Dramatically curved design gives distinctive style to PT Cruiser.

PT Cruiser boasts a style that is simultaneously modern and retro and which projects a spirit of absolute individuality. And fun. No wonder it is one of the most owner-customized Chrysler vehicles we have ever offered. Yet PT Cruiser is so much more than simply a scene-stealing show car. It is a truly versatile vehicle that has inspired over one million proud owners around the world.
**EXTERIOR OVERVIEW**

With unique retro-styling that stands out in a crowd, it is certainly easy to see why PT Cruiser is America’s favorite small-car alternative. Of course, PT Cruiser is more than simply fun to look at; it is truly fun to drive with authoritative performance which reminds you at every turn that it is not the destination, but the journey that counts.

1. **Distinctive Dream Cruiser® accents.**
Creative mesh chrome grille accents, integrated fog lamps, 17-inch painted aluminum wheels on all-season performance radials and deep-tinted sun screen glass are all standard features that distinguish the PT Dream Cruiser.

2. **Body-color spoiler.**
The standard body-colored strip spoiler reduces drag and improves aerodynamics while subtly adding to PT Cruiser’s charm. The Brilliant Black Crystal Pearl sport spoiler shown is standard on PT Dream Cruiser.

All in all, PT Cruiser’s sleek exterior styling surrounds its flexible, user-friendly interior with room for five inside its 121 cubic feet of interior space.

**Remote Keyless/Illuminated Entry System.**
Combining the standard Remote Keyless Entry feature with the available Illuminated Entry System adds a world of convenience to your key fob. Both features are standard on PT Dream Cruiser.

**INTERIOR OVERVIEW**

PT Cruiser gives you both retro looks and modern function with extreme versatility. Start with historically inspired color-keyed instrument panel inserts then add the latest innovation of second-row theater-style seating. PT Cruiser also delivers added conveniences, such as power windows, available power driver’s seat, speed control, and fold-flat front passenger seat. PT Cruiser models include a Tire Pressure Monitoring Warning Lamp or a Tire Pressure Monitoring Display as part of the EVIC. A signature wing badge analog clock is also standard.

**Electronic Vehicle Information Center (EVIC).** This available feature shows important stats such as average fuel economy, distance to empty, temperature reading, compass, and maintenance intervals.

**Remote Keyless/Illuminated Entry System.**
Standard premium cloth seating surfaces, six-way power driver’s seat, and heated front seats help you find your comfort level.

**Cool glow console.** PT Cruiser carries the illuminating concept of ambient lighting to the instrument panel, raising the interior cool factor considerably.

**Select available SIRIUS® Satellite Radio** and gain access to over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic, and weather.

**Turn your vehicle into a WiFi HotSpot with this Authentic Chrysler Accessory by Mopar. Subscription required; sold separately.**

Versatility. Does it get any better than a long weekend, a last-minute road trip, or a day at the beach? PT Cruiser offers a host of functions and features that help you enjoy your own idea of fun on the run. Configure the front and rear seats for up to 32 available seating arrangements.

An available fold-flat front passenger seat offers extended loading capacity and a great flat working surface. PT Cruiser’s rear Fold-and-Tumble split-folding second-row bench seats remove completely for loading and carrying the big, bulky items.

Suspension. Every component contributes toward the ultimate goal of making driving fun. The MacPherson strut front suspension provides responsive steering and straight tracking. A Watt’s linkage rear axle helps eliminate hops and skips on turns. Front disc and rear drum brakes feature large-diameter front rotors to increase stopping power and reduce heat build-up.

Performance. The standard 2.4L DOHC 16-valve engine on PT Cruiser LX not only delivers lots of pep, it comes through with an impressive 26 mpg highway\(^1\) when paired with the standard manual transaxle.

2.4L Intercooled Turbocharged Engine. For even more get up and go you can choose PT Cruiser Limited featuring the standard 180-hp 2.4L DOHC 16-valve intercooled turbocharged engine.

Safety and Security

Air bags. Standard advanced multistage driver and front-passenger air bags\(^2\) with Occupant Classification System (OCS) provide nearly instantaneous impact protection for front-seat occupants by matching air bag output to crash severity and occupant weight. Standard supplemental side seat-mounted air bags\(^2\) provide side-impact protection to all outboard occupants. Standard driver-side knee blockers\(^2\) offer extra driver protection.

Sentry Key\textsuperscript{®} Theft Deterrent System. Help deter vehicle theft by making it virtually impossible to start the engine without possession of a properly encoded key. This practical security feature comes standard.

Lifetime Powertrain Limited Warranty.\(^3\)

As the owner of a PT Cruiser, you deserve the ultimate peace of mind, so we provide you with the ultimate coverage: the Chrysler Lifetime Powertrain Limited Warranty. The first to be offered by any automaker. Ever. It demonstrates the confidence we have in our ability to produce quality vehicles with reliable and durable powertrains warranted to last a lifetime.

---

\(^{1}\)Based on EPA estimates. \(^{2}\)Always sit properly in the seat with the seat belt fastened. Always observe the passenger air bag indicator lamp to determine if the OCS classification is appropriate. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child’s age and weight. \(^{3}\)No deductible. See dealer for a copy of limited warranty details. Non-transferable. Not available on certain fleet vehicles.
