CHEVY CAVALIER.
IT’S A SURE THING.

The future. The weather. The stock market. Never the same ... and never predictable. Good thing there’s Chevy
Cavalier. It’s the small car more people depend on.* Designed to meet your needs, Cavalier is easy to own and fun to
drive. And you can choose from a wide range of coupe and sedan models. The ’02 Chevy Cavalier — count on it.

2002 CAVALIER STANDARD FEATURES:

• Four-wheel antilock brake system (ABS)
• Air conditioning
• AM/FM stereo with CD player
• PASSlock theft deterrent
• Tilt-Wheel steering column

Cavalier LS Sport Sedan in Black.

*Based on the R.L. Polk & Company National Vehicle Population Profile of Basic Economy and Entry-Level Car Segments of Vehicles in Operation as of July 1, 2000.

FOR MORE INFORMATION ... visit our web site at chevy.com

CHEVY CAVALIER. IT’S A SURE THING.
Whether you need two doors or four, the new LS Sport is the coolest Cavalier around. A new 2.2 Liter ECOTEC engine provides excellent performance without sacrificing smooth and quiet operation. And, with a Getrag 5-speed gearbox, four-wheel antilock brakes (ABS), sport suspension, and “look at me” styling, LS Sport is ready to turn up the heat.

*Not available at start of production. See your Chevy dealer for details.

CAVALIER LS SPORT COUPE.
INSTANT COOL.

LS SPORT FEATURES:

- Choice of two-door or four-door models
- 2.2 Liter, 140-hp ECOTEC engine
- Smooth-shifting Getrag 5-speed manual transmission
- Sport suspension
- 16-inch chromed aluminum wheels with Performance tires
- Racing-inspired, high-profile rear spoiler
- Aggressive lower ground effects
- Chrome exhaust outlets
- Foglamps
- Body-color door handles/mirrors
- AM/FM stereo with Radio Data System, cassette and CD players
- Leather-wrapped shifter

Cavalier LS Sport Coupe in Ultra Silver Metallic.
LS SPORT SEDAN
READY FOR A HEAT WAVE?

Cavalier LS Sport Sedan in Indigo Blue Metallic.

The highly-evolved ECOTEC 2.2 Liter engine delivers lower emissions in a low maintenance, dependable package that contends for world-class status. ECOTEC horsepower is 140 at 5600 rpm. Torque is 150 lb.-ft. at 4000 rpm.

*Not available at start of production. See your Chevy dealer for details.

Cavalier LS Sport Sedan* has the style that just won’t quit and an attitude that’s just plain fun. Check out the standard feature list on page 4. Notice that it includes chromed wheels, a stereo with CD, and ABS. And if you order the optional four-speed automatic transmission, Traction Assist is included. It’s going to be a hot time in the city.

FOR MORE INFORMATION...
Cavalier LS, available as a Coupe or Sedan, is a car you can really get into. It’s got style, substance, and best of all, proven Cavalier dependability. Standard equipment? You’ll be hard-pressed to find more for your money.

**CAVALIER LS STANDARD EXTERIOR FEATURES:**

- PASSlock theft deterrent
- Dual electric remote mirrors
- Intermittent variable wipers
- Body-color bumpers and side moldings
- 15-inch wheels with full wheel covers
- Front mud guards

**CAVALIER LS SEDAN.**

Shop the competition versus Cavalier LS Sedan and your decision is practically made for you. Cavalier Sedan has more passenger room than Toyota Corolla and Dodge Neon.* And with a long list of standard features that includes air, ABS and a CD player, Cavalier LS Sedan gives you unmatched value in its class.*

*Based on 2001 competitive information and GM Low Sedan segment.

**CAVALIER LS COUPE.**

Cavalier LS Coupe in Alpine Green Metallic. Some optional equipment shown.
Remote Keyless Entry is another convenience/security feature that's standard in every Cavalier LS.
You heard right. Every Cavalier comes with an AM/FM stereo with CD player. Every Cavalier. Now, that’s cool. Still, audiophiles may choose the optional premium six-speaker stereo with CD and cassette players and Radio Data System (shown above). The cutting-edge system locates RDS-capable radio stations by TYPE (like Rock or News), or displays the names of artists and songs. It can even give you a heads-up on traffic tie-ups or nasty weather ahead, so there’s one less thing to worry about.

*RDS functions only where stations broadcast RDS information.

NEWS FLASH:
A CD PLAYER IN EVERY CAVALIER!

LET SIX-SPEAKER SOUND SURROUND YOU.

Your CD collection will rock, thanks to an optional six-speaker audio system with premium amplification. Tuned exactly to Cavalier’s interior acoustics, this stereo just might be better than the one at home.
Aren’t you tired of hand-me-downs? It’s no wonder that the value-packed Cavalier Coupe is one of America’s favorite first-time new small cars. It has an amazing list of standard features including ABS, a 2.2 Liter engine with 115 horsepower and air conditioning. Slide in and savor that new-car smell.

*Based on 2000 model year R.L. Polk & Company registration data and TCE data.

CAVALIER STANDARD FEATURES:

- 2.2 Liter, 115-horsepower engine
- Four-wheel antilock brakes
- Air conditioning
- AM/FM stereo with CD player
- PASSlock theft deterrent
- Tilt-Wheel steering column

OPTIONAL SPORT PACKAGE:

- 16-inch machine-faced aluminum wheels and Performance tires
- Sport suspension
- Racing-inspired rear spoiler
- Ground effects package
- Body-color door handles
- Chrome exhaust outlet

Cavalier Coupe in Bright White with optional Sport Package and sunroof.
If you need two more doors, Cavalier Sedan just might be your car. It’s fun to drive, thanks to a tuned suspension and a 2.2 Liter engine that gives you smooth get-up-and-go. And, the trunk is huge, making weekend getaways and crosstown moves a breeze. Cavalier Sedan is dependable and always ready to go when you are.
Life’s crowded enough. Cavalier gives everybody room to stretch. It’s thoughtfully designed, too, with a big storage compartment in the center console, five cup holders for you and your friends, a folding rear seatback, even a trunk cargo net. So why cramp your style?

STANDARD INTERIOR FEATURES:

• Air conditioning
• Five cup holders
• Center console with storage compartment
• Dual visor mirrors
• Gauge package with tachometer
• Full-folding rear seat
• 13 cu. ft. of trunk space
• Trunk cargo net

For more information, visit our web site at chevy.com.
Sometimes you just gotta get out of town, and Cavalier makes it even more fun. The standard array of gauges is easy to read and includes a tachometer. A standard Tilt-Wheel steering column gives you the fit you need, and controls are logically placed and easy to reach. You’re going to spend a lot of time behind the wheel — why not enjoy it?

DID SOMEBODY SAY ROAD TRIP?

Cavalier interior in Neutral. Shown with optional 4-speed automatic transmission.
**SMALL CAR. BIG SAFETY PACKAGE.**

Cavalier packs a whole lot of safety and security into one compact package. Four-wheel antilock brakes (ABS) — standard in every Cavalier since 1992 and a feature you have to pay extra for in most of the competition — have helped owners avoid thousands of collisions over the past decade. Also standard: dual air bags.* Daytime Running Lamps. Battery-rundown protection. PASSlock theft-deterrent system. And the list goes on. Because safety and security shouldn’t cost you a bundle.

- **Four-wheel antilock brakes (ABS)**
  Standard four-wheel antilock brakes are designed to help you maintain steering control by reducing wheel lockup during hard braking on most slippery surfaces, such as wet roads, ice or snow.

- **Available Traction Assist**
  If you choose the four-speed automatic transmission, Traction Assist is included, which helps reduce wheel spin on slippery surfaces to help you maintain control.

- **Daytime Running Lamps (DRL)**
  Be seen by other drivers with Daytime Running Lamps. The Cavalier DRL function is automatically activated upon start-up.

**OTHER STANDARD CAVALIER SAFETY/SECURITY FEATURES:**

- **Safety-cage construction**
  Cavalier has safety designed in with a high-strength steel body featuring energy-absorbing front and rear crush zones and reinforced-steel side-door beams.

- **Child security rear-door locks**
  When engaged, these child security rear-door locks prevent rear doors from being opened from the inside. This feature is standard in sedan models.

- **Rear-seat safety belt comfort guides**
  These guides make safety belts more comfortable for children in booster seats or children who have outgrown child safety restraints.

- **Internal Trunk Release Handle**
  If a child should become locked in the trunk, the lid can be opened from the inside by a handle that glows in the dark when exposed to light.

- **Intermittent Variable Wipers**
  Intermittent variable wipers activate when needed to aid visibility in light snow or mist conditions.

*A NOTE ON CHILD SAFETY:*
Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the vehicle Owner’s Manual and child safety seat instructions for more safety information.

FOR MORE INFORMATION...

visit our web site at chevy.com
Since its introduction in 1982, Cavalier durability has been proven in over 300 billion driven miles.* With a galvanized-steel body that actually "heals" itself when scratched, rugged safety-cage construction and low-maintenance features, the dependable Chevy Cavalier is designed to really go the distance.

THERE ARE MORE CAVALIERS ON THE ROAD THAN ANY OTHER SMALL CAR.*

HYDRAULIC ENGINE MOUNTS
Hydraulic engine mounts help reduce vibration and noise to the passenger compartment. This technology contributes to Cavalier’s smooth, quiet, refined feel.

ECOTEC POWER FOR CAVALIER LS SPORT
Cavalier’s new ECOTEC 2.2 Liter engine features a chain-driven valvetrain that’s designed to be maintenance-free. The coil-on-plug ignition system eliminates spark plug wires and distributor parts that would normally require maintenance. NOTE: ECOTEC engine not available at start of production.

STANDARD ABS
Every Cavalier features standard four-wheel antilock brakes that help you maintain steering control during hard braking.

RIGID BODY CONSTRUCTION WITH A STEEL SAFETY CASE
A rigid, unitized body/frame construction helps make Cavalier strong and quiet. A high-strength steel safety cage features energy-absorbing front and rear crush zones and reinforced-steel side-door beams.

EASY MAINTENANCE†
With Cavalier, you won’t have to change spark plugs until the 100,000-mile mark. The coolant replacement interval is 5 years or 150,000 miles** and the automatic transmission fluid is designed to never need changing.

TWO-SIDED GALVANIZED-STEEL BODY PANELS
All body panels (except the roof on sedan models) are made of rust-fighting, two-sided galvanized steel, which helps provide excellent corrosion protection.

SMART CHOICE.
No matter which Cavalier you decide on, you’ve made the right choice.
Air. ABS. A stereo with CD player. Even a theft-deterrent system. It’s all standard on every 2002 Chevy Cavalier.

- Antilock Brakes
- Air Conditioning
- CD Player
- Theft-Deterrent System

PASSLOCK THEFT-DETERRENT
The standard PASSlock theft-deterrent system prevents Cavalier from starting unless the proper key is used.

*Based on R.L. Polk & Company National Vehicle Population Profile of Basic Economy and Entry-level Car Segments of Vehicles in Operation as of July 1, 2000.
**Maintenance needs vary with different uses and driving conditions. See the Owner’s Manual for more information. †Whichever comes first.
WE’LL BE THERE.

Chevrolet is there with the largest dealer network in the USA — and a comprehensive owner protection plan that will look after you from the moment you take delivery of your new Cavalier. The plan includes a New Vehicle Limited Warranty, 24-Hour Roadside Assistance and Courtesy Transportation. It’s an owner protection plan you can believe in. Your Chevrolet dealer has all the details. Throughout the years and across the miles, wherever America’s going...we’ll be there.

NEW VEHICLE LIMITED WARRANTY

This warranty is for GM vehicles registered in the USA. See your Chevrolet dealer for terms and conditions.

Covered for 3 years/36,000 miles (whichever comes first):
• The complete vehicle
• Tires
• Towing to your nearest Chevrolet dealership
• Cosmetic corrosion resulting from defects
• Repairs made to correct any vehicle defect
• No charge for most warranty repairs

Covered for 6 years/100,000 miles (whichever comes first):
• Rust-through corrosion

FOR MORE INFORMATION ON GM PROTECTION PLANS, call 1-888-650-0428 or visit us at CHEVY.COM

24-HOUR ROADSIDE ASSISTANCE

Call 1-800-CHEV-USA (toll free anytime) during the warranty period. Towing and basic technical advice come with the Basic Care Package. Courtesy Care provides additional features during the term of the New Vehicle Limited Warranty, including locksmith services, flat tire changing, fuel delivery, non-warranty towing and jump starts. Some services will incur costs. Chevrolet reserves the right to modify or discontinue Basic Care andCourtesy Care at any time.

COURTESY TRANSPORTATION

Ask your participating Chevrolet dealer for Courtesy Transportation if you drop your vehicle off for repairs under the New Vehicle Limited Warranty. Also see if you qualify for expense reimbursement and/or vehicle rental. Services vary at election of participating dealer.

FROM DAY ONE

The vehicle is checked-ready for you to drive away, and a full orientation assists you on everything about your new Cavalier.

ADDITIONAL INFORMATION

IMPORTANT: A WORD ABOUT THIS BROCHURE

We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment specifications, models and availability. Since information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

SmartStart BY GMAC

For information about SmartStart, SmartTow or any of the other GMAC financing options, see your Chevy dealer. Call 1-888-32-SMART or visit our web site at www.gmac.com.

CHEVROLET CUSTOMER ASSISTANCE CENTER

Call 1-800-222-1020 toll free anytime to talk directly to specialists who can handle any product or service concern you may have.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Warranties are voided on the original equipment vehicle (or chassis) as distributed by General Motors. Warranties are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembly equipment installer, or Griffith is solely responsible for waranties on the body or equipment and any alterations (or any effect of alterations) to any other part, component, system or assembly installed by GM. General Motors is not responsible for the safety or quality of design, features, materials, or environment of any alteration by such suppliers.

THE GM MOBILITY PROGRAM

Chevrolet recognizes the importance of mobility to everyone’s life and, therefore, offers financial assistance to persons with disabilities through the General Motors Mobility Program. This program can provide up to $1,000 reimbursement toward the cost of eligible aftermarket adaptive equipment for drivers or passengers when installed or reinstalled on any eligible purchased or leased new GM vehicle. For details and free resources information, call 1-800-329-9295 (TTY users: 1-800-432-9452).

UPDATED SERVICE INFORMATION

Chevrolet dealers receive useful service bulletins about your vehicle. You can purchase them by calling 1-888-911-4121.

ASSEMBLY

Chevrolet and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to introduce Chevrolets with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if it is changed, that you are acceptable to you.

ENGINES

Chevrolets are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

RUST-THROUGH CORROSION PROTECTION

Chevrolets are designed and built to resist corrosion. All body sheet metal panels are warranted against rust-through for 6 years/100,000 miles (whichever comes first). Application of additional rust-inhibiting materials is not required and may be unavailable when your vehicle is assembled. See your Chevrolet dealer for terms of this limited warranty.

GM WARRANTY REPAIRS

Chevrolet offers genuine GM parts and genuine GM service, which is GM protection. This allows them to communicate directly with the manufacturing facility that produced your vehicle. This means that everyone involved in the repair process is knowledgeable about your vehicle. The GM Protection Plan® offers mechanical repair protection in addition to that provided by GM’s New Vehicle Limited Warranty. Coverage for vehicle maintenance is also available. Ask your dealer about the GM Protection Plan. Coverage available only in the U.S. and Canada.

ACCELERATE YOUR COLLEGE SAVINGS

GM — along with many other leading companies — has teamed up with Upromise, the revolutionary college savings assistance plan that can help you earn thousands of dollars for college. When you purchase or lease an eligible new Chevrolet, GM will contribute $150 into your Upromise college savings account. For complete details on the GM Upromise program, go to http://upromise.gm.com. Enrolled in a college and absolutely free. To receive the $150 GM contribution, you need to be a Upromise member 30 days before you take delivery of your vehicle.

Available GM Official Licensed Products make it so easy to add even more attitude to your new Cavalier. So whether you want to order special graphics, a hot spoiler or custom wheels, your Chevy dealer has all the details.

**CAVALIER AND YOUR IMAGINATION.**

**TRACK-READY REAR WING**

You'll really get attention with this track-ready, aero-shaped rear wing. It's available on Cavalier coupes.

**CHROME EXHAUST**

This chrome exhaust outlet is sure to get noticed, and isn’t that what cruisin’ is all about?

**CARBON FIBER-FINISH MIRROR HOUSINGS**

Add the high-tech look of million-dollar race cars with these exterior mirror housings.

**CUSTOM WHEELS**

Your Chevy dealer can show you a wide variety of available wheels.

**SPORT SEAT COVERS**

Body-hugging comfort and eye-grabbing style are yours with these covers that provide leather seating surfaces.

**CUSTOM VEHICLE GRAPHICS**

Add a splash of excitement with custom graphics. Offered in Torch Red accentuated with a Pearl Purple drop shadow, this kit is sure to make a statement.

To find out more about these exciting accessories, visit chevy.com/cavalier brochure.
