TRAVERSE HIGH COUNTRY

High Country elevates any experience, providing all the things you knew you wanted and then some. Features include:

- Unique High Country Chrome Grille
- Chrome Roof Rails
- Skyscape® Dual-Panel Sunroof
- Twin-Clutch Advanced All-Wheel Drive
- 20-Inch Polished-Aluminum Wheels
- IntelliBeam® Headlamps
- Exclusive Loft Brown/Jet Black Interior
- 7-Passenger Seating
- Heated and Ventilated Front Seats
- Heated Second-Row Seats
- Power-Folding Third-Row Seat
- All the safety and convenience features Traverse offers

Traverse High Country in Iridescent Pearl Tricoat (extra-cost color).

1 High Country shown seats seven. 2 With second- and third-row seats folded flat. Cargo and load capacity limited by weight and distribution. 3 Read the vehicle owner’s manual for important feature limitations and information.

The journey is as important as the destination.

Whatever you need to do, and wherever you want to go, the 2019 Traverse has the flexibility to help you get it done.

It starts with a choice of seating for seven or eight1 and 98.2 cu. ft. of cargo space2. It continues when you discover the capability of Traction Mode Select and available switchable all-wheel drive. And finally, a richly refined interior and a stunning exterior create a lasting impression.

With six different trim levels, there's sure to be one that fits your personality. Add in available advanced safety technologies, exceptional connectivity and convenience features, as well as available Surround Vision3, and you'll see Traverse always puts your family first.
Traverse Premier in Black Currant Metallic (extra-cost color).

**TRAVERSE PREMIER**

Modern and sophisticated, Premier raises the bar on what a premium midsize SUV can be. This trim level includes:

- Chrome-accented grille with chrome inserts
- Chrome roof rails
- LED D-Optic™ headlamps
- 20-inch Argent Metallic machined-face aluminum wheels
- Dual-outlet exhaust with rectangular tips
- Body-color lower moldings with chrome inserts
- Hands-free power liftgate
- 7-passenger seating
Traverse Premier in Mosaic Black Metallic with available Redline Edition.

**TRAVERSE REDLINE EDITION**

With bold style for a street-smart aesthetic, the Redline Edition includes all the features of Premier, plus:

- 20-inches gloss black-painted aluminum wheels with red accents
- Signature black and red Traverse badging
- Black Chevrolet Bowtie emblems, grille, foglamp bezels, window trim, roof rails and more
- Dark taillamps
- Skyscape dual-panel sunroof
- Trailering equipment
TRAVERE RS

The bold, sporty RS turns heads and always stands out from the crowd. This trim level includes:

- 2.0L turbocharged 4-cylinder engine (FWD)
- Available 3.6L V6 engine (AWD)
- 20-inch dark android-painted aluminum wheels
- Black Chevrolet Bowtie emblems, grille, foglamp bezels, window trim and roof rails
- Jet black leather-appointed seating surfaces
- 7-passenger seating
TRAVERSE LT

With a long list of standard features your family needs, plus the style you want, Traverse LT includes:

Chrome-accented grille with chrome inserts
Body-color outside mirrors with LED turn signal indicators
Fog lamps
18-inch bright silver-painted aluminum wheels
Standard 7-passenger or available 8-passenger seating
Cloth or leather-appointed seating surfaces available

Traverse LT Leather in Satin Steel Metallic with available 20” machined-face aluminum wheels with Technical Gray pockets.
INTERIOR DESIGN

**GREAT FROM THE WORD “GO.”** Traverse aims to impress with all these standard features: Keyless Open and Start, tri-zone automatic climate control, USB ports in all rows, Chevrolet Infotainment System with a touch-screen display, a theft-deterrent system, and so much connectivity technology you might never want to leave.

**THE SEAT OF POWER.** LT models and above have an 8-way power driver seat, while LT Leather, Premier and High Country also include a 6-way power front passenger seat. Memory settings for the driver seat, a heated steering wheel and outside heated mirrors are included on Premier and High Country for the ultimate in customized comfort.

**A PEACEFUL PLACE.** With Active Noise Cancellation, a honed exterior that helps reduce wind noise and numerous other acoustic enhancements, Traverse is a quiet place for a conversation, whether you’re using the hands-free phone function or talking to people in the third row.

---

1 Not compatible with all devices. 2 Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.
TRAVEL FIRST CLASS. Premier and High Country provide perforated leather-appointed seating surfaces and heated and ventilated front seats, along with a heated steering wheel that helps shake off the chill on cold mornings. Rear passengers haven’t been forgotten, with heated seats in the second row.

SEATING FOR 7. OR 8. Seating for eight includes second- and third-row flat-folding 60/40 split-bench seats (standard on L and LS; available on LT; not available on Premier and High Country). Seven-passenger seating includes second-row flat-folding captain’s chairs in place of a bench seat (standard on LT models and above).

LT LEATHER. Whether your family needs seating for seven or eight, you can now choose available leather-appointed seating surfaces for the first and second rows.

A TOUCH OF CLASS. Bright finishes such as available Galvano chrome and sophisticated Piano Black accents heighten the interior experience. The perforated leather appointments in both Premier and High Country provide the luxury you deserve, with High Country adding sueded microfiber accents on the instrument panel and doors.

Don’t Forget Your Laptop. Rear Seat Reminder* activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the engine, under certain conditions, you will get a reminder to double-check for valuables left behind.

*Does not detect people or items. Always check rear seat before exiting.
THERE’S ROOM FOR THAT. AND THAT. AND THAT. You get the idea. Traverse offers 98.2 cubic feet\(^1\) of maximum cargo space when you fold the second and third rows virtually flat. And even with all the seats up, Traverse offers 23 cubic feet\(^1\) of cargo space behind the third-row seats.

A PLACE FOR EVERYTHING. You’ll need to bring along a whole lot of stuff to fill all the storage spaces in Traverse. There are dedicated spots for cell phones and umbrellas, plus a roomy center console and 10 cup holders.

THIRD-ROW CONVENIENCE. Everything is easy with power-folding third-row seating on High Country. A simple touch of the buttons located in the rear cargo area folds the third row up or down, depending on how you plan to use your Traverse today.

\(^1\) Cargo and load capacity limited by weight and distribution.
1. **PUT YOUR BEST FOOT FORWARD.**
Open and close the hands-free gesture power liftgate by simply using a kicking motion under the rear bumper. LED lighting projects the Chevrolet bowtie so you’ll know just where to kick. Standard only on Premier and High Country.

2. **FILL IT UP.** Traverse offers an abundance of open storage spaces, 24 to be exact, including a front passenger-side pocket that can easily accommodate a tablet.

3. **HIDDEN TREASURE.** A large underfloor cargo area is easily accessible and is a great place to store valuables, since it’s completely out of sight.

4. **SLIDE INTO THIRD.** The enhanced Smart Slide® second-row seat lets you slide and tilt forward the passenger-side seat for quick and easy access to the spacious third row. You can even leave an unoccupied forward-facing child seat in place — it just has to be properly installed using the LATCH system.
1. **Apple CarPlay Compatibility.**
   With Apple CarPlay®, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touch-screen display.

2. **myChevrolet Mobile App:** Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off your engine, lock or unlock your doors³ (requires paid subscription after trial), send destinations to your available navigation⁴ system, view key vehicle diagnostic information, set parking reminders and more. Requires available Remote Access Plan.⁵

3. **Control is at Your Fingertips.**
   Offering up to four modes, Traction Mode Select lets you adjust performance based on road and surface conditions: FWD for everyday driving, Off-Road on AWD models when you need to send extra torque to the rear wheels, 4x4 (AWD)/Snow (FWD) for better control on slippery surfaces, and Tow/Haul⁶ when pulling a trailer (if properly equipped).

---

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Device data connection required. ³ Requires paid subscription. Services are subject to User Terms and limitations. ⁴ Send-to-Navigation requires subscription. Service varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada. ⁵ Remote Access Plan does not include emergency or security services. Visit onstar.com for details and limitations. ⁶ Requires available trailering equipment.

Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.
NOW YOU SEE IT. NOW THEY WON'T.
An 8-inch diagonal color touch-screen, standard on LT Leather, RS, Premier and High Country, includes hidden, lockable storage behind the display to stow small valuables out of sight. There’s also a USB port for charging your smartphone.

ON-COMMAND CONNECTIVITY.
The Chevrolet Infotainment System lets you handle calls, play music and easily access contacts from the color touch-screen or through voice commands. With the available 8-inch diagonal color touch-screen, you can browse, select and install apps that can help enhance your driving experience.

WI-FI IN YOUR TRAVERSE. Chevrolet offers available built-in 4G LTE Wi-Fi that provides a better in-vehicle experience than your smartphone. Our strong signal means you have a fast and reliable connection for up to seven devices.

EASY ANDROID CONNECTION.
With Android Auto compatibility, you can interact with select smartphone apps. This system takes some of your compatible Android phone’s features and lets you access them on the touch-screen display. You can access your phone, text messages, music, navigation and more.

---

1 Not compatible with all devices. 2 Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 3 Visit chevrolet.com/connectivity for more details. 4 Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Visit onstar.com for details and limitations. 5 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. Android, Android Auto, Google, Google Play and other marks are trademarks of Google LLC.
SURROUND VISION! This feature can help make parallel parking and maneuvering at low speeds into tight garage spaces easy. That's because you get two views when you look at just one screen. Using four strategically placed cameras, Surround Vision creates a virtual bird's-eye view of the areas immediately surrounding your Traverse. All camera viewpoints simultaneously merge to transmit a clear side-by-side image to the display screen. Standard on RS models and above. Available on LT Leather.

ONSTAR AUTOMATIC CRASH RESPONSE! In a crash, built-in sensors can automatically connect you to a specially trained, Emergency Medical Dispatch-certified Advisor who can help you get the assistance you need—even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response is included in the available OnStar Safety & Security Plan.

1 Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information. 2 OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services. 3 OnStar Advisors are certified by the International Academies of Emergency Dispatch. 4 Visit onstar.com for system limitations and details. OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services.
1. **REAR CAMERA MIRROR.** This technology projects a wide-angle view of the area behind your Traverse. The driver can easily toggle between the mirror surface and a video screen that provides a view without the obstruction of head restraints, rear-seat passengers or cargo. Standard on RS models and above. Available on LT Leather.

2. **TEEN DRIVER.** Perfect for new drivers, Teen Driver technology helps encourage better driving habits by providing an in-vehicle report card that monitors the frequency of certain available safety tech features that are activated, muting the audio system when front-seat occupants aren’t wearing their seat belts, and giving audible and visual warnings when the vehicle is traveling over a predetermined speed.

3. **FRONT CENTER SIDE-IMPACT AIRBAG.** Traverse continues the use of an industry-first airbag that deploys from the right side of the driver seat and positions itself between the front seats for added cushioning and restraint to help protect the driver and passenger in the event of a side-impact collision.

---

1. Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.

2. Sitting too close to an airbag when it deploys can increase the risk of serious injury or death. Always properly wear your seat belt.

A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information.
SAFETY STARTS WITH YOU. Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.
WE’RE SERIOUS ABOUT SAFETY.

Protection is good, but prevention is better. Offering advanced safety technologies, Traverse uses available cameras, ultrasonic sensors and radar to detect potential hazards to help you avoid collisions before they happen.

**ADAPTIVE CRUISE CONTROL – ADVANCED.**
This standard feature on High Country can automatically adapt your cruise control speed in order to maintain a driver-selected following gap to vehicles detected ahead while you steer.

**FRONT PEDESTRIAN BRAKING.**
At speeds up to 50 mph, a forward-looking camera surveys the road ahead, flashing a warning signal and a series of eight beeps when the vehicle is approaching a pedestrian ahead too fast. If necessary, the available system can even automatically apply last-second braking. Standard on High Country and available on Premier.

**LOW SPEED FORWARD AUTOMATIC BRAKING.**
Camera-based Low Speed Forward Automatic Braking can help prevent or mitigate collisions at speeds below 50 mph. Available on Premier.

**FORWARD COLLISION ALERT WITH FOLLOWING DISTANCE INDICATOR.**
This available feature monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it can alert the driver to a potential crash. It also can warn the driver if their Traverse is following a detected vehicle much too closely. Standard on High Country and available on Premier.

**FORWARD AUTOMATIC BRAKING.**
Using the same radar sensors as Adaptive Cruise Control – Advanced, Forward Automatic Braking can help mitigate collisions or even prevent them at very low speeds. If the system detects an imminent front-end collision, it alerts you and can automatically apply the brakes if you have not already done so. Standard on High Country.

**LANE KEEP ASSIST WITH LANE DEPARTURE WARNING.**
At speeds above 37 mph, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins leaving the lane without the use of a turn signal. Standard on High Country and available on Premier.

**LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT.**
Radar sensors in the rear corners of the vehicle help detect fast-approaching vehicles in the adjacent lanes as well as moving vehicles in the side mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle’s presence. Standard on High Country and available on Premier.

**REAR CROSS TRAFFIC ALERT.**
Using radar sensors, this feature alerts you to crossing vehicles behind your Traverse when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected. Standard on LT AWD models and above.

**REAR VISION CAMERA.**
When traveling in Reverse at low speeds, the standard rear vision camera helps provide a real-time view of the area immediately behind your Traverse on the touch-screen display.

**REAR PARK ASSIST.**
This available feature helps you when backing up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle. Standard on LT AWD models and above.

**INTELLIBEAM HEADLAMPS.**
When oncoming headlamps are sensed or when taillamps are detected in front of the vehicle, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams. Standard on High Country and available on Premier.
3.6L V6 ENGINE. Delivering more than 300 horsepower, our 3.6L V6 provides smooth, effortless performance. And this engine features a number of fuel-saving technologies, such as Variable Valve Timing and Direct Injection, so you don’t have to sacrifice efficiency in the name of power. This engine is available on RS AWD and standard on all other models.

2.0L TURBO. Traverse RS front-wheel-drive models have a fun-to-drive 2.0L turbocharged 4-cylinder engine under the hood. With a design that generates up to 20 pounds of boost and virtually eliminates turbo lag, you’ll get the full performance benefits of the engine’s 257 horsepower and 295 lb.-ft. of torque.

INTELLIGENT STOP/START TECHNOLOGY. In certain conditions, the engine will automatically shut off when the brake is applied and the vehicle comes to a stop. When the brake is released, the engine automatically turns back on. It’s a smart way to help save gas in stop-and-go city driving. It’s so seamless, you might not notice it at all.

9-SPEED AUTOMATIC TRANSMISSION. Tuned for smooth shifts and fuel-efficient cruising, the 9-speed automatic transmission is standard on Traverse and perfectly complements the 3.6L V6 and 2.0L turbo engines.

† EPA-estimated MPG city/highway: 18/27 (3.6L FWD), 17/25 (3.6L AWD) and 20/25 (2.0L turbo FWD). ‡ EPA-estimated MPG city: 18 (3.6L FWD), 17 (3.6L AWD) and 20 (2.0L turbo FWD).
Traverse Premier in Black Currant Metallic (extra-cost color).

WE’RE REDEFINING “GETAWAY VEHICLE.”

**TOW UP TO 5,000 LBS.** With the 3.6L V6 engine and available factory-installed trailering equipment, you can tow a midsize camper, jet skis, a boat or whatever you need on your next adventure.

**TRACTION MODE SELECT.** This standard feature offers up to four modes and allows you to adjust performance based on road and surface conditions with the simple turn of the dial — whether you have front-wheel drive or available all-wheel drive. FWD is your setting for everyday driving and the best fuel efficiency; Off-Road is only for AWD models and sends more torque to the rear wheels for improved driving on snow, grass, gravel or loose dirt; 4x4 (AWD)/Snow (FWD) helps offer better control when snow and ice make road conditions slippery; and Tow/Haul (if properly equipped) helps keep Traverse in a lower gear, offering more torque when you’re pulling a trailer.

**SWITCHABLE ALL-WHEEL DRIVE.** This available system enhances traction and control on slippery or snow-covered roads. Conveniently, you can leave switchable AWD on year-round, since the rear wheels only engage when the system senses reduced traction. In FWD mode, AWD components completely disengage for greater fuel efficiency.

**TWIN-CLUTCH ALL-WHEEL DRIVE.** High Country offers an advanced twin-clutch all-wheel-drive system that helps improve driver control by independently directing torque to the wheel with the best traction in poor road conditions. This helps give the driver superior control as well as a confident feeling behind the wheel.

**HANDLING IS A HIGH POINT.** The current Traverse is up to 300 pounds lighter than the previous generation. Plus, it features variable-assist Electric Power Steering and a 5-link independent rear suspension. All that adds up to an SUV with a tight turning circle and light, nimble steering that helps you feel more connected to the road.

---

1 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. 2 EPA-estimated MPG city/highway: 17/25 (3.6L AWD).

### SELECT VEHICLE FEATURES

## TRAVERSE L
- 3.6L V6 engine with stop/start technology
- 9-speed automatic transmission
- Dual-outlet exhaust with round tips
- Traction Mode Select
- StabiliTrak® Electronic Stability Control System with Traction Control
- Frontal and side-impact airbags for driver and front passenger, includes Passenger Sensing System; driver inboard seat-mounted side-impact airbag; and head-curtain airbags for all rows in outboard seating positions
- Tire Pressure Monitoring System with Tire Fill Alert™
- OnStar® Safety & Security Plan® with 1-month coverage, including Automatic Crash Response, Emergency Services, Stolen Vehicle Assistance, Roadside Assistance and Turn-by-Turn Navigation
- LATCH (Lower Anchors and Tethers for Children) system for child safety seats
- Teen Driver technology
- Rear vision camera®
- LED daytime running lamps
- High-intensity discharge (HID) headlamps
- Outside heated power-adjustable manual-folding black mirrors
- Black bodyside moldings and rocker moldings
- Body-color door handles
- Compact spare tire
- Chevrolet Infotainment System® with 7-inch diagonal color touch-screen, AM/FM stereo, Bluetooth® audio streaming and Android Auto™ and Apple CarPlay™ compatibility
- Bluetooth wireless technology® for select phones
- Six USB ports®
- Driver Information Center with 3.5-inch diagonal monochromatic display
- Compass with digital display
- Keyless Open and Start
- Steering wheel-mounted controls for audio, phone and cruise
- Power windows with driver and front passenger express-down
- Tri-zone automatic climate control with individual climate settings for driver, front passenger and rear seats
- Interior lighting with theater dimming, cargo light, reading lights for front seats, second-row reading lamps and door- and tailgate-activated switches
- 8-passenger seating with Premium Cloth seating surfaces
- 10-cup holders
- Rear Seat Reminder®
- Built-in 4G LTE Wi-Fi® for up to seven devices, includes data trial for 1 month or 3 GB (whichever comes first)

## TRAVERSE LS
In addition to or replacing L features, LS includes:
- Deep-tinted glass

## TRAVERSE LT CLOTH (1LT)
In addition to or replacing LS features, LT Cloth includes:
- Outside heated power-adjustable manual-folding body-color mirrors with turn signal indicators
- Foglamps
- Roof rails
- SiriusXM® Radio® All Access Package with 3-month trial subscription
- 7-passenger seating with second-row captain’s chairs
- 6-way power driver seat with power lumbar control
- Leather-wrap wrapped steering wheel
- Power windows with driver express-up/-down and front passenger express-down

## TRAVERSE LT LEATHER (3LT)
In addition to or replacing LT Cloth features, LT Leather includes:
- Lane Change Alert with Side Blind Zone Alert® and Rear Cross Traffic Alert®
- Rear Park Assist® with audible warning
- Power rear liftgate with programmable height adjustment
- Remote vehicle starter system
- Chevrolet Infotainment System® with 8-inch diagonal color touch-screen with motorized power up/down and hidden storage
- Enhanced Driver Information Center with 4.2-inch diagonal multi-color display
- Leather-appointed seating surfaces
- 6-way power front passenger seat with power lumbar control
- Heated driver and front passenger seats
- Universal Home Remote programmable transmitter

## TRAVERSE PREMIER

- Bose® premium 10-speaker sound system with RichBass™ woofer in center console

---

1. A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information. 2. Excludes spare tire. 3. Visit onstar.com for limitations and details. OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services. Roadside service provided by Allstate Roadside Services. Stolen Vehicle Assistance requires arched factory-installed theft-deterrent system. 4. Read the vehicle Owner’s Manual for important feature limitations and information. 5. Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. 6. Visit my.chevrolet.com/learnAbout/bluetooth to find out which phones are compatible with the vehicle. 7. Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. 8. Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. 9. Not compatible with all devices. 10. Does not detect people or items. Always check rear seat before exiting. 11. Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Visit onstar.com for details and limitations. 12. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. 13. The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details.

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY

Chevrolet will warrant each 2019 Traverse from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY

Every 2019 Traverse comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

1 Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/Multi-Point Inspection. Does not include air filters. See participating dealer for other restrictions and complete details. 2 Whichever comes first. See dealer for details. 3 Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include safety services. Visit onstar.com for details and plan limitations. 4 Connected Services include navigation services and Remote Access Plan, and 1 month/3 GB of 4G LTE data (whichever comes first) from vehicle delivery date. Services are subject to User Terms and limitations. Certain services require working electrical system, cell service and GPS signals. OnStar links to emergency services. Visit onstar.com for more details. 5 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. 6 Cargo and load capacity limited by weight and distribution.
IMPORTANT INFORMATION

CHEVROLET CONNECTED SERVICES AND ONSTAR  Effective May 1, 2018, available Chevrolet Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Connected vehicle services require a paid connected vehicle service plan or trial and connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations.

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM)  Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES  Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY  Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY  Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG  We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-SUV Crossover segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS  Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE  Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You’ll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY  Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That’s why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935)  GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

THE BUYPOWER CARD  The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One® helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There’s no limit on the amount you can earn or redeem, and your Earnings don’t expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors (“GM”) is responsible for the operation and administration of the Earnings program.
