

The all-new
2012 6 Series
Coupe

The Ultimate
Driving Machine®

THE ALL-NEW 6 SERIES COUPE.

POWER SERVED WITH ELEGANCE.

BMW EfficientDynamics
Less emissions. More driving pleasure.

REMEMBER TO BREATHE.

From the moment you first view the all-new BMW 6 Series Coupe, prepare to be smitten. Contemplate the powerful performance of its wide stance and 400 turbocharged horses. Let your eyes linger over its sophisticated interplay of curves and creases. Imagine the world-class comforts that reside within its exquisite interior. Then remember to breathe.

Few vehicles offer this degree of luxury combined with athletic prowess. Every innovation, from Integral Active Steering to Driving Dynamics Control, has been made available to enhance your driving experience. Endowed with the full array of BMW ConnectedDrive infotainment features, the all-new BMW 6 Series Coupe keeps you in touch with the road and your world. It enchants all who view it – and delights all who drive it.

CONTEMPORARY ART THAT MOVES YOU.

Sporting crisp, new accent lines and flared contours, the all-new BMW 6 Series Coupe evokes soul-stirring modern art. Recasting the now-classic 6 Series look, the all-new BMW 6 Series has been made wider, with a more aggressive stance, and longer, with greater interior legroom. Every line and shape, from the redesigned front grille back to the LED taillight bars, contribute to the beautiful effect.

UNLEASH YOUR DRIVING DESIRES EVERY TIME YOU PRESS "START."

Immensely powerful and incredibly refined, BMW's TwinPower Turbo V-8 will make driving your favorite sport. Generating 400 hp and 450 lb-ft of torque, it propels the all-new BMW 650i Coupe with an ecstatic roar echoed by the specially tuned exhaust. Whether coupled with a seamless 8-speed Sport Automatic transmission or a sporty 6-speed manual, this V-8 delivers the perfect combination of speed, flexibility, sportiness and efficiency. This is BMW engineering at its finest, designed to reignite your passion for driving.

GET LOST IN THE LUXURY.

Sink back into 20-way Multi-contour seats hand-upholstered in supple Nappa Leather. Available contrast stitching graces the optional leather-upholstered dash and center console. At night, Ambiance lighting sets the mood by surrounding the interior in a warm glow. Equally dramatic is the instrumentation: a handsome Black Panel instrument display and a new free-standing 10.2-inch iDrive Control Display that shows maps, music choices and more. An optional full-color Head-up Display projects a range of important driving information directly in your line of vision, so you remain safely focused on the traffic ahead.

Specially developed for the all-new BMW 650i Coupe is the optional 16-speaker, 1200-watt Bang & Olufsen high-end surround sound system, featuring Acoustic Lens Technology to provide a riveting audio experience. The Coupe also offers the luxury of greater head- and legroom than its predecessor. Whether you are the driver or passenger, every drive becomes an ultimate drive.
