WHEN WILL YOUR EXPECTATIONS
BE SHATTERED?

When you drive the 2016 Buick Regal. Get behind the wheel and your first glance at the instrumentation in front of you confirms this is a driver’s car at its most refined. Regal GS and Turbo models are available with All-Wheel Drive (AWD). It’s smart technology that offers improved traction—and on Regal GS, the system is designed to enhance performance, too.
BUICK REGAL GS SHOWN IN EBONY TWILIGHT METALLIC.
What if you could alter your car’s handling to be more responsive at the push of a button? On Regal GS, you can—thanks to the Interactive Drive Control System. Two driver-selectable modes—Sport or GS—adapt the ride and handling of Regal GS to your driving style in real time. At high speeds, the steering, suspension and transmission adjust to optimize stability during sweeping curves. In GS mode, the system tightens handling response even further.
WHEN YOUR MOVES ARE TURBOCHARGED

A 259-hp 2.0L Turbo DOHC DI 4-cylinder engine delivers 90 percent of its 295 lb-ft peak torque from 3000 rpm to 4000 rpm for power on demand. It’s the kind of low-rpm punch that makes pulling away from stoplights a guilty pleasure. Need to accelerate up a freeway on-ramp and merge into the traffic flow? The engine’s twin-scroll turbo design pours on the torque as you reach highway cruising speeds.
WHEN THERE’S ROOM TO RELAX

For drivers of the Regal GS, exhilaration is a form of relaxation. That’s the hallmark of a true sport sedan, and when you settle into the firmly bolstered front sport bucket seats of the Regal GS, you feel the ideal balance of comfort and support. If you’re a passenger in the rear seating area, you’ll enjoy the spacious luxury. Regal has more rear leg room than even the Acura TLX and Infiniti Q70 sedans.
Use your voice to control the Buick Intellink® interactive audio system or have the optional Navigation System guide you to what you’re looking for. Your compatible smartphone connects via Bluetooth® to Regal’s high-resolution, 8-inch diagonal LCD screen. You’re doing all of this while keeping your hands on the wheel and eyes squarely on the road.

**STAY IN CONTACT**

Intellink® automatically stores your phone contacts for quick access. Simply tell it which of your contacts you want to call, and it dials the number.

**APPLE CARPLAY™**

New for 2016 is support for Apple CarPlay™. It’s the smarter way to use your iPhone inside your Regal. Now many of the functions you use your phone for—entertainment, communication and directions—appear on the Regal LCD screen.

**MUSIC ON DEMAND**

With the ease of advanced voice recognition (or steering-wheel-mounted controls), you have access to available audio apps on your phone such as Pandora® or Stitcher® SmartRadio.

**SIRIUSXM**

Regal comes with a 3-month trial of SiriusXM Satellite Radio. You’ll hear digital clarity (175+ channels) of commercial-free music from every genre, live-play-by-play sports, the biggest news and talk and the hottest entertainment at your fingertips, 24/7.

**WHEN THE ROAD IS CALLING**

Regal comes with a 3-month trial of SiriusXM Satellite Radio. You’ll hear with digital clarity 175+ channels of commercial-free music from every genre, live-play-by-play sports, the biggest news and talk and the hottest entertainment at your fingertips, 24/7.

Regal’s available ALL-WHEEL-_DRIVE (AWD) system isn’t just for snow. It offers enhanced traction, whether the road is wet or dry. Combined with an electronic limited-slip differential, AWD helps maximize traction by sending power to the wheel(s) with the most grip. In low-traction situations—such as rain, sleet or snow—it can send up to 50 percent of engine torque to either front wheel and up to 85 percent to either rear wheel. And on dry roads, the benefits include enhanced acceleration, providing torque to all four wheels. AWD is available on every 2016 Regal trim level.
WHEN YOU’RE IN CRUISE CONTROL

With Regal, if you want to unwind, find a winding road. It could be the road that hugs the coastline, or the one that runs through the canyon and into the valley below. That’s where you’ll feel how the Regal suspension system was tuned to perfectly balance the effortless comfort of a smooth, quiet ride with the firm command that comes from precise handling and powerful braking. That’s when you truly unwind.
In the 2016 Regal, OnStar® with 4G LTE and a built-in Wi-Fi® hotspot turn your Regal into a reliable mobile hub, with great signal quality and bandwidth. This available technology provides a fast way for your passengers to tap into available high-speed wireless Internet. They can connect up to seven mobile devices to browse websites, stream movies, send e-mails and more.

**OnStar RemoteLink** Mobile App** You can remotely start your vehicle from virtually any distance, locate your vehicle on a map, lock or unlock your doors, send destinations to your car, honk your horn and flash your lights. With RemoteLink, you can control your car from anywhere you can get a signal.

**OnStar Family Link** Now you can have peace of mind when family members travel without you. You can view your car’s location on a map, or receive e-mail or text alerts with your car’s location at specific times. There’s a small charge for this service.

**AtYourService** OnStar AtYourService is a new way to discover value in the places you go. You get special offers for better ways to eat, work, shop and play, delivered directly to your RemoteLink mobile app or through a simple press of the blue OnStar button. AtYourService makes where you go and what you do more rewarding.
WHEN PROTECTION HAS YOU SURROUNDED

Regal has its priorities in the right place, everywhere. In the center-mounted information screen, the standard Rear Vision Camera helps you see what’s behind your Regal; and available Rear Cross Traffic Alert helps make you aware of oncoming traffic when backing up. In the available High-Intensity Discharge xenon headlamps that help you see the road ahead. And on the opposite page, you can read about available safety features such as Forward Collision Alert, Lane Departure Warning and Side Blind Zone Alert. These safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for more important safety information.
We know how much your music means to you. That’s why Regal gives you so many ways to enjoy it. You can save up to 60 presets of your favorite music, listen to selections from your MP3 music library or stream available Pandora internet radio from your compatible smartphone. Plus the built-in Bluetooth lets you play music wirelessly. And since Regal is available with Bose® premium audio, the music you choose will sound especially rich, reproduced with deep bass, complex midrange and clean, crisp highs.

WHEN THE JOURNEY
IS THE DESTINATION
WHEN ONSTAR IS ON YOUR SIDE

With the Basic Plan, you’ll enjoy the powerful connection that comes standard with your vehicle for 5 years at no additional cost to you. You’ll have access to limited OnStar services, which include select features of the OnStar RemoteLink mobile app.4—to remote-start your car (if factory-installed), manage your available Wi-Fi hotspot, locate your vehicle on a map and lock/unlock your doors from your mobile device. Your car can even run its own diagnostic checks. And with OnStar with available 4G LTE, you have a high-speed Internet connection and your own built-in Wi-Fi hotspot.

EMERGENCY

Automatic Crash Response 5 If you’re in a crash, built-in sensors can automatically alert an OnStar Advisor. An Advisor is immediately connected to your vehicle to see if you need help, even if you can’t ask for it.

Emergency Services One push of the red emergency button gives you a priority connection to an OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you’re never alone.

Crisis Assist In severe weather conditions or a crisis, Advisors can provide a fast, knowledgeable resource if you need emergency assistance, evacuation routes and other resources. OnStar can also contact family members for you.

Roadside Assistance 6 If you’re stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

SECURITY

Stolen Vehicle Assistance 7 If your car is stolen, once it’s been reported, OnStar can use GPS technology to locate it and work with local police to help recover it. One simple call puts a team into action, giving you the power and confidence to help recover your vehicle quickly and safely. And with new Theft Alarm Notification, if your car alarm sounds, we can notify you.

NAVIGATION

Turn-by-Turn Navigation 8 Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your car, and a voice calls out every turn. An Advisor can also help you with a database of over 14 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the RemoteLink mobile app.

DIAGNOSTICS

Advanced Diagnostics 9 Feel confident and safe knowing you have a self-diagnosing vehicle with Advanced Diagnostics. Now your vehicle can easily run a check on its key systems and send you Diagnostic Alerts in real time. And the new Proactive Alerts feature can predict and alert you to potential issues before they become a problem. You’ll also receive scheduled maintenance alerts. With Advanced Diagnostics, you’ll know more and worry less.

The OnStar Basic Plan is available for 5 years from the date of delivery of eligible 2015 model year and newer vehicles, and is transferable, including Advanced Diagnostics, Dealer Maintenance Notifications and access to Limited RemoteLink mobile app features. The OnStar Basic Plan does not include emergency, security or navigation services. These and other services are available under a paid plan. Visit onstar.com for vehicle availability, coverage map, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. 4Available only for OnStar capable vehicles or plan. Visit onstar.com for details and system limitations. 5Available on select iOS, Android 7, BlackBerry 8 and Windows 3 devices. Services vary by device, vehicle and conditions. Requires automatic locks and Tire Pressure Monitoring System. The OnStar Vehicle Locate Service can locate OnStar-equipped vehicles, not people. Currently available to U.S. subscribers only. Active OnStar service required. 6Roadside service provided by Allstate Roadside Services. Visit onstar.com for details and system limitations. 7Services vary by model and conditions. Visit onstar.com for vehicle availability, details and system limitations. Theft Alarm Notification features vary by model and condition. Requires factory-installed theft deterrent system. Security or Guidance Plan and selection of notification communication preferences. Vehicle must be locked electronically to use the factory-installed theft deterrent system. Messaging and data rates apply. 8Requires Internet connection and your own built-in Wi-Fi hotspot. 9Advanced Diagnostics and Proactive Alerts require an active OnStar service, e-mail address on file and enrollment in Advanced Diagnostics. Proactive Alerts are designed to predict specific types of issues based on information collected from the vehicle. Other factors may affect vehicle performance. In certain scenarios, a dealer service check may be required to confirm the accuracy of the Proactive Alerts.
WHEN YOU MAKE REGAL YOURS

Regal is the luxury performance machine without the pretense. From sleek styling to performance-oriented features to a sumptuous interior, Regal is meant to be driven. Personalize it to your own specifications by choosing the only accessories designed, engineered, tested and backed by Buick. Visit buickaccessories.com for more Buick Accessories information.

ACCESSORIES:

GRILLE
Add a distinctive appearance to your Regal with a custom-replacement grille featuring a silver or bright chrome finish.

SPORT PEDAL COVERS
Enhance the appearance of your Regal with these accessory pedal covers. The stainless steel and black design provides a sporty look to the interior.

DOOR HANDLES
These body-color door handles feature a chrome insert and replace the factory door handles to give your Regal a stylish, more personalized appearance.

WHEELS
Choose to add any of these accessory wheels to your new Regal, and you’ll have the confidence of knowing that they meet the highest standards of engineering integrity. You’ll also have one stylish ride.

IMPORTANT WORDS

Since some information may have been updated since the time of printing (July 2015), please check with your Buick dealer for complete details. Buick reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

NEW VEHICLE LIMITED WARRANTY
The warranty is for GM vehicles registered in the USA. See your Buick dealer for terms and conditions.

4 years/50,000 miles (whichever comes first): Bumper-to-Bumper Limited Warranty. The entire vehicle is warrantied for repairs, including parts and labor, to correct defects in materials or workmanship. The warranty covers towing to the nearest Buick dealership, and there is no deductible for warranty repairs during the warranty period. The warranty transfers automatically with vehicle ownership during the warranty period.

6 years/70,000 miles (whichever comes first): Transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation.

Experience Buick Protection: Every 2016 Buick model includes a maintenance program that covers the first two visits of oil and filter changes, tire rotations and 27-point inspections for up to 2 years or 24,000 miles, whichever comes first (does not include air filters). The program is fully transferable to subsequent owners. See participating dealer for other restrictions and complete details.

An important note about alterations and warranties: Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or supplier is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alteration) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a reinforcing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle’s Manual and Child Safety Seat Instructions for more safety information.

Fleet Orders: Some standard content may be deleted with fleet orders. See dealer for details.

Take Ownership to the Next Level: Create an Owner Center account to get unrestricted access to everything you need to get the most out of your new vehicle. Receive alerts and service offers, schedule service, view your vehicle-specific how-to videos and check service records. All online, anytime. Go to my.buick.com to take a tour or register your Buick today.
