Who says a sedan can't transform into a weekend utility vehicle?
It's time to bend that rule.
It's time for new thinking.
Impala 2LT, LTZ and SS have a rear seat that flips, folds and flips back again ... in seconds. Also available in 1LT (requires Luxury Edition Package).

Impala is the only car in its class to offer the convenience and added versatility of flip-and-fold-flat rear seats. The 60/40 split fold-down rear seat in Impala LTZ includes 60/40 split folding rear seatbacks, allowing for several cargo configurations. When both sides are folded flat, an extended load floor is created to transport long items – such as an 8-foot rafter up to 75 inches long – with ease.

WHERE FLEXIBILITY IS A TRUE MEASURE OF LUXURY.

In Impala LTZ, contoured, heated front buckets with leather-appointed seating surround you in comfort. XM® Satellite Radio with three trial months (Standard in all models) and an eight-speaker Bose® Surround Sound System enhance your entertainment options.

NEW BLUETOOTH® wireless technology for select compatible phones lets you answer and end calls without touching your compatible mobile phone (when equipped). Standard in 2LT, LTZ and SS.

Impala LTZ interior in Neutral. Shown with standard leather-appointed seats, including heated front buckets.
