THE BLOODLINE BOILS.

The first-ever BMW M2 embodies the renegade sports coupe spirit that has defined BMW M for more than four decades. Light, agile, powerful – with a racer’s soul and track performance wrapped in a muscular body – the M2 is a car you don’t so much sit in as you become one with. Drive on.
THE INSIDE FOR THE RACER INSIDE YOU.

From the extra cornering support of Dakota leather sport seats and a beefy M steering wheel to carbon fiber trim, this is an interior that satisfies the racer in your soul.

INTERIOR TRIMS

4MC Carbon Fiber trim

Get the latest information on standard and optional features, packages and technical specifications. Visit bmwusa.com and select the BMW model of your choice.
Black Double Spoke light alloy wheels (Style 437M)
19 x 9.0 front, 19 x 10.0 rear; and 245/35 front,
265/35 rear performance tires

1 Does not come equipped with a spare wheel and tire.
2 Driving over rough or damaged road surfaces, as well as debris, curbs and other obstacles, can cause serious damage to wheels, tires and suspension parts. This is more likely to occur with low-profile tires, which provide less cushioning between the wheel and the road. Be careful to avoid road hazards and reduce your speed, especially if your vehicle is equipped with low-profile tires.
3 Performance tires include Mobility Kit; not recommended for driving in ice and snow conditions.
