The sculpted lines flow seamlessly from front to rear, letting you know this is no ordinary SUV. This is Buick Enclave, and it’s time to DISCOVER THE EXTRAORDINARY story behind it — and experience for yourself how effortlessly it balances luxury and utility.
Enter its spacious, richly appointed interior and let the Enclave’s soft-touch materials, distinctive wood tones, chrome accents and ice-blue ambient lighting reward your senses.

Ready to enjoy the drive? Enclave delivers a powerfully moving performance, thanks to a 3.6L V-6 engine with direct fuel injection, Variable Valve Timing, 288 hp and 270 lb-ft of torque. It’s paired with a smooth-shifting electronic 6-speed automatic transmission designed to optimize power and efficiency.

Your power to tame rough roads comes from dual-flow dampers in the suspension system that create a smooth, quiet ride while preserving precise handling. Enclave engages its advanced StabiliTrak technology to help reduce wheel spin and control traction.

• Enclave offers you the warm touch of an available heated steering wheel.
• Both driver and front-passenger seats are available with heating and cooling functions.
• The 3.6L V-6 engine delivers smooth, robust power for confident response when merging or passing.
• StabiliTrak provides sure-footed traction control during acceleration.
Buick engineered Enclave using QuietTuning, a technology that helps reduce, block and absorb noise and vibration in the cabin, so it's a quiet environment ideal for conversation. Prefer to enjoy music, instead? The available Bose® 10-speaker sound system was tuned to the acoustics of the Enclave interior.
The standard seven-passenger Enclave features three rows of premium seating. A pair of available leather-appointed captain’s chairs in the second row are easy to access, thanks to rear doors that open wide. With a wide pass-through between the captain’s chairs, the third row is easily accessible. The convenient Smart Slide feature makes moving the second-row seats gently forward simple, so passengers of all ages can maneuver easily into the third row.
LISTEN

ENCLAVE LITERALLY RESPONDS TO THE SOUND OF YOUR VOICE.

Need your Enclave to do something for you? Just ask. Your voice can control the Buick IntelliLink® interactive audio system. And speaking naturally, you can command the optional Navigation System® to find what you’re looking for—all while keeping your hands on the wheel and eyes on the road.

IntelliLink asks you if you’d like to store your phone contacts for quick access. Then, simply tell it which of your contacts you want to call, and it dials the number.

Your compatible smartphone connects via Bluetooth® to Enclave’s high-resolution, 6.5-inch diagonal LCD color touch-screen.

MUSIC ON DEMAND With the ease of advanced voice recognition (or steering-wheel-mounted controls), you have access to available audio apps on your phone such as Pandora® internet radio or Stitcher® SmartRadio®.

SIRIUSXM Enclave includes a 3-month trial of SiriusXM Satellite Radio. You’ll hear with digital clarity 175+ channels of commercial-free music from every genre, live play-by-play sports, the biggest news and talk and the hottest entertainment at your fingertips, 24/7.

USA PORT Enclave comes standard with three USB ports and offers an available 120-volt outlet to connect your other electronic devices. So, your digital home moves seamlessly with you on the road.

INTELLIGENCE 11
With Bluetooth® and USB connectivity, Enclave lets you **USE YOUR COMPATIBLE SMARTPHONE** to access your favorite available music apps such as Pandora® and play music you’ve downloaded and stored on your phone. You can hear it all through an available Bose® 10-speaker sound system. Engineered specifically for the Enclave cabin, music sounds full and speech sounds natural.

Go to my.buick.com/learn to find out which phones are compatible with the vehicle. Not compatible with all devices. Data plan rates apply.
4G Wi-Fi now travels with you. Stay connected and move effortlessly from home to work to just about anywhere without losing touch. Stream movies and TV on the go, using your favorite apps.

The available built-in Wi-Fi hotspot supports up to seven devices, so everyone can surf, scan, create, post and game their way through any journey at 4G speed.

Any time your vehicle is on, your hotspot is available and ready to connect to your devices, so it’s easy to use. Our stronger signal means you have a fast and reliable connection. And because the built-in Wi-Fi hotspot is powered by your vehicle, you’re not reliant on your mobile device battery.

Your first 3 months or 3GB of data (whichever comes first) is included with your new Buick. After that, select a plan from OnStar that’s right for you.

Not sure how much data you need for your in-vehicle Wi-Fi hotspot? Our data calculator (att.com/art/onstardatacalc) will help you visualize data usage for email, streaming music, social media and more.
Enclave has its priorities in the right place: everywhere. In the center-mounted information screen, the standard Rear Vision Camera helps you see what’s behind your Enclave, and available Rear Cross Traffic Alert helps make you aware of oncoming traffic when backing up. In the High-Intensity Discharge xenon headlamps, an available articulating feature helps you see around corners. Other available safety features include Forward Collision Alert, Lane Departure Warning and Side Blind Zone Alert.

These safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for more important safety information.

- **FORWARD COLLISION ALERT**
  When you’re approaching a vehicle ahead of you too quickly, available Forward Collision Alert lets you know with both an audio and visual warning. Consider it a high-tech way of reminding you to slow down and enjoy the ride.

- **FRONT CENTER AIR BAG**
  Among Enclave’s seven standard air bags1 is the industry’s first front center air bag. It offers a new level of confidence to both you and your front passenger.

- **SIDE BLIND ZONE ALERT**
  Using radar technology to help you avoid a collision, available Side Blind Zone Alert warns you when vehicles entering your blind zone are detected on either side of your Enclave. A warning icon appears in your outside rearview mirror.

- **LANE DEPARTURE WARNING**
  Available Lane Departure Warning provides both an audio and visual alert should your Enclave drift out of its lane without you first having activated your turn signal.

**A NOTE ON CHILD SAFETY:** Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.
Rain, sleet or snow? No problem.

An available **ALL-WHEEL-DRIVE** (AWD) system constantly monitors traction at all four wheels. If the AWD detects that a wheel is slipping, it redirects power to the wheel(s) with the best grip. In low-traction situations, it can send up to 50 percent of engine torque to either front wheel and up to 85 percent to either rear wheel. And what if the roads are dry? Even then, you’ll feel the performance and handling benefits of the available AWD system.
EDITIONS
FOR 2017, ENCLAVE TUSCAN EDITION AND ENCLAVE SPORT TOURING OFFER TWO DISTINCT EXPRESSIONS OF BUICK LUXURY.

While every Enclave is designed to make you feel special, the Tuscan Edition and Sport Touring create a sense of premium luxury that’s unique.

TUSCAN EDITION. As colorful as the region it’s named for, the Tuscan Edition is available exclusively with premium paint choices White Frost Tricoat, Dark Chocolate Metallic or Ebony Twilight Metallic. The Enclave Tuscan Edition includes 20-inch chrome-clad wheels with bronze pockets, a waterfall grille clad in bronze and an available power moonroof with rear fixed skylight.

SPORT TOURING. Luxury and sport come together perfectly in the Enclave Sport Touring. A satin black ice waterfall grille and 20-inch aluminum alloy wheels with satin black ice pockets transform what is anything but an ordinary SUV into an extraordinary one—the new Enclave Sport Touring.
Cargo and load capacity limited by weight and distribution. If you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

Enclave offers the space and versatility to adapt to whatever’s next. The standard power liftgate makes it easy to load Enclave’s cargo area. Simply flip the third row down, lower the second row, and you’ve created up to 115.2 cubic feet of level storage capacity. So transporting that furniture you just bought? Done. And if you need to carry even more, Enclave offers a 4,500-lb towing capacity with an optional trailering package that includes a heavy-duty cooling system and a 2-inch receiver hitch for towing a trailer or mounting a bike rack.
**ONSTAR**

**STANDARD FOR 6 MONTHS, THE ONSTAR GUIDANCE PLAN (TRIAL EXCLUDES HANDS-FREE CALLING MINUTES) LETS YOU CONNECT TO A SPECIALLY TRAINED ONSTAR ADVISOR JUST BY PUSHING THE BLUE ONSTAR BUTTON IN YOUR ENCLAVE.

**EMERGENCY**

**Automatic Crash Response**

This feature can connect you to an OnStar Advisor immediately after a crash to help get you the care you need, even if you can’t ask for it. Using Injury Severity Prediction technology, Advisors can help you get the right care right away.

**Emergency Services.** One push of the red emergency button gives you a priority connection to an OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you’re never alone.

**Crisis Assist** In severe weather conditions or a crisis, Advisors can provide a fast, knowledgeable resource if you need emergency assistance, evacuation routes and other resources. OnStar can also contact family members for you.

**Roadside Assistance** If you’re stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location.

**OnStar Hands-Free Calling** requires an existing OnStar service contract and available minutes. Not available in certain markets. Visit onstar.com for coverage details.

**SECURITY**

**Stolen Vehicle Assistance**

If your car is stolen, once it’s been reported, Advisors can pinpoint its location, show the vehicle if conditions are safe and even prevent it from being restarted. And with Theft Alarm Notification, if your car alarms sounds, we’ll let you know via text, email and/or a phone call. One simple call puts a team into action to help recover your car quickly and safely.

**NAVIGATION**

**Turn-by-Turn Navigation** Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your car, and a voice calls out every turn. As an Advisor, we can also help you with a database of more than 14 million points of interest. To plan routes in advance, you can send destinations to your car through an Advisor or the myBuick mobile app.

**AT YOUR SERVICE** Discover value-on-everyday purchases while on the go. Get easy access to offers at restaurants, gas stations, retail stores and more. AtYourService offers can be accessed from your vehicle’s radio touch-screen (if available), through your myBuick mobile app or on an OnStar Advisor.

Proactive Alerts can send you a monthly report of potential issues with key components such as the battery, fuel pump, fuel pressure sensor and starter motor before they become a problem. You can get a warning about potential issues with key components such as the battery, fuel pump, fuel pressure sensor and starter motor before they become a problem.

**MYRiCON**

**Mobile APP**

Enjoy the ultimate ownership experience through convenient control and management of your vehicle from almost anywhere. If properly equipped, you can remotely start your vehicle, lock your vehicle on a map, lock or unlock your doors, send destinations to your car, honk your horn and flash your lights. If properly equipped, you can even view your myBuick mobile app to remotely start the vehicle from virtually anywhere.

**ONSTAR HANDS-FREE CALLING**

This feature is a wireless service built into your vehicle so you can safely and easily make and receive calls from the road.

IMPORTANT WORDS

Since some information may have been updated since the time of printing, please check with your Buick dealer for complete details. Buick reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

NEW-VEHICLE LIMITED WARRANTY This warranty is for GM vehicles registered in the USA. See your Buick dealer for terms and conditions.

4 years/50,000 miles (whichever comes first): Bumper-to-Bumper Limited Warranty. The entire vehicle is warranted for repairs, including parts and labor, to correct defects in materials or workmanship. The warranty covers towing to the nearest Buick dealership, and there is no deductible for warranty repairs during the warranty period. The warranty transfers automatically with vehicle ownership during the warranty period.

6 years/70,000 miles (whichever comes first): Transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation.

6 years/100,000 miles (whichever comes first): Body and sheet metal components are warranted against rust-through corrosion.

EXPERIENCE BUICK PROTECTION Every 2017 Buick model includes a maintenance program that covers the first two visits of oil and filter changes, tire rotations and 27-point inspections for up to 2 years or 24,000 miles, whichever comes first (does not include air filters). The program is fully transferable to subsequent owners. See participating dealer for other restrictions and complete details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

ASSEMBLY Buick vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Buick vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES Buick products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Buick products may also be used in other GM makes and models.

TRAILEERING AND OFF-ROAD DRIVING INFORMATION Please go to buick.com and carefully review the vehicle Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

TAKE OWNERSHIP TO THE NEXT LEVEL Create an Owner Center account to gain unrestricted access to everything you need to get the most out of your new vehicle. Receive alerts and service offers, schedule service, view vehicle-specific how-to videos and check service records. All online, anytime. Go to my.buick.com to take a tour or register your Buick today.
