CONFIDENT AND CONNECTED.

With its signature style and athletic stance, the Chevrolet Tahoe is designed to make a lasting impression. From the refinement of a finely crafted interior to the capability of the EcoTec3 V8 engine, America’s best-selling full-size SUV is built for confidence. Tahoe helps you stay connected with innovative technology that complements available advanced safety features. If that’s not enough, special editions such as the beautifully appointed Premier Plus and the performance-focused RST will certainly command your attention.

FIND NEW ROADS™
MODELS

**LS**
Delivering uncommon value, the LS version of America’s favorite full-size SUV is available in 2WD or 4WD models.

LS has the capability you’re looking for, with a 5.3L EcoTec3 V8 engine, automatic locking rear differential and seating for up to nine passengers with available front split-bench seat.

The available Custom Edition includes 18-inch painted-aluminum wheels and a chrome grille insert. The third-row seat is deleted for additional storage.

**LT**
Tahoe LT is equipped for every occasion, from the daily commute to a cross-country adventure.

Standard safety technology includes the Safety Alert Seat†, Forward Collision Alert†, Automatic Emergency Braking† and Lane Keep Assist with Lane Departure Warning†.

Inside LT, you’ll find heated leather-appointed front bucket seats with 10-way power adjustment and power-adjustable pedals with memory. A programmable power liftgate adds convenience.

† Read the vehicle Owner’s Manual for important feature limitations and information.
PREMIER

Here is the quiet, confident balance of luxury and style you expect in a top-of-the-line SUV.

Tahoe Premier offers an impressive complement of active safety technology, plus power-folding heated outside mirrors and 20-inch polished-aluminum wheels. Magnetic Ride Control™ provides an ultra-smooth ride, while the available 6.2L EcoTec3 V8 engine and state-of-the-art 10-speed automatic transmission take this performance to an even higher level.

The well-appointed Premier interior includes heated and ventilated front bucket seats with 12-way power adjusters, heated second-row bucket seats with power release, a heated steering wheel, a power tilt/telescopic steering column and a 10-speaker Bose Centerpoint Surround Sound audio system.
SPECIAL EDITIONS

CUSTOM MIDNIGHT EDITION
Hit the streets and own the night with the LS Custom Midnight Edition.

Attention-commanding features include 18-inch Black-painted aluminum wheels, Goodyear Wrangler DuraTrac® tires, Black tubular assist steps, a Black mesh grille, Black recovery hooks and Black bowtie emblems.

The all-black exterior is complemented by a Jet Black Premium Cloth interior, and third-row seating is removed for additional storage.

Z71 MIDNIGHT EDITION
With the available Z71 Off-Road Package, you’re ready to tame any trail. Z71 earns its legendary designation with a tuned Off-Road suspension, 18-inch wheels, skid plates, an Autotrac® 2-speed active transfer case and Hill Descent Control.

A Z71-specific grille, Black tubular assist steps and recovery hooks and Z71 badging put an exclamation point on this Tahoe edition. The Z71 Midnight Edition adds Black-painted aluminum wheels, Goodyear Wrangler DuraTrac tires, a unique Z71 Midnight grille and Black roof rack cross rails. Z71 is available on LT 4WD models.

† To avoid the risk of injury, never use recovery hooks to tow a vehicle. See the Owner’s Manual for more information.
SPECIAL EDITIONS

RST EDITION
The RST Edition, available on LT and Premier, is street art you can’t help but notice.

RST is instantly recognized by its body-color appearance, Gloss Black accents and exclusive 22-inch aluminum wheels. The available RST 6.2L Performance Edition features a 420-horsepower 6.2L EcoTec3 V8 engine and a 10-speed automatic transmission.

PREMIER PLUS EDITION
The finest expression of Tahoe style and refinement.

An exclusive premium two-tone Mahogany/Jet Black interior includes heated and ventilated leather-appointed front seats. Assertive performance is assured by the 6.2L EcoTec3 V8 engine and 10-speed automatic transmission. And you’ll stay connected with 12 months of available 4G LTE Wi-Fi.†

Other details include power-retractable assist steps with bright accents and perimeter lighting, a polished exhaust tip and Black roof rack cross rails.

† Service varies with conditions and location. Requires active service plan. Data plans offered by AT&T. Visit onstar.com for details and limitations.

INTERIOR DESIGN

THE ONLY WAY TO TRAVEL.

The room you need, with the luxury you desire. It’s this enviable combination that sets Tahoe apart from lesser SUVs. There’s space for up to eight passengers (nine in LS with the available front split-bench seat). And the second- and third-row seats fold down, so Tahoe is always ready for the next adventure.
Tahoe Premier in Iridescent Pearl Tricoat (extra-cost color).
DESIGNED TO A HIGHER LEVEL.

With the second- and third-row seats folded down, Tahoe offers 94.7 cu. ft. of cargo space behind the front row! That’s more than enough room for everyday use or a weeklong road trip. A hands-free programmable power liftgate (standard on Premier and available on LT) is another thoughtful feature. With the key fob in range, a sensor under the rear bumper allows you to open the liftgate with a gentle kicking motion.

The 8-inch diagonal touch-screen slides up to reveal a password-protected area behind the display with space for cell phones, wallets or other valuables.

Enjoy the convenience of available power-folding third-row seats. The easy-to-reach buttons allow Tahoe with power-release second-row seats and power-folding third-row seats to go from passenger space to cargo space in no time.

† Cargo and load capacity limited by weight and distribution.

SAFETY AND DRIVER ASSISTANCE

READY AND VIGILANT.

Adaptive Cruise Control – Advanced. Using sensors that include radar technology, this feature can automatically adapt cruise control speed to maintain a following gap to vehicles detected ahead. Available on Premier.

Automatic Emergency Braking. If an imminent front-end collision is detected with a vehicle you are following, the feature can alert you and can automatically apply hard emergency braking or enhance driver hard braking. Standard on LT and Premier. Available on LS.

Forward Collision Alert. This feature monitors how close your vehicle is to the detected vehicle in front of you and can alert you to a potential crash. Standard on LT and Premier. Available on LS.

Lane Keep Assist with Lane Departure Warning. At speeds above 37 mph, this feature monitors road lines and can gently turn the steering wheel to help keep the vehicle in its lane or provide an alert if a lane marker is unintentionally crossed. Standard on LT and Premier. Available on LS.

Lane Change Alert with Side Blind Zone Alert. This feature can provide side mirror alerts when it detects fast-approaching vehicles in adjacent lanes as well as moving vehicles in the side mirror blind zones. Standard on Premier. Available on LT.

Rear Cross Traffic Alert. This feature can alert you to detected vehicles crossing behind your Tahoe when backing up. Standard on Premier. Available on LT.

Rear Vision Camera. When traveling in Reverse at low speeds, this feature helps provide a view of the area immediately behind your Tahoe. Standard on all models.

Front and Rear Park Assist. At low speeds, this feature can provide distance alerts to nearby detected objects to help you park. Standard on Premier. Available on LT.

IntelliBeam® headlamps. When oncoming headlamps are sensed or when taillamps are detected, this feature intuitively adjusts between low and high beams. Standard on LT and Premier. Available on LS.

Safety Alert Seat. This feature gives you the option of getting directional vibration pulses from the driver seat instead of beeps to indicate the direction of potential threats. Standard on LT and Premier. Available on LS.

Teen Driver. This technology helps encourage better driving habits by providing an in-vehicle report card that monitors the frequency of certain available safety technology feature activations, muting the audio system when front-seat occupants aren’t wearing their seat belts, and giving audible and visual warnings when the vehicle is traveling over a predetermined speed. Standard on all models.

Safety starts with you. Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.

1A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. 2Read the vehicle Owner's Manual for important feature limitations and information. 3OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Not all vehicles may transmit all crash data. Roadside services provided by Allstate Roadside Services for vehicles only. Limitations and restrictions apply. Stolen Vehicle Assistance requires armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Visit onstar.com for details and limitations. Experience Chevrolet Complete Care, a comprehensive coverage, warranty and protection program that comes standard with every new 2020 Chevrolet Tahoe lease and purchase. Simply, it is designed around you, to make it easy to keep your Chevrolet like new — and give you the confidence you deserve when you need it most.

NEW VEHICLE LIMITED WARRANTY

3-year/36,000-mile Bumper-to-Bumper Limited Warranty. Chevrolet will warrant each 2020 Tahoe from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

5-year/60,000-mile transferable Powertrain Limited Warranty. Every 2020 Tahoe comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

Your comprehensive owner benefit program.
Includes one maintenance visit (oil change, tire rotation and multi-point vehicle inspection)²:
5 years/60,000 miles³ of Roadside Assistance⁴ and Courtesy Transportation.
3-year/36,000-mile⁵ Bumper-to-Bumper Limited Warranty.
5-year/60,000-mile⁵ Powertrain Limited Warranty.
6 years/100,000 miles⁴ of Rust-Through Protection.
Chevrolet Connected Access⁶ with 10 years of standard connectivity, which currently enables features such as Vehicle Diagnostics and Dealer Maintenance Notification.
1 month of Chevrolet Connected Services⁷ and 1 month of OnStar Safety & Security Plan coverage⁷.

1 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. 2 Cargo and load capacity limited by weight and distribution. 3 Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details. 4 Whichever comes first. See dealer for details. 5 Roadside service provided by Allstate Roadside Services. Limitations apply. 6 Standard connectivity available only to original purchaser for 10 years. Services enabled by Connected Access are subject to change. Does not include emergency or security services. Diagnostic capabilities vary by model and service plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit onstar.com for details and limitations. 7 Connected services include navigation services and Remote Access Plan. Services subject to terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. Visit onstar.com for details. Availability subject to change.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Chevrolet Connected Services and OnStar. Connected vehicle services vary by vehicle model and require an active service plan, working vehicle electrical system (including battery), cell reception and GPS signal to function properly. Visit onstar.com for details and limitations.

A note on child safety. Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information.

Important words about this catalog. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large SUV segment and latest available competitive information. Excludes other GM vehicles.

Fleet orders. Some standard content may be deleted on fleet orders. See dealer for details.
