Movement is the universal language of personal freedom. Our founder Louis Chevrolet spoke it fluently.

As a Swiss immigrant, he came to America with a dream of racing cars. He wished for everyone — not just the rich or entitled — to experience the exhilaration he felt behind the wheel.

In 1911, he began building his first car. One hundred years later, a new Chevrolet is sold every 6.6 seconds. That amounts to 4.76 million vehicles in more than 140 countries — more than Louis Chevrolet could ever have imagined.

The depth of our heritage and passion is evident in everything we do here at Chevrolet. It’s ingrained in the bold design, spirited performance, proven durability and exceptional value our drivers enjoy. It empowers us to be leaders in innovation. And it inspires us to continuously raise the bar — today, tomorrow and into what promises to be a bright future.

Currently, we are pioneering new propulsion technologies to meet the demanding energy and environmental needs of a global automotive brand. We’re also employing alternative energy sources and investing in fuel-saving technologies to help reduce our carbon footprint with the goal of reducing 8 million metric tons of carbon dioxide emissions over the next few years.

Our global reach is expanding, yet our mission remains the same. We want every customer to feel like family — no matter where you are in the world. And no matter where you’re going, we want you to enjoy the ride in a Chevrolet.

From the vision of one to the journey of many, Chevy Runs Deep.
No time to sit still. There’s an urban jungle to conquer. And no ordinary ride will do. You need a car with passport stamps. A globe-trotting, color-rocking, tech-savvy fun jockey with worldly experience and wanderlust to boot. It’s got to fit your life, your friends and ridiculously tight parking spots. And it should make the people who said you don’t need a car in the city eat their words. At last, the mini car that’s built and loved around the world is finally coming to the U.S. Introducing the all-new 2013 Chevrolet Spark.

**STANDARD FEATURES THAT ARE ANYTHING BUT STANDARD**

Ten air bags? Check. An awesome 100,000-mile/5-year² transferable Powertrain Limited Warranty with Roadside Assistance and Courtesy Transportation programs? Yep. A 6-month trial of OnStar?³ Roger that. Spark offers more standard features than most other cars in its class.

**STUFF THAT MIGHT SURPRISE YOU (IN A GOOD WAY)**

Predictable? Puh-lease. Spark offers features you might not expect to find in a car this size, including the available Chevrolet MyLink⁴ infotainment system with a 7-inch diagonal touch-screen display and cool available mobile apps that help you connect with your vehicle like never before.

1 Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.  
2 Whichever comes first. See dealer for details.

INNER SPARK

Originality knows no bounds. That’s why Spark styles on the inside as much as it does curbside. Go ahead, glam up the interior with available heated leatherette front seats and color accents that dance across the dash and doors. Then bask in the glow of ice-blue ambient lighting. And take it all in.

Spark 2LT interior with Dark Pewter-Color Leatherette Seats with Red Inserts and Red Trim.
TOTALLY FITTING

With four doors, five if you include the hatch, and 86.3 cubic feet of passenger space, Spark allows you and three BFFs to easily get in and out without doing some crazy yoga moves.
CARRY ON

With 31.2 cubic feet of maximum cargo space, Spark can fit a retro chair, random impulse buys — you fill in the blank. Think Fiat 500, smart fortwo and Scion iQ can fit as much cargo as Spark? No way. Spark has a handy 60/40 flip-and-fold rear seat, to make way for your stuff. So you can bring it on and on again.
RISE ABOVE
Standard Hill Start Assist never lets inclines drag you down. It keeps the brakes engaged for a split second while you transition from the brake pedal to the gas pedal, then automatically releases once you press down on the accelerator.

DRIVE SAFE
Spark helps protect against the unexpected with 10 standard air bags, including knee air bags for the driver and front passenger. All around, you're covered.

REST ASSURED
Hopefully, you'll never have to use the OnStar® Automatic Crash Response2 feature. But you'll be glad to know it's there. In many crashes, a trained OnStar Advisor is immediately connected into your Spark and can use GPS technology to pinpoint your exact location. The OnStar Advisor can call for help, even if you're unable to respond.

HOLD STEADY
When roads aren't cooperating or Mother Nature is in a mood, you can count on the standard StabiliTrak® Electronic Stability Control System, antilock brakes and Brake Assist to help you stay the course.

\[1\] Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. WARRANTY INFORMATION

100,000-MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2013 Chevrolet passenger car, light-duty pickup truck, SUV and crossover comes with a 100,000-mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the USA are covered for 36,000 miles/3 years (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 100,000 miles/6 years (whichever comes first). See dealer for details.

CHEVROLET OWNER CENTER (GOWNERCENTER.COM/CHEVY). Register your vehicle with the Chevrolet Owner Center and receive benefits such as online access to your vehicle Owner’s Manual, maintenance schedule reminders, service history tracking, warranty and service information, safety information, special offers and privileges, and news and events.

IMPORTANT INFORMATION

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY. Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mini Car segment and latest available competitive information. Excludes other GM vehicles.

SPARE TIRE INFORMATION. There is no standard jack or spare tire in the 2013 Chevrolet Spark. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

FLEET ORDERS. Some standard content may be deleted on fleet orders. See dealer for details.

CHEVY.COM. Offers shopping tools such as Chevy vehicle information, Build and Price, Find a Vehicle, Request Info, Email Sign-Up, Compare Vehicles, Financial Tools... and much more.

OWNER SERVICES. Chevrolet is committed to enhancing the ownership experience through a wide array of programs.
