XTS Platinum in Black Raven. Shown with available equipment.
You cannot ignore the fresh exterior design styled in modern elegance and classic Cadillac motifs. From a powerful front grille, to bold rear taillamps, the XTS presents striking lines from front to rear.

**OFFERED FEATURES:** REDESIGNED GRILLE AND FRONT SECTION • NEW LED HEADLAMPS AND SIGNATURE LIGHTING • REDESIGNED TAILLAMPS AND REAR FASCIA • NEW WHEEL OFFERINGS
Shining a light on design details
LED headlamps with available Front Cornering Lamps emit a crisp, white light providing illumination superior to traditional lighting. Available illuminating outside mirrors and welcoming door handles create a beacon as you approach the vehicle.

Innovation you can see
Available IntelliBeam headlamps automatically turn high beams on or off according to outside conditions. For instance, it can recognize when another vehicle is approaching and automatically switch between your high beams and low beams.

A stunning new conclusion
The new signature LED taillamps showcase the dramatically sculpted rear profile, while a cleverly designed rear Cadillac Crest is a great example where style meets function. Simply press it to release the trunk.

Style comes full circle
New wheel designs and available 20” wheels make a powerful statement where the XTS meets the road.
T A K E  C O M F O R T  
I N  A  H E R I T A G E  O F  
C R A F T S M A N S H I P

For exceptional comfort, step inside. This spacious cabin boasts clean lines, exquisite materials and an unmatched attention to detail. Its generous legroom provides relaxation for both driver and passengers during quick errands or longer road trips. You will find interior features with the latest in modern amenities.

OFFERED FEATURES: CURATED INTERIOR TRIM OPTIONS • HEATED & VENTILATED FRONT SEATS • 22-WAY ADJUSTABLE FRONT SEATS • REAR-SEAT CLIMATE CONTROLS • HEATED SECOND-ROW OUTBOARD SEATING • MEMORY PACKAGE • BOSE® PREMIUM SOUND
Finishes reminiscent of fine tailoring
Interior trim options are curated, so no matter what you choose, it all will work together beautifully. The materials themselves are also quite special. Available Semi-Aniline leather is both supple and strong, and wood trims like Ebony Lineate are selected for both durability and delight.

The lap of leisure
Available 22-way adjustable front seats offer both leather and Semi-Aniline leather. Both feature power-adjustable seatback bolsters and manual thigh support for true indulgence. While available front seats that both heat and ventilate quickly become something you cannot imagine doing without.

Connected conveniences
Integrated into your key fob, Adaptive Remote Start engages the engine from up to 65 yards away. It can sense the outside temperature to heat your steering wheel and activate the rear window defogger when needed. Plus, with your myCadillac app, you can lock and unlock, remote start and get select vehicle information from anywhere you have reception.

1. Requires cellular plan, compatible vehicle and compatible device. Some features require factory-installed remote start, power locks, Tire Pressure Monitoring System or active OnStar service.
Comfort at your control
The available Tri-Zone Climate System allows the driver, as well as front and rear passengers, to precisely control their personal comfort, while rear passengers enjoy 40” of leg room.

A true welcome
An available memory package automatically recalls the preferred positions of the driver’s seat, power tilt and telescoping steering wheel and outside mirrors, moving these features accordingly.

Sound worthy of its venue
The available 14-speaker Bose® Studio Surround Sound system is optimized specifically for the XTS.
SAFETY IS A JOURNEY THAT IS NEVER REALLY FINISHED

You can trust that we have traveled a great distance, with a heritage of innovative safety that is directing the way forward. The XTS offers a variety of systems that are at the cutting edge of safety technology to help provide you with added peace of mind.

OFFERED FEATURES: SURROUND VISION • SAFETY ALERT SEAT • LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT • REAR CROSS TRAFFIC ALERT • FORWARD COLLISION ALERT • LANE KEEP ASSIST WITH LANE DEPARTURE WARNING • HEAD-UP DISPLAY • AUTO-DRY BRAKES • FORWARD & REVERSE AUTOMATIC BRAKING
Surrounded by safety innovation

**Front**

**Truly forward thinking**
Available Forward Collision Alert monitors traffic ahead, alerting you if a potential collision is imminent, while available Following Distance Indicator shows the following time to the detected vehicle ahead (in seconds) in the Driver Information Center (DIC).

**Windshield wipers and brakes work together**
Available Rainsense Wipers automatically engage when rain is detected, adjusting their speed to the rain’s intensity. Whenever wipers are activated, Auto-Dry brakes automatically position the brake pads closer to the rotors to help sweep away moisture and improve performance.

**Inside**

**Gain precious time**
Up to certain speeds, available Low Speed Automatic Forward Braking (as part of the Driver Awareness Package) and available Forward and Reverse Automatic Braking (as part of the Driver Assist Package) can sense forward, and in the case of Reverse Automatic Braking, reverse collisions. They can automatically engage the brakes, if you have not already done so, helping to reduce crash impact.

**Safe space**
Available Adaptive Cruise Control enhances standard Cruise Control to allow the vehicle to automatically follow a detected vehicle ahead at the driver-selected following gap while the driver steers. This reduces the need for the driver to frequently brake and accelerate.

**Strong enough to crumple**
The ultra-high-strength steel safety cage features strategically placed crumple zones that help absorb and manage crash energy, helping preserve occupant space.

**A higher vision of safety**
Available Surround Vision provides a bird’s-eye view of the area immediately surrounding the vehicle when in low-speed Drive or Reverse. This view, projected on the Cadillac user experience screen, helps increase your awareness when parking or in reverse.

**Danger, detected**
Cadillac’s available patented Safety Alert Seat sends a discreet pulse to the left, right or both sides of the driver’s seat, indicating the direction of the threat.

**Rear**

**Hindsight is 20/20**
When backing out of a parking space, available Rear Cross Traffic Alert warns of oncoming left or right cross traffic, while the standard Rear Vision Camera helps you see what is behind your vehicle.

Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for important feature limitations and information.
A cabin you can speak to gives voice to a particular point of view about convenience and connectivity. No matter where you sit—front, rear, driver or passenger—XTS technological advancements reward.

OFFERED FEATURES: CADILLAC USER EXPERIENCE • PHONE INTEGRATION • AVAILABLE ONSTAR® 4G LTE AND BUILT-IN WI-FI HOTSPOT • WIRELESS CHARGING • RECONFIGURABLE GAUGE CLUSTER
More than a connection at your fingertips

The Cadillac user experience1 puts a suite of information and entertainment offerings, including climate, audio, settings control and available 3-D GPS Navigation2 at your command. Plus, it offers Collection, where you will be able to select and install a range of apps from music to audiobooks to weather (Data plan rates apply.)

Your phone, even smarter

Phone integration with Apple CarPlay™3 compatibility allows you to access your contacts, Apple Music™ and other information from your iPhone® with a touch of the screen. You can also access Siri® so features are easily accessible to you or your front-seat passenger.

Phone integration also offers support for Android™ Auto™ compatibility.

Driving perfectly in place

Enjoy the ease of a power tilt-and-telescoping steering wheel that is wrapped in leather. The steering wheel is hand-stitched and is available with heat controls.

Stay connected and charged

Available OnStar 4G LTE and built-in Wi-Fi®3 hotspot allows you to connect up to seven devices at the same time, up to 50 feet away from the XTS. And just as convenient, compatible devices can be powered with Wireless Charging® anytime the vehicle is running.

Gauge what you’d like to see

An available reconfigurable instrument cluster lets you display driving, entertainment, communications and, if equipped, navigation information. And with the enhanced 12.3” diagonal display, staying informed feels effortless.

---

1. Cadillac user experience functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity.

3. Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. Requires navigation on Apple CarPlay and on Android Auto.

4. Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage details. Data plans provided by AT&T.

5. The system wirelessly charges one PMA- or Qi-compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. For a list of PMA- or Qi-compatible mobile devices, visit cadillac.com/wireless. If your device is not on this list, contact your carrier for details.
CONFIDENCE WITH A BOOST OF UNEXPECTED PERFORMANCE

You will immediately notice how controlled and confident the XTS ride is. Inspired acceleration, assured braking and responsive handling that engages both road and driver makes every trip a pleasure. What you might not expect is the additional exhilaration and performance of the Cadillac V-Sport Platinum option.

OFFERED FEATURES: POWERFUL V6 ENGINE CHOICES • BREMBO® FRONT BRAKES • PREMIUM-FINISHED BRAKE CALIPERS • MAGNETIC RIDE CONTROL • V-SPORT PLATINUM
Choose power
Consider two remarkable power plants. The standard 304-hp, 3.6L V6 engine features direct injection for power and efficiency. The V-Sport Platinum model is equipped with a 410-hp Twin Turbo V6 engine for exhilarating power. Each option is paired with an advanced 6-speed automatic transmission.

Reading the road 1000 times a second
Cadillac’s available Magnetic Ride Control™ reads the road up to 1000 times a second, automatically adjusting the suspension to road quality and weather conditions. You will feel a highly responsive, smooth drive regardless of road conditions.

Race-proven. Full stop.
Utilizing lightweight aluminum calipers, Brembo® front brakes offer a host of advantages including smooth, responsive stopping power and fade resistance.

XTS V-Sport Platinum in Dark Adriatic Blue Metallic. Shown with available equipment.
2018 XTS Features

**DRIVETRAIN**

- Engine: 3.6L V6 DI Twin Turbo with 400 hp @ 6800 rpm and 396 lb-ft torque @ 5300 rpm

OWNERSHIP BENEFITS

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided in the dealership or affiliated to vehicles are approximately based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

PREMIUM CARE MAINTENANCE

The Cadillac Premium Care Maintenance program covers routine oil changes, tire rotations, certain air filter replacements and a thorough multi-point vehicle inspection. It is valid for 3 years or 36,000 miles whichever comes first. See your dealer for details.

UPDATED SERVICE INFORMATION

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase or view them by contacting 1-800-760-7430 or by visiting www.hemmenc.com.

NEW VEHICLE LIMITED WARRANTY

World-class coverage comes standard on every 2018 Cadillac. This warranty is for Cadillac vehicles registered in the U.S. See your Cadillac dealer for terms and conditions.

COVERED FOR 6 YEARS/70,000 MILES (WHICHEVER COMES FIRST)

Powertrain limited warranty with no deductible. Roadside Assistance Program and Courtesy Transportation Program.

COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST)

Bumper-to-bumper coverage. Tires—defects in material and workmanship; repairs made to correct any vehicle defect; corrosion on body sheet metal panels.

RUST-THROUGH COVERAGE

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Anybody sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years and unlimited mileage. Cosmetic or surface corrosion—resulting from stone chips or scratches in the paint, for example—is not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

FLEET ORDERS

Some standard content may be deleted with fleet orders. See dealer for details.

ABOUT THIS CATALOG

ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

TIRES AND COMPRESSOR KIT

If your vehicle has a tire sealant and compressor kit, it uses a liquid tire sealant to temporarily seal up to a 1-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 72 hours of air loss. The tire sealant can enter and inflate sidewall damage, punctures larger than 1-inch or a tire that has unseated from the wheel. The sealant can only be used on one tire, one time before its expiration date.

ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different engineering units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles and their components are assembled or produced by different or differently sourced components than originally scheduled. GM worldwide. We sometimes find it necessary to produce Cadillac vehicles and their components are assembled or produced by different or differently sourced components than originally scheduled. Cadillac vehicles and their components are assembled or produced by different or differently sourced components than originally scheduled.
