A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner’s Manual and child safety seat instructions for more safety information.

Call 1-888-4ONSTAR (1-888-466-7827), visit onstar.com and see page 7 within this catalog for details and system limitations.

XM is available only in the 48 contiguous United States. Required $12.95 monthly subscription sold separately after three trial months. All fees and programming subject to change. For more information, visit gm.xmradio.com.

The Bluetooth word mark is a registered trademark owned by Bluetooth SIG, Inc. and any use of such mark by Chevrolet is under license. Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle.

Use only GM-approved tire and wheel combinations. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details.

For a complete list, go to chevy.com/trailblazer.
EXTEND YOUR CITY LIMITS.

Driving out of town or venturing into the wild — TrailBlazer can get you there with confidence. Available in two trim levels: the well-equipped LT with the VORTEC 4.2L V-6 OFFERS BEST-IN-CLASS STANDARD SIX-CYLINDER HORSEPOWER, and the performance-based SS goes from zero to 60 in under six seconds, thanks to the 6.0L LS2 V8 engine. Every TrailBlazer includes driver and front passenger frontal and side-curtain side-impact air bags. "OnStar" with a one-year Safe & Sound Plan and StabiliTrak Electronic Stability Control System, while 4x4 models include the Autotrac on-demand 4x4 transfer case. And TrailBlazer is backed with the best coverage in America: a 100,000 mile/5-year9 transferable Powertrain Limited Warranty, plus Roadside Assistance and Courtesy Transportation.

A 17" Sport aluminum wheel (standard on LT models) • A 17" bright aluminum wheel (standard on 2LT models) • A 18" polished aluminum wheel (standard on 3LT and available on 2LT models) • A 20" SS wheel (standard on SS models). 4x4 starts from $17,995. Use only GM-approved tire and wheel combinations. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details.

†Based on 2008 GM Mid-Utility Traditional segment and latest available competitive information. Excludes other GM vehicles. ‡A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See your Owner’s Manual and child safety seat instructions for more safety information. 3Call 1-888-4ONSTAR (1-888-466-7827), visit onstar.com and see page 7 within this catalog for details and system limitations. 4Whichever comes first. See dealer for details. 5Not available on SS. 6Use only GM-approved tire and wheel combinations. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details.
HEIGTHEN YOUR SENSE OF DIRECTION.

No matter which way you’re going, TrailBlazer lets you multitask with ease. The leather-wrapped steering wheel with mounted audio and DRIVER INFORMATION CENTER (DIC) buttons (standard in 2LT, 3LT and SS models) helps keep controls at your fingertips. NEW Bluetooth® wireless technology for select compatible phones® is standard in 2LT, 3LT and SS models. Help take the guesswork out of your road trips with Turn-by-Turn Navigation, available with the OnStar Directions & Connections Plan. An Advisor downloads your route to your TrailBlazer, and an automated voice guides you through every turn until you arrive at your destination. Choose your listening media, including CD or XM RADIO® with three trial months. The Bose® sound system, standard in 3LT and SS and available in ILT and 2LT, further enhances sound quality. Rear-seat passengers can while away the miles with the available DVD entertainment system. Travel in style with front bucket seats in Premium Cloth, standard in ILT, while leather-appointed seating is included in 2LT, ILT and SS models. And you’ll warm up during cold-weather journeys with heated driver and front passenger seats. They’re standard in 3LT and SS.

*Trial period starts from first activation and ends automatically after three trial months, unless canceled. XM is available only in the 48 contiguous United States. Required $12.95 monthly subscription sold separately after three trial months. All fees and programming subject to change. For more information, visit gm.xmradio.com. Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle. XM service not available in Alaska or Hawaii. Vehicle equipped with XM® Radio system. Optional cell phones, if compatible, can be paired to the vehicle. In addition, as an accounting call is answered, the vehicle’s audio system is conveniently and automatically muted.

The available INTEGRATED NAVIGATION RADIO® includes a full-color touch-screen display and the ability to play a CD or use the navigation DVD. Available in ILT and SS models.
IMPORTANT INFORMATION.

THE BEST CHOICE IN AMERICA: Every 2009 Chevy passenger car, light truck, SUV and other select vehicles come with a 3-year/36,000-mile Limited Warranty. Plus, you get 3 years/36,000 miles of 24/7 Roadside Assistance. For the details, see your dealer. Or visit chevy.com.

BEYOND THE LIMITED WARRANTY: Still, some things aren’t covered by the warranty. For information on our new vehicle accessories, insurance, financing, towing, emissions testing or other questions, call 1-866-222-1020. And see your dealer for complete details.

THE HARD, LOUD, POISON-WILLOW-SCENTED LEGEND: Anyone who’s ever gone hunting, caving, or just strolled through a mountainous area has probably encountered a Torso, a hard, loud, poison-willow-scented legend. This creature has been known to destroy trees, rapids, towns, and even entire civilizations. So you can imagine our delight when we discovered this creature has a pattern to match Trailblazer! But please, no hunting.

THE AVAILABLE CUPPED-END ALL-PURPOSE BLEND: This secret blend can keep you going while you’re traveling. Just take a few of these for the road. You’ll never be disappointed.

THE VEHICLE IDENTIFICATION NUMBER (VIN) is shown on the information label located on the lower left door post and in the glove box. It is also stamped in the engine compartment on the left side of the engine and on the lower left side of the instrument panel. It is a unique number that identifies your vehicle. Be sure to record it in the space provided and keep it with your records for future reference.

BEFORE USING THE ELECTRONIC TOPOGRAPHIC MAP: Before using the electronic topographical map, please consult your owner’s manual for complete details of the system and its features.

THE ROAD Baylor ASSISTANCE (1-800-CHEV-USA): 24-HOUR ROADSIDE ASSISTANCE (1-800-CHEV-USA): Chevrolet’s Roadside Assistance provides you with valuable, worry-free assistance 24 hours a day, 7 days a week. Our help includes: Flat tire changes (if your spare is equipped), fuel delivery (at least 1/4 full), jump starting, and towing. To get help, be prepared to give the following information:

1) Your Chevrolet product’s model code and year of manufacture. Be sure that you have this information before you call.

2) Your vehicle’s VIN (Vehicle Identification Number). Be sure that you have this information before you call.

3) Your location and a clear description of your problem. Be sure that you have this information before you call.

4) Your name, address, and telephone number. Be sure that you have this information before you call.

SPECIAL ASSISTANCE AVAILABLE: If you are a person with disabilities or situations requiring special assistance, contact 1-800-950-CHEV.

TRAILER TIE-DOWN INSTRUCTIONAL INFORMATION: The following is important safety information about how to safely tow your vehicle.

COMMUNITY (1-800-950-CHEV): Get details on financial assistance for eligible adaptors and equipment. Information available on hearing, visual, physical, and cognitive impairments.
