WHY JUST GO FROM A TO B

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that every road leads us to someplace we're not — but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE
EQUINOX IS MORE THAN JUST A CROSSOVER. It’s more than just a way to offer 32 MPG on the highway without compromising comfort and space. And it’s more than just a way to stay connected to your calls, music and more without taking your hands off the wheel. The 2014 Equinox is more than all this, because it offers all this. And that’s only the beginning.
EFFICIENT DESIGN  Equinox designers and engineers set out to create an uncompromising design that not only turns heads, but also helps reduce wind drag and boost efficiency. Sculpted lines and exterior accents add style to the equation and support impressive fuel economy: 22 MPG city/32 highway.¹

ATTENTION TO DETAIL  From the distinctly contoured roofline and multidimensional hood to the sophisticated wraparound headlamps and available chrome accents, Equinox offers design that intrigues from front to rear, inside and out.

EXPRESSIVE WHEELS  Choose from standard 17-inch aluminum wheels (LS, LT), 18-inch chrome-clad aluminum wheels (standard on LTZ, shown left) or 19-inch chrome-clad aluminum wheels (LTZ V6).

¹ EPA estimated.
From carpools and family outings to shopping and sporting events, Equinox is well equipped to handle life’s journeys—and whatever you decide to bring with you.

**AVAILABLE ROOF RACK SIDE RAILS** With this available feature smartly integrated into the roof, it’s easy to add center rails and dealer-installed accessories. So you can carry everything from bikes to boards to skis.

**AVAILABLE PROGRAMMABLE POWER LIFTGATE** For easy loading and unloading, you can open the liftgate 3/4 of the way or to the max, or customize how far it opens to clear your garage door.

**63.7 CUBIC FEET OF MAXIMUM CARGO SPACE** The convenient 60/40 split-folding rear seat lets you easily make room for groceries, camping gear, flowers and mulch—you name it.

**TOWS UP TO 3,500 LBS** With the available dealer-installed trailer hitch, standard Trailer Sway Control and standard Hill Start Assist, you can pull your camper or recreational vehicles with confidence.

**CHEVROLET 2-YEAR SCHEDULED MAINTENANCE PROGRAM**

Chevrolet 2-Year Scheduled Maintenance Coverage is included with the purchase or lease of a new 2014 Chevrolet Tahoe or Suburban. This fully transferable program is in addition to the Tahoe and Suburban standard:

- 5-year/100,000-mile Powertrain Limited Warranty
- 5-year/100,000-mile Roadside Assistance Program
- 5-year/100,000-mile Courtesy Transportation Program
- 3-year/36,000-mile Bumper-to-Bumper Limited Warranty

ChevyCare Powertrain Warranty only applies to vehicles sold or leased in the USA.

1 Cargo and load capacity limited by weight and distribution. 2 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevrolet dealer for additional details. 3 Covers only scheduled oil changes with filter and tire rotations according to your new vehicle’s recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details. 4 Whichever comes first. See dealer for limited warranty details.
Rewards Inside

There are some places that make you feel instantly welcome. The Equinox interior is one of them. Available leather-appointed seating with two-tone panels and contrast-color stitching deliver comfort in style. Ice-blue ambient lighting casts a calming glow. Acoustic-laminated glass and Active Noise Cancellation (4-cylinder models) make for a quiet, peaceful ride. Once you enter, you feel like you’ve arrived.
Togetherness should never come at the expense of personal space. And it never will in Equinox. Every inch of the interior is designed with comfort and convenience in mind.

**WELCOME TO SPACE**  In an Equinox, there’s room for everyone with up to 39.9 inches of rear leg room. That’s more than Honda CR-V or Toyota RAV4.

**FAMILY-FRIENDLY FEATURES**  Conveniences include several storage bins, four 12-volt power outlets and eight cup holders. The covered storage under the center armrest is big enough to hold a laptop.

**MULTI-FLEX® SLIDING REAR SEAT WITH 60/40 SPLIT-FOLDING DESIGN**  Slide it back to add almost 8 inches of rear leg room, slide it forward to add 8 inches of cargo room, or fold it flat to create 63.7 cubic feet of maximum cargo space.\(^1\)

**AVAILABLE HEATED 8-WAY POWER FRONT SEATS**  Adjustments include lumbar support and vertical height, so the driver and front passenger can find just the right position.

\(^1\) Cargo and load capacity limited by weight and distribution.
**2 ENGINE CHOICES**
EQUINOX LETS YOU PICK THE POWER THAT SUITS YOUR NEEDS.

**STANDARD 2.4L DOHC 4-CYLINDER ENGINE**  It offers an impressive EPA-estimated 22 MPG city/32 highway along with an Eco button you can press to maximize efficiency on the fly.

**AVAILABLE 3.6L V6 ENGINE**  Delivering best-in-class 301 horsepower and 272 lb.-ft. of torque, this engine gives you the power to go 0–60 in 6.7 seconds¹ or tow up to 3,500 lbs² when properly equipped.

**6-SPEED AUTOMATIC TRANSMISSION**  No matter which engine you choose, this electronically controlled transmission provides exceptional refinement and responsiveness.

---

¹ With available All-Wheel Drive. ² Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevrolet dealer for additional details.
Chevrolet is the first auto manufacturer to bring Siri Eyes Free on the iPhone® 4s and iPhone 5 along for the ride. With this feature, you can ask Siri to read text messages and notifications aloud, compose text messages, find and add calendar entries, use maps to get directions, and so much more — without taking your hands off the wheel.

With the available Chevrolet MyLink infotainment system, it’s easy to stay connected on the go. Using Bluetooth® wireless technology, Chevrolet MyLink integrates content from your compatible smartphone onto the 7-inch diagonal color touchscreen. It also offers enhanced voice recognition. So you can control a variety of functions using touch controls and intuitive voice commands — all while staying focused on the road.

NEW SIRI EYES FREE  Chevrolet is the first auto manufacturer to bring Siri Eyes Free on the iPhone® 4s and iPhone 5 along for the ride. With this feature, you can ask Siri to read text messages and notifications aloud, compose text messages, find and add calendar entries, use maps to get directions, and so much more — without taking your hands off the wheel.

GET CONNECTED  Simply pair your Bluetooth-enabled smartphone with Chevrolet MyLink for the convenience of hands-free calling. You can even scroll through your contacts or recent calls on the 7-inch diagonal touch-screen.

1 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 2 Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. 3 Requires available Chevrolet MyLink and compatible iPhone running at least iOS 6.
BE ENTERTAINED  Chevrolet MyLink\(^1\) lets you play music stored on your compatible smartphone or stream it from apps such as Pandora\(^2\) Internet Radio: Gracenote\(^3\) will organize your music library and populate song information and album art.

STANDARD USB PORT\(^4\)  Plug in your iPod\(^5\) or music-loaded flash drive to enjoy your favorite songs. Or use it to charge certain devices.

AVAILABLE CHEVROLET MYLINK RADIO WITH NAVIGATION\(^4\)  Using voice or touch controls, you can set destinations, choose your map view or activate turn-by-turn directions.

AVAILABLE REAR-SEAT ENTERTAINMENT SYSTEM\(^5\)  Combining dual front seatback-mounted monitors with wireless headphones, this system helps the kids stay entertained while you enjoy the silence.

---

1 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 2 Data plan rates apply. 3 Not compatible with all devices. 4 Map coverage available in the United States, Puerto Rico and Canada. 5 Available on LTZ only.
Let’s face it, life isn’t always predictable. Especially on the road. That’s why Equinox offers an array of advanced safety features to help protect against the unexpected.

**A. AVAILABLE FORWARD COLLISION ALERT**  This feature monitors your proximity to the vehicle in front of you and alerts you to any potential front-end crash risk, so you have time to stop and/or change course.

**B. AVAILABLE LANE DEPARTURE WARNING**  If you unintentionally drift out of your lane without signaling, this feature provides a visual and audible alert.

**ONSTAR REMOTELINK™ MOBILE APP**  With this app, you can remotely lock and unlock your Equinox and even start your engine\(^2\) from your smartphone. You can also view real-time vehicle diagnostics including fuel level, remaining oil life and tire pressure\(^3\). And now you can send directions from your phone to your Equinox with just a few simple steps.

**AVAILABLE REAR VISION CAMERA**  An image of what’s behind your Equinox is displayed onto the 7-inch diagonal color touch-screen display, so you can watch your back while looking forward. Available Rear Park Assist also helps you back up safely by sounding an audible alert when it detects certain stationary objects up to eight feet behind your Equinox.

---

1 Available on select Apple, Android and BlackBerry devices. Services vary by device, vehicle and conditions. Requires active OnStar subscription, which is standard for six months.
2 Requires factory-installed and enabled remote start.
3 Excludes spare tire.
STANDARD 4-WHEEL ANTILOCK DISC BRAKES  These brakes help maintain steering control by reducing wheel lockup during hard braking on most slippery surfaces. Equinox also includes an advanced Electronic Brake Force Distribution system that helps balance brake force between the front and rear brakes under heavy braking.

STABILITRAK® ELECTRONIC STABILITY CONTROL SYSTEM  This system improves vehicle stability on most road surfaces, especially during emergency maneuvers and difficult driving conditions.

SIX STANDARD AIR BAGS1  Should a moderate to severe collision occur, sensors determine which of the six air bags (including head-curtain side-impact air bags) to deploy to minimize impact. Front safety belt pretensioners also respond while the LATCH (Lower Anchors and Top tethers for CHildren) system helps keep child safety seats secure.

ONSTAR AUTOMATIC CRASH RESPONSE2  In many crashes, built-in sensors in your Equinox can automatically alert an OnStar® Advisor who is immediately connected into your vehicle and can use GPS technology to pinpoint your exact location and request immediate assistance, even if you can't respond.

1 Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information.  
2 Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

SELECT VEHICLE FEATURES

**EQUINOX LS**
- ECOTEC® 2.4L DOHC 4-cylinder engine with Direct Injection
- StabiliTrak Electronic Stability Control System with Traction Control and rollover mitigation
- Power steering and tilt and telescoping steering wheel with steering wheel-mounted controls for audio and cruise
- 4-wheel antilock disc brakes with Electronic Brake Force Distribution
- Power-adjustable, manual-folding outside mirrors (black) with integrated blind spot mirrors
- Six air bags and Passenger Sensing System
- USB port
- Compass and outside temperature displays
- Bluetooth® wireless technology for select phones
- Ambient lighting: center console, cup holder and instrument panel center stack surround
- Air conditioning (manual control)
- Remote Keyless Entry with two transmitters, panic button, content-theft alarm activation verification and illuminated entry
- Tire Pressure Monitor (excludes spare tire)
- 4-wheel antilock disc brakes with Brake Assist and Hill Start Assist

**EQUINOX 1LT**
- In addition to or replacing LS features, 1LT includes:
  - Premium Cloth seats
  - Deep-tinted glass for all rear windows
  - Leather-wrapped steering wheel with steering wheel-mounted controls for audio and cruise
  - Roof rack side rails
  - Heated, power-adjustable, manual-folding outside mirrors (body-color) with integrated blind spot mirrors
  - Rear vision camera
  - Chevrolet MyLink® Radio with 7-inch diagonal color touch-screen; hands-free smartphone integration with mobile app capability; Bluetooth audio streaming; voice-activated technology, Siri Eyes Free; Gracenote® CD/MP3 player, auxiliary audio input jack and USB port
  - Ambient lighting: overhead instrument panel

**EQUINOX 2LT**
- In addition to or replacing 1LT features, 2LT includes:
  - Premium Cloth seats with heated front seats
  - 8-way power-adjustable driver seat
  - Pioneer® premium 8-speaker sound system
  - Auto-dimming inside rearview mirror
  - Automatic climate control
  - Halogen foglamps
  - Remote vehicle starter system

**EQUINOX LTZ**
- In addition to or replacing 2LT features, LTZ includes:
  - Perforated leather-appointed seats with heated front seats
  - 8-way power-adjustable front passenger seat
  - Memory settings for driver seat and exterior mirrors
  - Body-color bumpers with bright lowers
  - Chrome door handles and roof rack side rail inserts
  - Programmable power liftgate
  - Uplevel, projector-style halogen headlamps
  - Enhanced interior lighting
  - Safety Package: Forward Collision Alert, Lane Departure Warning and Rear Park Assist
  - Universal Home Remote
  - 18” chrome-clad aluminum wheels
  - Ambient lighting: door handle recess, footwell and door storage
  - Cargo net
  - Roof rack crossbars (Black)
  - Heated, power-adjustable, manual-folding outside mirrors (chrome) with integrated blind spot mirrors

### Additional Features

- Requires compatible iPhone running iOS 6. 16 Map coverage available in the United States, Puerto Rico and Canada. 17 Requires available Chrome Package. 18 Requires available Driver Convenience Package. 19 Available on select Apple, Android and BlackBerry devices. Services vary by device, vehicle and conditions. Requires active OnStar subscription, which is standard for six months. 20 Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. 21 Requires available Pioneer sound system. 22 Available on select Apple, Android and BlackBerry devices. Services vary by device, vehicle and conditions. Requires active OnStar subscription, which is standard for six months. 23 Requires available Driver Convenience Package. 24 If you subscribe after your trial period, service will automatically renew and bill at their-current rates until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travelink. XM satellite service is available only in the 48 contiguous United States and D.C. 12 RDS functions only where stations broadcast RDS information. 13 Not compatible with all devices. 14 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 15 Requires compatible iPhone running at least iOS 6.
WARRANTY INFORMATION

100,000-MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2014 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 100,000-mile/6-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the USA are covered for 36,000 miles/3 years (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 100,000 miles/6 years (whichever comes first). See dealer for details.

IMPORTANT INFORMATION

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY. Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or afforded to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Compact Crossover segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS. Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You’ll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY. Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That’s why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935). GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

GM CARD.COM/ CHEVROLET. Did you know about the family of reward credit cards that can help you save toward a new GM car, truck, SUV or crossover? With a GM reward card, you can accrue Earnings on every credit card purchase which can be redeemed toward the purchase or lease of an eligible new vehicle. To find the best card for you, visit gmcard.com/chevrolet.

ECOLOGIC WINDOW LABEL. As part of our Ecologic initiative for environmental responsibility, every 2014 Chevrolet retail vehicle features an Ecologic window label detailing some of its fuel-saving technologies, responsible manufacturing processes and end-of-life recyclability. Visit chevrolet.com/ecologic for more information.
Equinox LTZ in Crystal Red Tintcoat (extra-cost color).
