

Personal Favorites

You wanted power?

A 3800 Series II **Supercharged V6** engine is standard on Regal GS. It will, shall we say, haul more than groceries.

Standard **anti-lock brakes** help maintain steering control and help prevent skidding when braking on most slippery surfaces.

Great control and increased road feel are two advantages of Regal's magnetic variable effort steering which automatically adjusts to varying speeds.

The sky's all yours with the available sliding glass Astroroof. It offers a retractable sunshade for bright days, and tops off your open air enjoyment.

An enormous feeling of **stability and control**, plus a low, road-hugging profile
result from longer, wider tire positions.

Regal does you a good turn with a tight turning circle, and the **power** rack-and-pinion steering makes getting in and out of tight spaces a breeze.

With standard **traction control** on Regal LS or full-range traction control on GS, you're no longer intimidated by Mother Nature's occasional fits.

Features like a **tire pressure monitoring system** check the small stuff while you enjoy
great handling, instant performance and
luxurious comfort, standard on Regal GS.

- (1) Sequential-port fuel injection.
- (2) Requires Class II frame-mounted trailer hitch.
- (3) When properly equipped. Includes weight of trailer, cargo, passengers and equipment. All towing recommendations are subject to change. Check with your Buick dealer for the latest information. Trailer tongue load should be 10% of the maximum trailer weight but should not exceed the load rating specified for that vehicle, engine or hitch combination.

As inviting to passengers as Regal is, it's also very much a driver's car, offering grin-inducing

performance to whomever turns the key.

Optional dual cassette/CD player and Concert Sound II extended-range speaker system flood the cabin with technicolor audio imaging. It'll sound like home.

Supple leather seating surfaces grace the body-contoured front bucket seats,

FAMILY FAVORITES

standard in Regal GS, optional in LS.

Over 60 standard safety features from braking performance to safety cage construction will help put you and your family at ease.

It's so smooth and solid you can

actually hear and be heard in a Regal.

And the music's awesome.

Regal's advanced Comfort Team-designed seating is the most comfortable we've ever

means even more people can now enjoy it.

Regal's rigid body structure further improves an already smooth suspension and helps make the interior a place where you can carry on a quiet conversation.

Always stretch before you play. Regal's style, spaciousness and generous comfort for five make ordinary family sedans...well, ordinary.

The looks, performance, comfort and handling are so cool, even teens will feel good about

Regal's micrometer door fit, triple door seals, and precision slide glass fit all work together to reduce wind noise.

Important:

A word about this catalog.

We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Buick dealer for complete details. Some models as shown may not be available in California, Oregon, Idaho and Washington. A word about engines.

Regals are equipped with engines produced by different operating units of GM, its subsidiaries or GM suppliers worldwide. A word about assembly of Regals. Regals are assembled by different operating units of

General Motors, its subsidiaries

or GM suppliers worldwide.

Regals incorporate thousands of components produced by different operating units of GM, its subsidiaries or GM suppliers worldwide. We sometimes find it necessary to produce Regals with different or differently sourced components than originally scheduled. All such components have been approved for use in Regals and will provide the quality performance associated with the Buick name. Since some options may be unavailable when your vehicle is assembled, we suggest you verify with your dealer that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you. A word about updated service We then prepare bulletins for servicing our products better. Now you can receive these bulletins, too. Ask your dealer. For ordering information, call toll-free 1-800-551-4123.

A word about warranty.

The GM 3-year/36,000-mile (whichever comes first) Bumper to Bumper Warranty covers repairs for any new Regal, including labor and parts, to correct any defects in material or workmanship occurring during the warranty period. The complete vehicle (including tires) will be covered for 3 years or 36,000 miles, whichever comes first. See your Buick dealer for terms of this

The GM Card.®
