- NEW RACE-INSPIRED AVENGER R/T MODEL

* A note about this brochure: All disclaimers and disclosures can be found inside the back cover.
Avenger SXT Plus in Black with available 18-inch chrome-clad aluminum wheels.
STYLE TAKES AIM. From the signature split-crosshair grille to the available rear spoiler, Dodge Avenger takes to the road with a presence that belies its size. A chiseled fascia, available projector fog lamps, and LED taillamps announce its arrival and departure with equal confidence. Other available Avenger exterior design features include: 18-inch wheels, heated folding body-color mirrors, and dual bright exhaust tips. Here’s to handling every day with style.
**SHOWN ABOVE:** Avenger SXT Plus with available Black leather-trimmed seats.

**SHOWN BELOW:** Avenger R/T premium interior with exclusive Z-Stripe cloth seating inserts and leather bolsters.
INSIDE WE GO ALL OUT. Comfort, style, and craftsmanship provide the right atmosphere for driver and passenger indulgence. Choose between trim levels offering premium cloth seat fabric, cloth with leather bolsters, or rich leather-trimmed* seating surfaces. A power 8-way driver seat and heated driver and front-passenger seats are available. Driver and passengers are treated to spacious seating and soft-touch resting points for hands and arms. The available automatic temperature control keeps the environment just right. Interior LED lighting further enhances the ambience while gauges emit a cool blue-green glow on the instrument panel. Avenger maximizes passenger and cargo potential with a standard 60/40 split-folding rear seat with pass-through to make room for longer loads – like skis. To help prevent road noise from entering the cabin, the windshield and front side glass windows employ an acoustic treatment. *Late availability.

// PREMIUM SOFT-TOUCH INTERIOR // LAMINATED WINDSHIELD AND FRONT SIDE GLASS
A WARD’S WINNING ENGINE.

Designed to deliver spirited performance, Avenger offers two formidable engines.

3.6-LITER DOHC PENTASTAR® VARIABLE VALVE TIMING (VVT) V6 – NAMED ONE OF WARD’S 10 BEST ENGINES FOR 2011.

This engine serves up an exceptional blend of power and efficiency (EPA estimated 19 city/29 hwy mpg), including best-in-class[1] 283 horsepower, best-in-class[2] 29 hwy mpg fuel economy, and impressive 260 lb-ft of torque. The only thing better than numbers like these are low emissions, first-rate noise, vibration, and harshness control, and the engine’s durability-enhancing features that require very low maintenance.

2.4-LITER DOHC 16-VALVE 4-CYLINDER. A strong balance of fuel economy [2.4-liter engine with available 6-speed AutoStick transmission offers EPA estimated 31 hwy mpg] and power give the 2.4-liter World Engine, featuring dual VVT and 173 horsepower, solid performance.

SUSPENSION. A suspension showcasing MacPherson struts up front and multilink coils in the back give the driver a fun and sporty driving experience.

NEW AVENGER R/T. The new Avenger R/T delivers an enthusiastic best-in-class[1] 283 horsepower, 6-speed AutoStick, and 29 highway mpg. Increased spring rates, rear stabilizer bar diameter, and damping forces of both the front struts and rear shocks give Avenger R/T a performance boost. Its bold exterior digs deeper with unique 18-inch wheels, body-color grille insert and blacked-out headlamp housings, hood-to-fender stripe, and R/T badge. Inside, sporty cloth seats with Z-Stripe design with leather bolsters and performance-inspired instrument cluster energize Avenger’s cabin.
TECHNOLOGY THAT KNOWS YOU. Outfit your Avenger with Uconnect® to help stay in touch with the people, music, and devices that matter most. It acts as the central location for your most important media – cell phone, Internet, SiriusXM™ Satellite Radio,[3] navigation system, and personal devices, such as an iPod® or smartphone.

The Uconnect user-friendly system allows you to stay connected, informed, entertained, and focused on driving.

ENTERTAINMENT. Manage all of your media. You’ll have multiple ways to access audio, including SiriusXM Satellite Radio[3] (your first year of service is included), integrated hard drive, Bluetooth® streaming audio, audio jack, CD, and radio.

PHONE. Talking on the phone while driving has never been easier – or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone’s address book[4] – up to 1,000 entries – every time you get into your vehicle.

NAVIGATION. Select destination entries by using voice commands and receive turn-by-turn guidance with voice prompts and visual display. It can also locate nearby restaurants, shopping, hospitals, or points of local interest. Add SiriusXM Traffic™[3] for real-time traffic updates, including accident alerts, road closings, and traffic flow. Your first year of SiriusXM Traffic[3] service is included.

VOICE COMMAND.[5] It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations, SiriusXM Satellite Radio[3] channels, make and receive calls, select navigation destinations, and record voice memos. This smart system technology can also be adapted to better recognize your voice and can understand commands in English, French, and Spanish.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web.[6] Effortlessly connect any WiFi-enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot within a 150-ft range. Passengers can use multiple devices at the same time. There’s no need for cell cards or software with this unique Authentic Accessory by Mopar® – connectivity is all done wirelessly. Subscription required. Sold separately.

SiriusXM TRAVEL LINK[3] Brings a wealth of useful information to your fingertips, including national weather forecasts, fuel prices for local gas stations, in-game and final sports scores, weekly sports schedules, local movie theater listings, and even local ski slope conditions. Subscription required after one-year included service.

SiriusXM TRAFFIC[3] Don’t drive through traffic, drive around it. SiriusXM Traffic delivers comprehensive traffic information directly to your vehicle. This includes continuously updated information on traffic speed and flow, accidents, construction and road closures.

At Dodge, we make safety and security our top priority which is why every safety feature available comes standard on every Avenger model. This is one of many reasons Avenger has been recognized as a 2011 Insurance Institute for Highway Safety (IIHS) Top Safety Pick. **ELECTRONIC STABILITY CONTROL (ESC)**[7] In adverse conditions, the standard ESC and Brake Assist work with an advanced all-speed traction control system to help the driver maintain vehicle directional stability and limit oversteering or understeering. Brake Assist detects conditions when maximum force is needed for optimum stopping power. **ANTILOCK BRAKE SYSTEM (ABS)**. Standard four-wheel antilock disc brakes afford premium stopping power from state-of-the-art electronics that provide faster system response. ABS senses and prevents wheel lockup, offering improved steering control under extreme braking and/or slippery conditions. **AIR BAGS**[8]

All Avenger models feature standard advanced multistage driver and front-passenger air bags, supplemental side-curtain air bags, and supplemental driver and front-passenger seat mounted air bags. **ACTIVE FRONT HEAD RESTRAINTS**[9] Head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant’s head, helping to reduce the chance of injury. **TIRE PRESSURE MONITORING SYSTEM**. A warning light in the instrument cluster on Avenger SE alerts the driver to tires with high or low pressure. All other models come equipped with the premium system that displays individual tire pressures.
AVENGER — A 2011 INSURANCE INSTITUTE FOR HIGHWAY SAFETY (IIHS) TOP SAFETY PICK.
AUTHENTIC DODGE ACCESSORIES

See your dealer for a brochure of the full line of Authentic Accessories for your Dodge Avenger.

Avenger SE in Copperhead Pearl shown with Authentic Dodge Accessories by Mopar®, including 17-inch Chrome Wheels, Rear Spoiler, Hitch Receiver, and Chrome Exhaust Tip.
