PERFORMANCE OR LUXURY? YES.

Power. Style. And a sophistication that's impossible to resist. That's the mold for all Cadillac vehicles. Yet each one also has distinctive features that separate it from the rest of the pack. So whether you're looking for a performance-oriented sedan, a luxury-laden SUV or stylish crossover, there's sure to be a Cadillac that will make your heart race. In fact, we suspect the hard part won't be choosing one to fall in love with—it'll be choosing just one.
MORE THAN A CAR, IT'S A CADILLAC.

The culmination of more than 100 years of iconic design, engineering as an art and a love of innovation, Cadillac sets the standard among performance luxury automobiles and the people who love to drive them.

AN ALL-NEW CTS-V IS THE FASTEST V8 PRODUCTION SEDAN IN THE WORLD.

A NEW ESCALADE HYBRID THAT HAS THE BEST FUEL ECONOMY IN ITS CLASS WITH AN EPA ESTIMATED 50 MPG IN THE CITY AND 23 MPG IN THE HIGHWAY.

A 403 HP ESCALADE THAT COMES WITH BETTER HIGHWAY FUEL ECONOMY THAN ANY COMPETITOR IN ITS CLASS!

GUBERNSUALLY APPOINTED SITS, DTS AND ESCALADE PLATINUM EDITIONS THAT ENHANCE TOP-LINE LUXURY, INSIDE AND OUT.

A RESTYLLED XLR ROADSTER WITH FULLY AUTOMATIC RETRACTABLE HARDTOP THAT TAKES YOU FROM PERFORMANCE COUPE TO CONVERTIBLE IN LESS THAN 30 SECONDS.

CTS: WHEN YOU TURN YOUR CAR ON, DOES IT RETURN THE FAVOR?

Tested and released on the world’s most challenging roads, the CTS is available with a fiery 304 hp Direct Injection 3.6L V6 VVT engine, the most powerful V6 to ever bear the Cadillac crest. To put all this power to work, the CTS offers a host of enhancements, including an Asian six-speed manual transmission (with the option of a six-speed automatic), a performance-oriented chassis with a muscular, wide track and available all-wheel drive.

Designed to be an exceptional interior, the cabin of the CTS features integrated MP3 capabilities, an available navigation system with the largest touchscreen in its class, available Smart Sensors™ foot rest that can shut off the engine from up to 200 feet away, and an available custom-designed Bose® 5.1 Cabin Surround® Sound System. Add to this the independence of expert craftsmanship and cut-and-come-again interior features, and you discover that the CTS isn’t the only thing moving. So is your desire to get out and drive.

SELECTION FEATURES

- ENGINES: 263 hp 3.6L V6 VVT, available 304 hp 3.6L Direct Injection V6 VVT
- DRIVE TRAIN: Asian 6-speed manual transmission; optional Hydra-Matic 6-speed automatic transmission with rear-wheel drive or available all-wheel drive, both with Driver Shift Control
- AUDIO: An available 60-speaker Bose® 5.1 Cabin Surround® Sound System with integrated MP3 compatibility and a 40-gig hard drive to store songs and playlists

*These changes take place in 2008 GM Entourage models. For more information, please visit the manufacturer’s website. Please check your vehicle for compatibility. Please note that some features may not be available on older vehicles. Please consult your dealer for more information.
CTS-V: FOLLOW THE VAPOR TRAIL.

A staggering 556 horsepower. 551 lb-ft of torque. Zero to 60 in 3.9 seconds, tempered with the massive stopping power of ventilated and slotted Brembo brakes. A chassis developed on the world’s most challenging test tracks. A 6-speed manual or available 6-speed Hydra-Matic electronically controlled automatic transmission with steering wheel-mounted trigger shifters. A no-fat exterior that telegraphs speed and refinement from every angle. Add in the next-generation, dual-mode Magnetic Ride Control (MRC), one of the world’s fastest reacting suspension systems, and the result is a definite sport sedan that does exactly what you want it to, when you want it to. Which, in almost every case, will be to excite your senses to the core.

Stellar performance design doesn’t end under the hood of the all-new CTS-V. Perforated suede-fabric seat inserts and soft microfiber appointments on the steering wheel and shifter keep you firmly planted during high-performance driving. Fourteen-way adjustable Recaro performance driving seats are also available with pneumatic bolster controls and a manually activated thigh extender. Add to this all the high-tech intelligence that comes in every CTS, and you’re presented with an elite sports car with the kind of sophistication and poise one would expect of the fastest V-series production sedan in the world.

SELECT FEATURES

ENGINE: 6.2L Supercharged V8 with 556 horsepower and 551 lb-ft of torque
TRANSMISSION: 6-speed manual or available 6-speed Hydra-Matic electronically controlled automatic transmission
BRAKES: High-performance slotted Brembo brakes with co-coast rotors
ESCALADE: MORE MEETS THE EYE.

Being behind the wheel of the Cadillac Escalade gives you a whole new perspective. On everything. The interior is awash in comfort and refined luxury, with leather seating surfaces riveted in to French seams, brushed aluminum and burled accents. Features like Road-Sensing Suspension help ensure the ride is as smooth as the Bosley® 5.1 Cabin Surround® Sound System provides a concert hall experience, and to zone automatic climate control offers individual settings for the driver, front-seat passenger, and rear seating area.

With an impressive 403 hp, the most in its class, the performance of the 6.2L V8 VVT engine has the Escalade the ability to go 0-60 in 6.5 seconds, with a 59-70 mph passing performance of 30 seconds. Exceptionally engineered handling and an advanced suspension system with available Magnetic Ride Control ensure you’re firmly in control. The sophisticated 6-speed Hydra-Matic automatic transmission intelligently selects the gear that precisely fits both driver demand and vehicle load. And all of this comes with better highway fuel economy than any competitor in its class.7

SELECT FEATURES

ENGINE: 6.2L V8 VVT with 403 hp and 417 lb-ft of torque

TRANSMISSION: Hydra-Matic 6-speed automatic transmission with Driver Shift Control

SUSPENSION: Available Magnetic Ride Control, a class-exclusive suspension system that reacts the road up to 1,000 times a second

Quotes cited based on 2022 World's Largest Luxury SUV segment, and the latest competitive information available at the time of printing.
ESCALADE HYBRID: THE FUTURE OF LUXURY.

Introducing the world’s first full-size luxury hybrid SUV. A proud addition to the Cadillac family, the new Escalade Hybrid celebrates comfort, power and intelligent efficiency. Pared with the innovative, fuel-saving 2-Mode hybrid system – its much-anticipated debut in a luxury vehicle – the Escalade offers fuel economy comparable to many four-door sedans.

The sophisticated hybrid system utilizes two types of power: energy created by the gas engine and electricity generated by the electric motor. While operating at slow speeds, the Hybrid utilizes just electricity, giving you the ultimate efficiency of a hybrid system. At highway speeds, electric motor and gas engine work simultaneously with the 3.6L V6 gas engine to power the vehicle. And when conditions warrant, such as passing or pulling a trailer, the Escalade Hybrid seamlessly transitions to full combustion-engine power. This fine Cadillac to use Active Fuel Management, the Escalade Hybrid Management, to capture hybrid savings when you don’t need the full power of the eight cylinders and automatically adjusts to run on four, saving you even more gas. The regenerative braking feature recovers some of the energy lost during braking and converts it to electricity for future use.

The Escalade Hybrid delivers the distinctive style, comfort and full-size capability that have made the Escalade an icon. Cadillac’s rich heritage of luxury now encompasses the luxury of not having to compromise performance, adjust to your commitment to the environment.

SELECT FEATURES

ENGINE: 6.0L Vortec V8 gas engine and 300-volt battery pack with 332 hp and 367 lb-ft torque

HYBRID ENGINEERING: 2-Mode hybrid system with Active Fuel Management

FUEL EFFICIENCY: Best-in-class EPA estimated MPG 20 city/22 highway (Escalade Hybrid ZIRK)
ESCALADE PLATINUM: THE ULTIMATE UPGRADE.

Style and comfort reach new heights in the Escalade Platinum, a special edition of the Escalade and Escalade ESV. The most generously appointed in the Escalade portfolio, the Platinum Edition features butter soft NAPA leather, a wood and linen leather-trimmed instrument panel and door uppers, and a bevy of technical innovations and distinctive design elements. Combining color, French stitching, embroidered Cadillac insignia, vibrant color and chrome exterior hardware, real wood cupholders and various other details, the Platinum Edition also includes a premium sound entertainment system, rearview camera and a two-deck DVD entertainment system. The only way to see this model in person is to schedule an appointment at your local dealership.

An industry first, the Escalade Platinum’s fully functioning environmentally conscious Light Emitting Diode (LED) headlamps emulates crisp, white daylight in both high- and low-beam situations. Unique 22-inch wheels come with Cadillac’s advanced Magnetic Ride Control, andEscalade Platinum’s standby power, its eye-catching exterior details. An unprecedented expression of luxury and style, the Escalade Platinum is the latest embodiment of one of the most prestigious automotive marks in the world, Cadillac.

SELECT FEATURES

WHEELS: 22-inch wheels with Cadillac’s advanced Magnetic Ride Control
ENTERTAINMENT SYSTEM: Premium DVD entertainment system, screens in both front head restraints and roof-mounted screen
SEATING: Luxurious leather, most often found in fine home furnishings
EXT: IT HAULS. LITERALLY.

Behind the wheel, you just may forget about the EXT's hauling capacity. After all, you'll probably be too busy enjoying the raw power of a 403-hp Vortec V8 VVT and the Hydra-Matic 6L80 heavy-duty automatic transmission. Or maybe you'll be entranced by the many luxurious appointments, such as leather seating surfaces, burled accents, DVD-based navigation system\(^1\) and a Bose\(^\circ\) 5.1 Cabin Surround\(^\circ\) Sound System. And when the need arises, it's nice to know that by folding forward the Midgate panel, you'll have instant access to an eight-foot cargo bed and more than a hundred cubic feet\(^2\) of covered, secure cargo space. So whether it's a new media center or just mulch for the backyard, you can get it there in style.

SELECT FEATURES

ENGINE: 6.2L Vortec V8 VVT with 403 hp and 417 lb-ft of torque

TRANSMISSION: Hydra-Matic 6-speed automatic transmission with Driver Shift Control

UTILITY: Midgate panel, with access to 101 cubic feet\(^2\) of covered storage

---

\(^1\) Map coverage not available in portions of Canada.
\(^2\) Cargo and load capacity limited by weight and distribution.
SELECT FEATURES

ENGINE: 6.2L Vortec V8 VVT with 403 hp and 417 lb-ft of torque
TRANSMISSION: Hydra-Matic 6-speed automatic transmission with Driver Shift Control
UTILITY: Seating up to 8 full-sized adults, with best-in-class maximum cargo capacity

ESV: THE ESCALADE. EXTENDED MIX.

Seat up to eight in full Escalade comfort and still have 45.8 cubic feet of cargo volume behind the third row to play with, for luggage, golf clubs or whatever you need to take with you. The Escalade ESV takes on the big missions beautifully. Its extended cabin provides seating for seven with standard second-row bucket seats. With the available second-row bench, the passenger count grows to eight. Stow the second row, remove the third row and you'll enjoy 137.4 cubic feet of cargo capacity, too.

Of course, at this size, you'll need a powerful engine. That's why the ESV is armed with a Vortec V8 with 417 lb-ft of torque. Variable Valve Timing (VVT) continuously manages the intake and exhaust valves to create the perfect combination of low-end pull and high-end horsepower.

Class claim based on 2008 Ward's Large Luxury SUV segment and the latest competitive information available at the time of printing.

1 Cargo and load capacity limited by weight and distribution.
XLR PLATINUM: THE TOP OPENS UP NICELY. JUST LIKE THE ENGINE.

An exterior that pulls a fresh spin on classic good looks. A world-class interior. A sport-tuned suspension with stunning agility. A fully automatic, retractable hardtop that keeps you from performance cough. Its convertible in less than 20 seconds. It all comes together in a thrilling car that'll have you on the edge of your seat. A front-braced seat. It's all door-tested in a wind-tunnel-tested design that gives it a drag coefficient of just 0.31. And the XLR is a pin-up for aerodynamics engineers everywhere. It's topped off with an all-aluminum 440-hp Northstar V8 engine that sends you like wind from 320 horsepower and 330 lb-ft of torque. Its gloriously rugged exterior features new badge, real chrome, real Grille, and 18-inch wheels exclusive to the XLR Platinum.

SELECT FEATURES

ENGINE - 4.6L Northstar V8 VVT, with 320 hp and 330 lb-ft of torque
TRANSMISSION - Hydra-Matic 6-speed automatic transmission, rear-mounted with Cruise Shift Control
RADAR GUIDANCE - Adaptive Cruise Control

[1] NorthStar Cruise Control is available for the driver's personal enjoyment to operate the vehicle on a dedicated, limited-speed basis. The driver needs to maintain attention to traffic and road conditions and proceed the warning, sounding, and other inputs incorporated into the operation of the device.
XLR-V: FROM WANT TO NEED IN 4.6 SECONDS.

A blazing 0-60 time of 4.6 seconds. An intercooled, supercharged Northstar V8 SC engine that produces an astounding 443 hp with 444 lb-ft of torque. Dual-mode Magneti Marelli Control, one of the world's testiest-reacting supersport patterns, that allows for both performance and touring modes. A Heads-Up Display that projects your digital driving data right onto your windshield. And Driver Shift Control, which gives you the feel of a manual transmission without the hassle of clutching for less hands-on engagement. With all this under its belt, one could call the XLR-V the perfect performance roadster. But that might be an understatement.

And with that much emphasis on performance, we couldn't very well leave the styling alone. So we outfitted the XLR-V with a new-generation of chrome grille, 30-spoke wheels, blacked-out tailpipes with a Bermuda metal finish on the outside, a dual-flow exhaust and a monogrammed V on the hood. A little something for other drivers to contemplate as your tailights grow dim.

SELECT FEATURES

ENGINE: Supercharged 4.4L Northstar V8 SC with 443 hp

TRANSMISSION: Hydra-Matic 6-speed automatic transmission, rear-mounted with Driver Shift Control

ENTERTAINMENT: 6-disc in-dash CD changer and nine-speaker Bose® Sound System with Bose® personal speakers mounted into both sides of the head restraints.
MUSCULAR GOOD LOOKS. UNCOMPROMISING ACCELERATION. CORNERING AND BRAKING. PREMIUM MATERIALS. OUTSTANDING TECHNOLOGY. LUXURY-ROI AIR COMFORT. FOCUSED WITH AN ALL-WHEEL-DRIVE TUNED ON GERMANY'S MAXIMUM PERFORMANCE PACKAGES' SPECIFIC TRACK.

THE CADILLAC STS - WITH ITS DRAMATIC LINES AND STATEMENT-MAKING FEATURES SUCH AS SIDE-AIR EXHAUSTS AND A DIRECT INJECTION ENGINE - CREATES A SIGNIFICANT ADVANTAGE THAT ISN'T LOOKED UNSEEN. AN AVAILABLE MAGNETIC RIDE CONTROL (MRC) SUSPENSION SYSTEM USES ADVANCED SENSORS THAT READ THE ROAD A THOUSAND TIMES A SECOND, THEN AUTOMATICALLY APPLIES THE NECESSARY DAMPING FORCES TO IMPROVE HANDLING AND DURABILITY. ELECTRIC-POWERED POWER STEERING AND DIRECT- INJECTION ELECTRONIC THROTTLE CONTROL PROVIDE A SMOOTH, PREDICTABLE THROTTLE RESPONSE AT CITY-SLOW SLOW SLOW, AND GIFTS RAPIDLY TO PRESSURE ON THE PEDAL WHEN YOU'RE ON THE HIGHWAY. AND WITH ADVANCED FEATURES SUCH AS AN AVAILABLE FOUR-COLOR HEAD-UP DISPLAY THAT PROJECTS DIGITAL DATA RIGHT ONTO YOUR WINDSHIELD AND AN AVAILABLE SIDE BLIND ZONE ALERT, AS WELL AS A MODERN, REFINED INTERIOR, THE STS IS THE PERFECT MARQUEE OF PERFORMANCE AND LUXURY.

SELECT FEATURES

- ENGINES: 3.6L V6, DIRECT INJECTION, 4S; V8, available 5.3L V8, 4S, 4V VVT
- DRIVETRAIN: 6-speed automatic transmission with rear-wheel drive or available all-wheel drive, both with Driver Shift Control
- DRIVING GUIDANCE: Available Side Blind Zone Alert and available Lane Departure Warning

*MSRP, reflects base STS 3.0L Premium Luxury Performance Package.
STS-V: 469 EXCEPTIONALLY WELL-GROOMED HORSES.

You’ve worked hard to get here. Time to enjoy the spoils. The Cadillac STS-V just might be the ultimate reward for your efforts. Step yourself into the driver’s seat and you’ll command the untamed power of a hand-assembled supercharged 4.4L Northstar engine. That’s a staggering 469 horsepower and 439 lb-ft of torque. Full-time AWD, rear-wheel-drive 5-speed automatic and a performance-tuned suspension keep you tugging at the bit of command. And when you need to slow down, ventilated Brembo brakes with 14-inch rotors heed your call.

Of course, what’s inside is just as powerful as what’s beneath the hood. You’ll enjoy hand-wrapped top-grain leather interior trim, mood lights, wood and chrome trimmings, stainless steel exhausts and heated seats with a push-button start. All that is coupled with a 15-speaker Bose® 5.1 Studio Surround® Sound System that ensures your music, sports or talk radio will sound nearly as good as the engine.

SELECT FEATURES
ENGINE: Supercharged 4.4L Northstar V8 SC with 469 hp
TRANSMISSION: Hydra Matic 6-speed automatic transmission with Driver Shift Control
PREMIUM STEERING: 27 oz. Servo-Assist, 2-speed-sensitive steering with variable ratio
DTS: BLACK TIE OPTIONAL.

Simply put, the DTS is an open invitation to a world of luxurious performance. What elevates it to this exalted level? The available 4.6L Northstar V8 HFP engine, featuring 292 hp, the most in its class. Or distinctive styling that elevates a vehicle to the level of exacting parking lot. Maybe it’s the lavish appointments, such as a refined interior with available TEAK-WALNUT and dark burled walnut wood. Or DVD-based navigation with voice recognition software. Or if you choose, the available Side Blind Zone Alert and available Lane Departure Warning that issues audible and/or visual alerts when needed.

Maybe it’s the fact that the DTS has unsurpassed V8 fuel efficiency in its class. Or Adaptive Remote Start that lets you start the engine, engage the powertrain controls, and if needed, activate the defroster and optional seat warmers before you even reach your car. Or a Platinum Edition with tri-axle bucket leather garnished with anodized aluminum accents, front and rear ambient footwell lighting, decorative wood inlays and premium leather seating surfaces. It has something to do with 43.8 inches of rear leg room and an 18.8 cubic foot trunk. Or, perhaps, it’s all of the above.

SELECT FEATURES

- ENGINE: 4.6L Northstar V8, available 292 hp, 4.6L Northstar V8 HFP
- SEATING: Available multi-functional heated front and rear seats, memory front and rear outside mirrors and powered front seats
- SUSPENSION: Available Magnetic Ride Control, a GM-class exclusive suspension system that reads the road up to 1,000 times a second
SRX CROSSOVER: DEFIES DEFINITION.

The SRX Crossover combines the performance of a sports car with the carrying capacity and convenience of an SUV. A best-in-class 41 inches of legroom in the second row, theater-style tiered seats and an available UltraView sunroof (that opens to 5-3/8 inches rear or, if you make certain your passengers will stay inside) and with almost 71 cubic feet of versatile cargo space, you'll have plenty of room for gear and groceries, too. With all of the above, plus meticulous cut-and-loom interior materials, it's no surprise the SRX was named Ward's "Interior of the Year" in its class.

A fully independent suspension system provides tire-to-road contact, giving you a confident driving feel. Start the engine and activate your presets from up to 200 feet away with Adaptive Remote Start. And with available all-wheel drive, the SRX adapts seamlessly from high- to low-traction situations — from pavement to icy, for example — and lets you accelerate with confidence.

SELECT FEATURES

- ENGINE: 3.6L V6 VVT with 256 hp, 4L6.4L Northstar® V8 VVT with 307 hp
- SEATING: Seating for seven with a best-in-class 41 inches of legroom in the second row
- UTILITY: Standard power liftgate and available class-exclusive power-folding third-row seat
A FEW WORDS ABOUT THIS CATALOG
We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the date of printing (01/09), please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process.

Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times.

NOTE: Some photographs in this catalog show vehicles with optional equipment.

ONSTAR
OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscriptions Service Agreement required. Call 1 888 ARG ONSTAR (1 888 474 6678) to visit onstar.com for OnStar’s Terms and Conditions, Privacy Policy and system limitations and details.

XM NAVTRAFFIC® AND XM RADIO®
XM NavTraffic is a satellite-delivered traffic information service that enhances a GPS navigation system with the ability to show real-time traffic data. With XM NavTraffic you will see traffic-impacting incidents such as construction, road closures, accidents, and disabled vehicles. In select markets you will also see average traffic speed and estimated travel time along the chosen route. For more information, see gm xmradio.com

XM Radio is standard, including three trial months of service. Get commercial-free music channels, plus sports, news, talk and comedy in digital quality sound from coast to coast.

ENGINES
Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

TIRE SEALANT AND COMPRESSOR KIT (CTS AND STS ONLY)
Unless you option into a spare tire, there is no jack or spare tire in this vehicle. If you do not option into the spare tire, your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a 1/4-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended that the tire is inspected and repaired as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than 1/8 inch, or a tire that has been removed from the wheel. The sealant can only be used on a tire, one time before its expiration date. Does not apply to STS-V.

ASSEMBLY
Cadillac’s and their components are assembled and produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that it is acceptable to you.

UPDATED SERVICE INFORMATION
Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Halm Incorporated by calling 1 800 651 4123 or by visiting www.halminc.com.

NEW VEHICLE LIMITED WARRANTY
The Best Luxury Coverage in the Industry, now standard on every 2009 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

COVERED FOR 5 YEARS/100,000 MILES (WHICHEVER COMES FIRST) Transferable Powertrain Limited Warranty with no deductible
Roadside Assistance Program
- Courtesy Transportation Program
- COVERED FOR 5 YEARS/100,000 MILES (WHICHEVER COMES FIRST)
- Bumper-to-Bumper Coverage
- Tires-Defects in material and workmanship
- Repairs made to correct any vehicle defect
- Corrosion on body sheet metal panels

RUST-THROUGH PROTECTION
Cadillac vehicles are designed and built to resist rust and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years unlimited mileage. Cosmetic or surface corrosion, resulting from stone chips or scratches in the paint, for example, is not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

SAFETY AND SECURITY
The following are just some of the standard features on some 2009 Cadillac models unless otherwise noted:

OCCUPANT PROTECTION
- Automatic door locks
- Child safety rear door locks and door retention components
- Frontal air bags for outboard front seating positions
- Passenger-guard inside door lock handles
- Power window lockout
- Safety belt cinch capability for child seats
- Three-point safety belts for outboard front and all rear seating positions

SECURITY
- Anti-theft lockout feature
- Battery rundown protection
- Laser-etched VIN plate
- Marked body parts

1 Required XM Radio and XM NavTraffic monthly subscriptions sold separately after trial period. XM NavTraffic, available only in select markets. Subscription fee is consumer only. Life. LIBERTY. AND THE PURSUIT.

FOR OVER 100 YEARS, CADILLAC HAS BEEN THE AUTOMOTIVE REPRESENTATION OF THE AMERICAN DREAM. A ROLLING HIGH FIVE. A TANGIBLE SYMBOL OF SUCCESS. BUILT FOR PEOPLE WHO KNOW THAT HERE, IN THIS COUNTRY, IT DOESN’T MATTER WHERE YOU CAME FROM. IT ONLY MATTERS HOW FAR YOU WANT TO GO. AND HOW FAST YOU WANT TO GET THERE. IT'S AN OPEN ROAD, DRIVEN BY THOSE WHO HAVE THE COURAGE TO CHASE THE DREAM, CATCH IT AND LET IT GO. SO THEY CAN CHASE AN EVEN BIGGER ONE. BECAUSE THAT'S WHAT THE PURSUIT IS ALL ABOUT.

WWW.CADILLAC.COM
