Chevrolet Roadside Assistance provides you with the following services during the New Vehicle Limited Warranty period: Emergency Towing (to closest Chevy dealer from a legal roadway), Lockout Service (keys locked inside vehicle), Flat Tire Changes (spare installed), Fuel Delivery ($5 worth of fuel delivered on the road) and Jump Starts (at home or on the road). For specific terms and conditions, please contact your Chevrolet Roadside Assistance advisor at 1-800-243-8872. Some services may incur costs.

Ask your Chevrolet dealer for Courtesy Transportation if you leave your vehicle for extended repairs under the New Vehicle Limited Warranty. Ask if you qualify for expense reimbursement and/or vehicle rental. Services vary by dealer.

Talk directly to customer relationship managers who can handle any inquiries related to vehicle operation, warranty coverages, or product or service concerns you may have. Please refer to your Owner’s Manual for Customer Assistance information.

Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That’s why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

In Malibu and Malibu Maxx, it’s all in the details. • Chrome touches on the door handles and instrument panel.

- Leather-accented, French-seamed seats, standard on LTZ models. • Choose Custom Cloth or UltraLux and leather-accented heated front seats — including cushions and seatbacks — available on select models. • Six-speaker sound systems, standard on select models. • Available XM Satellite Radio*.

*“Chevrolet Malibu: Comfortably Competent,” Road & Track, March 2006. †XM is available only in the 48 contiguous United States. Service fees extra. Visit gm.xmradio.com for more details.
Malibu Maxx offers the versatile roominess of a sport utility vehicle within a smartly packaged midsize sedan.

- On the inside, Maxx’s interior has been stretched without affecting the overall length, thanks to a longer wheelbase — six inches. This translates into better rear-seat legroom than any Lexus SUV.  
- The lightweight liftgate opens to 41.0 cubic feet of cargo space with the rear seats folded down.  
- The low bumper height helps make loading and unloading easier.

SUV VERSATILITY. SEDAN COMFORT.

Malibu Maxx carries cargo and passengers with ease, thanks to a roomy, 106.0 cubic foot interior. • Malibu Maxx provides best-in-class rear-seat legroom — more than Honda Accord or Toyota Camry. • The Multi-Flex rear seats fold down and provide approximately seven inches of mobility. Even the front passenger seat folds flat (on select models) to help accommodate longer items. • Hard composite plastic covers the seatbacks when they’re folded flat for enhanced durability and quicker cleanups. • An auxiliary cargo-area outlet keeps power within reach.

*Malibu Maxx has Supercharged Performance.* Car-Data: • Cargo and seat capacity by trunk weight and distribution. • “Supercharged” competitive information. Excludes other GM vehicles.

### IMPORTANT WORDS ABOUT THIS CATALOG
- Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries, and/or affiliates, and may include imported parts or components.
- Chevrolet vehicles may also be used in other GM makes and models.
- OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and working properly. If you can't access OnStar services, please contact your dealer.
- Refer to your owner's manual and the National Highway Traffic Safety Administration (NHTSA) website for more information about how to keep your children safe while traveling in a motor vehicle.

---

### AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES
- Always use safety belts and the correct child restraint for your child’s age and size. Even in vehicles equipped with Passenger Sensing System, children should be properly restrained. See the vehicle Owner’s Manual and child safety seat instructions for more information.
