- Four-wheel antilock disc brakes
- ECOTEC Turbo 2.0L DOHC four-cylinder engine performance handling suspension

1  Go to chevy.com/biofuels to see if there is an E85 fuel station near you.
2  Always use safety belts and the correct child restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner’s Manual and child safety seat instructions for more safety information.
3  Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for details and system limitations.
4  XM is only available in the 48 contiguous United States. Required $12.95 monthly subscription sold separately after three trial months. For more information, visit gm.xmradio.com.
5  The Bluetooth word mark is a registered trademark owned by Bluetooth SIG, Inc. and any use of such mark by Chevrolet is under license. Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle.
Cool can be useful: Useful can be cool.

Defy categories in HHR. A highly configurable interior with multiple storage bins provides the storage of a compact utility vehicle with the comfort of a car and a bold design that stands out from the crowd. Personal style options start with two distinct body styles – HHR and HHR Panel – and numerous available dealer-installed accessories. HHR offers the best standard highway fuel economy in its class with a surprising highway driving range of up to 52 miles per gallon. (2009 HHR earned a 5-star frontal crash test rating.) HHR comes with standard side-impact air bags and Standard Stability Control System (including Traction Control) and antilock brakes. HHR offers a new Bluetooth® compatibility system to assist when backing up into tight parking spaces (available September 2009). Standard OnStar® with a one-year Safe & Sound Plan and XM Radio® with three trial months. NEW for 2009. Wireless technology for select Bluetooth® compatible phones (standard in 2LT and SS, available in 1LT, 1LTZ, and a cord into seat 2LT and SS). The confidence of the Chevy 100,000 mile/5-year transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation.

Uph to 52 miles per gallon with HHR’s best standard high fuel economy. 5-miles offers an EPA estimated MPG. 2009 HHR earned a 5-star frontal crash test rating. (Standard OnStar® with a one-year Safe & Sound Plan and XM Radio® with three trial months. NEW for 2009. Wireless technology for select Bluetooth® compatible phones (standard in 2LT and SS, available in 1LT, 1LTZ, and a cord into seat 2LT and SS). SUPER FUN. SUPER FUNCTIONAL.

HHR can carry all your stuff, and you, comfortably. It boasts supportive front-row seats — available with heated leather seating surfaces and driver eight-way power adjuster in select models — that provide a panoramic view of the surprisingly big, configurable interior. Also includes a FOLD-FLAT FRONT PASSENGER SEAT and an auxiliary front glove box with a removable, washable liner.

60/40 split-bench rear seats with composite seatbacks and three hidden storage areas in the rear. (HHR Panel) features large, lockable underfloor cargo areas and an adjustable REAR CARGO SHELF. In total, HHR offers up to 57.7 cu. ft. of storage space.

HHR Panel models feature up to 62.7 cu. ft. of storage space. Cargo and load capacity limited by weight and distribution.

Available in SS Turbocharged, the Performance Display can be configured to display engine rpm, engine boost and more.

HHR 2LT interior in Gray features an auxiliary front glove box above the center stack.

60/40 split-bench rear seats — standard in all HHR models — can fold flat to accommodate longer items. Shown in Cashmere.

Rear storage areas, hidden underneath the floor, leave room on top for other items. Shown in Gray.

Available in SS Turbocharged, the Performance Display can be configured to display engine rpm, engine boost and more.

A NOTE ON CHILD SAFETY.

Always use safety belts and the correct child restraint for your child’s size and weight. Child restraints should be properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing child restraint in a forward-facing position. Never use a booster seat for a child who has reached the maximum height or weight limit for the booster seat. Always use the appropriate child restraint for your child’s size and weight. Always use a properly restrained child restraint. Always refer to the OnStar Owner’s Guide for specific terms and conditions.
