Ramcharger. Rugged, full-size fun.

You can depend on Dodge Ramcharger to be one of the most versatile vehicles you've ever owned. With features like Ramcharger's new standard antilock brake system and new four-speed overdrive automatic transmission, you can also depend on Ramcharger to deliver rugged performance and a lot of good times.

Ramcharger 4x4—one of a kind.
Ramcharger 4x4 is still the only full-size two-wheel drive sport utility built in North America. It provides a 1,335-pound payload, has a folding rear seat, and offers up to 106 cubic feet of cargo room. Perfect for vacationing, Ramcharger 4x4 can tow up to 7,600 pounds with the optional Trailer Towing Prep Package and available 5.9-liter EFI 360 CID V-8 engine.

Ramcharger 4x4—no roads needed. The adventurous Ramcharger 4x4 takes you to the edge of the road—and keeps right on going. Through sand, over rocks, and into remote areas where less rugged sport utilities wouldn't dare to tread. And Dodge Ram Trac shifting allows you to conveniently shift between 4WD and 2WD while moving at speeds up to 55 mph.

Ramcharger standard features include:
- A rugged 5.2-liter Efi V-8 engine that cranks out 170 horsepower at 4,000 rpm
- New rear-wheel antilock brake system
- Power-assisted steering and brakes
- Gas-charged shock absorbers
- Large 34-gallon fuel tank
- Industry leading 7/70 Limited Warranty*
- AM stereo/FM stereo radio (except on Ramcharger 150 "S" models)
- Save money on a Ramcharger with our new Advantage Pac Discount packages
See page 4 for a complete listing of package items.

*See back cover for details. Some AM stereo broadcasting may not be compatible with this radio.
Affordable Ramcharger 150 "S"

Available in two- or four-wheel drive, Ramcharger 150 "S" is value packed with tough sport utility know-how. Standard Ramcharger 150 "S" features include:

- Power-assisted brakes and steering
- 34-gallon fuel tank
- Tinted glass
- Bright wheel covers (set of four)

Ramcharger 4x2, shown above at left in Black and Sand, Ramcharger 4x4, shown above at right and on cover in Colorado Red, Ramcharger 150 "S" shown at left in Dover Gray.

Some of the equipment shown or described throughout this catalog is available at extra cost.

About this catalog: Since the time of printing, some of the information you'll find in this catalog may have been updated. Ask your dealer for details.
Road wheels and wheel covers.
1. Deluxe bright-finished wheel covers, set of four, are standard on Ramcharger 150 "S", and are included in Advantage Pac I.
2. Cast aluminum road wheels provide style that lets you stand out from the crowd. Set of four, available on all Ramchargers equipped with Advantage Pac II. Not available on 150 "S" models.
3. Distinctive argent-painted steel road wheels dress up your Ramcharger. Set of four, optional on all models except Ramcharger 150 "S".

AM stereo/FM stereo radio with cassette tape player:
This great-sounding stereo system features electronic tuning, bass/treble controls, Dynamic Noise Reduction, cassette tape player with automatic reverse, four speakers, demonstration tape, and integral digital clock.

Some AM stereo broadcasting may not be compatible with this radio. Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.

Air conditioning.
Increased compressor drive ratios give you faster cool-down. The system features four adjustable air outlets, bi-level ventilation, and four-speed blower.

5.8-liter EFI V-8 engine.
This efficient engine, featuring single-point electronic fuel injection plus a variety of other refinements, delivers outstanding performance and durability. (See engine availability on back cover.)

Four-speed automatic overdrive transmission.

MOPAR roof rack.
This durable roof rack with adjustable crossbars, tie downs and center support bars conforms to any load. Holds up to 100 pounds of luggage.

Rear step bumper.
Bright chrome-finished steel with corrugated surface for secure footing. Eases cargo loading and rear passenger entry.

Power windows and door locks.
Operate front windows and door locks with conveniently positioned fingertip controls. Adds convenience and security. Available as part of the Power Convenience Package.

MOPAR grille/brush guard.
Protects headlights from stones and other flying debris. Features heavy-duty construction and corrosion resistance.
MAKE YOURSELF COMFORTABLE.

Chances are you'll cover some pretty rough country in your Ramcharger. That's why we designed an interior that keeps you comfortable and in control. The high-back front bucket seats shown below in Charcoal are part of the LE Decor Package available on 2WD and 4WD Ramchargers. A folding rear bench seat brings available seating to five. New this year are an available electric liftgate window defroster and a standard front overhead dome/reading lamp and rear cargo lamp. All 1990 Ramchargers also feature a new instrument cluster with electric speedometer and easy-to-read gauges. LE panel shown at right.
