2010 **CHEVY IMPALA** 

FOR ALL THE RIGHT REASONS.

FUEL EFFICIENCY

For more than 50 years, millions have chosen Impala as one of America's favorite rides. It's easy to understand why. "Impala will thoroughly meet your needs and probably exceed your expectations," says *Kelley Blue Book's* kbb.com. Impala also earned high marks for fuel economy, offering an estimated **29 MPG HIGHWAY**.¹ Impala received a **FIVE-STAR FRONTAL CRASH TEST RATING**.² When it comes to passenger seating, Impala delivers more than Ford Taurus, Toyota Avalon and Dodge Charger, with available **SEATING FOR UP TO SIX**.³ Plus, Impala offers a segment-exclusive⁴ flip-and-fold-flat rear seat³ for flexibility and additional cargo capacity.

THE BEST COVERAGE IN AMERICA

The 2010 Impala is backed by the 100,000 mile/5-year⁵ transferable Powertrain Limited Warranty. That's 40,000 more miles than Toyota or Honda offers. Add in our Roadside Assistance and Courtesy Transportation Programs, and you have the best coverage in America.

The engines in Impala are E85¹ FlexFuel-capable –  unlike any Honda or Toyota car – with an estimated 22 MPG highway² (3.5L) and 20 MPG highway² (3.9L) using E85. E85 ethanol is a cleaner-burning, mostly renewable fuel source made primarily from U.S.-grown biomaterial. NOTE: E85-capable 3.5L V6 engine not available to order in California.

“...A FINE BALANCE BETWEEN PERFORMANCE AND FUEL EFFICIENCY.” – EDMUNDS.COM

 Fuel efficiency is important to everyone, which is why the 3.5L V6 engine on Impala LS and LT was designed to deliver highway mileage you’ll appreciate – mileage the 2009 Toyota Avalon, Ford Taurus and Chrysler 300 can’t match³, with an estimated **29 MPG HIGHWAY**². The 3.9L V6 gas engine on LTZ offers an estimated 27 MPG highway². Both engines feature Variable Valve Timing (VVT) – a technology that optimizes combustion, enhances low-end torque and high-end power, and helps control emissions.

LUXURY FOR ALL.

“...a lot of bang for the buck with a cavernous interior, plenty of standard amenities...” That’s what CarandDriver.com (September 2008) had to say about the 2009 Impala. And it’s no wonder, since Impala comes stocked with upscale features that make driving more entertaining and informative. **XM RADIO**¹ with three trial months and dual-zone climate controls are both standard. Seating choices (depending on the model you select) include front buckets, in cloth or with **LEATHER APPOINTMENTS**, or a split-bench front seat in cloth. A segment-exclusive² flip-and-fold-flat rear seat is standard on LTZ and available on LT. OnStar³ with available **TURN-BY-TURN NAVIGATION**⁴ provides simple, voice-guided directions at the touch of a button. It’s included in the one-year Directions & Connections Plan. And enjoy open-air driving with a deep-tinted, power sunroof (available on LT⁵ and LTZ) that tilts or slides back.

Pull up either of the available 60/40 flip-and-fold-flat rear seats – or both – to reveal a composite storage tray that extends across the entire width of the rear floor. Fold down both rear seatbacks, and an easy-to-clean, flat load floor is created, producing additional cargo room.

The eight-speaker Bose[®] sound system (available on select models) features woofers strategically placed in the front doors and rear to deliver full, powerful, low-frequency sound. A Bose amplifier with proprietary digital signal processing and six channels of custom equalization helps tune the sound specifically for Impala. Read more about this innovative system from Bose at bose.com/auto.

 Bluetooth[®] wireless technology[®] for select compatible phones lets you make, answer and end calls with a tap of the steering wheel controls. Available on select models.

Every Impala provides peace of mind with the OnStar¹ Safe & Sound Plan (standard for the first year) that helps protect you and your family with safety and security services. And with Automatic Crash Response (ACR), if you're in a crash, built-in vehicle sensors can automatically alert an OnStar Advisor, who is immediately connected into your vehicle and can request that emergency help be sent to your exact location. ACR also sends specific crash data so that responders can be prepared in advance for potential injuries.

TECHNOLOGY THAT'S SAFETY-DRIVEN.

Impala earned a **FIVE-STAR FRONTAL CRASH TEST RATING²** – the highest government rating possible – for frontal crash safety. A holistic approach to safety for Impala includes the security of **ONSTAR¹** with a Safe & Sound Plan (standard for the first year), the **STABILITRAK** Electronic Stability Control System, **ABS** and Traction Control – all standard. And every Impala comes with dual-stage frontal air bags,³ a right-front Passenger Sensing System and **THORAX SIDE-IMPACT AIR BAGS** for the driver and right-front passenger, plus head-curtain side-impact air bags for front and rear outboard passengers. A **DRIVER INFORMATION CENTER** – also standard – provides important readouts of vehicle functions, including engine oil life and tire pressure (excludes spare tire). Available **BLUETOOTH[®]** wireless technology⁴ for select compatible phones allows hands-free calling and even mutes the stereo to take your calls.

THE BEST COVERAGE IN AMERICA.

100,000 MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2010 Chevy passenger car, light-duty truck, SUV and crossover comes with a 100,000 mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program and the Courtesy Transportation Program and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the U.S.A. are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Statement, and details and system limitations.

A NOTE ABOUT CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on 2009 GM Large Car segment and latest available competitive information. Excludes other GM vehicles.

At Chevrolet, giving you a completely satisfying ownership experience is our top priority. That's why if you ever need assistance, feel free to contact us at these websites or phone numbers.

CHEVY.COM. Offers shopping tools such as Build and Price, Find a Vehicle, Request Info, Email Sign-Up, Compare Vehicles, Financial Tools...and much more.

24-HOUR ROADSIDE ASSISTANCE PROGRAM (1-800-CHEV-USA). The Chevrolet Roadside Assistance Program provides you with the following services for 100,000 miles or 5 years (whichever comes first): Emergency Towing (to closest Chevy dealer from a legal roadway), Lockout Service (keys locked inside vehicle), Flat Tire Changes (spare installed), Fuel Delivery (\$5 worth of fuel delivered on the road) and Jump Starts (at home or on the road). For specific terms and conditions, please contact your Chevrolet Roadside Assistance advisor at 1-800-243-8872. Some services may incur costs.

COURTESY TRANSPORTATION PROGRAM. Ask your Chevrolet dealer for Courtesy Transportation if you leave your vehicle for extended repairs under the New Vehicle Limited Warranty or Powertrain Limited Warranty. Ask if you qualify for expense reimbursement and/or vehicle rental. Services vary by dealer.

CHEVROLET CUSTOMER ASSISTANCE CENTER (1-800-222-1020).
