Chevy Equinox is one hot crossover — with contemporary styling and versatility, not to mention responsive ride and handling and the LONGEST WHEELBASE IN ITS CLASS! The 2009 Equinox earned the highest possible government rating for frontal crash tests — five stars. Feelings of security and confidence on the road are added benefits of standard safety features that include ONSTAR® with a one-year Safe & Sound Plan, STABILTRAK® ELECTRONIC STABILITY CONTROL SYSTEM, dual-stage frontal and head-curtain side-impact airbags with rollover sensing, Traction Control and ABS. All-wheel drive (AWD) is available on all models. Choose from LS, LT, LTZ, LT and Sport — each comes with the best coverage in America: the Chevy 100,000 MILE/6-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY plus Roadside Assistance and Courtesy Transportation.

1 Based on 2008 GM Compact Utility-Crossover segment and latest available competitive information. Excludes other GM vehicles. 2 Government star ratings are part of the National Highway Traffic Safety Administration’s New Car Assessment Program (www.safercar.gov). 3 Onstar service is available in the U.S. and Canada. 4 All-wheel drive (AWD) is available on all models. 5 A NOTE ABOUT CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. Head-curtain side-impact airbags are designed to help reduce the risk of head injuries to front-seat outboard occupants on the near side of certain side-impact collisions. See the Owner’s Manual and child safety seat instructions for more safety information. 6 Whichever comes first. See dealer for details. 7 Not available on LS. 8 Not available on Sport.
TASTEFULLY ACCOMPLISHED.

Equinox has all the right ingredients to surround you with comfort, technology and attention to detail. The smartly designed interior offers reconfigurable seating and cargo capabilities. So, stretch out – Equinox provides more rear-seat legroom than any SUV in its class. And most models (except Sport) come with a flat-folding front passenger seat for added interior configurability. For your entertainment, XM Radio® (with three trial months), a CD/MP3 player and an auxiliary audio input jack for MP3 players and other mobile devices are all standard. LTZ features an in-dash six-disc CD changer (available in LT and Sport) and a Pioneer® premium seven-speaker system. A DVD entertainment system® is available in LT, Sport and LTZ.

An available touch-screen navigation radio provides an on-screen map to help guide you to your destination, and even helps you get back on track. If you make a wrong turn, and with new Bluetooth® wireless technology you can answer and end calls without touching your mobile phone – because now most Bluetooth® compatible cell phones can be connected to the vehicle’s audio system in addition to an incoming call is answered, the vehicle’s audio system is conveniently and automatically muted.

**1** Based on 2008 GM Compact Utility segment and latest available competitive information. Excludes other GM vehicles.

**2** XM is available only in the 48 contiguous United States. Required $12.95 monthly subscription sold separately after three trial months. All fees and programming subject to change. For more information, visit gm.xmradio.com.
