Sedans, minivans, and SUVs have been around for a long time. They're all great vehicles, but sometimes you need a little bit of each of them. That's why Buick® Rendezvous® exists. It offers you the styling and capabilities of an SUV, the ride and comfort of a luxury sedan and — with an available third-row seat — the seating capacity of a minivan. It's time to cross over to the intelligent, innovative, and refined design of Buick Rendezvous.
