YOUR REQUEST FOR EXCELLENCE, BEAUTIFULLY FULFILLED.

With a sophisticated appearance and remarkable driving dynamics, the 2020 Malibu is ready to take you wherever the road leads. The turbocharged RS makes an emphatic statement, and Premier surrounds you with all-encompassing luxuries. Prepare to be impressed, because everything about Malibu reflects your own high expectations for excellence.

FIND NEW ROADS™
LS
Here’s the style, room and craftsmanship you expect in an award-winning midsize car.

LS keeps you connected with Apple CarPlay™1 and Android Auto™2 compatibility and an 8-inch diagonal color-touch screen display. And you’ll enjoy the poised performance of a 1.5L turbocharged engine with Direct Injection and a Continuously Variable Transmission (CVT).

RS
Malibu RS makes a compelling statement as it puts an artistic spin on the sport sedan.

It is impossible to ignore the blacked-out sport grille, Black bowtie emblems, exclusive 18-inch wheels, rear spoiler and dual exhaust outlets.

Inside RS, an 8-way power driver seat with power lumbar control and a leather-wrapped steering wheel and shifter are your invitation to command the road.

1 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. 2 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply.
Malibu LT is the supremely quiet and responsive sedan designed to leave a lasting impression.

Signature LED daytime running lamps and LED taillamps attract attention, while stylish 17-inch aluminum wheels catch the eye. Conveniences include a remote vehicle starter system, dual-zone climate controls and heated power-adjustable mirrors.
MODELS

PREMIER
The sleek, sculpted Premier is — in every way — top of the line. At the heart of it, a 2.0L turbocharged engine and 9-speed automatic transmission are poised for performance.

The well-appointed interior features heated and ventilated front seats and heated rear outboard seats. Leather-appointed seating surfaces, a Bose 9-speaker premium audio system and a power tilt-sliding sunroof with skylight add to the ambiance.
INTERIOR DESIGN

EVERY SEAT, FIRST CLASS.

Whether you are driving across town or across the country, the seats in Malibu are contoured for optimal support. The 8-way power driver seat, standard on RS, LT and Premier, puts you in control of your comfort.

Satin chrome is generously displayed throughout the Malibu interior for a clean, sophisticated attitude. Soft touch components exude an impressively tailored appearance.

Rear-seat passengers were kept top of mind in Malibu. That’s why the design includes generous rear-seat leg room and rear doors that open wide to help make entry and exit easy.

Rear Seat Reminder¹ activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the vehicle under certain conditions, you will get a reminder to double-check for valuables left behind.

¹ Does not detect people or items. Always check rear seat before exiting.
Every Drive, Exceptional.

Inside Malibu RS, sculpted Jet Black Premium Cloth bucket seats combine with a leather-wrapped shifter and steering wheel to enhance your driving experience.

An available acoustic-laminated windshield, a custom dash panel with strategic applications of laminated steel, and triple-sealed doors are just a few of the features that help keep outside noise where it belongs.
A Driver Information Center with an 8-inch diagonal reconfigurable display is standard on Premier. It allows you to choose from two screens and have at-a-glance access to important features and data.

With the standard Chevrolet Infotainment 3 system, you can easily make hands-free calls, play music and access contacts from your compatible smartphone via the touch-screen display or through voice commands.

Available Teen Driver technology helps encourage better driving habits by providing an in-vehicle report card that monitors the frequency of certain available safety technology feature activations, providing seat belt reminders including Buckle to Drive and muting the audio until front-seat occupants are buckled, and giving warnings when the vehicle is traveling over a predetermined speed.

TECHNOLOGY

THE MORE YOU KNOW, THE MORE YOU’LL LOVE.

1 Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.
The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. To check for phone or other device compatibility, see my.chevrolet.com/learn or consult your carrier.

Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply.

Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply.

Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. User terms apply. Device data connection required. Visit onstar.com for details and limitations.

Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android Auto is a trademark of Google LLC.
The available 2.0L turbo engine delivers 250 horsepower and 260 lb.-ft. of torque with the 9-speed automatic transmission. This combination offers an EPA-estimated 22 MPG city/32 highway. Standard on Premier.

The 1.5L turbo engine is paired with a Continuously Variable Transmission for power and efficiency. This engine offers 163 horsepower, 184 lb.-ft. of torque and an EPA-estimated 36 MPG highway!

Variable-effort Electric Power Steering (EPS) uses energy only when steering effort is applied. EPS feels light but agile, providing greater assistance at low speeds and tighter control when you’re cruising at highway speeds.

The MacPherson strut front suspension and independently tuned 4-link rear suspension are precision calibrated for impressive ride and handling.

1 EPA-estimated MPG city/highway: Malibu with 1.5L engine 29/36.
SAFETY AND DRIVER ASSISTANCE

READY AND VIGILANT.

Adaptive Cruise Control – Advanced. Using sensors that include radar technology, this feature can automatically adapt cruise control speed to maintain a following gap to vehicles detected ahead. Available on Premier.

Front Pedestrian Braking. At speeds below 50 mph, if an imminent collision with a pedestrian directly ahead is detected, the feature can alert you and can even apply last-second emergency braking. Performance is limited at night. Available on LT and Premier.

Enhanced Automatic Emergency Braking. If an imminent front-end collision is detected with a vehicle you are following, the feature can alert you and can automatically apply hard emergency braking or enhance driver hard braking. Available on Premier.

Following Distance Indicator and Forward Collision Alert. These features monitor how close your vehicle is to the detected vehicle in front of you and can alert you to a potential crash. Available on LT and Premier.

Lane Keep Assist with Lane Departure Warning. At speeds above 37 mph, this feature monitors road lines and can gently turn the steering wheel to help keep the vehicle in its lane or provide alerts if a lane marker is unintentionally crossed. Available on LT and Premier.

Lane Change Alert with Side Blind Zone Alert. This feature can provide side mirror alerts when it detects fast-approaching vehicles in adjacent lanes as well as moving vehicles in the side mirror blind zones. Available on LT and Premier.

Rear Vision Camera. When traveling in Reverse at low speeds, this feature helps provide a view of the area immediately behind your Malibu. Standard on all models.

Rear Cross Traffic Alert. This feature can alert you to detected vehicles crossing behind your Malibu when backing up. Available on LT and Premier.

Rear Park Assist. When traveling in Reverse at low speeds, this feature can provide distance alerts when it detects certain stationary objects in close proximity behind the vehicle. Available on LT.

Automatic Parking Assist. Helps you park by automatically steering the vehicle into a detected parking space while you follow text commands, select gears, and perform all braking and acceleration. Available on Premier.

IntelliBeam® headlamps. When oncoming headlamps are sensed or when taillamps are detected, this feature intuitively adjusts between low and high beams. Available on LT and Premier.

Safety starts with you. Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.
ACCESSORIES

Remote Start Kit available from Chevrolet Accessories.

Cargo Net available from Chevrolet Accessories.

Black illuminated Bowtie Emblem available from Chevrolet Accessories.

Floor Liners available from Chevrolet Accessories.
EXTERIOR COLORS

1. A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.
2. Read the vehicle Owner's Manual for important feature limitations and information.
3. OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Not all vehicles may transmit all crash data. Roadside services provided by Allstate Roadside Services for vehicles only. Limitations and restrictions apply. Stolen Vehicle Assistance requires armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit onstar.com for details and limitations.
4. Advisor-based Turn-by-Turn Navigation is subject to User Terms and limitations, and varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada.
5. If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. Please see the SiriusXM Customer Agreement at siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-866-635-2349. All fees and programming are subject to change.
6. Service varies with conditions and location. Requires active service plan. Data plans offered by AT&T. Visit onstar.com for details and limitations. Availability subject to change.
7. Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include emergency or security services. Diagnostic capabilities vary by model and service plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit onstar.com for details and limitations.
NEW VEHICLE LIMITED WARRANTY

3-year/36,000-mile Bumper-to-Bumper Limited Warranty. Chevrolet will warrant each 2020 Malibu from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

5-year/60,000-mile transferable Powertrain Limited Warranty. Every 2020 Malibu comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

Experience Chevrolet Complete Care, a comprehensive coverage, warranty and protection program that comes standard with every new 2020 Chevrolet Malibu lease and purchase. Simply, it is designed around you, to make it easy to keep your Chevrolet like new — and give you the confidence you deserve when you need it most.

Your comprehensive owner benefit program.

Includes one maintenance visit (oil change, tire rotation and multi-point vehicle inspection):
- 5 years/60,000 miles of Roadside Assistance and Courtesy Transportation.
- 3-year/36,000-mile Bumper-to-Bumper Limited Warranty.
- 5-year/60,000-mile Powertrain Limited Warranty.
- 6 years/100,000 miles of Rust-Through Protection.

Chevrolet Connected Access with 10 years of standard connectivity, which currently enables features such as Vehicle Diagnostics and Dealer Maintenance Notification.

1 month of Chevrolet Connected Services and 1 month of OnStar Safety & Security Plan coverage.

Chevrolet Complete Care

1 Cargo and load capacity limited by weight and distribution. 2 Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details. 3 Whichever comes first. See dealer for details. 4 Roadside service provided by Allstate Roadside Services. Limitations apply. 5 Standard connectivity available only to original purchaser for 10 years. Services enabled by Connected Access are subject to change. Does not include emergency or security services. Diagnostic capabilities vary by model and service plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit onstar.com for details and limitations. 6 Connected services include navigation services and Remote Access Plan. Services subject to terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. Visit onstar.com for details. Availability subject to change.
IMPORTANT INFORMATION

Chevrolet Owner Center (my.chevrolet.com). Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Chevrolet Connected Services and OnStar. Connected vehicle services vary by vehicle model and require an active service plan, working vehicle electrical system (including battery), cell reception and GPS signal to function properly. Visit onstar.com for details and limitations.

A note on child safety. Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information.

Important words about this catalog. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-Car Sedan segment and latest available competitive information. Excludes other GM vehicles.

Fleet orders. Some standard content may be deleted on fleet orders. See dealer for details.

Chevrolet ownership experience. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You’ll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

Chevrolet.com/safety. Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That’s why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMmobility.com (1-800-323-9935). GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

The BuyPower Card. The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There’s no limit on the amount you can earn or redeem, and your Earnings don’t expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors (“GM”) is responsible for the operation and administration of the Earnings program.
