CAPRICE CLASSIC
You might be surprised at the number of $5K,000 sedans available with V8 power, luxurious interiors and advanced safety features. The car.

Carpenter Classic — but who can afford them?

The Affordable Luxurious Car.

There is a car with all the things that are important to you, plus a mileage price. Carpenter Classic for 1995 offers a 200 hp V8, dual air bags and ABS, room for six, a quiet ride, and even a standard lock-gate system.

When it comes to value, there's nothing like it. And that makes Carpenter Classic a genuine Chevrolet.
The full-size Caprice Classic is the perfect example of the American idea.

Caprice Classic = legend.

Why settle for anything less?

Caprice Classic delivers.*

Full Goat suspension and full-frame construction provide a quiet ride and effortless handling. The standard 4.3L V6 with sequential fuel injection provides smooth, virtually seamless performance. You can even order an optional 5.0L V8. The Caprice is powered by an advanced 4.3L V6 engine, with the benefit of rear-wheel drive for power and the torque to tow up to 5000 lbs.

You would settle for anything less. Why would you want to?
No Mercedes-Benz, no BMW and no Lexus can match the spaciousness you'll find in Caprice Classic.

Seating is for six. Choose from a Custom Cloth interior or the optional leather seating surfaces shown here.

YOU DESERVE A CAR THIS NICE.

Either way, you'll enjoy a refinements:
- AM/FM stereo front seat, front and rear center armrests, door courtesy lamps, and storage pockets on front seat backs.
- The instrument panel is beautiful to look at, and designed to make driving more pleasurable. Conveniences include an easy-to-read digital speedometer, Trip-Select™, and a center console with a clock and an adjustable steering column.
- The optional stereo system (one with a cassette player and one with a CD player) are available. These new Delco sound systems feature:
  - Speed Compensated Volume (as the car's speed increases, outside noise becomes louder, the radio volume increases),
  - Automatic Tone Control, which takes equalization to the type of music or voice being heard (classical, news, rock/rap/hip hop, pop, jazz).

Isn't it time you enjoyed the comfort and room of an automobile like this?
We want you to enjoy every minute you spend in your new car. That's why Caprice Classic is so quiet, comfortable and roomy. An aerodynamic and flush-fitting glass and triple-door Quiet Getaway seals contribute to the quiet feeling inside this very refined automobile.

This year, Caprice Classic is also more luxurious than ever. The new standard interior features Custom Cloth upholstery, front and rear center armrests, courtesy lighting and power door locks. Also standard: driver/passenger-seat recliners and child safety rear-door locks. New for 1995: standard breakaway outside mirrors that are designed to reduce the possibility of accidental damage.

You could pay as much for a mid-size car. Or you can enjoy the limousine-like quiet and beautifully smooth highway ride of Caprice Classic.

**A word about...**

**Customer Assistance.**
The Chevrolet Customer Assistance Center (CAC) has a special toll-free number (1-800-222-1020). It puts you in contact with Chevrolet experts who can handle any product/service question or problem you may have.

**GM Protection Plan.**
The available GM Protection Plan offers service protection in addition to that provided by GM's new-vehicle limited warranty. Ask your dealer about it. Coverage available only in the U.S. and Canada.

**Engines.**
Chevrolet vehicles are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

**Corrosion Protection.**
Chevrolet vehicles are designed and built to resist corrosion. All body sheet-metal components are warranted against rust-through corrosion for 6 years/100,000 miles. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your Chevrolet dealer for terms of this limited warranty.

**Assembly.**
Chevrolet vehicles are assembled by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. Chevrolet vehicles incorporate thousands of components produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. All such components have been approved for use in Chevrolet vehicles and will provide the quality performance associated with the Chevrolet name. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

**Updated Service Information.**
Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll free 1-800-351-4123.
