A Consumers Digest “Best Buy.” Malibu has received this honor three years in a row, and this award-winning Chevrolet has also been named “Best New Family Vehicle” by Kelley Blue Book’s kbb.com in 2010, 2009 and 2008.

Engineered for Dependability. Malibu protects you with a 100,000 mile/5-year1 transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation Programs.

1 The Best Buy Seal is a registered trademark of Consumers Digest Communications, LLC, used under license. 2 For more information, visit kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. 3 Whichever comes first. See dealer for details. 4 EPA est. MPG hwy.: Malibu LTZ 33, Camry XLE 32. 5 Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. 6 Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers.
33 MPG Highway. With its standard six-speed automatic transmission, Malibu LTZ offers an EPA estimated 33 MPG highway – better than a comparable Toyota Camry.

A Comprehensive Safety Package. Malibu is equipped with onboard systems designed to act before, during and, thanks to OnStar, after a collision. In addition to six air bags and the StabiliTrak Electronic Stability Control System, Malibu also offers OnStar Automatic Crash Response (standard for the first six months).
100,000 mile/5-year* Transferable Powertrain Limited Warranty. That’s 40,000 more miles than Toyota or Honda offers. And you have our Roadside Assistance and Courtesy Transportation Programs to guarantee the quality.

24-Hour Roadside Assistance. Chevrolet offers a 24-Hour Roadside Assistance Program for a period of 100,000 miles or 5 years.3

Courtesy Transportation. Provides alternate transportation and/or reimbursement of certain transportation expenses and warranty repairs for a period of 100,000 miles or 5 years.4

Malibu LTZ in Red Jewel Tintcoat (extra-cost color). 1 Whichever comes first. See dealer for details. 2 Based on 2010 Insurance Institute for Highway Safety (IIHS) testing. 3 Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. 4 Requires connection with Bluetooth®-compatible phones.
“Many editors who drove the Malibu reported astonishment at the level of chassis sophistication this Chevy demonstrates, praising its superb steering feel, supple ride quality...”

MOTOR TREND, MARCH 2010
Leather Appointments. Inside the leather-appointed LTZ interior, the heated driver seat includes an eight-way power adjuster and power lumbar control, while the heated passenger seat features a six-way power adjuster.

See more Malibu interior features at chevy.com/malibu.
Upscale Details. Rich textures please the senses. A Remote Vehicle Starter System even precools your Malibu LTZ on hot days or preheats it on cold days. An eight-speaker Bose® premium sound system is standard on LTZ. And the Driver Information Center provides up to 34 selections, messages and warnings, including a Tire Pressure Monitor (excludes spare tire).

Thoughtful Conveniences. Inside LTZ, there’s an auxiliary glove box located on the upper instrument panel, a tilt and telescopic steering wheel with audio and cruise controls, and automatic climate control. A power-sliding sunroof with a tilt feature is also available.

“The cabin is impressively hushed at highway speeds, and seat comfort and support are superb, making the Malibu ideal for long trips.”

EDMUNDS.COM
33 MPG Highway. That’s the EPA estimated MPG for the 2011 Malibu with the standard 2.4L DOHC engine. The advanced six-speed automatic transmission helps deliver a great balance of performance and fuel efficiency. Both the 2.4L DOHC 4-cylinder engine and 3.6L DOHC V6 engine (available on Malibu 2LT and LTZ) feature Variable Valve Timing (VVT) — a technology that optimizes combustion, enhances low-end torque and high-end power, and helps lower exhaust emissions.
“The Malibu now threatens the traditional favorites in this class.”

Visit chevy.com/malibu to see how advanced powertrain technology gives Malibu exceptional efficiency.
1. **StabiliTrak is standard on every Malibu.**
The StabiliTrak Electronic Stability Control System (including Traction Control and four-wheel antilock brakes) helps you stay the course by detecting the difference between the path being steered and the direction the vehicle is actually turning. It then uses the brakes and, if necessary, adjusts engine torque to help you keep your vehicle on its desired track.

2. **OnStar with Automatic Crash Response.** Standard for the first six months. In certain types of collisions, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle and can request that emergency help be sent to your exact GPS location.

---

Learn more about Malibu safety at chevy.com/malibu.
3. **Six air bags** are standard on all models. They include dual-stage driver and front passenger air bags with the Passenger Sensing System, thorax and pelvic side-impact air bags, and head-curtain side-impact air bags for front and rear outboard occupants.

4. **A safety cage.** Designed to help preserve occupant space in the event of a collision. The safety cage surrounds the passenger compartment from the windshield pillar to the backglass pillar and from the roof rail to the rocker structure.

5. **“Progressive Crush” front body structure.** The structure is designed for a “progressive crush” during a frontal crash. This design absorbs and channels crash energy in a controlled manner to help preserve occupant space in the passenger compartment.

6. **A low door-to-door interlock.** This feature is designed to help reduce intrusion into the passenger compartment and help protect occupant space during a side-impact collision.
Turn-by-Turn Navigation: With OnStar Turn-by-Turn Navigation, you tell the Advisor your destination — and get directions sent to your vehicle. That’s it. See upcoming turns and street names displayed on the radio. Wrong turn? Turn-by-Turn knows it and helps get you back on track automatically.

Bluetooth® at Your Command. Bluetooth® wireless technology for select phones lets you make, answer and end calls with a tap of the steering wheel controls. Standard on Malibu 2LT and LTZ and available on 1LT and LS.
The Power of Bose. The eight-speaker Bose premium sound system on Malibu LTZ features woofers strategically placed in the front doors and on the rear shelf to deliver full, powerful low-frequency sound. A Bose amplifier with proprietary digital signal processing and six channels of custom equalization help tune the sound specifically for the Malibu interior.

XM® Provides Your Favorites From Coast to Coast. Enjoy commercial-free music from every genre plus the best in sports, news, talk, entertainment and comedy on every drive. Plus, a three-month trial is standard on every Malibu.

Available USB Port^ Connect your MP3 player or a music-loaded flash drive to the sound system on Malibu LT and LTZ.

Available only in the 48 contiguous United States and District of Columbia. Visit gm.xmradio.com for details.
Important information.

100,000 MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2011 Chevy passenger car, light-duty truck, SUV and crossover comes with a 100,000 mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program and the Courtesy Transportation Program and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the U.S.A. are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Statement, and details and system limitations.

A NOTE ABOUT CHILD SAFETY. Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-Car Sedan segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS. Some standard content may be deleted with fleet orders. See dealer for details.

Along with the new Malibu, check out these other Chevrolet models, including the all-new Cruze and Equinox and Traverse crossovers.
CHEVROLET CUSTOMER ASSISTANCE CENTER (1-800-222-1020). Talk directly to customer relationship managers who can handle any inquiries related to vehicle operation, warranty coverage, or product or service concerns you may have. Please refer to your Owner’s Manual for Customer Assistance information.

CHEVY.COM/SAFETY. Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That’s why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935). GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

CHEVROLET OWNER CENTER (GMOWNERCENTER.COM/CHEVY). Register your vehicle with the Chevrolet Owner Center, and receive benefits such as online access to your vehicle Owner’s Manual, maintenance schedule reminders, service history tracking, warranty and service information, safety information, special offers and privileges, and news and events.

MARKETING AND INCENTIVES (CHEVY.COM/SPECIALOFFERS). (Call 1-800-950-CHEV (1-800-950-2438) or visit chevy.com/specialoffers for new product, current incentive and marketing program information.

GMCARDMEMBERSERVICES.COM. Did you know about the family of reward credit cards that can help you get a great deal on a new GM car, light-duty truck, SUV or crossover? With a GM reward card, you accrue earnings on every credit card purchase to use toward the purchase or lease of an eligible, new GM vehicle. With three cards to choose from, you’re sure to find one that suits you best.
