Seven billion people. One road.

Movement is the universal language of personal freedom. Our founder Louis Chevrolet spoke it fluently. As a Swiss immigrant, he came to America with a dream of racing cars. He wished for everyone — not just the rich or entitled — to experience the exhilaration he felt behind the wheel.

In 1911, he began building his first car. One hundred years later, a new Chevrolet is sold every 6.6 seconds. That amounts to 4.76 million vehicles in more than 140 countries — more than Louis Chevrolet could ever have imagined.

The depth of our heritage and passion is evident in everything we do here at Chevrolet. It’s ingrained in the bold design, spirited performance, proven durability and exceptional value our drivers enjoy. It empowers us to be leaders in innovation. And it inspires us to continuously raise the bar — today, tomorrow and into what promises to be a bright future.

Currently, we are pioneering new propulsion technologies to meet the demanding energy and environmental needs of a global automotive brand. We’re also employing alternative energy sources and investing in fuel-saving technologies to help reduce our carbon footprint with the goal of reducing 8 million metric tons of carbon dioxide emissions over the next few years.

Our global reach is expanding, yet our mission remains the same. We want every customer to feel like family — no matter where you are in the world. And no matter where you’re going, we want you to enjoy the ride in a Chevrolet.

From the vision of one to the journey of many, Chevy Runs Deep.
LEGENDARY PERFORMANCE

INSPIRED BY THE CHEVY RACING TEAM
And conceived with all the refinement drivers want in an everyday road car. Just what you’d expect from an Impala.

300 HORSEPOWER
Smooth, effortless power — it’s what makes an Impala special. And this year’s model delivers exactly the kind of refined performance history suggests. Under the hood is a Chevy Racing Team-inspired 3.6-liter DOHC V6 engine that’s E85 FlexFuel-capable. Mated to an advanced 6-speed electronically controlled transmission with overdrive, this engine produces 300 horsepower and 262 lb.-ft. of torque. And yet the Direct Injection helps it offer impressive fuel economy. Factor in a 4-wheel independent suspension tuned for touring — and even a dual exhaust system with polished stainless steel tips — and you have an Impala that loves to run.

1 When running on E85, Impala offers an EPA-estimated 13 MPG city/22 highway. E85 FlexFuel capability not available in AZ, CA, CT, MA, MD, ME, NJ, NY, OR, PA, RI, VT and WA. E85 is a combination of 85% ethanol and 15% gasoline. Go to chevy.com/biofuels to see if there is an E85 fuel station near you. 2 EPA-estimated fuel economy 18 MPG city/30 highway with E85-capable engine, 18 MPG city/29 highway with non-E85-capable engine.
The well-appointed Impala interior is designed to make everyone comfortable. Choose standard seating for five, or select the available bench-style front seat that makes room for six.
Impala LTZ shown in Ebony with leather-appointed seats.
Impala is all about total convenience for you and your passengers. Available leather seating appointments enhance both style and comfort, while dual-zone climate control allows driver and front-seat passenger to personalize their in-cabin experience. An available flip-and-fold-flat rear seat adds versatility. Of course, you’re also fully connected. Bluetooth® wireless technology¹ for select phones comes standard, as does an auxiliary audio input jack. And while you typically enjoy a 3-month trial of SiriusXM Satellite Radio² a newly available Luxury Edition Package on Impala LT adds an additional nine months for a total of 12 months. OnStar®³ with Directions & Connections® Plan is included for the first six months to help guide your ride.

¹Go to gm.com/bluetooth to find out which phones are compatible with the vehicle. ²If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. XM satellite service is available only in the 48 contiguous United States and Washington, D.C. ³Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions.
01 **STEERING WHEEL-MOUNTED AUDIO CONTROLS**
We’ve added convenience to the music mix. SiriusXM Satellite Radio¹ as well as the available Bose® sound system may be accessed without moving your hands from the wheel. That’s not only easier, it’s also safer.

02 **TECHNOLOGY**
Every Impala comes equipped with an auxiliary audio input jack that lets you connect your smartphone, iPod® or MP3 player to the sound system and play your own personal music wherever you travel.

03 **AVAILABLE FLIP-AND-FOLD-FLAT REAR SEAT**
Got a golf bag or three to take with you? Not a problem. Impala offers a cavernous 18.6-cubic-foot trunk.² And with a reconfigurable rear seat adjusted to maximize cargo room, you’re good to go — another reason why Impala fits into your life so well.

XM satellite service is available only in the 48 contiguous United States and Washington, D.C. ² Cargo and load capacity limited by weight and distribution.
4-WHEEL ANTILOCK BRAKES
Throughout the Impala lineup, from nicely equipped LS to no-compromise LTZ, Impala provides the latest in advanced antilock braking technology. Responsive braking in a variety of driving conditions — our safety engineers wouldn’t have it any other way.

STABILITRAK
Impala deploys a network of sensors to monitor your driving path. If the system detects the vehicle is not adequately responding to steering input, StabiliTrak® then assists the driver by selectively applying brake pressure to help you keep directional control of the vehicle.
FROM PREVENTION TO PROTECTION, YOUR SAFETY IS A PRIORITY
The best collision is one that never happens in the first place. That’s the safety philosophy that runs deep in every Chevy. Impala includes StabiliTrak Electronic Stability Control with Traction Control to help drivers avoid collisions. If contact with the road is compromised, the system applies braking and adjusts engine torque to maintain a firm course.

Six air bags\(^1\) are engineered into Impala in the event a collision is unavoidable. Daytime running lamps and a Tire Pressure Monitor\(^2\) are standard as well. Our goal is to provide safety that surrounds you.

SIX STANDARD AIR BAGS
Every 2013 Impala comes standard with six air bags\(^1\). If a moderate to severe collision occurs, sensors determine which of the six air bags (including head-curtain side-impact air bags) deploy.

ONSTAR
The safety of OnStar\(^3\) is standard for six months. In most crashes, critical crash details are automatically sent to OnStar. An OnStar Advisor is immediately connected into your vehicle to see if you need help. Even if you can’t respond, your OnStar Advisor can pinpoint your exact position and can request that assistance be sent right away.

---

1 Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and the child safety seat instructions for more safety information. 2 Excludes spare tire. 3 Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers.

WARRANTY INFORMATION

100,000-MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2013 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 100,000-mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the USA are covered for 36,000 miles/3 years (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 100,000 miles/6 years (whichever comes first). See dealer for details.

CHEVROLET OWNER CENTER (gmownercenter.com/chevy). Register your vehicle with the Chevrolet Owner Center and receive benefits such as online access to your vehicle Owner’s Manual, maintenance schedule reminders, service history tracking, warranty and service information, safety information, special offers and privileges, and news and events.

IMPORTANT INFORMATION

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims are based on GM Large Car segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS. Some standard content may be deleted on fleet orders. See dealer for details.

CHEVY.COM. Offers shopping tools such as Chevy vehicle information, Build and Price, Find a Vehicle, Request Info, Email Sign-Up, Compare Vehicles, Financial Tools ... and much more.

OWNER SERVICES. Chevrolet is committed to enhancing the ownership experience through a wide array of programs. For more information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance Center, Chevy Safety, marketing and incentives, visit chevy.com.

CHEVY.COM/SAFETY. Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935). GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

GMCARDMEMBERSERVICES.COM. Did you know about the family of reward credit cards that can help you get a great deal on a new GM car, light-duty truck, SUV or crossover? With a GM reward card, you accrue earnings on every credit card purchase to use toward the purchase or lease of an eligible new GM vehicle. With three cards to choose from, you’re sure to find one that suits you best.

ECOLOGIC WINDOW LABEL. As part of our Ecologic™ initiative for environmental responsibility, every 2013 Chevrolet vehicle features a new Ecologic window label detailing some of its fuel-saving technologies, responsible manufacturing processes and end-of-life recyclability. Visit chevrolet.com/ecologic for more information.
