Whether you're into conquering rugged terrain or cruising the local hot spot, Chevy Blazer has a model to fit your lifestyle. For 2003, Blazer is offered in LS 2- and 4-Door models, the 2-Door Xtreme 2WD and the 2-Door ZR2 4x4. No matter which Blazer you pick, it's reassuring to know every Blazer is built on a foundation of security and toughness. After all, Blazer is from the family of Chevy Trucks — still the most dependable, longest-lasting trucks on the road.

**REAL STRONG. REAL COOL.**

**REAL STRONG. REAL COOL.**

Take on rough terrain with:
- 31-inch x 10.5-inch R-15 on-/off-road tires.
- Underbody shields.
- Strengthened rear axle assembly.
- 46mm Bilstein shock absorbers.
- 35mm diameter front stabilizer bar.
- Rear suspension-enhanced multileaf springs.

**Chevy Blazer ZR2 Color Features**

- Set your attitude on cruise control with:
  - Z87 Sport Suspension Package.
  - Deep-dish, five-spoke, 16-inch aluminum wheels.
  - P235/60R-16 Goodyear Eagle LS low-profile tires.
  - Lower-body front fascia with foglamps.
  - Body-color lower body cladding with wheel flares.
  - Body-color grille and bumpers.
  - New available Xtreme Heat Appearance Package.
  - Or you can choose from one of the available Stripe or Accent Appearance Packages.

**Visit chevrolet.com for more information about Chevy Blazer ZR2, Xtreme and other Blazer models.**
Whether you’re carrying gear, friends or a combination of both, Blazer offers the interior versatility you need. Fold down one or both portions of the Blazer 4-Door 60/40 split-folding rear seat for maximum cargo-carrying flexibility. Folding both rear seatbacks flat allows access to up to 67.8 cu. ft. of cargo space. Blazer 2-Door models feature a 50/50 split-folding rear seat and stowage boxes in the rear seat area.

XTREME ACCENT APPEARANCE PACKAGE

Give your Xtreme some extra attitude with the available Accent Appearance Package. Included are hood and tailgate stripes, badging and wheel accents, all in gold. Or you can choose the Xtreme Heat Appearance or the Stripe Appearance Packages. Visit chevy.com for more details and to view all of the Appearance Packages.

AUTOTRAC 4x4 SYSTEM

When AUTO 4WD is engaged (2-Door 4x4 models only), Autotrac automatically transfers power between the front and rear wheels, based on road conditions. Or select from full-time 2WD, 4WD Hi or 4WD Lo modes.

INSTRUMENT PANEL

The Blazer LS instrument panel (2-Door shown) includes a full set of gauges, auxiliary power outlets and all of the major controls within easy reach. And if you’re into music, you’ll appreciate Blazer’s standard premium sound system with CD player and Radio Data System (RDS) technology. Log on to chevy.com to learn more about RDS and check out Blazer’s available sound systems.
Steel ladder-type frame that’s boxed for much of its length to provide additional support. Advanced suspension components to help provide a comfortable ride. Tongue weight should be 10 to 15 percent of total loaded trailer weight (up to 750 lbs.). Addition of trailer tongue weight cannot cause vehicle weights to exceed the maximum GVWR. Check the chart above for the maximum GCWR based on all available Blazer engine, transmission and rear axle combinations. The GCWR includes the total weight of the vehicle and trailer. You can access additional Blazer engineering information and new model photos at chevrolet.com.

**The Power of Vortec.**

There’s nothing like Vortec power, and that’s exactly what’s under the hood of Chevy Blazer. The standard Vortec 4300 V6 engine provides the muscle needed to tow the maximum trailer weights listed here. The Vortec 5.7L V8 engine provides the muscle needed to tow the maximum trailer weights listed here.

The safety steps described here are by no means the only steps you’ll need to take to ensure the safety of your vehicle and passengers when you pull a trailer. There’s nothing like Vortec power, and that’s exactly what’s under the hood of Chevy Blazer. The standard Vortec 4300 V6 engine provides the muscle needed to tow the maximum trailer weights listed here. The Vortec 5.7L V8 engine provides the muscle needed to tow the maximum trailer weights listed here.

**Front and rear stabilizer bars.**

**Corrosion-resistant exterior and interior panels.**

**Four-wheel antilock brakes to help drivers maintain control of their vehicle when they’re braking on slippery surfaces.**

Engineering

**Built for Strength.**

Tough features are what give Blazer its Chevy Truck capability. Some of these features can see the tough, but they’re not the toughest features, under the surface, make Blazer’s solid foundation. These features include:

- Steel ladder-frame that’s boxed for much of its length to help keep the body from twisting.
- Alumilized stainless-steel exhaust system (over the convertible) designed to provide long-lasting durability.
- Advanced suspension components to help provide a balance between ride quality and performance.
- Four-wheel antilock brakes to help drivers maintain control of their vehicle when they’re braking on slippery surfaces.
- Corrosion-resistant exterior and interior panels.
- Front and rear stabilizer bars.

You can access additional Blazer engineering information and new model photos at chevrolet.com.
A MATTER OF SECURITY.

You want to feel safe and secure in your vehicle—especially when the weather gets harsh. That's exactly why Blazer has features designed to help strengthen your confidence behind the wheel. Here are just a few:

■ Front-mounted air bags. See Owner's Manual.
■ Daytime Running Lamps with Automatic Off: In bright sunlight, they turn off automatically to avoid dazzling oncoming drivers.
■ Available Autotrac 4x4 system on 2-Door 4x4 models.
■ Lockout protection (included with power door locks).
■ Available Remote Keyless Entry.
■ Available Passive Keyless Entry.
■ Available side-door beams.
■ Available theft alarm.
■ Available Lightweight Airbag Domes.

Here are just a few:

■ Cosmetics corrosion resulting from defects in materials, workmanship, or finish; not including luxury options. Excludes theft, peeling, flaking, delamination, rust-through corrosion, and built to resist corrosion. All body sheet-metal panels are warranted against rust-through corrosion.
■ Warranty and service information
■ Service history tracking
■ Maintenance reminders
■ GM Card® — What Are You Charging Toward®
■ Call 1-800-CHEV-USA toll free anytime during the warranty period. "Chevy" (1-800-222-1020) gives you access to information including:
■ GM Customer Assistance Center
■ Call 1-800-222-1020 or visit any participating dealer for information on how to order or return your vehicle. For complete details, see the GM-Upromise program, go to cheesycars.com, or call your participating dealer.

GM Card® — What Are You Charging Toward®

For complete details on the GM-Upromise program, go to cheesycars.com, or call your participating dealer.

The GM Card is offered to active GM customers who purchase or lease eligible new vehicles.

Motor vehicle owners must be active GM customers in order to participate in the GM-Upromise program.

Chevrolet Blazer. Full orientation awaits you on everything about your new vehicle.

^A NOTE ON CHILD SAFETY: Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in child seats. *Available on some models.
