PERFORMANCE IN EVERY DETAIL
Most Corvette Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-authorized Accessory Distributor in stock at the time of delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered under the applicable portion of the Warranty for 12 months/12,000 miles from the date of original sale and installation. For the purpose of this section, "Chevrolet Accessories" means accessories and parts sold by the customer at the time of vehicle purchase and installed at the dealership, or ordered and installed after the sale of the vehicle. Chevrolet Accessories (other than those sold and installed at the time of vehicle purchase) will be covered for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard Chevrolet Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Chevrolet warranties do not apply to Associated Accessories. See your dealer for details.
