ATS Sedan in Radiant Silver Metallic. Shown with available equipment.
EVERYTHING THAT STANDS OUT ABOUT DRIVING

The most powerful 4-cylinder Turbo engine in its class propels you. Refined handling carries on a lively conversation with the road. ATS performance is a combination of power and poise that makes every drive something to look forward to — and remembered.

OFFERED FEATURES:
- TWO IMPRESSIVE ENGINE CHOICES
- LIGHTWEIGHT ARCHITECTURE AND AERODYNAMIC DESIGN
- MAGNETIC RIDE CONTROL
- 8-SPEED AUTOMATIC TRANSMISSION
- FIVE-LINK INDEPENDENT REAR SUSPENSION
- MAGNESIUM PADDLE SHIFTERS
- ZF PREMIUM STEERING
- LIMITED-SLIP DIFFERENTIAL
- BREMBO® PERFORMANCE BRAKES
Elude the air
The ATS boasts advanced aerodynamics. An underbody aero shield and beveled taillamps manage airflow. Trunk designs function as spoilers to create downward force. In addition, advanced metals and the elimination of all unnecessary weight have produced one of the lightest vehicles in the segment.

Smart shifting
Both engines are paired with an intelligent 8-speed automatic transmission that employs advanced algorithms to move through gears faster than ever before.

1000 times a second
Available Cadillac Magnetic Ride Control reads the road up to 1000 times a second and automatically adjusts the suspension to road surface and weather conditions. The result is a highly responsive vehicle, regardless of road conditions.

Choose power
Choose from two incredibly responsive powerplants. A 3.6L V6 engine delivers 335 hp. The ATS also offers a 2.0L Turbo option, the most powerful 4-cylinder Turbo engine in its class. And both the 2.0L and 3.6L engines are equipped with Cadillac’s Auto Stop/Start technology for fine-tuned efficiency.

ATS Premium Performance Coupe in Black Raven. Shown with available equipment.
PERFORMANCE

Power controlled is power enjoyed
Available Magnesium Paddle Shifters allow you to move effortlessly through the transmission’s 8 gears without a manual clutch, giving you total control without taking your hands off the wheel.

Actounding assistance
With advanced software, ZF Premium Steering responds instantly to your commands.

Conquer curves
Available Limited-Slip Differential appropriately redistributes power to the drive wheels, providing more control.

Flexible and invaluable
A five-link independent rear suspension helps the vehicle stay firmly planted on the road, delivering increased control.

Race-proven. Full stop.
Carved from lightweight aluminum alloy, Brembo front brakes bring a host of advantages including greater stopping power and wear resistance.

ATS Premium Performance Sedan in Radiant Silver Metallic. Shown with available equipment.
FORM THAT NEVER FOLLOWS

Every curve, every bend and every line of the ATS is thoroughly modern. The Coupe’s powerfully sculpted front and rear vertical lighting hints at performance at the ready, while the Sedan’s chiseled exterior is designed to slice through the air. Both vehicles possess an aggressive stance that projects power even when standing still.

OFFERED FEATURES: AERO PROFILE MIRRORS • FORGED ALUMINUM WHEELS • ILLUMINATING DOOR HANDLES • ADVANCED LIGHTING TECHNOLOGY • INTEGRATED BRAKE LAMP • DUAL EXHAUST OUTLETS • CAPLESS FUELING SYSTEM • CARBON BLACK PACKAGE WITH DISTINCT EXTERIOR AND INTERIOR FEATURES
Low profile, high design
The aerodynamic and sleek ATS Coupé side mirrors feature an integrated turn signal so they are both functional and stylish.

Stylish wheels come full circle
Available 18” forged aluminum wheels deliver striking looks, as well as excellent strength and ride comfort.

Reach for refinement
Available Illuminating Door Handles are a distinctive style cue.

Lighting the way forward
Available High-Intensity Discharge (HID) Intellibeam headlamps feature available Adaptive Forward Lighting that swivels as the vehicle turns, helping illuminate curves. And light-blade LED taillamps showcase a dramatically sculpted rear profile.
Faster fueling
The Capless Fueling System is elegance in action, for quicker fueling.

Polished punctuation
Two polished exhaust tips accentuate the rear stance.

Seamless safety
The all-LED center brake lamp is integrated into the trunk of the ATS for superior brake warning visibility, while it sits slightly above the trunk on the sedan.
FASHION IS OF THE MOMENT. STYLE IS FOREVER.

The ATS interior is at first glance stunning and streamlined. A story of modern elegance and craftsmanship writ in available exotic woods, carbon fiber and supple Semi-Aniline leather.

OFFERED FEATURES: PERFORMANCE SEATING • ALUMINUM SPORT PEDALS • CUT-AND-SEWN INTERIORS • 60/40 SPLIT-FOLDING REAR SEAT
Curated to compliment
The tailored interior features a hand-finished instrument panel door trim, armrest and seats, as well as a hand-stitched steering wheel. The Coupe offers 5 available unique themes of materials like supple Semi-Aniline leather, as well as exotic wood and carbon fiber trims. The sedan has seven. And in every case, these options are designed to work together beautifully.

Space made smart
ATS offers more space when you need it, with available 60/40 split-folding rear seats.

Crafted to comfort
Available performance front seats are crafted from premium materials and offer up to 18-way adjustments for extra support.

No detail too small
Available sport alloy pedals add another level of aesthetic pleasure.
THE FUTURE HAS ARRIVED. EVEN FASTER.

The 2017 ATS features a variety of technologies designed to make your experience more of everything you want. From accessing entertainment to viewing of vital driving information, Cadillac innovation works seamlessly and intuitively to serve you.

OFFERED FEATURES: CADILLAC CUE® WITH PHONE INTEGRATION • ONSTAR 4G LTE AND BUILT-IN WI-FI® HOTSPOT • KEYLESS ACCESS AND PUSH-BUTTON START • RECONFIGURABLE DRIVER INFORMATION CENTER • BOSE® PREMIUM AUDIO SYSTEMS • ADAPTIVE REMOTE START
Project the information that matters
The available Head-Up Display (HUD) projects speed, audio, navigation and other information onto the front windshield, so you can keep your eyes safely on the road.

Determine your data
A customizable three-window, full-color Driver Information Center (DIC) allows you to choose how to display phone, radio, navigation and other vehicle data.

Information at your fingertips
Cadillac CUE puts a suite of information and entertainment offerings including climate, audio and settings control, plus available 3-D GPS navigation at your command.

Your phone, even smarter
Cadillac CUE Phone Integration with Apple CarPlay™ compatibility allows you to access your contacts, Apple Music™ and other information from your iPhone® with a touch of the screen, shown below. You can also access Siri®, so features are easily accessible to you or your front-seat passenger.

Android™ Auto compatibility is also available with Phone Integration.

ATS in Jet Black. Shown with Apple CarPlay and other available equipment.

Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.
A special venue deserves audio to match
Bose Centerpoint® surround sound 10-speaker system provides a rich listening experience.

Unlock sophistication
Without removing the key fob from your pocket or purse, Keyless Access automatically unlocks or locks the doors as you approach or walk away from the vehicle. The fob also activates the vehicle’s Push-Button Start feature.

A head start is a smart start
Integrated into your key fob, Adaptive Remote Start engages the engine from up to 100 yards away, and can also sense outside temperature to activate the appropriate cabin climate control.

Stay connected or entertained
Available OnStar 4G LTE and built-in Wi-Fi hotspot² allows you to connect up to seven devices at the same time up to 50 feet away from the ATS to check e-mail or let passengers watch their favorite entertainment.

Unlock sophistication
Without removing the key fob from your pocket or purse, Keyless Access automatically unlocks or locks the doors as you approach or walk away from the vehicle. The fob also activates the vehicle’s Push-Button Start feature.

A head start is a smart start
Integrated into your key fob, Adaptive Remote Start engages the engine from up to 100 yards away, and can also sense outside temperature to activate the appropriate cabin climate control.

¹ Requires a compatible mobile device, active OnStar service and data plan. ² 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.
SAFETY 
CONFIDENCE 
THAT LEADS TO 
SPIRITED DRIVING
Sedan or Coupe, the ATS is fun to drive. And a variety of safety innovations—from strong steel to available intelligent systems that are on the lookout—add all-important peace of mind to your pleasure.

OFFERED FEATURES:
- SAFETY CAGE
- HEAD-UP DISPLAY
- AUTOMATIC SAFETY BELT TIGHTENING
- ADAPTIVE CRUISE CONTROL
- RAISENSE WIPERS
- SIDE BLIND ZONE ALERT
- FORWARD COLLISION ALERT
- LANE KEEP ASSIST WITH LANE DEPARTURE WARNING
- SAFETY ALERT SEAT

ATS Premium Performance Sedan in Red Obsession Tintcoat. Shown with available equipment.
Maintain an intelligent space
Adaptive Cruise Control uses radar technology to maintain a safe distance between you and the detected vehicle ahead.

Truly forward thinking
Forward Collision Alert monitors traffic ahead, alerting you if a potential collision is imminent, while Following Distance Indicator shows the following time to the detected vehicle ahead (in seconds) in the Driver Information Center (DIC).

An intelligent wiper
Rainsense Wipers automatically engage when rain is detected, adjusting their speed to the rain’s intensity. Whenever wipers are activated, Auto-Dry brakes automatically position the brake pads closer to the rotors to sweep away moisture and improve performance.

Surrounded by safety innovation

F R O N T

Strong enough to crumple
The high-strength steel safety cage features strategically placed crumple zones that help absorb and manage crash energy. The safety cage is also equipped with 8 standard air bags.

Firmly reassuring
During emergency braking or sudden maneuvers, available Automatic Safety Belt Tightening activates. When conditions revert to normal, they ease automatically.

Grabs your attention. Subtly.
Cadillac’s patented Safety Alert Seat sends a discreet pulse to the left, right or both sides of the driver’s seat, indicating the direction of the threat—left, right or front.

S I D E

Travel the straight and smart
Using monitors to sense lane boundaries, Lane Keep Assist gently turns the steering wheel if the system anticipates the vehicle is leaving the lane unintentionally or without using your turn signal. Working in conjunction with the Safety Alert Seat, Lane Departure Warning sends a visual alert in the cluster and a warning pulse through the seat cushion.

All clear
Side Blind Zone Alert monitors your blind spots, so if a vehicle is in the adjacent lane, and you’ve activated your turn signal, an icon on the side mirror illuminates to alert you. Lane Change Alert surveys the area well beyond the side blind zone and flashes the side mirror warning icon to alert you of a rapidly approaching vehicle.

INSIDE

Brighter backing out
When backing out of a parking space, Rear Cross Traffic Alert warns of oncoming traffic to either side of your vehicle.

Gain precious time
Up to certain speeds, Front and Rear Automatic Braking can sense front and rear collisions and automatically engage the brakes, helping to give you more reaction time.

REAR

Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for important feature limitations and information.
2017 ATS Coupe Features

DRIVETRAIN
Engine: 2.0L I4 Turbo Direct-Injection (DI) with 272 hp and 250 lb-ft of torque.
Transmission: 6-speed automatic with Performance Algorithm Shifting and engine Auto Stop/Start system.
Drive Type: Rear-Wheel Drive

CHASSIS AND SUSPENSION
Strengthened, Rock-Peak-Plus 20 mm front and rear staggered coil springs.
Suspension: 4-wheel independent: Double-pivot front and 5-link rear; Sport-tuned with driver-selectable mode control.

EXTERIOR
Active Aero Shutters
Captive Fueling System
Lighting: Projector headlamps/headlights with Daytime Running Lamps (DRL) and taillamps.
1D center stop lamp.
Mirrors, Exterior: Body Color. Power, heated with integrated turn indicator and puddle lamps.
Wheels: 18" premium painted alloy (see inside back cover for more details)

INTERIOR
Active Safety: Start/Stop system.
Audio System
Air Filtration System
climate control system (automatic transmission only)
Collection apps, Teen Driver setting and 3rd USB port with media control system with 8"-diagonal full-color capacitive touch recognition for Bluetooth-enabled cell phones (included with Cadillac CUE)

SAFETY AND SECURITY
Air Bags: Driver and passenger front air bags; front and rear head curtains.
OnStar 4G LTE: 4G LTE Wi-Fi® Hotspot Capability. Available with a three-month data trial, includes seven devices, includes 3 month or three-gigabyte data trial, whichever comes first.

AVAILABLE FEATURES
Transmission: 8-speed automatic (2.0L Turbo I4/CADillac CUE)

PREFERRED PERFORMANCE
Steering: Electric power radius-assist, variable ratio.
Transmission: 6-speed automatic with performance Algorithm Shifting and engine Auto Stop/Start system.

LUXURY

**OWN BENEFITS**

Our dealers deserve it all. That’s why 2017 vehicles are backed by a comprehensive suite of owner benefits. To learn more, visit cadillac.com/ATSOwnerbenefits

**ONSTAR**

With available OnStar you can get immediate help, outsmart and avoid vehicle theft, reach your destinations, stay connected, even manage your vehicle’s health. To learn more, visit cadillac.com/onstar

**ABOUT THIS CATALOG**

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affiliated to vehicles are approximate based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacturing and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, at start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

**ENGINES**

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

**TIRE SEALANT AND COMPRESSOR KIT**

If your vehicle has a tire sealant and compressor kit, it uses a liquid tire sealant to temporarily seal up to a ¼-inch puncture in the tread area of the tire. After using the tire sealant, you will have to replace the tire. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, at start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

**ASSEMBLY**

Cadillac vehicles and their components are assembled by different operating units of General Motors. Its subsidiaries or suppliers to Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers. Effective use of different component sources assures a supply of parts for vehicles and replacement parts for vehicles. This policy simplifies vehicle procurement and assures that a vehicle in service affects vehicle safety, serviceability and durability. Any GM equivalent and alternative products, substitution capability, etc., may change the vehicle configurations.

**UPDATED SERVICE INFORMATION**

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-782-4356 or by visiting www.helm-inc.com.

**NEW VEHICLE LIMITED WARRANTY**

World-class coverage comes standard on every 2017 Cadillac. This warranty is for Cadillac vehicles registered in the U.S. See your Cadillac dealer for terms and conditions.

**COVERED FOR 6 YEARS/70,000 MILES (WHICHEVER COMES FIRST)**

Powertrain limited warranty with no deductible. Roadside Assistance Program and Courtesy Transportation Program.

**COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST)**

Bumper-to-bumper coverage. Tires—defects in material and workmanship, repairs made to correct any vehicle defect, corrosion on body sheet metal panels.

**RUST-THROUGH COVERAGE**

Cadillac vehicles are designed and built to resist corrosion and rust-through coverage is for example—not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and zone is recommended. See your Cadillac dealer for terms of this limited warranty.

**FLEET ORDERS**

Some standard content may be deleted with fleet orders. See dealer for details.

**VEHICLE DIMENSIONS**

Please visit cadillac.com/ATSOwnerbenefits for coverage details and system specifications. Services may vary by area. the service is not to exceed vehicle safety or serviceability. Any GM equivalent and alternative products, substitution capability, etc., may change the vehicles configurations.
