Experience the power and versatility of the full-size sport utility in a Ford Bronco. It has lots of room and comfort, is V-8-powered, offers three 4x4 systems (standard auto-locking, optional manual-locking or Touch Drive electric shift), and comes equipped with a driver-side air bag* and 4-wheel anti-lock brakes. And best of all, Bronco is Built Ford Tough!

*Always properly wear your safety belts.
Bronco Eddie Bauer in two-tone Dark Toreador Red Clearcoat Metallic over Light Saddle Clearcoat Metallic. Some equipment shown may be optional.
No matter how rugged the going gets, on or off the road, Ford Bronco does its utmost to smooth out the bumps, with big features such as body-on-frame construction and heavy-duty gas-pressurized shock absorbers. Well-constructed, firmly designed seating, too. Bronco’s versatility is also quite impressive, with flip/fold rear bench seat and plenty of cargo space for carrying all your gear.

For convenience as well as for security, a retractable cargo area cover with netting is available as an option with both the Bronco XLT and Eddie Bauer trim levels.

In the Bronco Eddie Bauer’s overhead console are a compass, outside temperature display, map lights, garage door opener storage, and a storage pocket.
Along with superb driving comfort, you have peace of mind knowing that Bronco provides the added protection of a driver-side air bag. But remember that the air bag’s effectiveness depends on your safety belts being properly worn at all times.

There are a lot of ways to personalize an Eddie Bauer, such as choosing an available premium electronic stereo system with compact disc player. Featured here is the handsomely appointed Ford Bronco Eddie Bauer interior in Medium Mocha. Some equipment shown is optional.

For the ultimate in 4-wheel driving convenience, choose the available Touch Drive electric shift transfer case with automatic-locking hubs.

A remote keyless entry system is available for Bronco XLT and Eddie Bauer trim levels.
V-8 power and body-on-frame provide great towing capability — 6,600 lbs. with the 5.0L, 7,000 lbs. with the 5.8L, 4-speed automatic, and proper towing equipment.

Above: Bronco XLT in Black Clearcoat. Some equipment shown is optional.

The Bronco XLT interior in Opal Gray Standard are full-length cloth headliner and carpeting, leather-wrapped steering wheel, and cloth captain's chairs with power lumbar support. Leather seating surfaces are available as an option.

Ownership experience

ROADSIDE ASSISTANCE PROGRAM
Every new Ford includes the assurance of a no-cost, 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile bumper-to-bumper warranty. Ask your dealer for complete details on this program which includes such services as fuel delivery, tire change, or even help when you’re locked out of your truck.

Ford Credit offers a wide variety of financing and leasing programs to qualified buyers which can be arranged right at the dealership. Ask your dealer for the facts on these programs.

Optional Ford Extended Service Plans go beyond the basic 3-year/36,000-mile warranty. Ask your dealer for complete details on the optional plans and for a copy of the limited warranty.

DEALER-INSTALLED ACCESSORIES
Your dealer offers a variety of quality Ford-brand accessories that meet or exceed our strict specifications.
Body-colored cab steps are included with the XLT Exterior Sport Package.

Bronco XLT Sport in Bright Red Clearcoat. Monochrome paint treatment and cab steps are among XLT Sport’s many features.

With Bronco’s new available signal mirrors, the left or right turn signal you select appears in the outside rearview mirror to alert approaching traffic.

Available premium electronic AM/FM stereo radio with compact disc player and digital clock.

Argent styled steel wheel, chrome styled steel wheel and forged aluminum deep dish wheel.
