*There's a **DODGE "Job-Rated" TRUCK** to fit your job!*

A Dodge "Job-Rated" truck is engineered at the factory to provide the best in low-cost transportation . . . last longer . . . save you money.

All units from engine to rear axle are "Job-Rated"—factory-engineered to work together efficiently and dependably in hauling a specific load.

Every load-CARRYING unit—frame, axles, springs, wheels, and tires—is engineered to provide extra strength and capacity necessary to support the load.

Every load-MOVING unit—engine, clutch, transmission, propeller shaft, rear axle, and others—is engineered to move the load under severe operating conditions.

From a wide range of models, you can select a truck that meets your operating conditions.

YOU GET ALL OF THESE **EXTRA VALUES**

EASIER HANDLING

Dodge "Job-Rated" trucks have shorter turning diameters than comparable models of most competitive makes. Extra-easy steering with worm-and-roller gears on most models. Short wheelbase and wide

MORE COMFORT

Dodge "Job-Rated" trucks offer the added comfort of Chair-Height seats (with foam rubber cushions available)—plus comfortably placed steering wheel and easy-to-reach controls. 1/2-, 3/4-, and 1-ton models have

RUGGED PICK-UPS & EXPRESSES

You can reduce costs . . . increase profits . . . even on your toughest jobs when you use a Dodge "Job-Rated" Pick-Up or Express. They're easy to load, easy to handle, and economical to maintain. And the powerful engine with

high 7.0-to-1 compression ratio gives you "passenger car" cruising speeds with "passenger car" economy. Dodge gýrol Fluid Drive is available for all these Pick-Up and Express models.

Floor Area	47.9 sq. ft.	47.9 sq. ft.	57.7 sq. ft.	60.6 sq. ft.	81.1 sq. ft.	94.8 sq. ft.

Dodge "Job-Rated" trucks have molded, tapered Cyclebond brake linings on hydraulic-brake models 1 1/2-ton and up. They're extra safe! They're extra quiet! Other safety features include independent hand brake and extra-big windshield.

PLENTY OF POWER

Dodge "Job-Rated" trucks offer you the power you need . . . and then some! High-efficiency truck engines—94 to 154 horsepower! The most powerful Dodge "Job-Rated" trucks ever built, to provide dependable power for your job.

Dodge "Job-Rated" trucks offer a high compression ratio of 7.0 to 1 on models through 1-ton. This results in top efficiency with flashing power. Here's real economy with outstanding performance—to give you more power from every drop of fuel.

PLUS MANY OTHER DEPENDABLE FEATURES

Steering column gearshift standard on 1/2-, 3/4-, and 1-ton models with 3-speed transmission. Chrome-plated top piston ring for longer ring life, better sealing. Synchronizing transmissions (3-speed, 4-speed, or 5-speed), rugged, silent, precision-engineered, De Luxe and Custom cabs available on most models.

TRACTORS

Dodge chassis and engines are engineered for top performance . . . longer life . . . extra dependability. Whatever your needs in the medium- and high-tonnage field . . . there's a Dodge "Job-Rated" tractor model that's RIGHT for you! You get plenty of horsepower, plenty of dependability features which will save you money on any hauling operation.

SCHOOL BUS CHASSIS

Choose school bus equipment that fits your needs . . . from 7 new "Job-Rated" school bus chassis! Remember, Dodge school bus chassis equal or exceed all national school bus standards, to assure added safety and protection for driver and passengers.

ROUTE-VAN

The Dodge "Job-Rated" Route-Van is engineered especially for door-to-door deliveries. The load can be worked standing up—and the low floor height makes it really easy to load or unload. There's plenty of payload space. gýrol Fluid Drive is available.

CAB-OVER-ENGINE MODELS

Dodge "Job-Rated" Cab-Over-Engine models insure easy handling . . . easy parking . . . shorter turning diameter . . . and excellent visibility. And they feature a front-opening hood—with oil, water, and battery easy to service from

POWER-WAGON

The Dodge Power-Wagon is a 4-wheel-drive truck that's "Job-Rated" for an amazing range of hauling, pulling, and power jobs. Wherever work is located where other trucks cannot go, you'll usually find a Dodge "Job-Rated"

FAMOUS gýrol FLUID DRIVE AVAILABLE

A Dodge "exclusive" for 1/2-, 3/4-, 1-ton, and Route-Van models. This proved fluid coupling between engine and clutch makes driving easier, protects your load, saves wear on more than 80 drive-line parts, and lengthens truck life!
