DODGE GRAND CARAVAN

AMERICA’S BEST-SELLING[*] AND
MOST AWARDED[²] MINIVAN EVER
TAKES TO THE STREETS WITH AN
OBLIGATION TO DEFINE
THE SEGMENT IT CREATED.
AND SO IT DOES. OUTFITTED WITH
INNOVATIONS LIKE INDUSTRY-EXCLUSIVE

SUPER STOW ’N GO,[®

AND PACKED WITH TECHNOLOGIES
THAT CONTINUE TO ADVANCE,
GRAND CARAVAN STILL NEVER SETTLES.

COMBINE HIGH-GRADE
SAFETY AND SECURITY FEATURES WITH
THE MOST POWERFUL ENGINE
IN ITS CLASS[³] AND YOU’LL KNOW
WHAT IT MEANS TO COVER ALL THE BASES.

THE REVOLUTION CONTINUES //

• INVENTOR OF THE MINIVAN
• MOST VERSATILE VEHICLE IN ITS CLASS[³]
• MOST AFFORDABLE MINIVAN IN AMERICA[⁴]
• PREMIUM INTERIOR
• 283 HORSEPOWER PENTASTAR® V6 WITH 25 HIGHWAY MPG
• A 2011 INSURANCE INSTITUTE FOR HIGHWAY SAFETY (IIHS) TOP SAFETY PICK

*A note about this brochure: All disclaimers and disclosures can be found on the inside back cover.
INSIDE, WE GO ALL OUT. Open any of Grand Caravan’s doors and immediately find comfort, luxury, and superior craftsmanship at every turn. Well-appointed interior design details include soft-touch surfaces, chrome accents, and must-have features intuitively placed for ease of driver and passenger use. The integrated instrument panel offers a unified look with touches of chrome around the ventilation controls, shifter, and gauge cluster. The gauges are also positioned for easy viewing and the steering wheel houses cruise and audio controls. Grand Caravan R/T takes sporty style to the next level with Black leather-trimmed seats featuring striking Red stitching and interior accents of equally modern brushed aluminum. The available overhead rail system features the soft glow of halo lighting. An available Super Console features a large driver-accessible storage area and another large storage drawer accessible by both first- and second-row passengers. Both areas can be covered with sliding doors to keep travel items out of sight. Two power outlets, perfect for charging media devices, are within easy reach of the driver. The console’s four cup holders include two cup holders that can hold 12-oz cans or 1-liter bottles.

Grand Caravan R/T with Black leather-trimmed interior.
INDUSTRY-EXCLUSIVE\textsuperscript{[a]} \textsc{SUPER STOW ’N GO}$^{(\textregistered)}$. 

Grand Caravan Crew Shown in True Blue Pearl.
HOW ABOUT 81 DIFFERENT SEATING CONFIGURATIONS? This isn’t a one-size-fits-all interior. It’s designed to move, fold, tumble, and stow right along with your ever-changing lifestyle. The segment-exclusive second-row Super Stow ’n Go seats effortlessly fold into the floor with one-hand operation in a matter of seconds. This flexibility converts Grand Caravan from a passenger-carrying powerhouse to an impressive cargo hauler without removing any seats. The 60/40 split-folding Stow ’n Go third-row seat easily folds into the floor bin behind it with a few easy pulls on the conveniently numbered straps. It also can fully flip over to the tailgate seating position. With all seats folded into the floor, the flat cargo floor area offers 144.2 cu ft of cargo room. With seats upright, the storage bins below accommodate a multitude of items.

// BEST-IN-CLASS STORAGE SYSTEM \( ^{[3]} \) // MOST VERSATILE VEHICLE IN ITS CLASS \( ^{[3]} \)
Properly secure all cargo.

**BEST-IN-CLASS VERSATILITY.** When it comes to storage, Grand Caravan’s ingenuity takes a backseat to no one. The best-in-class storage system includes segment-exclusive in-floor storage bins behind the front seats that hide gear for a cleaner interior appearance and added security, while still remaining close at hand if needed. Third-row passengers have quick and easy access to essential travel gear, a cup holder, and room for juice boxes. The available class-exclusive Super Console features roll-top covers, four cup holders, power outlets, and driver and front-passenger pass-through storage areas for large items including a purse, camera, or small umbrella. An innovative storage cubby helps keep items organized and from moving around Grand Caravan’s rear cargo area. As the inventor of the minivan, Dodge knows how important interior functionality is. Grand Caravan delivers with best-in-class versatility and hidden storage.

// SEGMENT EXCLUSIVE SECOND ROW IN-FLOOR STORAGE BIN.
SAFETY.

**ELECTRONIC STABILITY CONTROL (ESC).** In adverse conditions, the standard ESC with Electronic Brake Assist works with an advanced all-speed traction control system to help the driver maintain vehicle directional stability and limit oversteering or understeering. Electronic Brake Assist detects conditions when maximum force is needed for optimum stopping power. **ANTILOCK BRAKE SYSTEM (ABS).** Standard four-wheel antilock disc brakes afford premium stopping power from state-of-the-art electronics that provide faster system response. ABS senses and prevents wheel lockup, offering improved steering control under extreme braking and/or slippery conditions. **SEVEN STANDARD AIR BAGS.** Standard side-curtain air bags and standard front-seat mounted air bags deploy, blanketing outboard positions in all three rows of seating. A driver’s inflatable knee blocker helps reduce severe injuries to lower extremities on impact with the dashboard and helps properly position the driver in relation to the front air bag. **PARKVIEW® REAR BACK-UP CAMERA.** This available system displays an accurate visual reference of what is behind your vehicle when you are in Reverse. **PARKSENSE® REAR PARK ASSIST.** When in Reverse, sensors detect the presence of objects in the backup pathway and provide an audible and visual warning. **AVAILABLE BLIND SPOT MONITORING AND REAR CROSS-PATH DETECTION.** Dual radar sensors constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminating icons on sideview mirrors and by an audible chime if the turn signal is activated. When in Reverse, rear sensors warn the driver with an audible chime if cross traffic approaches the vehicle.
TECHNOLOGY THAT KNOWS YOU. Outfit your Grand Caravan with Uconnect® to help stay in touch with the people, music, and devices that matter most. It acts as the central location for your most important media – cell phone, Internet, SiriusXM Satellite Radio℠ navigation system, and personal devices such as an iPod® or smartphone. The Uconnect user-friendly system allows you to stay connected, informed, entertained, and focused on driving.

SiriusXM TRAVEL LINK℠ [9] Brings a wealth of useful information to your fingertips, including national weather forecasts, fuel prices for local gas stations, in-game and final sports scores, weekly sports schedules, local movie theater listings, and even local ski slope conditions. Subscription required after one-year included service.

SiriusXM TRAFFIC℠ Don’t drive through traffic, drive around it. SiriusXM Traffic delivers comprehensive traffic information directly to your vehicle. This includes continuously updated information on traffic speed and flow, accidents, construction, and road closures.

WEB Put the power of high-speed Internet in your vehicle with Uconnect Web℠. Effortlessly connect any WiFi-enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot within a 150-ft range. Passengers can use multiple devices at the same time. There’s no need for cell cards or software with this unique Authentic Accessory by Mopar® – connectivity is all done wirelessly. Subscription required. Sold separately.

ENTERTAINMENT Manage all of your media. You’ll have multiple ways to access audio, including SiriusXM Satellite Radio℠ (your first year of service is included), up to 28GB hard drive, Bluetooth® streaming audio, audio jack, CD, and radio.

PHONE Talking on the phone while driving has never been easier – or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone’s address book[10] – up to 1,000 entries – so you can call whoever you want by simply saying their name.

NAVIGATION Select destination entries by using voice commands[11] and receive turn-by-turn guidance with voice prompts and visual display. It can also locate nearby restaurants, shopping, hospitals, or points of local interest through an exclusive GPS navigation from Garmin® with turn-by-turn audible directions and lane guidance. The optional SiriusXM Travel Link℠ adds another level of data access, providing local and national weather forecasts, sports scores, local movie theater listings, and much more.

VOICE COMMAND℠ It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations, SiriusXM Satellite Radio℠ channels, and make calls. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

Grand Caravan Crew shown in Dark Charcoal Pearl.
ATTENTION TO DETAIL AT EVERY TURN. Grand Caravan not only holds a seven-person crew and cargo with ease, it holds your attention just as well. Styling cues like taillamps with LED lighting, body-color rear spoiler, sculpted hood, available fog lamps, pronounced front and rear fascias, and rear liftgate give 2012 Grand Caravan the right amount of swagger. An available segment-exclusive Stow ’n Place roof rack system offers the convenience of crossbars that attach to the side rails when not in use for improved fuel efficiency and reduced wind noise. Grand Caravan also boasts QuietSteel technology to reduce road noise coming into the cabin. This leading-edge noise- and vibration-reducing steel, along with other design cues, works to dampen extensive noise, vibration, and harshness (NVH) levels.
Confidence isn’t just found in Grand Caravan’s safety and security. It’s also found in the acceleration of an engine that applies some of the most advanced automotive engine technology. From the state-of-the-art high-pressure die-cast aluminum block to full independent dual cam phasing, sequential port fuel injection, and high-flow intake and exhaust ports, the 3.6-liter Pentastar engine isn’t shy about performing. The result is an exceptional blend of high torque, fuel efficiency, low emissions, and first-rate noise, vibration, and harshness control. The only thing better than numbers like best-in-class\(^3\) 283 horsepower and 260 lb-ft of torque is the engine’s durability enhancing features, like an advanced oil filter system that helps to eliminate oil spills and contains an incinerable filter element for more efficient disposal. The engine is also Flex Fuel capable, offering consumers the choice of using either gasoline or ethanol (E85) fuel. Grand Caravan’s overall ride quality is boosted by tight suspension tuning, an efficient and easy-to-operate gated shifter, and a segment-exclusive\(^3\) fuel economizer feature that alters shift patterns to help improve real-world fuel efficiency.
