beams, and energy-absorbing crumple zones at the front and rear
Driver and passenger knee airbags
Driver and passenger seat-mounted head and thorax airbags
Driver and passenger advanced dual-stage airbags*

**LED Lighting**

The Audi R8 Spyder offers a full LED headlight system. This means the headlights (including high and low beams), turn indicators and daytime running lights are fully LED. The rear lights are also LED, offering the benefit of rapid response once the brake pedal is depressed. LED lighting technology is also found in the interior lighting and the turn indicators integrated into the exterior mirror housings.

**Interior**

The Audi R8 Spyder interior strikes the perfect balance between absolute performance and supreme luxury by utilizing innovative technology, while integrating only the finest materials.
Fine Nappa leather sport seats with thermal resistant properties
Ten-way, power-adjustable, heated seats including four-way lumbar support
Aluminum Optic accelerator, brake and footrest [includes clutch pedal with manual transmission]
Leather-wrapped, magnesium, three-spoke, flat-bottom multifunction sport steering wheel
Micro-metalllic Gray interior inlays
Auto-dimming interior mirror with digital compass

**Options**

The Audi R8 Spyder is ideal for personal customization. Select from a number of interior and exterior options to make the R8 Spyder uniquely yours.
Carbon Fiber Sigma or Piano Black interior inlays
Carbon Fiber Sigma or Piano Black exterior mirrors
Carbon Fiber Sigma Exterior Package: Includes front spoiler lip and rear diffuser
Illuminated door sills
Enhanced Leather Package: Additional leather elements including dash and door trim
Audi Navigation plus with Audi music interface and iPod® cable
19” five-arm, double-spoke wheels with summer performance tires*
19” five-arm, double-spoke polished or Titanium finish wheels with summer performance tires*

*Always obey all local speed and traffic laws. Top track speed measured with summer performance tires and requires tires with proper speed rating. Check your owner's manual or dealer for details.
†EPA estimates; your mileage will vary.
‡Summer performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tires specified for your car or truck's trim level. These summer performance tires also have a lower aspect ratio that aids performance and handling. However, in order to avoid tire, rim or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at recommended levels. Serious wheel and tire damage may occur if the vehicle is operated on damaged road surfaces, or upon encountering objects on the road. Please also remember to balance your selection that, while these tires deliver responsive handling and excellent performance, they may be uncomfortable and make more noise than other choices. Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual, your local dealer or call 1-800-FOR-AUDI.

- Horsepower: 525 @ 8000 rpm | Torque: 391 lb-ft. @ 6500 rpm
- 0-60: 3.7 seconds | Top track speed*: 196 MPH | Lateral Acceleration: 1.2g

Chassis/Technical (Standard)
- Six-speed manual transmission
- Six-speed R tronic® sequential automatic transmission (Option)
- Audi Space Frame [ASF®]
- Aluminium double-wishbone front and rear suspension
- Audi magnetic ride
- quattro® permanent all-wheel drive with 15.85:30:70 rear-biased torque distribution
- 14.4" perforated and internally ventilated front brake rotors with eight piston calipers
- 14" perforated and internally ventilated rear brake rotors with four piston calipers

Safety (Standard)
The greatest complement to superior performance is uncompromised safety.
The R8 5.2 naturally features a number of active and passive safety systems.
- Rigid body shell with reinforced occupant cell, side intrusion beams, and energy absorbing crumple zones at the front and rear
- Driver and passenger knee airbags*
- Driver and passenger seat-mounted head and thorax airbags*
- Driver and passenger advanced dual-stage airbags*

LED Lighting (Standard)
The Audi R8 5.2 is the first vehicle in the world to offer a full LED headlight system. This means the headlights (including high and low beams), turn indicators and daytime running lights are fully LED.
The rear lights are also LED, offering the safety of rapid response once the brake pedal is depressed. LED lighting technology is also found in the turn indicators integrated into the exterior mirror housings, and the dramatic engine compartment features LED illumination.

Exterior (Standard)
The Audi R8 5.2 is peerless in performance and design, so it stands to reason that it incorporates a number of unique visual items. The S 5.2 features flared rocker panels and sideblades as well as high-gloss Black exterior elements such as the aggressive singleframe® grille, front lip spoiler, rear diffuser, front air inlet and rear air outlet grilles. The engine compartment itself is a work of art. Gaze through the transparent panel and admire the Carbon Fiber Sigma surrounding the engine and Aluminum Optic vents that cap off an elegant rear roofline.
- Dual oval chrome exhaust pipes and a retractable rear spoiler both hint at the performance potential. Adding to the aggressive yet understated look are dramatic 19" ten-spoke, Y design wheels with summer performance tires.
- Rounding out the exterior features are body color, heated, power-folding mirrors with auto-dimming capabilities.

Infotainment/Technology (Standard)
The Audi R8 5.2 is brimming with technological enhancements, enabling you to make the most of every drive.
- Audi Navigation plus with real-time traffic
- Audi parking system plus with rearview camera – includes ultrasonic sensors for both front and rear of vehicle
- Bang & Olufsen® Sound System – 465 watts, twelve speakers including a center speaker and subwoofer, ten channel amplifier and vehicle noise compensation
- SIRIUS® Satellite Radio
- HomeLink® and Bluetooth®

Interior (Standard)
The Audi R8 5.2 interior strikes the perfect balance between absolute performance and supreme luxury by utilizing innovative technology, while integrating only the finest materials.
- Fine Nappa leather sport seats
- Ten-way power-adjustable, heated seats including four-way lumbar support
- Aluminum Optic accelerator, brake and clutch pedals
- Leather-wrapped, three-spoke, flat-bottom multifunction sport steering wheel
- Micrometallic Gray interior inlays
- Auto-dimming interior mirror with digital compass
- Automatic climate control
- Tilt and telescopic manually adjustable steering column

Options
The Audi R8 5.2 is ideal for personal customization. Select from a number of interior and exterior options to make the R8 5.2 uniquely yours.
- Carbon Fiber Sigma or Piano Black inlays
- Carbon Fiber Sigma doorsill inserts
- Carbon Fiber Sigma exterior mirrors
- Carbon Fiber Sigma Exterior Package: includes front spoiler lip and rear diffuser
- Alcantara® headliner
- Audi music interface with iPod® integration
- 19" five-arm, double-spoke wheels with summer performance tires
- 19" five-arm, double-spoke polished or Titanium wheels with summer performance tires

*Always obey all local speed and traffic laws. Top track speed measured with summer performance tires and requires tires with proper speed rating. Check your owner's manual or dealer for details.

†EPA estimate; your mileage will vary.

‡Airbags are supplemental restraints only and will not deploy in all crash circumstances. Always use safety belts and refer to your owner's manual for the proper use of the restraint systems when transporting children.

§Summer performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended summer or all-season tires specified for your car or their equivalent. These summer performance tires also have a lower aspect ratio that aids performance and handling. However, in order to avoid tire, rim or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at recommended levels. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces, or upon encountering road debris or obstacles. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual, your local dealer or call 1-800-FOR-AUDI.

Engine/Performance

- 4.2 liter DOHC V8, four valves per cylinder, with FSI direct injection, dry sump lubrication system and aluminum cylinder block, crank case and cylinder heads
- Displacement: 4.2 liters (254 cu.in.)
- Bore: 3.33 in. | Stroke: 3.65 in. | Compression Ratio: 12.5:1
- Horsepower: 420 @ 7800 rpm | Torque: 371 lb-ft @ 4500-6000 rpm
- 0-60: 4.4 seconds | Top track speed*: 187 MPH
- Fuel economy estimate, city/highway*: Manual: 12/19 MPG, R tronic: 13/18 MPG

Chassis/Technical (Standard)

- Six-speed manual transmission
- Six-speed R tronic® sequential automatic transmission [Option]
- Audi Space Frame [ASF®]
- Aluminum double-wishbone front and rear suspension
- Audi magnetic ride
- quattro® permanent all-wheel drive with 10:90-35:65 rear-biased torque distribution
- 14.4” perforated and internally ventilated front brake rotors with eight piston calipers
- 14” perforated and internally ventilated rear brake rotors with four piston calipers

Safety (Standard)

- The greatest complement to superior performance is uncompromised safety.
- The Audi R8 4.2 naturally features a number of active and passive safety systems.
- Rigid body shell with reinforced occupant cell, side intrusion beams, and energy-absorbing crumple zones at the front and rear
- Driver and passenger knee airbags*
- Driver and passenger seat-mounted head and thorax airbags*
- Driver and passenger advanced dual-stage airbags*

LED Lighting (Standard)

- The Audi R8 4.2 has set the standard for dramatic lighting with its iconic LED daytime running lights. The Audi xenon plus headlights offer exceptional brightness even in challenging conditions.
- The rear lights are LED as well, offering the safety of rapid response once the brake pedal is depressed. LED lighting technology is also found in the turn indicators integrated into the exterior mirror housings, and the dramatic engine compartment features LED illumination.

Exterior (Standard)

- The Audi R8 4.2 exterior is a showcase of progressive design and the embodiment of world-class performance. The R8 4.2 features an aggressive high-gloss Black singleframe® grille and the standard tone-on-tone contrast sideblades create a striking and unique look that is unmistakably Audi.
- Quad-chrome exhaust pipes as well as a retractable rear spoiler accentuate the performance capabilities waiting to be discovered. Adding to the dramatic profile are the 19” five-arm, double-spoke wheels with summer performance tires®
- Rounding out the exterior features are body color, heated, power-adjustable mirrors.

Infotainment/Technology [Standard]

- The Audi R8 4.2 is brimming with technological enhancements, enabling you to make the most of every drive.
- Audi concert AM/FM stereo with in-dash CD player, including MP3 CD capability
- SIRIUS® Satellite Radio
- Homelink® and Bluetooth®

Interior (Standard)

- The Audi R8 4.2 interior strikes the perfect balance between absolute performance and supreme luxury by utilizing innovative technology, while integrating only the finest materials.
