THE 2015 SPARK EV: PURE. ELECTRIC. FUN.

What’s an electric vehicle doing with 327 lb.-ft. of torque? Well, for one thing, Spark EV does 0 to 60 in 7.2 seconds! Add to that 82 miles of electric range on zero-emissions power and technologies like available OnStar 4G LTE with Wi-Fi connectivity and you have the most fun, most efficient EV you can buy.

FIND NEW ROADS™
Spark EV in Electric Blue.

AERODYNAMIC EFFICIENCY. A unique closed grille and ingenious shutter system provide excellent aerodynamics. The shutter system opens automatically when extra cooling is required, while the full-length underbody panel guides airflow and reduces drag.

“QUITE POSSIBLY THE BEST ALL-ELECTRIC SMALL CAR ON THE MARKET.”

— AUTOGUIDE.COM
PREMIUM MATERIALS AND INTELLIGENT DESIGN.

1. Get instant efficiency feedback and battery info from the LCD Driver Information Center.
2. The center 7-inch diagonal color LCD touch-screen displays energy usage and source of power.
3. Enjoy total control without your hands ever leaving the steering wheel.
4. This is your direct connection to the ingenious Electric Propulsion System.
SEAT FOUR COMFORTABLY. With 86.3 cubic feet of passenger space, there's more room than FIAT 500e and Smart Electric Drive. Fold down the rear seat for even more room — enough for everything you need to bring along.

ENTERTAINMENT OVERLOAD. Access your favorite music and media with Chevrolet MyLink, which comes with great entertainment apps like TuneIn global Internet radio and Pandora Internet Radio. You can also utilize Siri Eyes Free as your personal assistant when you pair your compatible iPhone.

THE NEW CONNECTED. Whenever your vehicle is on, available built-in OnStar 4G LTE with mobile Wi-Fi hotspot is on too. It offers great signal quality and bandwidth for up to seven devices. Use the OnStar RemoteLink mobile app to remotely lock and unlock your doors, remote start, get current diagnostic info, or contact an OnStar Advisor.

ACCURATE DIRECTIONS. Be confident about where you’re going with available BringGo offering turn-by-turn directions, an Eco driving profile, and 3-D maps featuring lane suggestions, remaining distance and fuel cost.
**ELECTRIC PROPULSION SYSTEM.** Without a traditional transmission, 327 lb.-ft. of instant torque has nowhere to go besides directly to the tires and the road. Bottom line: 0 to 60 mph in 7.2 seconds.¹

**REGENERATIVE BRAKING.** Even the simple act of braking has been taken to the next level. This ingenious system captures energy that would otherwise be lost while braking, decelerating or going downhill and recycles it back into the battery. Now that’s energy innovation.

**CHARGING PORT.** The standard 120V charging unit fits household outlets and provides a full charge in 18 hours. Or have the available 240V charger professionally installed in your home and charge in only seven hours. Even faster charging is available with SAE Combo Fast Charging stations, providing an 80 percent charge in just 20 minutes.

**LITHIUM-ION BATTERY.** The thermal-conditioned lithium-ion battery delivers zero-emissions power and 82 miles of EV range.³ The battery is backed with an 8-year/100,000-mile¹² Battery and Specific Electric Propulsion Components Limited Warranty.

---

¹ Based on initial vehicle movement. ² Using the portable 120V charge cord will take approximately 18 hours at the 12-amp setting. ³ EPA-estimated 119 MPGe combined city/highway fuel economy equivalent. Your actual range may vary. ⁴ Whichever comes first. See dealer for limited warranty details.

OnStar with 4G LTE and mobile Wi-Fi hotspot for up to seven devices’ standard for 3 months or 3 GB (whichever comes first) ● ●

WHEELS
15” aluminum ● ●

1 Extra-cost color. 2 Available only on 2LT. 3 Enables vehicle to be charged using third-party SAE Combo DC Fast Charge stations. 4 Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and the child safety seat instructions for more safety information. 5 Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. 6 Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. 7 Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Spark EV does not include functionality such as enhanced voice recognition, Gracenote and CD player. 8 Data plan rates apply. 9 Requires compatible iPhone running iOS 6 or later. 10 XM satellite service is available only in the 49 contiguous United States and D.C. 11 Not compatible with all devices. 12 Devices must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Visit onstar.com for details and system limitations. 13 These wheels are paired with summer-only tires. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer.

On every new 2015 Chevrolet Spark EV comes with 100,000-mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program and 100,000 miles/8 years (whichever comes first) of the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY GM vehicles registered in the USA are covered for 36,000 miles/3 years (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 100,000 miles/6 years (whichever comes first). See dealer for details.

IMPORTANT INFORMATION

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

CHEVROLET COMPLETE CARE Every new 2015 Chevrolet Spark EV comes with 2 years/24,000 miles of scheduled maintenance that includes tire rotations and multipoint vehicle inspections. Covers only scheduled tire rotations according to your new vehicle’s recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Maximum of four service events. See participating dealer for other restrictions and complete details.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details.
