We open up possibilities.
Loaded with Dodge value. Open a 1999 Dodge Ram Passenger Wagon and you'll discover advanced possibilities in performance, reliability, comfort, and safety.

Instead of a body-on-frame design, we used stronger and lighter Unibody construction that allows a Ram 3500 Maxiwagon to carry up to 15 passengers.

For reliable power, we provided our family of Magnum® engines that features the 245-horsepower 5.9L Magnum V8.

We laser-welded the inner front door panels for added structural strength and included steel side-guard door beams for side-impact protection. For extra room inside, we positioned the engine forward and mounted the spare tire under the floor.

To keep out wind, noise, and weather, we double-sealed the front doors and filled body joints with a heavy-duty sealer as part of a seven-step anticorrosion paint process. Instead of a conventional wax dip, we electrocoated the frame for superior corrosion resistance.

For advanced safety, we added Next Generation driver and front-passenger air bags,* standard rear-wheel ABS, an available four-wheel ABS, and we mounted a no-rust polyethylene fuel tank ahead of the rear axle.

Business. Social. Family. Whatever your passenger-carrying needs are in a full-size van, we loaded Dodge Ram Passenger Wagons with advanced possibilities to meet them.

*Certified to Federal Regulations that allow less forceful air bags. Always use seat belts. Remember a backseat is the safest place for children.
Seats 15 happy

Large instrument panel outlets provide generous airflow for the standard air conditioning, heating, and ventilation system. An optional auxiliary rear air conditioner and heater features overhead outlets.

Dodge builds the only line of passenger wagons available in three body lengths: 109.3-inch, 127.2-inch, and 127.2-inch Maxiwagon. Plus three load ranges: 1500, 2500, and 3500. Eight-passenger seating is standard on regular models; 15-passenger on Ram Maxiwagon.

To smooth your ride, heavy-duty gas-charged shock absorbers and a wishbone-type independent front suspension with a stabilizer bar are standard.
Front doors are double-sealed with a primary and a secondary seal for heavy-duty weatherproofing.

For extra front/rear walk-through room, we located the engine and its floor console cover far forward. The handy console includes two cup holders, two storage bins, cassette/CD storage, and a front compartment that can hold an 8½ x 11-inch clipboard.

No-squint instrument panel features backlit gauges and an auxiliary 20-amp power outlet.
Magnum engines feature sequential multipoint fuel injection for fast starts and use a camshaft with a broad, flat torque range for responsive load-carrying power. The horsepower climbs with rpm and won’t fall off at “dead spots” on the torque curve as the vehicle gains speed.

Torque-converter and automatic transmissions. A three-speed automatic transmission is standard with the 3.9L Magnum V6; a four-speed with the 5.2L Magnum V8 and 5.9L Magnum V8. Both transmissions feature a torque converter clutch to increase fuel economy and reduce transmission fluid temperature. The computer-controlled clutch automatically engages in top gear.

Optional four-wheel ABS features a hydraulic system to maintain optimum pedal height when braking. An electronic control module enhances reliability by eliminating 15 electrical circuits.

Midship fuel tank mounted ahead of the rear axle for protection and is molded of high-strength, noncorrosive polyethylene for greater resistance to abrasion and puncturing than steel.

Standard rear-wheel antilock brake system (ABS) has twin-piston front disc brake calipers and full-cast rear drums for heavy-duty stopping power. The system is self-adjusting and contains no asbestos.

On The Job Commercial Bonus Certificates offer qualified commercial customers or nonprofit organizations cash back on the exclusive Dodge 100,000-mile/5-year Powertrain Care Plus™ with Road Hazard Tire Coverage® in addition to available national consumer incentives. Finance and lease options are also available through Chrysler Financial’s Commercial Finance Program.

* Powertrain coverage with road hazard tire coverage is not available to buyers located in AL, FL, MS, OK or UT. Check with your Dodge dealer or call 1-800-446-7442, ext. 222.

Fabric and Trim

Vinyl (below, left) high-back driver and front-passenger bucket seats and matching rear bench seats are available for all Passenger Wagon models. Shown in Camel and Mist Gray.

Premium cloth (below, right) high-back driver and front-passenger reclining bucket seats with folding armrests and matching rear bench seats are standard on all Passenger Wagon models. Shown in Camel and Mist Gray.

Wheels

A 15" steel wheels with chrome center caps. Standard on Ram 1500 Passenger Wagon.

B 15" aluminum wheels with painted center caps. Optional on Ram 1500 Passenger Wagon.

C 15" chrome steel wheels with chrome center caps. Optional on Ram 1500 Passenger Wagon.

D 16" steel wheels with black center caps. Standard on Ram 2500/3500 Passenger Wagon.

E 16" chrome steel wheels with chrome center caps. Optional on Ram 2500/3500 Passenger Wagon.
## Standard features and options.

**Ram Passenger Wagon models include:**

- Bag — Next Generation driver and front-passenger
- Conditioning — Front
- Motor — 136-ampere
- Brakes — 600-ampere
- Power-assisted front disc/rear drum with rear-wheel antilock
- Front and rear with step cap
- Digital, integral to all radios
- Engine cover, includes cup holders (2), storage bin, ashtray/storage
- Storage compartment with cassette/CD storage
- Dual, right side with vented glass
- Single rear with vented glass

*Note: to the Federal Regulations that allow less forceful air bags. Always use seat belts. Remember a backseat is the safest for children.*

Dear Customer,

Chrysler Corporation and its dealers have made a long-term commitment to standing behind our customers. More than 3,000 dealership management, sales, and service people are participating in the most extensive educational initiative in automotive history. It's called Customer One and it establishes one unbreakable rule: Treat every customer with the honesty and respect they deserve.

3/36 Customer One Care Plan
Your Dodge vehicle is covered by Chrysler Corporation's 3/36 Customer One Care Plan. This coverage includes a 3-year, 36,000-mile Bumper-To-Bumper Limited Warranty as well as roadside assistance for 36,000 miles. Call 1-800-521-2779 for details.

Key Lease short-term financing. Ask your Sales Consultant for details.

* Chrysler Financial's programs are offered subject to availability and state and local laws.

** Chrysler Lease Plans
Chrysler Financial's Gold Key Lease has the flexibility to fit your vehicle choice and your lifestyle. If the idea of driving a new vehicle more often without penalties sounds great, ask about Gold Key Lease.

Commercial operators of eligible Dodge cars, trucks, and vans can learn about our Dodge “On The Job” program by calling 1-877-ON THE JOB.

Commercial Finance Options
Chrysler Financial’s new Commercial Finance Options Program offers special finance and lease options to small and midsize businesses, municipalities, and small fleet operators. “Line of Credit” financing is also available under this program. Please see your dealer for details.

Cash reimbursement is available for qualified adaptive driving devices on 1999 Dodge vehicles. Ask your dealer or call Automobile Headquarters at 1-800-255-9877.

Printed in U.S.A. on recycled paper.

The New Dodge
We’re all about change.

There is no status quo at Dodge. We’ve transformed the way people drive with new kinds of vehicles that are an embodiment of the latest technologies. Alternate fuels, exotic materials, and new configurations are constantly being explored. Advances in safety technology, suspension systems, engine dynamics, and ergonomics are continually evaluated. Because we know that no matter how fast things change these days, people still want cars and trucks that are good looking, well-built, and exciting to drive. And to ensure that you get all the information you need to make an intelligent purchase, there are automotive experts awaiting your call at 1-800-4-A-DODGE. We’ve also created a Web site you can visit at anytime from anywhere in the world at: www.4adodge.com
