All New 2011 Chevrolet Volt

It's more car than electric. Quite simply there is nothing like Volt. Volt combines the convenience and efficiency of an electric car with the long-range capabilities of a traditional vehicle. But all that doesn't matter if you don't love being in it. So we designed an interior that surrounds you with innovation, like LCD screen gauges, touchscreen navigation¹ and radio technology. It totally reimagines how you interact with your dashboard.

All New 2011 Chevy Cruze

Take the interior that has more passenger and cargo room than Corolla or Civic. It has more style too – from available French stitching on the leather-appointed seats to sophisticated instrumentation. And with 4 million test miles driven all over the world, it's more than just a fun drive. Get used to more.

We build vehicles to be meticulous and exacting.

Malibu | Award-winning excellence, engineered for dependability.

And to be the most dependable, longest-lasting.

Silverado | The most dependable, longest-lasting full-size pickups on the road.¹

CHEVY.COM/SILVERADO

|| 11

¹ Dependability based on longevity: 1981–July 2009 full-size pickup registrations.

Flowing dual cockpit. Finely crafted interior. Acoustic laminated glass. It's premium that doesn't come at a premium.

Even if your vehicle isn't.

Aveo | Dual-stage driver/front passenger frontal and side-impact air bags.¹ Steel safety cage.

CHEVY.COM/AVEO

|| 13

We believe that safety is a big thing.

Equinox | 6 standard air bags¹. Rollover mitigation. The safety and security of OnStar^{®2} standard for the first 6 months.

¹ Always use safety belts and the correct restraint for your child's age and size. Children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. ² Visit onstar.com for details and system limitations.

We think design should be beautiful.

Camaro | The sophistication of the sports car continues.

And we think design should be useful.

Traverse | Beauty and capability.

CHEVY.COM/TRAVERSE

|| 17

An award-winning, finely crafted interior designed to make you feel confident but comfortable.

Seating for up to 8! The most cargo room in its class. It's practical, but you'd never know by looking at it.

We build icons.

Suburban | The iconic American utility vehicle that's delivered authentic capability for 75 years.
Tahoe | Your adventure guide, equipment manager and troop transport.

And legends.

Corvette | Front and center, wherever great sports cars gather.

We make sure you're connected.
