EVERY TURN OFFERS ENDLESS POSSIBILITIES.

It’s time to explore the city and discover its hidden gems in the 2016 Chevrolet Trax.

Spacious seating for five, incredible interior versatility and the amazing ability to navigate the smallest parking spaces make Trax the city-smart small SUV. At the same time, its efficiently powerful 1.4L turbocharged engine and available all-wheel drive take you from here to anywhere.

Add in a 5-Star Overall Vehicle Score for safety from NHTSA¹ and available built-in 4G LTE Wi-Fi® hotspot² and it’s clear you’re ready to leave no corner unturned.

1 Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA’s) New Car Assessment Program (www.SaferCar.gov). ² Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.
“When you do your errands on a Saturday... the Trax will seem like a miracle of practicality.”

— AUTOMOBILE
Trax LTZ in Orange Rock Metallic (late availability) with available features.
Bring Curb Appeal to Every Curb.

1. The dual-port grille and bowtie badging are Chevrolet signatures. LTZ-specific details such as 18-inch Silver-painted aluminum wheels, foglamps and door handles with chrome inserts combine to provide head-turning style.

2. Pronounced wheel flares and wraparound taillamps contribute greatly to the sculpted, athletic look.

3. A sleek spoiler adds aerodynamic edginess and functionality to the rear lifgate.
EVERY ONE OF YOUR SENSES WILL THANK YOU.

1. Trax brings you the commanding view of an SUV along with a motorcycle-inspired instrument cluster that features an analog tachometer and digital speedometer.

2. The available 7-speaker Bose® sound system provides a premium audio experience.

3. The well-appointed LTZ interior with standard leatherette seating is an oasis of comfort and convenience. In cooler weather, the heated front seats help chase away the chill.
Trax LTZ interior in Jet Black/Light Titanium-Color leatherette.
Today it’s the roomy 5-passenger seating that comes in handy. Tomorrow you’ll want to fold down the rear seats to take advantage of the 48.4 cu. ft. of cargo space. And who knows what the next day will bring. With eight seating and cargo configurations, Trax covers every possibility.

1 Cargo and load capacity limited by weight and distribution.
THERE'S A TIME AND A PLACE FOR EVERYTHING. NOT TO MENTION A SPACE.

1. 60/40 split flip-and-fold rear seats easily deliver an expansive load floor, while the fold-flat front passenger seat gives you the flexibility to carry longer items such as a paddleboard or an 8-foot ladder.

2. Trax has 15 standard storage areas — something no competitor can match. LT and LTZ models add a convenient underseat compartment to keep small essentials within easy reach.

3. The available Chevrolet Accessory Hitch-Mounted Bicycle Carrier conveniently tilts away from the liftgate for easy access to the rear.
AVAILABLE INTERNET IN YOUR TRAX.
Chevrolet is the first and only car company to offer built-in 4G LTE Wi-Fi to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet.¹

THE ULTIMATE BUILT-IN WI-FI HOTSPOT.
After initial setup, whenever your Trax is on, available 4G LTE Wi-Fi is automatically on too. It offers great signal quality and bandwidth for up to seven devices.¹

FAST, EASY, RELIABLE.
OnStar with 4G LTE provides a better in-vehicle experience than you’ll get with your smartphone. Our stronger signal means you have a reliable connection.¹

¹ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.

STAY CONNECTED, NO MATTER HOW FAR YOU GO.
MAKE A REAL CONNECTION. Chevrolet MyLink¹ with Bluetooth® wireless technology² makes it easy to connect to calls, music, contacts and infotainment on the go — by using the standard 7-inch diagonal color touch-screen display.

GETTING FROM HERE TO THERE IS EASY. With OnStar® Turn-by-Turn Navigation³ standard for six months, simply push a button and tell an Advisor where you want to go. Directions are quickly downloaded to your Trax, and a voice calls out every turn.

LISTEN TO ANYTHING FROM ANYWHERE. Commercial-free music plus sports, exclusive talk, news and more are available through the 3-month trial of SiriusXM Satellite Radio All Access Package⁴ standard on LT and LTZ models.

STREAMING MADE SIMPLE. It’s easy to enjoy your favorite audio services like TuneIn global Internet radio⁵, Pandora⁶ Internet Radio and Stitcher SmartRadio⁷ via Chevrolet MyLink¹.

¹Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Trax does not include functionality such as enhanced voice recognition, Gracenote and CD player. ²Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. ³Requires Guidance Plan. Visit onstar.com for coverage map, details and system limitations. ⁴If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. ⁵Data plan rates apply.
TECHNOLOGY HAS REDEFINED WHAT’S ESSENTIAL; WE’VE REDEFINED HOW TO ACCESS IT.

1. With a compatible iPhone,® Siri Eyes Free® allows you to compose and read text messages, access your calendar, check game scores and more.

2. Chevrolet services are always at your fingertips when you use the myChevrolet app. Contact Roadside Assistance, schedule service and access vehicle information at the push of a button.

3. Navigate the city with the BringGo app, one of the most affordable available in-dash navigation systems in this class.

4. The standard rear vision camera allows you to see stationary objects behind your Trax when traveling in reverse at low speeds.

Apple, the Apple logo and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc.

1 Requires compatible iPhone running iOS 6 or later. 2 Requires Apple iOS or Android platform. 3 BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply. See dealer or call 1-855-4-SUPPORT (1-855-4-787-7678) for more information.
PERFORMANCE

138 HORSEPOWER

34 MPG HIGHWAY FUEL ECONOMY EPA estimated

VARIABLE VALVE TIMING Helps improve power and increase fuel economy.

TURBOCHARGED PERFORMANCE. The power to merge and pass with confidence comes standard, thanks to the ECOTEC® 1.4L turbocharged engine paired with an electronically controlled 6-speed automatic transmission with Driver Shift Control.

KEEPING YOU ON TRACK. Available all-wheel drive (AWD) automatically adapts to provide extra traction and maneuverability in rain, snow or other challenging conditions. When AWD isn’t needed, the system shifts into front-wheel drive for maximum efficiency.

PRAISE FOR TRAX. Yahoo Autos said, “Steering is surprisingly light, and the electronic-assisted power steering makes child’s play of low-speed maneuvering.” Kelley Blue Book added, “We were pleasantly surprised at how nimble the Trax is no matter how fast you’re going.”

SAFETY

"⭐⭐⭐⭐⭐"

OVERALL VEHICLE SCORE FOR SAFETY:

— NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION

10 STANDARD AIR BAGS² That’s more standard air bags than any other competitor in this class. Every Trax includes dual-stage frontal and knee air bags for driver and front passenger, head-curtain side-impact air bags for front and rear outboard passengers, and front and rear seat-mounted side air bags.

ONSTAR AUTOMATIC CRASH RESPONSE³ In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected into your Trax to see if you need help — even if you can’t ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar is standard for six months.

REAR PARK ASSIST This available feature helps you back up by sounding an audible alert when it detects certain stationary objects up to eight feet behind the vehicle.

HIGHEST POSSIBLE OVERALL VEHICLE SCORE FOR SAFETY¹ Trax received the National Highway Traffic Safety Administration’s (NHTSA’s) highest possible Overall Vehicle Score for safety. The comprehensive NHTSA New Car Assessment Program puts vehicles through frontal, side-impact and side pole crash tests, as well as rollover evaluations. Each model is then given safety ratings from one to five stars. The result: a 5-Star Overall Vehicle Score for Trax.

SAFETY STARTS WITH YOU Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Trax Owner’s Manual for more important safety information.

YOUR SAFETY ZONE For enhanced security and protection, high-strength steel forms a rigid structure around the passenger compartment.

HILL START ASSIST By holding the vehicle stationary for up to two seconds after the brake is released, Hill Start Assist gives you time to accelerate before rolling backward. Handy when parking on city streets or driveways with especially steep inclines.

STABILITRAK® ELECTRONIC STABILITY CONTROL In challenging weather and road conditions, this standard system helps you stay the course by detecting the difference between the path being steered and the direction the vehicle is actually going. It then uses the brakes and, if necessary, adjusts engine torque to help you keep your Trax on track.

¹ Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA’s) New Car Assessment Program (www.SaferCar.gov).
² A NOTE ON CHILD SAFETY: Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.
³ Based on GM Crossover segment.
⁴ Visit onstar.com for details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.
Available Cargo Organizer from Chevrolet Accessories.

TAKE YOUR TRAX TO THE TOP. These are just a few of the impressive features available for your 2016 Trax. For a complete list of features and accessories, check out chevrolet.com.
Power sunroof, included in the available LT Sun and Sound Package.

7-speaker Bose® premium audio system, included in the available LT Sun and Sound Package.

Available all-weather Cargo Tray from Chevrolet Accessories.

### SELECT VEHICLE FEATURES

#### TRAX LS
- **ECOTEC 1.4L turbocharged DOHC 4-cylinder engine**
- 6-speed automatic transmission
- 4-wheel antilock brakes (front disc, rear drum)
- 4-wheel antilock disc brakes (AWD models)
- 10 air bags including frontal and knee for driver and front passenger, side-impact seat-mounted and roof rail-mounted for front and rear outboard seating positions; includes Passenger Sensing System
- OnStar Guidance Plan (standard for the first six months, trial excludes Hands-Free Calling minutes), includes Automatic Crash Response and Turn-by-Turn Navigation
- StabiliTrak Electronic Stability Control System with Traction Control
- Theft-deterrent system, unauthorized entry
- Halogen headlamps with automatic exterior lamp control and daytime running lamps
- Outside power-adjustable manual-folding body-color mirrors
- Rear vision camera
- Body-color door handles
- 16" steel wheels with painted wheel covers (FWD models)
- 16" painted-aluminum wheels (AWD models)
- Chevrolet MyLink Radio with 7-inch diagonal color touch-screen, AM/FM stereo with seek-scan and digital clock; includes Siri Eyes Free, voice pass-through technology, and smartphone app integration with BringGo (must be purchased separately), TuneIn, Pandora Internet Radio and Stitcher SmartRadio™
- Bluetooth wireless technology and audio streaming for select phones
- USB port and auxiliary input jack
- 6-speaker sound system
- Steering wheel-mounted audio and phone interface controls
- Driver Information Center (DIC) with 3.5-inch diagonal monochromatic display
- Single-zone manual climate control with air conditioning
- Power windows with driver express-up/-down
- Power-programmable door locks
- Remote Keyless Entry with panic alarm
- 4-way manual driver-seat adjuster with power lumbar control
- Front bucket seats
- Fold-flat front passenger seat
- 60/40 split-bench folding rear seat

#### TRAX LS Continued
- Auxiliary 12-volt power outlet
- 15 storage compartments
- Cargo security cover, rigid, removable
- Front and rear carpeted floor mats
- OnStar with 4G LTE and built-in Wi-Fi hotspot for up to seven devices; includes data trial for 3 months or 3 GB (whichever comes first)

#### TRAX LT
- In addition to or replacing LS features, LT includes:
  - Outside heated power-adjustable manual-folding body-color mirrors
  - Chrome beltline moldings
  - Front and rear Silver-painted skid plates
  - Roof rack side rails
  - Deep-tinted rear windows and liftgate glass
  - 16" aluminum wheels
  - SiriusXM Satellite Radio All Access Package with 3-month trial subscription
  - 110-volt power outlet located on rear of center console
  - Remote vehicle starter system
  - Cruise control
  - Front passenger underseat storage drawer
  - Deluxe Cloth seating

#### TRAX LTZ
- In addition to or replacing LT features, LTZ includes:
  - Foglamps
  - Body-color door handles with chrome strip
  - Chrome liftgate accents
  - Bright sill plate cover
  - Rear Park Assist
  - 18" aluminum wheels
  - 7-speaker Bose premium audio system, including subwoofer
  - Auto-dimming inside rearview mirror
  - 6-way power driver-seat adjuster with power lumbar control
  - Heated driver and front passenger seats
  - Leather-wrapped 3-spoke steering wheel
  - Leatherette seating

IMPORTANT INFORMATION

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Crossover segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You’ll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That’s why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935) GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.
