

BMW 2004 3 Series
Convertible

The Ultimate
Driving Machine®

325Ci
330Ci

The fun-seeking, freedom-loving 2004 BMW 3 Series Convertible. Your wish has come **true.**

Graded on a curve, the 3 Series Convertible gets **Straight A's.** (On straightaways, too.)

Enjoy the newest navigation system: GPS
... and the world's oldest: **the stars.**

The fun
starts here.

Xenon headlights illuminate the road ahead and to the side with brilliant clarity, and include auto-leveling to adjust for varying passenger and cargo loads. These headlights also feature Adaptive Headlights for greater visibility when cornering and driving around curves at night. (Optional)

Adaptive Brake Lights increase the 3 Series Convertible's visibility by signaling the intensity of your braking action.

Rain sensor uses infrared light to measure the amount of rain. When the wipers are in the "intermittent" mode, the rain sensor automatically adjusts the windshield wiping interval as needed. **Automatic headlight control** (not shown), included with rain sensor, activates headlights by means of a sensor that responds to darkness.

Sequential Manual Gearbox (SMG) enables sporty, rapid gear changes through all six gears via the steering wheel paddles or selector lever, without the use of a clutch. Select Dynamic Driving Control (Sport button) for faster engine response and even more spontaneous driving enjoyment. (Sport Package required. Availability date TBD) (Optional)

The close shift pattern of the **six-speed manual transmission**, standard in the 330Ci, delivers a precise, athletic feel for a more dynamic driving experience. (330Ci only; Myrtle wood trim shown is only available as part of the 325Ci and 330Ci Premium Package)

Five-speed STEPTRONIC automatic transmission provides a choice of three modes: "Drive," which incorporates BMW's Adaptive Transmission Control; "Sport" automatic, for a more dynamic shift pattern; and STEPTRONIC automatic, for the hands-on control of a manual without using a clutch.

The 325Ci with 16 x 7.0 Double Spoke (Styling 88) alloy wheels, and 205/55R-16 all-season tires.

The 330Ci with 17 x 7.0 Double Spoke (Styling 98) alloy wheels, and 205/50R-17 all-season tires.

The 325Ci Sport Package includes Five Spoke (Styling 119) 17 x 8.0 cast alloy wheels and 225/45R-17 performance tires.¹

The 330Ci Sport Package includes **M Double Spoke (Styling 68M) alloy wheels and performance tires**. In front: 17 x 7.5 wheels and 225/45R-17 tires; at the rear: 17 x 8.5 wheels and 245/40R-17 tires.¹

18" Double Spoke Composite (Styling 71) alloy wheels and performance tires can be ordered with the 330Ci Sport Package. In front: 18 x 8.0 wheels and 225/40R-18 tires; at the rear: 18 x 8.5 wheels and 255/35R-18 tires.¹ (opt. with 330Ci Sport Package)

¹Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

- 7 Full Maintenance Program covers all factory-recommended maintenance, as determined by the Service Interval Indicator for 4 years or 50,000 miles, whichever comes first. Full Maintenance Program includes items that need replacement due to normal wear and tear, provided wear and tear exceeds BMW specifications. This includes items such as brake pads, brake rotors and wiper blades that are not covered by the original New Vehicle Limited Warranty. Any adjustments required due to normal operating conditions are also included. For exclusions and limitations, refer to the Service and Warranty Information booklet that came with your new BMW, or see your authorized BMW center for details.
