WE DIDN'T JUST CREATE A TRUCK. WE REINVENTED THE CATEGORY.

One look at Chevy Colorado and you'll know you want a truck.

The advanced technology will keep you connected and entertained. The available V6 is the most powerful engine in this class. And Colorado has earned back-to-back Motor Trend Truck of the Year® awards. For 2016, Colorado with the newly available Duramax 2.8L Turbo-Diesel 4-cylinder engine took the honor, offering the best-in-class towing power!1

The 2016 Colorado. It's bold.
It’s restless. It’s everything a truck should be.

1 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
“Outperformed, outshone and outdistanced the competition so completely that it was almost embarrassing.”

Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet Division-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. See your dealer for details. Some vehicles are shown with equipment from an independent supplier. GM licensed and Associated Accessories are covered under the accessory-specific manufacturer’s warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

2. Grab attention. Available 18-inch 5-spoke accessory wheels with gloss Black paint.

3. Lead the way. Available Sport Bar with Sail Panels and off-road LED trail lights.

Colorado Z71 interior in Jet Black/Dark Galvanized with available features.
MAXIMUM COMFORT. The available leather-appointed seats and standard cloth seats are contoured for maximum support and leg room. Easy-to-read instruments and precisely calibrated controls combine form and function for intuitive operation.

A NEW STANDARD OF QUIET. Colorado is the first truck in its class to combine design features such as inlaid triple-sealed doors and thick windshield and side glass to help reduce wind noise inside the cab. Which helps to keep the commotion of the outside world ... outside.

SMART STORAGE. A huge center console provides secure storage for your valuables. With multiple USB ports¹ available, you’ll never hunt around for a misplaced cord or smartphone.

DRIVER INFORMATION CENTER. A new available full-color 4.2-inch diagonal multi-function display² provides critical data at a glance, including tire pressure readouts, instant and average MPG, digital speedometer, fuel range and much more.

Z71 STYLE. Colorado Z71 features an exclusive Jet Black/Dark Galvanized leatherette-appointed interior that’s durable and easy to clean.

¹ Not compatible with all devices. ² Standard on LT and Z71 models.

TECHNOLOGY

EVEN THE TOUCH-SCREEN IS SMART.
Available Chevrolet MyLink lets you arrange icons and features on the 8-inch diagonal color touch-screen. Touch and swipe on the screen just like you do on your smartphone.

GET TEXT MESSAGE ALERTS. If your Colorado is paired with a Bluetooth device that supports Text Message Alerts, the system can display text messages and play them back through the audio system. It can also send preset messages.

CONNECT YOUR SMARTPHONE. Pair up to 10 compatible Bluetooth enabled devices with Chevrolet MyLink and access your contacts list, take phone calls and play your favorite music — all by using natural voice commands or the 8-inch diagonal color touch-screen display.

A PLACE FOR WHAT’S MOST IMPORTANT.
Available Chevrolet MyLink allows you to store up to 60 favorites, including radio stations, contacts and destinations (requires available Chevrolet MyLink with Navigation).

PERFORMANCE

Colorado Crew Cab Short Box Z71 4x4 Diesel in Inferno Orange Metallic (late availability) with dealer-installed 3-inch Black Step Bars from Chevrolet Accessories.

EPA-ESTIMATED 31 MPG HIGHWAY. BEST FUEL ECONOMY OF ANY PICKUP.¹

2016 MOTOR TREND TRUCK OF THE YEAR.²
With its newly available Duramax 2.8L Turbo-Diesel 4-cylinder engine, the award-winning 2016 Colorado is the most fuel-efficient pickup you can buy¹ – offering a remarkable EPA-estimated 31 MPG highway and a maximum highway range of 651 miles per tank.²

BEST-IN-CLASS TORQUE. That same Duramax Turbo-Diesel engine lets Colorado offer a massive 369 lb.-ft. of torque. No pickup in this class even comes close. Towing, hauling or passing, you’ll feel the difference.

BUILT FOR THE LONG HAUL. The Duramax 2.8L Turbo-Diesel takes midsize truck capability to unprecedented levels. The 4-valves-per-cylinder design contributes to excellent performance and best-in-class efficiency. And, with an engine block made of durable cast iron, there’s no doubt this Duramax Turbo-Diesel engine was created specifically for trucks.

¹ EPA-estimated MPG city/highway: Colorado with available Duramax 2.8L Turbo-Diesel engine 22/31 (2WD), 20/29 (4x4).
² Range based on EPA estimate for Colorado 2WD with available Duramax 2.8L Turbo-Diesel 4-cylinder engine and fuel tank capacity. Your range may be less.

OFFERING THE MOST ADVANCED SAFETY PACKAGE OF ANY MIDSIZE PICKUP.

WE’VE GOT YOUR BACK. AND EVERYTHING ELSE.
A comprehensive package of available innovative driver assist technologies use strategically located cameras to help warn you of potential risks on the road — or even in a parking lot.

AVAILABLE SAFETY PACKAGE.
This package, available on LT models, includes Lane Departure Warning and Forward Collision Alert. A rear vision camera is standard on all models. This safety technology is unmatched by any competitor.

LANE DEPARTURE WARNING.
If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

FORWARD COLLISION ALERT.
This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Colorado is following a detected vehicle much too closely.

STABILITRAK WITH TRACTION CONTROL.
The advanced StabiliTrak® Electronic Stability Control System with rollover mitigation works in conjunction with standard ABS and Traction Control.

SIX AIR BAGS. Every 2016 Colorado offers six standard air bags! Sensors determine how many air bags deploy — including side air bags for the driver and front passenger.

HIGH-STRENGTH STEEL FRAME.
The ladder-type frame is made from 83% high-strength steel and ultra-high-strength steel for enhanced occupant protection and reduced mass.

ROLL-FORMED STEEL PICKUP BOX. Colorado features an exclusive roll-formed steel pickup box with advanced high-strength steel, which is stronger and lighter than traditional stamped-steel designs.

SAFETY STARTS WITH YOU.
Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Colorado Owner’s Manual for more important safety information.

1 A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.
THE MIDSIZE TRUCK THAT FITS YOUR LIFE.

CAPABLE — AND GARAGEABLE. Colorado is the capable midsize truck that is designed to fit into your life and your garage. It is easy to park and more maneuverable than any full-size truck.
COLORADO UNMATCHED. These are just a few of the impressive options available for you to personalize your 2016 Colorado. For a complete list of accessories, check out chevrolet.com/accessories.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Midsize Pickup segment and latest available competitive information. Excludes other GM vehicles.
