1500 Crew Cab Short Box LTZ Z71 4x4 in Siren Red Tintcoat (extra-cost color) with available features.
THE NEW FACE OF STRONG.

Dependable. Capable. Advanced. The new Silverado lineup pairs brains with brawn to build upon its enduring legacy as the most dependable, longest-lasting full-size pickups on the road.

That legacy is elevated by a new muscular front end with a sculpted hood and signature LED lighting accents. Three EcoTec3 engines that deliver power and efficiency raise the bar even higher. Tough, proven high-strength steel provides high-strength dependability.

Technological breakthroughs push the limits on what a truck should be. And Silverado 1500 was named the “Highest Ranked Large Light Duty Pickup in Initial Quality” by J.D. Power in 2015.

The 2016 Silverado: The new face of strong belongs to a Chevy truck.

† Dependability based on longevity: 1987–July 2015 full-size pickup registrations. ‡ The Chevrolet Silverado 1500 received the lowest number of problems per 100 vehicles among large light duty pickups in the proprietary J.D. Power 2015 Initial Quality Study.™ Study based on responses from 84,367 new-vehicle owners, measuring 244 models and measures opinions after 90 days of ownership. Proprietary study results are based on experiences and perceptions of owners surveyed in February–May 2015. Your experiences may vary. Visit jdpower.com.
THE MOST DEPENDABLE, LONGEST-LASTING FULL-SIZE PICKUPS ON THE ROAD.¹

1500 4-door Double Cab Standard Box LT 4x4 in Red Hot, 1500 Crew Cab Short Box LTZ Z71 4x4 in Siren Red Tintcoat (extra-cost color), and 1500 Crew Cab Short Box High Country 4x4 in Autumn Bronze Metallic (extra-cost color), all shown with available features.
EXTERIOR DESIGN

POWERFUL PERSONALITIES. For 2016, every Silverado gets a striking new appearance. A muscular front end design with bold horizontal elements and a sculpted hood creates a wide, aggressive stance. Each model is unmistakable, projecting the strength and capability that can only belong to Silverado. Head to the specs section to see them all.

LIGHT ‘EM UP. Leading the way with signature looks and impressive efficiency, LED technology also allowed our designers to wrap the turn signals and brake lights around the contours of the main lights and other elements on select models. In addition, LTZ, Z71 and High Country models feature LED foglamps that are new for 2016. On WT, LS, Custom, LT and LT Z71 models, high-intensity discharge projector-beam headlamps produce a tightly controlled light pattern. LTZ, LTZ Z71 and High Country take illumination to another level with LED headlamps that light the road or trail ahead.

ALL-AROUND AERODYNAMIC. Only the air necessary for cooling is directed into the engine compartment, while the rest flows smoothly around the truck. Air deflectors strategically positioned in front of the rear tires and a rear tailgate spoiler help reduce turbulence and drag. The resulting lower drag coefficient contributes to impressive fuel efficiency.¹
STRENGTH IS IN THE DETAILS.

1. The sculpted hood adds depth and strength to the muscular front end.

2. The wraparound LED taillamps have deep proportions and allow for expressive styling on LTZ, LTZ Z71 and High Country.

LUXURY DOESN'T GET ANY MORE RUGGED THAN THIS.

1. High Country-specific badging helps it stand out in any crowd.
2. A unique combination of body-color and chrome accents set High Country apart.
3. Available power articulating running boards not only swing out, but also back to provide easy access to the front of the cargo box and its contents — something no competitor can match. You can operate each step with buttons inside the cab or by touching the rear of a step with your foot.
4. The exclusive Saddle premium leather-trimmed interior provides a comfortable cabin.
THE BOLD LOOK OF HIGH COUNTRY.
Body-color front and rear bumpers, plus chrome 6-inch running boards, mirror caps, door handles, grille inserts and 20-inch wheels guarantee High Country is at home on the trail or in town.

CHEVY TRUCK ESSENTIALS. High Country has all the capability you need and expect, with a Trailering Package, Front and Rear Park Assist, full LED lighting, a power-sliding rear window and a factory-installed spray-in bedliner.

UPSCALE INTERIOR. Heated and vented Saddle perforated leather-appointed front bucket seats come equipped with 12-way power for constant comfort. A 7-speaker Bose® premium sound system, Chevrolet MyLink® Radio with 8-inch diagonal color touch-screen display, remote vehicle starter system and rear vision camera combine for the ultimate Silverado interior.

† MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.
THE 4-DOOR DOUBLE CAB FIT FOR A CREW.
CAVERNOUS SPACE. Silverado 4-door Double Cab has a spacious 3-passenger rear bench seat, so you’ve got room for up to six (five with available front bucket seats; not available on WT, LS and Custom).

EASY ACCESS. Forward-hinged rear doors mean getting into and out of the rear bench seat is no trouble at all. Once inside, passengers will have the comfort of more than 34 inches of rear-seat leg room.

STORE ALL YOUR GEAR. When you need extra room for luggage, work tools or anything else, just fold the rear seat up. There’s also available underseat storage with dividers to keep everything organized.

A QUIET RIDE. Silverado 4-door Double Cab’s rear doors feature triple door seals and an inlaid door design that fits the doors flush with the body to help reduce wind noise.
AVAILABLE 6.2L V8. THE MOST POWERFUL ENGINE IN ITS CLASS.
### ENGINES

**THE POWER OF THREE.** Building on an unmatched small block heritage, our EcoTec3 4.3L V6, 5.3L V8 and 6.2L V8 are the only truck engines that use Direct Injection, Active Fuel Management and Continuously Variable Valve Timing together to deliver robust power with enviable fuel efficiency. It’s a combination no competitor can match.

**ACTIVE FUEL MANAGEMENT.** By sensing load and demand, this feature improves efficiency by seamlessly deactivating cylinders when power demands are light and reactivating cylinders when more power is required.

**DIRECT INJECTION.** The system injects fuel into the combustion chamber at more than 2000 psi for precise fuel distribution and fast, efficient combustion.

**CONTINUOUSLY VARIABLE VALVE TIMING.** This system monitors and adjusts valve open and close points for near-peak levels of torque across the entire range of engine speeds.

---

#### 8-SPEED AUTOMATIC TRANSMISSION.

Standard on 6.2L V8-equipped trucks, LTZ Z71 and High Country Crew Cab, as well as LTZ Crew Cab models with the available Max Trailering Package, is a highly efficient, smooth-shifting 8-speed automatic transmission.

---

#### MOST POWERFUL LIGHT-DUTY PICKUP.

With 420 horsepower and 460 lb.-ft. of torque, the available 6.2L V8 is the most powerful engine in any light-duty pickup. Not to be outdone, Silverado equipped with the 4.3L V6 easily generates the most torque of any standard V6 in its class.

1. EPA-estimated 18 MPG city/24 highway with 4.3L V6 engine (2WD), 16 MPG city/23 highway with available 5.3L V8 engine and 6-speed automatic transmission (2WD), 16 MPG city/22 highway with available 5.3L V8 engine and 8-speed automatic transmission (2WD), and 15 MPG city/21 highway with available 6.2L V8 engine (2WD).
2. Requires 1500 Regular Cab Standard Box 4x4.
3. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
4. Requires 1500 4-door Double Cab Standard Box 2WD or Crew Cab Short Box 2WD with available 5.3L V8 engine and Max Trailering Package.
5. Requires 1500 4-door Double Cab Standard Box LTZ 2WD or Crew Cab Short Box LTZ 2WD with available 6.2L V8 engine and Max Trailering Package.
When it comes to towing, confidence is king. Silverado has the torque and the transmission necessary to pull up to 6 tons, so you know you've got power in your corner. But it doesn't end there. We've loaded it with the type of features that make it the complete package when you've got a trailer hitched up.

1 Requires 1500 4-door Double Cab Standard Box LTZ 2WD or Crew Cab Short Box LTZ 2WD with available 6.2L V8 engine and Max Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
1500 Crew Cab Short Box High Country
4x4 in Autumn Bronze Metallic (extra-cost color) with available features.

**TRAILER SWAY CONTROL.** This system uses StabiliTrak Electronic Stability Control sensors to detect a swaying trailer. It then applies both the vehicle and the trailer brakes (if properly equipped) to help bring it back in line.

**STEEP GRADES? NO PROBLEM.** With Hill Start Assist, sensors detect when Silverado is on a grade of 5 percent or more. It holds the brakes momentarily or until the accelerator is pressed, preventing rollback. Auto grade braking senses when you want to slow your Silverado and engages a grade braking shift pattern to help maintain your desired speed.

**MAX TRAILERING PACKAGE.** With the available 6.2L V8 engine and the Max Trailering Package, which includes a heavy-duty axle and high-capacity rear springs, integrated trailer brake control, enhanced cooling system and recalibrated shock tuning for increased control, you can tow up to 12,000 lbs. \(^1\) With the available 5.3L V8 engine and Max Trailering Package, you can tow up to 11,100 lbs. \(^2\)

\(^1\) Requires 1500 4-door Double Cab Standard Box LTZ 2WD or Crew Cab Short Box LTZ 2WD with available 6.2L V8 engine and Max Trailering Package. \(^2\) Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. \(^3\) Requires 4-door Double Cab Standard Box or Crew Cab Short Box 2WD with available 5.3L V8 engine and Max Trailering Package.
CONFIDENCE COMES WITH EVERY HITCH AND SWITCH.

1. The available rear vision camera’s dynamic guiding lines help when hitching a trailer.
2. Check your trailer brakes with an available integrated trailer brake controller that displays the level of brake force or “gain” in the Driver Information Center.
3. Tow/Haul mode adjusts transmission shifts to reduce shift cycling when towing or hauling heavy loads or driving on steep grades.
PAYLOAD

2,260 LBS. OF MAX PAYLOAD! Silverado offers a number of boxes that help when you’re hauling big payloads. The Standard Box is 6' 6" and is available with all cab configurations. Need a full 8' bed for drywall? Then take a look at Silverado Regular Cab. There’s also a 5’ 8” Short Box available on Crew Cab.

THE STRENGTH OF A STEEL BOX.
The pickup box floor is expertly crafted from strong and durable roll-formed steel. It’s stronger, lighter and more durable than a traditional stamped steel bed.

TOUGH TIE-DOWNS. Secure your cargo the way you want with four standard lower tie-downs and available movable upper tie-down hooks. These patented, load-bearing upper tie-downs are rated at 250 lbs. each and can be positioned in nine different places around the box depending on the cargo.

POWER-REMOTE TAILGATE. New for 2016 is an available power-remote locking/unlocking tailgate. The EZ Lift & Lower tailgate, standard on LT, LTZ, Z71 and High Country, is dampened by a torsion bar. It opens smoothly with no thud and can be closed with one hand, so you can load and unload cargo easily.
**THIS BED NEVER RESTS.**

1. With the dealer-installed Bed Protection Package, available from Chevrolet Accessories, you get a drop-in bedliner, soft folding tonneau cover and upper tie-down hooks.

2. Available LED lamps under the bed rails illuminate the bed — perfect for those times when you need a better look at all you are hauling or when the tonneau cover is on. Shown with available spray-in bedliner.

3. The CornerStep rear bumper with nonslip treads and pocket hand grips built into the top of the side rails make it easy to reach the cargo you’re carrying.
HIGH-STRENGTH STEEL. The Silverado frame is highly refined and precisely tuned to help squelch vibration for a smoother ride and confident handling. And to help create a quiet cab, much of the cab structure is constructed with high-strength steel, including the pillars, roof rails and rocker panels.

HYDROFORMED FRAME. Silverado uses a hydroformed, boxed high-strength steel frame. Nine cross members are through-frame welded for lateral support. This stiff frame combines with shear-style and hydraulic body mounts so you can ride in comfort while hauling, towing and tackling rugged terrain.

 ELECTRIC RACK-AND-PINION POWER STEERING. This system aids fuel efficiency versus engine-powered systems. The variable-assist feature is tuned to provide less assist at highway speeds for a solid on-center feel, and more assist for less steering effort when maneuvering in tight spaces.

COIL-OVER-SHOCK FRONT SUSPENSION. This fully independent system is precisely tuned for solid handling. The front shock module is designed for road isolation in response to even small inputs. A thick spring isolator and a high spring rate produce a controlled ride. The 34 millimeter stabilizer bar aids vehicle stability.

TUNED MULTILEAF REAR SPRINGS. Two-stage rear leaf springs provide the perfect balance between ride smoothness and hauling capability. They've also been tuned for noise reduction, as well as corrosion resistance.

DURALIFE™ BRAKE ROTORS. Segment-exclusive ferritic nitrocarburizing (FNC) technology hardens the rotor surface, which can help extend rotor life. It also provides protection against rust to help prevent steering wheel shudder during braking.

ROBUST AXLE DESIGN. Select Silverado models with the available Max Trailering Package feature a rear axle with a large ring gear designed to handle the increased power capacity and provide reliable durability. The available heavy-duty automatic locking rear differential provides extra traction when you head off-road.
Z71. THE ULTIMATE OFF-ROAD SILVERADO.

1500 Crew Cab Short Box LTZ Z71 4x4
In Siren Red Tintcoat (extra-cost color)
with available features, Off-Road Sport Package and LED Off-Road Lamps available from Chevrolet Accessories.
**Z71 OFF-ROAD TECHNOLOGY.** Ignore paved roads with off-road jounce bumpers, Rancho® monotube shocks, an underbody transfer case shield and all-terrain tires. Hill Descent Control lets you set and maintain your speed on steep grades.

**RUGGED LOOKS.** The updated appearance combines a body-color front bumper and center grille bar with Black recovery hooks. LT Z71 features high-gloss Black grille inserts and body-color mirror caps, while LTZ Z71 adds chrome inserts and caps.

**INSIDE Z71.** Exclusives include a Z71-specific gauge cluster and instrument panel graphics. An off-road screen in the Driver Information Center keeps you up to date on how your Z71 is performing on the trails, including vehicle pitch and roll, wheel angle and 4x4 status.

**GET A GRIP.** Ready to tame gravel, dirt, snow and mud? An industry-exclusive automatic locking rear differential reacts in milliseconds to low-traction situations for improved forward motion, taking power from the wheel with less grip and transferring it to the wheel with more traction to get you moving.

*Dealer-installed 3-inch Black Step Bars available from Chevrolet Accessories.*

*Dealer-installed Sport Bar with Sail Panels and LED Off-Road Lamps available from Chevrolet Accessories.*
1500 Crew Cab LTZ interior in Dune with perforated leather appointments, Cocoa interior accents and available features.

WELCOME TO WIDE-OPEN SPACES.
DESIGNED FOR ALL-DAY COMFORT. Resilient dual-firmness foam helps ensure the seats retain their support over time, which is especially important for Silverado drivers and passengers who spend a lot of time in their trucks.

THE STRONG, SILENT TYPE. Exterior aerodynamics, inlaid and triple-sealed doors, sound-absorbing materials, engine exhaust valving and the use of Active Noise Cancellation on 6.2L V8 models contribute to a remarkably quiet cabin.

POWERED UP. Depending on the model you choose, you’ll never be far from a convenient power supply: multiple USB ports,1 up to four auxiliary power outlets and an available 110-volt outlet keep first- and second-row passengers connected. Plus, an available wireless charging station2 lets you conveniently charge your cell phone.

TRUE TRUCK CAPABILITY INSIDE. The available center floor console provides cavernous storage for your laptop or other items — and it can also double as a file cabinet. Plus there are “grab and go” storage pockets integrated into the doors so everything is within easy reach.

1 Not compatible with all devices. 2 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details.
EVERYTHING YOU NEED, ANYWHERE YOU NEED IT.

1. Upper and lower glove boxes give you and your companions a place to store all kinds of items. You’ll also find a number of other storage areas throughout.

2. With steering wheel-mounted controls, you can activate available Bluetooth® phone functions, set the cruise control, engage the available heated steering wheel and more. All knobs and buttons are large enough to accommodate gloved hands.

3. Silverado 4-door Double Cab provides plenty of storage space when you flip up the rear seat. And when you have passengers, comfort is king with over 34 inches of rear-seat leg room.

¹Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle.
EASY ACCESS TO YOUR SMARTPHONE. With available Apple CarPlay™ and Android Auto™ compatibility¹ you can interact with select smartphone apps. These systems take some of your phone’s features and put them on the available Chevrolet MyLink² display in a smart, simple manner. You can access your phone, text messages, music and navigation, as well as some of your favorite audio apps.

BUILD A STRONG CONNECTION.

1. Chevy Silverado is the first vehicle in its class to make Android Auto and Apple CarPlay compatibility¹ available to enhance the connected experience.

2. The OnStar RemoteLink® mobile app³ lets you remotely start your Silverado (requires available factory-installed and enabled remote vehicle starter system), lock and unlock your doors, locate your vehicle and more.

3. Available Chevrolet MyLink² lets you arrange icons and features on the optional 7-inch or 8-inch diagonal color touch-screen. Store up to 60 favorites, including radio stations, contacts and even destinations (requires available Chevrolet MyLink² Radio with Navigation).

¹ Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. Android Auto is not currently available on 2016 Silverado with optional 8-inch diagonal MyLink display. ² MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. ³ Requires compatible mobile device and active OnStar subscription. Visit onstar.com for details and system limitations.

Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries. Android Auto is a trademark of Google Inc.
SILVERADO IS THE FIRST FULL-SIZE PICKUP TO OFFER BUILT-IN 4G LTE WI-FI® HOTSPOT. Our stronger signal means you have a reliable connection, providing a better in-vehicle experience than you’ll get with your smartphone and allowing you to seamlessly connect up to seven devices to the Internet.

1 Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Vehicle must be on or in accessory mode to access Wi-Fi and device must be within 50 feet of the vehicle.
SURROUNDED BY SAFETY.

The available Enhanced Driver Alert Package has features that help protect you from the unexpected, including the Safety Alert Driver Seat, Lane Keep Assist, Forward Collision Alert, Front and Rear Park Assist and IntelliBeam® high beam assist.

SAFETY ALERT DRIVER SEAT. The available Safety Alert Driver Seat uses directional vibration pulses from the seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into other onboard crash avoidance systems.

REAR VISION CAMERA. When the Silverado transmission is in Reverse, the available rear vision camera with dynamic guiding lines allows the driver to view objects directly behind the vehicle via the available screen in the center stack. So it's easier to back up, park or hook up a trailer.

LANE KEEP ASSIST. At speeds above 37 mph, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal. New for 2016.

FRONT AND REAR PARK ASSIST. Ideal when pulling into a parking spot at low speeds, this available system senses stationary objects and alerts you if an object is too close. If equipped, the rear vision camera automatically displays a live image of the area behind the vehicle on the screen in the center stack after you shift into Reverse.

INTELLIBEAM HIGH BEAM ASSIST. When oncoming headlamps are sensed or when taillamps are detected in front of you, available IntelliBeam high beam assist intuitively adjusts between low and high beams.

SIX AIR BAGS. Silverado features six air bags¹ and a 360-degree sensor system, including single-stage frontal air bags. There are also available head-curtain side-impact air bags with rollover protection and seat-mounted side-impact air bags.

ONSTAR® AUTOMATIC CRASH RESPONSE. In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected into your Silverado to see if you need help — even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Guidance Plan² is standard for the first six months (available on WT and Custom³).

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Silverado Owner’s Manual for more important safety information.

¹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information. ² Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ³ Requires available Chevrolet MyLink Radio with 7-inch diagonal color touch-screen display.
Silverado is work-ready from the moment it leaves the factory floor. To make sure it’s the perfect fit for your job or work site, Chevy created programs designed with the small business owner in mind.

**BUSINESS CHOICE.** This enhanced incentive program is specifically designed for business owners who use their trucks for work-related purposes. Visit gmfleet.com for more information.

**BUSINESS ELITE DEALERS.** Chevrolet Business Elite Dealers provide owners with a team of expert sales consultants to help select the right vehicles for the job. Plus, every Business Elite service department has the facilities, tools, equipment and certified technicians to accommodate owners’ specific needs.

Here are a few things that can be expected from a Business Elite Dealer:

- A dedicated dealer representative
- Extended service hours
- Work-ready loaners
- Chevrolet Complete Care, including two visits for maintenance (oil and filter changes, tire rotations and multipoint vehicle inspections)

---

1 Maintenance visits must occur within 2 years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details.
THE ULTIMATE SILVERADO IS THE ONE YOU BUILD. These are just a few of the accessories available for your 2016 Silverado. For a complete list, check out chevrolet.com/accessories.
Dealer-installed Ladder Rack available from Chevrolet Accessories.

Diamond-Patterned Tool Box available from Chevrolet Accessories.

Dealer-installed Upper Tie-Downs available from Chevrolet Accessories.

1 These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner’s Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb.

2 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
### SILVERADO WT
WT includes:

- 4.3L EcoTec3 V6 engine
- 6-speed automatic transmission
- 4-wheel antilock disc brakes with Duralife brake rotors
- Dual-stage frontal and side-impact air bags\(^1\) for driver and front passenger, and head-curtain and seat-mounted side-impact air bags for front and rear outboard seating positions; includes Passenger Sensing System
- StabiliTrak Electronic Stability Control System with Proactive Roll Avoidance and Traction Control; includes Electronic Trailer Sway Control and Hill Start Assist
- High-intensity discharge (HID) projector-beam headlamps with LED daytime running lamps
- Outside manual-adjustable Black mirrors
- Black front bumper
- Black CornerStep rear bumper
- Black door handles
- Tailgate and bed rail protection caps
- Locking tailgate
- 17" painted-steel wheels
- AM/FM stereo with 4.2-inch diagonal color display, USB port\(^2\) and auxiliary input jack
- 4-speaker sound system (Regular Cab models)
- 6-speaker sound system (4-door Double Cab and Crew Cab models)
- Driver Information Center with 3.5-inch diagonal monochromatic display
- Single-zone climate control with air conditioning
- Cruise control
- Power windows with express-down and driver express-up/-down (4-door Double Cab and Crew Cab models)
- Power door locks
- Front 40/20/40 split-bench seat, 3-passenger, vinyl
- Rear full-width folding bench seat, 3-passenger (4-door Double Cab models)
- Rear 60/40 split-bench seat, 3-passenger (Crew Cab models)
- Graphite-color rubberized vinyl flooring

### SILVERADO LS
In addition to or replacing WT features, LS includes:

- OnStar Guidance Plan\(^3\) (standard for the first six months, trial excludes Hands-Free Calling minutes), includes Automatic Crash Response and Turn-by-Turn Navigation
- Outside heated power-adjustable Black mirrors, includes driver spotter mirror
- Chrome front bumper
- Chrome CornerStep rear bumper
- Remote locking tailgate
- Remote Keyless Entry
- 17" stainless steel-clad wheels
- Chevrolet MyLink\(^4\) Radio with 7-inch diagonal color touch-screen display
- Bluetooth\(^5\) wireless technology\(^6\) for select phones
- OnStar\(^4\)4G LTE and built-in Wi-Fi hotspot for up to seven devices\(^7\), includes data trial for 3 months or 3 GB (whichever comes first)

---

\(^1\) A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information. \(^2\) Not compatible with all devices. \(^3\) Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. \(^4\) MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. \(^5\) Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. \(^6\) Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.
**SILVERADO CUSTOM**  Custom includes:

- Body-color grille surround
- Body-color headlamp bezels
- Body-color front bumper
- Body-color CornerStep rear bumper
- Recovery hooks
- 20” chrome-clad aluminum wheels
- Outside heated power-adjustable Black mirrors, includes driver spotter mirror
- Tailgate and bed rail protection caps
- Chevrolet MyLink® Radio with 7-inch diagonal color touch-screen display
- 6-speaker sound system
- Driver Information Center with 3.5-inch diagonal monochromatic display
- Power windows with express-down and driver express-up/-down
- Power door locks
- Single-zone climate control with air conditioning
- Cruise control
- Available in Summit White, Black, Silver Ice Metallic and Red Hot exterior colors

---

**SILVERADO LT**  In addition to or replacing LS features, LT includes:

- Outside heated power-adjustable body-color mirrors, includes driver spotter mirror
- Body-color bodyside moldings
- Body-color door handles
- Chrome grille with chrome surround
- EZ Lift & Lower tailgate
- 17” bright-aluminum wheels
- Rear wheelhouse liners
- Chevrolet MyLink® Radio with 8-inch diagonal color touch-screen display
- Single-slot CD/MP3 player
- SiriusXM Satellite Radio® All Access Package with 3-month trial subscription
- HD Radio®
- Driver Information Center with 4.2-inch diagonal multi-color display
- Leather-wrapped steering wheel with steering wheel-mounted controls for audio and cruise
- Front 40/20/40 split-bench seat with manual-adjustable driver lumbar control, lockable storage in seat cushion and storage pockets
- Driver and front passenger visors with illuminated vanity mirrors
- Color-keyed carpeting with rubberized vinyl floor mats

---

1 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada.  
2 If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.
SILVERADO LT Z71  In addition to or replacing LT features, LT Z71 includes:

- Z71 Off-Road Package
- Trailering Package
- Hill Descent Control
- Heavy-duty automatic locking rear differential
- Rancho® monotube shock absorbers
- Recovery hooks
- Underbody shields
- Transfer case shield
- Body-color grille surround
- Body-color headlamp bezels
- Body-color front bumper
- Body-color CornerStep rear bumper
- 18” bright machined-aluminum wheels
- LED foglamps
- Unique grille design with Z71 badge
- Z71 pickup box decals
- Brushed-metal Z71 doorsill plate
- Unique Z71 gauge cluster

SILVERADO LTZ  In addition to or replacing LT features, LTZ includes:

- 5.3L EcoTec3 V8 engine
- 6-speed automatic transmission
- Auxiliary external transmission oil cooler
- Heavy-duty automatic locking rear differential
- Trailering Package
- Recovery hooks
- Theft-deterrent system, unauthorized entry
- Full LED headlamps with LED signature
- LED taillamps with signature
- LED foglamps
- Chrome grille with chrome surround and chrome mesh
- Chrome headlamp bezels
- Chrome bodyside moldings
- Chrome beltline moldings
- Chrome door handles
- Outside heated power-adjustable, power-folding chrome mirrors with driver-side auto-dimming feature and driver spotter mirror, integrated turn signal indicators and puddle lamps
- 18” bright machined-aluminum wheels
- Rear vision camera with dynamic guiding lines
- Remote vehicle starter system
- Dual-zone automatic climate control
- Inside rearview auto-dimming mirror
- Rear-window defogger
- Manual tilt and telescoping steering column
- Front 40/20/40 split-bench 3-passenger seat, leather-appointed, with heated seat cushions and seatbacks and 10-way power adjusters for driver and front passenger
- 110-volt power outlet
SILVERADO LTZ Z71  In addition to or replacing LTZ features, LTZ Z71 includes:

- Z71 Off-Road Package
- 8-speed automatic transmission (Crew Cab models)
- Hill Descent Control
- Rancho monotube shock absorbers
- Underbody shields
- Body-color grille surround
- Body-color headlamp bezels
- Body-color front bumper
- Body-color CornerStep rear bumper
- Spray-in bedliner
- Unique grille design with Z71 badge
- Z71 pickup box decals
- Brushed-metal Z71 doorsill plate
- Unique Z71 gauge cluster

SILVERADO HIGH COUNTRY  In addition to or replacing LTZ features, High Country includes:

- Front and Rear Park Assist
- Unique chrome grille
- Body-color front bumper
- Body-color CornerStep rear bumper
- Polished exhaust tip
- 20" chrome wheels
- 8" rectangular chrome tubular assist steps
- Spray-in bedliner
- Cargo tie-downs
- Chevrolet MyLink® Radio with Navigation, includes 8-inch diagonal color touch-screen display
- 7-speaker Bose® premium sound system, including subwoofer
- Wireless charging pad
- Full-feature heated and vented leather-appointed front bucket seats with 12-way power adjusters for driver and passenger
- Color-keyed carpeted front and rear floor mats
- High Country brushed-aluminum doorsill plate
- Available in Black, Deep Ocean Blue Metallic, Siren Red Tintcoat, Autumn Bronze Metallic, Iridescent Pearl Tricoat and Slate Grey Metallic exterior colors

1 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada.

2 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details.
ENGINES

4.3L ECOTEC3 V6  Standard on WT, LS, Custom, LT and LTZ71.
EcoTec3 technology includes Active Fuel Management, Direct Injection and Variable Valve Timing
6-speed automatic transmission
285 hp @ 5300 rpm
305 lb.-ft. of torque @ 3900 rpm
Most torque of any standard V6 in its class
EPA-estimated MPG city/highway: 18/24 (2WD), 17/22 (4x4)
Max trailering: 7,600 lbs.\(^1\), 2
Max payload: 1,960 lbs.\(^3\), 4
Bore and stroke: 99.6 mm x 92 mm
Displacement: 4301 cc (262 cu. in.)
Compression ratio: 11.0:1
Ignition: SIDI (Spark Ignition Direct Injection)

5.3L ECOTEC3 V8  Standard on LTZ, LTZ71 and High Country.
EcoTec3 technology includes Active Fuel Management, Direct Injection and Variable Valve Timing
355 hp @ 5600 rpm
383 lb.-ft. of torque @ 4100 rpm
EPA-estimated MPG city/highway: 16/23 (2WD), 16/22 (4x4) with 6-speed automatic transmission
EPA-estimated MPG city/highway: 16/22 (2WD), 15/21 (4x4) with 8-speed automatic transmission
Best-in-class V8 fuel economy
Max trailering: 11,100 lbs.\(^5\)
Max payload: 2,260 lbs.\(^6\)
Bore and stroke: 96.01 mm x 92 mm
Displacement: 5328 cc (325 cu. in.)
Compression ratio: 11.5:1
Ignition: SIDI (Spark Ignition Direct Injection)

6.2L ECOTEC3 V8  Available on LTZ, LTZ71 and High Country.
EcoTec3 technology includes Active Fuel Management, Direct Injection and Variable Valve Timing
355 hp @ 5600 rpm
420 hp @ 5600 rpm
460 lb.-ft. of torque @ 4100 rpm
Best-in-class horsepower and torque
EPA-estimated MPG city/highway: 15/21 (2WD, 4x4)
Max trailering: 12,000 lbs.\(^7\)
Max payload: 2,140 lbs.\(^6\)
Bore and stroke: 103.25 mm x 92 mm
Displacement: 6162 cc (376 cu. in.)
Compression ratio: 11.5:1
Ignition: SIDI (Spark Ignition Direct Injection)

---
\(^1\) Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. \(^2\) Requires 1500 Regular Cab Standard Box 4x4. \(^3\) Requires 1500 Regular Cab Standard Box. \(^4\) These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner’s Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver’s door jamb. \(^5\) Requires 1500 4-door Double Cab Standard Box 2WD or Crew Cab Short Box 2WD with available Max Trailering Package. \(^6\) Requires 1500 4-door Double Cab Standard Box with available Max Trailering Package. \(^7\) Requires 1500 4-door Double Cab Standard Box LTZ 2WD or Crew Cab Short Box LTZ 2WD with available Max Trailering Package.

---

1 Maintenance visits must occur within two years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details.
2 Whichever comes first. See dealer for details.
3 Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations.
4 Requires compatible mobile device and active OnStar subscription. Visit onstar.com for details and system limitations.
5 Requires available Chevrolet MyLink Radio with 7-inch diagonal color touch-screen display.
6 Visit onstar.com for coverage map, details and system limitations.
7 Cargo and load capacity limited by weight and distribution.
WARRANTY

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2016 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 5 years/60,000 miles (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY GM vehicles registered in the USA are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

IMPORTANT INFORMATION

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child’s age and size. In vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product or for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Pickup segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You’ll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That’s why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935) GM Mobility® offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

THE BUYPOWER CARD The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One® helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There’s no limit on the amount you can earn or redeem, and your Earnings don’t expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors (“GM”) is responsible for the operation and administration of the Earnings program.
