## STOW 'N GO® SEATING AND STORAGE

Seven seats to two in 30 seconds flat—it's as easy as 1, 2, 3. Don't worry, this isn't one of your kid's story problems. This is the latest in the long line of innovations you've come to expect from Dodge. The 2007 Dodge Grand Caravan features our minivan-first available Stow 'n Go® seating and storage system\* that provides convenience, versatility, and storage.

- Stow 'n Go® second row bucket seats with third-row 60/40 split-bench seating and tailgate features available on 2007 Grand Caravan
- Available overhead rail system with movable/removable storage bins
- Underseat storage drawer

\*Longwheel base models only.

## EVEN MORE STORAGE

You have stuff. We have a place for it. In addition to plenty of room behind the rear seat for your belongings and handy rear grocery bag hooks that keep things in place, Caravan's available storage features include a removable/lockable center console, a storage drawer under the front-passenger seat, and an overhead console for small items like sunglasses and garage door openers.

## UNDER FLOOR STORAGE

When both rows of seats are upright, spacious storage bins provide 12 cubic feet of storage. Because you're not the only one in the family with a lot of stuff.

## FLEXIBLE TAILGATE

Going to the game? In split seconds the available third-row 60/40 split bench seat can be flipped rearward, in part or in its entirety, for convenient and comfortable tailgate seating. The liftgate even provides a weather shelter in case it rains on game day.

## SAFETY AND SECURITY

The 2007 Dodge Caravan and Grand Caravan are designed to help every occupant stay safe and secure. Traction control, antilock brakes, air bags, seat belts, an available tire-pressure monitoring system and a stiff body structure all contribute to the safety of you and yours safe in most any condition.

Key features:

- Standard advanced multistage front air bags\* with occupant classification system\*
- Available three-row supplemental side-curtain air bags\*
- BeltAlert System™ enhanced seat belt reminder system
- Inflatable knee blocker\*
- Available integrated child safety seats†
- LATCH child-seat anchor system
- A rigid safety cage construction that includes steel side-guard door beams contributes to Grand Caravan's five-star side-impact crash test ‡ rating.

\* Always sit properly in the seat with the seat belt fastened.

† For children at least one year old, weighing between 22 and 50 pounds and no more than 47 inches tall.

‡ Side crashtest rating valid on long wheelbase model only

## ENGINES

Dodge has never shied away from power. And the 2007 Dodge Caravan and Grand Caravan are no exception. You can choose from these three proven power plants:

- 150-horsepower 2.4-liter 4-cylinder, standard on Caravan SE
- 170-horsepower 3.3-liter V6 engine, standard on Caravan SXT and Grand Caravan SE
- 200-horsepower 3.8-liter V6 engine, standard on Grand Caravan SXT

## POWERED FEATURES

Caravan is available with power everything. Check it out. There's an available power sunroof, power doors and liftgate (on Grand Caravan), power heated mirrors, power adjustable pedals, power windows and locks.

## SECURITY

The 2006 Dodge Caravan and Grand Caravan aren't messing around when it comes to security. Some available features include:

- Programmable HomeLink® universal transceiver
- Vehicle security system and Sentry Key® engine immobilizer
- Remote keyless entry
- Factory-installed UConnect® hands-free communication
- Powerful headlamps with auto-off time delay
