It's a winding ribbon of asphalt that beckons you.

It's all those errands and quick trips to the mall, in a car with over 60 standard safety features.

It's a (Team) Sports Sedan with room for a coach, a week's groceries, and a rowdy bunch of MVPs.

Vehicle not moving. When operating your vehicle, make sure everyone is wearing a safety belt.

And to back up the high-performance looks, they dropped one of the world's ten best engines into it.

YOU GET THE FEELING SOME ENGINEERS AND DESIGNERS GOT TOGETHER AND HAD A WONDERFUL TIME GOING OVER YOUR WISH LIST.

PERSONAL FAVORITES

1. You want power? A 3.8 litre V6 engine is standard on Regal LS, but with all we say, hard more than generous.

2. Standard anti-lock brakes help maintain steering control and help prevent skidding when braking on most slippery surfaces.

3. Great control and increased road feel are two advantages of Regal’s magnetic variable effort steering which automatically adjusts to varying speeds.

4. As an enormous feeling of stability and control, plus a ease, maneuvering which enable easy cornering, wider the positions.

5. With standard traction control on Regal LS, or Advance traction control on GS, you’re no longer intimidated by Mother Nature’s occasional lift.

6. Standard dual airbags help protect and prevent injuries when braking on most slippery surfaces.

7. The sky’s all yours with the available sliding glass astronaut. It offers a removable hardtop for bright days and the open-top pleasure.

8. Regal shows you a good time with a tight turning circle, and the power rack-and-pinion steering makes getting in and out of tight spaces a breeze.

9. Features like a tire pressure monitoring system check the road with you, so you enjoy great handling, instant performance and luxurious comfort, standard on Regal GS.
Family Favorites

As leading to passengers on Regal is, it's also very much a driver's car offering great driving performance to a maneuver turns the key.

Optional dual channel CD player and Concert Sound II extended low-rider system flood the cabin with high-quality, audio imaging. It sounds like home.

Towing
3.8-liter V6 engine
6-speed manual
Maximum towing capacity 1,800 pounds (830 kg)

It's no small and solid you can actually hear and be heard in a Regal, and the music is awesome.

Rout's advanced Comfort Zone-designed seating is the most comfortable we've ever offered. And the extended front-seat adjustable features even more people can relax, enjoy.

The looks, performance, comfort and handling are so cool, even aero with its good about being seen in a Regal.

2+2 to beach folds in seconds: ice the consumer rear-seat passthrough area encourages family members to carry on.

Regal's rigid body structure leaves impressive already smooth suspension and helps make the interior a place you can carry on a quiet conversation.

Always attach before you play Regal's style that is always smooth and solid, and genuine comfort for your family ride.

Bumper-to-bumper luxury:
6.5-liter V6 engine
6-speed automatic
Quiet. Smoothness. And More.
Really!
You’ll feel like this Regal was designed around you, and it actually was.
**Important:**

*A word about this catalog.*

We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Buick dealer for complete details. Some models as shown may not be available in California, Oregon, Idaho and Washington.

**A word about engines.**

Regals are equipped with engines produced by different operating units of GM, its subsidiaries or GM suppliers worldwide.

**A word about assembly of Regals.**

Regals are assembled by different operating units of General Motors, its subsidiaries or GM suppliers worldwide.

Regals incorporate thousands of components produced by different operating units of GM, its subsidiaries or GM suppliers worldwide. We sometimes find it necessary to produce Regals with different or differently sourced components than originally scheduled. All such components have been approved for use in Regals and will provide the quality performance associated with the Buick name. Since some options may be unavailable when your vehicle is assembled, we suggest you verify with your dealer that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

**A word about updated service information.**

Buick regularly sends its dealers useful service bulletins about Buick products. Buick monitors product performance in the field.

We then prepare bulletins for servicing our products better. Now you can receive these bulletins, too. Ask your dealer. For ordering information, call toll-free 1-800-551-4123.

**A word about warranty.**

The GM 3-year/36,000-mile (whichever comes first) Bumper to Bumper Warranty covers repairs for any new Regal, including labor and parts, to correct any defects in material or workmanship occurring during the warranty period. The complete vehicle (including tires) will be covered for 3 years or 36,000 miles, whichever comes first. See your Buick dealer for terms of this limited warranty. Supplemental Restraint System coverage is 3 years regardless of mileage.

**The GM Card.***
