We looked beyond looks.
Look fast. We designed Avenger to make a big first impression. It's not every day that an automobile stops people in their tracks on great looks alone. But Avenger does. It simply looks every inch the versatile sports coupe that it is. With a choice of two overhead cam multivalve engines, plus a fully independent double-wishbone suspension and speed-sensitive rack-and-pinion steering, you know Avenger isn't going to stay in any one place very long. But if it did, you could check out the details that will make a lasting impression. Like a spacious interior that features a real backseat with leg room for adult-sized passengers. And a split-folding feature that adds up to plenty of room for your favorite gear. Great looks always seem to hold out a promise for much more. Which is exactly what Avenger delivers. With a vengeance.
The 2.0-liter 16-valve DOHC four-cylinder engine with five-speed manual transaxle delivers a satisfying sense of authority, while the available 2.5-liter SOHC 24-valve V6* engine with four-speed automatic transaxle and selectable overdrive lockout responds enthusiastically to your perfectly reasonable demand to go now.

*Built by Mitsubishi Motors Corporation.

The Avenger ES' standard 17-inch tires and cast aluminum wheels make more than just a good showing. They help fulfill the design promise of Avenger's wide, road-hugging stance.
ge, this is a right.

The Dodge/Skip Barber Driving School and the Skip Barber Racing School have chosen Dodge as the exclusive supplier of vehicles and engines for all their teaching and racing operations. For information, call 1-800-221-1131, e-mail speed@skipbarber.com, or visit the Web site at www.skipbarber.com.
A highway is at your command. An available sound system of AM/FM stereo radio with cassette, CD player, and speakers is part of Avenger’s sonic potential. Feel free to enhance it further with an optional Mopar remote six-disc CD changer.
With Avenger, the driver rules. Advanced ergonomics mean that all controls are well within reach, from the gearshift to the amber analog gauges that light the way.

A height-adjustable steering column, standard on Avenger and Avenger ES, is only one of many ways that Avenger puts you in charge.
Flexible

Avenger’s interior puts everything within reach, and, with 13.1 cubic feet of trunk space, gives you the room to carry what you need. Add easy entry, generous head, leg, hip, and shoulder room, split-folding rear seatbacks, plus storage console, cup holders, and standard map pockets, and the interior details add another dimension of comfort.

A HomeLink® Universal Transmitter, optional on Avenger SE, activates:

1. garage door openers
2. home security systems
3. remotely controlled gates
4. electric driveway gates
5. automatic locks
6. electronic entry systems

Avenger’s interior expands your storage to include a 91.1 cubic foot cargo volume. A driver’s side storage bin adds 13.1 cubic feet. Flexible, comfortable, and convenient.
Flyer.

A six-way manual driver-side dual height adjuster with recliner memory won’t forget your comfort zone, even after you fold the seat forward to admit rear-seat passengers.

Convenient controls for dual power mirrors and speed control are within easy reach on the dashboard, as are fog lamp controls, standard on Avenger ES.

Door-located front-seat window controls include a driver’s one-touch-down feature.

Dodge Avenger ES shown in Black
The sport
that c

Avenger’s available remote keyless entry system includes a Vehicle Theft Security System and a pushbutton panic alarm that activates interior lamps, headlamps and horn for up to three minutes.

The traction of front-wheel drive and the security of all-season tires combine to give you complete confidence in Avenger’s handling, come rain or shine.

Next Generation driver and front-passenger air bags* are standard, naturally. Standard knee blockers and height-adjustable front shoulder belts are also safety essentials with Avenger.

* Certified to the Federal Regulations that allow less forceful air bags. Always use seat belts. Remember a backseat is the safest place for children.
From roof to door posts, from front to rear, Avenger's body has the structural rigidity to make a complete and cohesive connection between the driver and the road.

The four-wheel antilock brake system, available on Avenger and Avenger ES, helps give you the control you need when emergency braking situations arise.
## Standard features and options.

Call Us At: 1-800-4-A-DODGE
Talk to someone who can tell you what you want to know about the 1999 Dodge lineup. You can order product literature, get the price of a vehicle equipped the way you like it, and find the Dodge dealer closest to you.

On the Web: www.4adodge.com
The award-winning Dodge Web site provides you with an information source you can access directly every day from the comfort of your home or office. Pricing, competitive comparisons, and dealer information are just a click away.

CustomerOne

Chrysler Corporation and its dealers have made a long-term commitment to outstanding customer service. More than 100,000 dealership management, sales and service people are participating in the most extensive educational initiative in automotive history. It's called Customer One and it establishes one unbreakable rule: Treat every customer with the honesty and respect they deserve.

3/36 Customer One Care Plan
Your Dodge vehicle is covered by Chrysler Corporation's 3/36 Customer One Care Plan.*

This coverage includes a 3-year or 36,000-mile Bumper-To-Bumper Limited Warranty as well as roadside assistance for 3 years or 36,000 miles. Call 1-800-521-2779 for 24-hour, 7-day-a-week emergency road service.* A 5-year or 100,000-mile Outer-Panel Rust-Through Limited Warranty covers the repair of exterior sheet metal if perforated by corrosion. Restrictions apply. See your dealer for details.

*Excludes wiper blades, clutch and brake linings, brake rotors and drums, normal maintenance items and tires (covered by their own manufacturer's warranty).

Road service provided by Cross Country Motor Club, Inc. (In California, Cross Country Motor Club of California, Inc.)
CHRYSLER FINANCIAL* Chrysler Financial offers a full range of automotive financing which provides flexible terms for qualified buyers. Many of these plans can be customized to fit your particular budget and make your new vehicle even more affordable. They include the College Graduate Program and Gold Key Lease short-term financing. Ask your Sales Consultant for details. * Chrysler Financial’s programs are offered subject to availability and state and local laws.

CHRYSLER LEASE PLANS
Chrysler Financial’s Gold Key Lease has the flexibility to fit your vehicle choice and your lifestyle. If the idea of driving a new vehicle more often without penalties sounds great, ask about Gold Key Lease.

ON THE JOB
Commercial operators of eligible Dodge cars, trucks, and vans can learn about our Dodge “On The Job” program by calling 1-877-ON THE JOB.

COMMERCIAL FINANCE OPTIONS
Chrysler Financial’s new Commercial Finance Options Program offers special finance and lease options to small and midsize businesses, municipalities, and small fleet operators. “Line of Credit” financing is also available under this program. Please see your dealer for details.

CASH REIMBURSEMENT is available for qualified adaptive driving devices on 1999 Dodge vehicles. Ask your dealer or call Automobility Headquarters at 1-800-255-9877.

Printed in U.S.A. on recycled paper.

The New Dodge
We're all about change.

There is no status quo at Dodge. We've transformed the way people drive with new kinds of vehicles that are an embodiment of the latest technologies. Alternate fuels, exotic materials, and new configurations are constantly being explored. Advances in safety technology, suspension systems, engine dynamics, and ergonomics are continually evaluated. Because we know that no matter how fast things change these days, people still want cars and trucks that are good looking, well-built, and exciting to drive. And to ensure that you get all the information you need to make an intelligent purchase, there are automotive experts awaiting your call at 1-800-4-A-DODGE. We've also created a Web site you can visit at anytime from anywhere in the world at: www.4adodge.com.
