Hybrid mpg AND impressive horsepower.

Ford C-MAX Hybrid and C-MAX Energi Plug-In Hybrid are a family of fuel-efficient multi-activity vehicles with maximized style and 188 system net horsepower – that’s 54 more than Toyota Prius v offers and best-in-class¹ on C-MAX Hybrid. As Car and Driver says, C-MAX is “…dynamically proficient and rewarding to drive – and certainly more so than the cars with which it competes most directly.”² Filled with innovative features and intuitive technology, the C-MAX Hybrids are designed to maximize your lifestyle while leaving a reduced carbon footprint. Go further in a 2014 C-MAX.

¹C-MAX Hybrid class is Small Hybrid Vehicles. ²August 2012. ³EPA-estimated rating: 42 city/37 hwy/40 combined mpg, 13.5-gal. fuel tank. Range calculation based on www.fueleconomy.gov. Actual mileage will vary. ⁴EPA-estimated rating of 95 city/81 hwy/88 combined MPGe. Actual mileage will vary. MPGe is the EPA equivalent measure of gasoline fuel efficiency for electric mode operation. ⁵EPA-estimated rating of 40 city/36 hwy/38 combined mpg, 14-gal. fuel tank, 19 miles electric. Range calculation based on www.fueleconomy.gov. Actual mileage will vary.
Eco-conscious road hugger.

C-MAX has ultra-low emissions. It also has Active Grille Shutters to help reduce air resistance and increase fuel efficiency. These and many other smart features come standard. But there's also a major surprise. When you step on the accelerator, C-MAX delivers a truly engaging driving experience.

The advanced eCVT (electronically controlled continuously variable transmission) smoothly transfers 188 system net horsepower and 129 lb.-ft. of torque to the pavement. Powered by a state-of-the-art lithium-ion battery, C-MAX uses a powersplit hybrid architecture to switch seamlessly between an 88-kW electric traction motor and a 2.0L Atkinson-cycle I-4 gasoline engine. The system can operate in all-electric mode at speeds of up to 85 mph, with the engine kicking in only as needed to power the battery and to enhance performance.

As you accelerate through corners, Torque Vectoring Control enhances your hold on the road. According to the editors at KBB.com, “Ford C-MAX provides the best balance of fuel economy and driving fun in the segment.”

Plug in to plus up your drive.

When you want to get the most from your C-MAX Energi, you can simply plug it in. Use the 120-volt convenience charging cable in a standard grounded outlet to recharge overnight. Or you can use a 240-volt home charging station to recharge in just 2.5 hours. An LED-illuminated indicator on the external charge port makes it easy to see your charging progress. When fully charged, C-MAX Energi lets you enjoy an EPA-estimated rating of 95 city MPGe, a gas-plus-electric driving range of 550 miles, and an all-electric driving range of 19 miles. A 240-volt home charging station by AeroVironment is recommended by Ford. The UL-listed, weather-resistant portable charging station is easy to take with you if you relocate. A hard-wired station is also available. Please call 1-888-219-6747 or visit evsolutions.com/ford for more information. These charging stations are available with or without full installation services by AeroVironment.

Stay Connected with MyFord Mobile. Our award-winning MyFord Mobile app and website (myfordmobile.com), featuring a charging station locator powered by PlugShare, make it easy to monitor and schedule charging from just about anywhere. To maximize your range, set a departure time and cabin temperature while the vehicle is plugged in. Your preconditioned temperature is then attained by drawing power from the charging station, rather than the battery.

1 Available feature. 2 EPA-estimated ratings of 95 city/81 hwy/88 combined MPGe; 40 city/36 hwy/38 combined mpg; 19 miles electric. 14-gal. fuel tank. MPGe is the EPA equivalent measure of gasoline fuel efficiency for electric mode operation. Range calculation based on www.fueleconomy.gov. Actual mileage will vary. 3 MyFord Mobile subscription complimentary for 5 years from the vehicle sale date as recorded by the dealer. Subscription fees apply after 5 years. MyFord Mobile requires a compatible 2G independent cellular network. Evolving technology and cellular networks may affect future availability and functionality. 4 Effectiveness of cabin conditioning may be reduced by extreme outside temperatures or when using 120-volt charging.
Gauge your efficiency in full color.

Our next-generation SmartGauge® with EcoGuide displays vibrant green leaves growing on a virtual vine to provide you with real-time fuel efficiency feedback. The higher your mpg, the more lush your vine will be. This engaging system, standard on every C-MAX, also includes a brake coach screen to help you maximize your driving range (and grow more leaves) with regenerative braking. Intuitive controls and a built-in tutorial make it easy to use.

Voice-activated SYNC® with MyFord Touch® centralizes control of your phone, entertainment, navigation and climate with its 8" color LCD touch screen and 5-way controls on the steering wheel. Class-exclusive dual USB ports and Wi-Fi® capability are also included on SYNC with MyFord Touch. Once paired, you can download contacts and play music from your smartphone. It can also recognize your MP3 player, USB or iPod.® On C-MAX Hybrid SE, SYNC AppLink™ lets you control Pandora®, iHeartAuto™, SiriusXM® and select other apps by voice too. When you opt for the voice-activated Navigation System, you can follow its Eco Route turn-by-turn directions for maximum efficiency on every trip.

Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.  Requires in-vehicle USB mobile broadband connection, PAN-supported mobile device or proximity to an outside wireless hotspot. "SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software.
Enjoy spaciousness and peace of mind.

C-MAX accentuates its best-in-class\(^1\) 99.7 cu. ft. of passenger space with appealing amenities like a 10-way power-adjustable driver’s seat\(^3\) (class-exclusive on C-MAX Energi) and smart standards like a driver’s knee airbag. Versatile seating for 5 is trimmed in your choice of cloth\(^3\) or leather.\(^2\) A cabin air filter helps prevent pollen from entering the vehicle through the dual-zone electronic automatic temperature control (class-exclusive on both) so you can breathe easy. And standard Curve Control, an enhancement to our AdvanceTrac® with class-exclusive RSC® (Roll Stability Control\(^\text{™}\)), can help slow the vehicle by as much as 10 mph in approximately one second if it senses you’re taking a curve too quickly.\(^4\) It’s one more way C-MAX helps you maximize your drive.

\(^1\)C-MAX Hybrid class is Small Hybrid Vehicles. C-MAX Energi class is Small Plug-in Hybrid Vehicles. \(^2\)Available feature. \(^3\)C-MAX Hybrid SE only. \(^4\)Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Maximize your life with best-in-class versatility.

Our class-exclusive foot-activated hands-free liftgate\(^1\) offers you cargo-loading ease the competition can’t touch. Just move your foot under the rear bumper in a gentle kicking motion with your Intelligent Access key fob\(^1\) tucked away in a pocket or purse. Then, stand back as C-MAX opens or closes the liftgate for you. The standard 60/40 split rear seat folds down, providing a flat load floor on C-MAX Hybrid. And cargo space is abundant – up to 52.6 cu. ft. inside C-MAX Hybrid and 42.8 cu. ft. inside C-MAX Energi. In-floor compartments behind the front seats discreetly hold small items like your iPad\(^2\) or the standard 120-volt charging cable.\(^2\) C-MAX is the multi-activity vehicle designed for your active life.

---

\(^1\)Available feature. \(^2\)C-MAX Energi only.
Enhance your day with driver-assist technologies.

From weather forecasts to parallel parking, C-MAX offers smart features designed to help you out. Whenever you shift into Reverse, the rear view camera\(^1\) can display a full-color image of what’s behind the vehicle on your 8" SYNC\(^\circledR\) with MyFord Touch\(^\circledR\) screen. A 6-month trial subscription to SiriusXM\(^\circledR\) Satellite Radio,\(^1\) SiriusXM Traffic\(^2\) and SiriusXM Travel Link\(^2\) gives you the ability to check local and national weather, look up fuel prices, and get detailed information on traffic speed, accidents, construction and road closings. Class-exclusive MyKey\(^\circledR\) can help block calls and deter text messages, and encourage other smart habits while young drivers are behind the wheel. And when equipped with active park assist,\(^1\) C-MAX can actually steer itself into parallel spots. You just follow system prompts to shift gears and control the brake and accelerator pedals. So simple. And so smart.

\(^{1}\)Available feature. \(^{2}\)SiriusXM Traffic and Travel Link services only available with optional voice-activated Navigation System. Driver-assist features are supplemental and do not replace the driver’s judgment.
## C-MAX Specifications

### Standard Features

#### Mechanical
- Active Grille Shutters
- Electric power-assisted steering
- Electronically controlled continuously variable transmission (eCVT)
- Front-wheel drive (FWD)
- Independent front and rear suspension with stabilizer bars
- Intelligent Oil-Life Monitor®
- Regenerative Braking System with 4-wheel disc Anti-Lock Brake System (ABS)
- Tire mobility kit
- Torque Vectoring Control

#### Seating
- 5-passenger seating
- Front bucket seats with 4-way adjustable head restraints
- Rear 60/40 split forward-folding bench seat with adjustable head restraints for all 3 seating positions

#### Interior
- 12-volt powerpoints (2)
- 110-volt power outlet
- Acoustic-laminate windshield
- Active noise cancellation
- Adjustable driver and front-passenger sun visors with illuminated vanity mirrors
- Cabin air filter
- Cargo area tie-down hooks
- Center console with armrest, storage and 2 cupholders
- Compass

#### Exterior
- Charge door decal®
- Flat splash guards
- Full vehicle cover
- Hood protector®
- Rear bumper and cargo area protectors
- All-weather floor mats
- Roof-mounted cargo box by THULE®

### Engines/EPA-Estimated Ratings6 & Dimensions

#### C-MAX Hybrid – 2.0L I4 Atkinson-Cycle I-4 Hybrid Electric Vehicle (HEV)
- Total system net horsepower: 188
- Gas engine torque: 129 lb.-ft.
- Electronically controlled continuously variable transmission (eCVT)
- 42 city/37 hwy/40 combined mpg

#### C-MAX Energi – 2.0L I4 Atkinson-Cycle I-4 Plug-In Hybrid Electric Vehicle (PHEV)
- Total system net horsepower: 195 charge depleting mode; 188 charge sustained mode
- Gas engine torque: 129 lb.-ft.
- Electronically controlled continuously variable transmission (eCVT)
- 40 city/36 hwy/38 combined mpg (gasoline only); 95 city/81 hwy/88 combined MPGe

### Capacities (cu. ft.)

- Passenger volume: 99.7
- Cargo volume behind front seats:
  - C-MAX Hybrid: 52.6
  - C-MAX Energi: 42.8
- Cargo volume behind rear seats:
  - C-MAX Hybrid: 24.5
  - C-MAX Energi: 19.2
- Fuel tank (gal.):
  - C-MAX Energi: 14.0

### Safety & Security

- Personal Safety System™ for driver and front passenger includes dual-stage front airbags®; safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- 3-point safety belts for all seating positions
- AdvanceTrac® with RSC® (Roll Stability Control®), all-speed traction control and Curve Control
- Battery saver with headlight-off delay
- Child-safety rear door locks
- Driver’s knee airbags®
- Front-seat side airbags®
- Integrated keyhead transmitter remotes (2)
- LATCH—Lower Anchors and Tether Anchors for Children MyKey®
- Safety Canopy® System with side-curtain airbags® and rollover sensor
- Passive Anti-Theft System
- SOS Post-Crash Alert System® unlocks doors, flashes hazard lights and sounds horn after airbag deployment or safety belt pretensioner activation in certain collisions
- Tire Pressure Monitoring System

1. Ford Licensed Accessory.
2. Available on C-MAX Hybrid only.
3. Available on C-MAX Energi only.
4. Not available with Intelligent Access with push-button start.
5. SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. Actual mileage will vary.
6. Always wear your safety belt and secure children in the rear seat.
C-MAX Hybrid

SE

Equipment Group 200A
Includes all standard features, plus:

Mechanical
2.0L 16V Atkinson-cycle I-4 hybrid electric vehicle (HEV) engine with permanent-magnet AC-synchronous electric motor
Lithium-Ion Battery Pack System – 1.4-kW capacity

Seating
6-way manual driver and 4-way manual front-passenger seats

Interior
AM/FM stereo/single-CD player with MP3 capability and 6 speakers with speed-compensated volume
Ford SYNC® voice-activated, in-vehicle connectivity system
MyFord® with 4.2" color LCD displays in instrument cluster and center stack, and media hub with auxiliary audio input jack and unique hybrid screens

Available Equipment Groups
Equipment Group 201A
– Power liftgate + Reverse Sensing System + ambient lighting

Equipment Group 202A
– MyFord Touch® with two 4.2" configurable LCD displays in instrument cluster; 8" color LCD touch screen in center stack; unique hybrid driving screens; and media hub with 2 USB ports, SD card reader and audio/video input jacks
SiriusXM Satellite Radio with 6-month trial subscription
SYNC voice-activated, in-vehicle connectivity system with SYNC Services® for Traffic, Directions and Information
Universal garage door opener

Available Options & Packages
Cargo Management Package includes foldable, soft cargo organizer, and cargo net
Exterior Protection Package includes rear bumper protector and front and rear molded splash guards
Full vehicle cover
Interior Protection Package includes front and rear all-weather floor mats and cargo area protector
Panoramic fixed-glass roof
Remote Start System

SEL

Equipment Group 300A
Includes select SE features, plus:

Seating
Heated front bucket seats, including 10-way power driver’s seat with power lumbar
Leather-trimmed seating with rear-seat center fold-down armrest

Interior
Ambient lighting
Auto-dimming rearview mirror
Intelligent Access with push-button start and 2 key fob transmitters
MyFord Touch with two 4.2" configurable LCD displays in instrument cluster; 8" color LCD touch screen in center stack; unique hybrid driving screens; and media hub with 2 USB ports, SD card reader and audio/video input jacks
SiriusXM Satellite Radio with 6-month trial subscription
SYNC voice-activated, in-vehicle connectivity system with SYNC Services® for Traffic, Directions and Information

Drive green for life.”
Ford has teamed up with SunPower® to offer a rooftop solar system that provides clean, renewable energy for use throughout your home. It’s another smart step you can take in your commitment to green living. Right now, this offer has been extended to Ford hybrid and plug-in vehicle drivers.³ To sign up for a free, no-obligation home evaluation, visit sunpowercorp.com/ford or call 1-800-SUNPOWER.

¹Ford Licensed Accessory. ²Available feature. ³Ford electrified vehicles include Focus Electric, Fusion Hybrid, Fusion Energi Plug-In Hybrid, C-MAX Hybrid, C-MAX Energi Plug-In Hybrid. Talk with your local SunPower dealer to find out if lease programs are available in your state. ⁴Additional charge.
New Vehicle Limited Warranty. We want your Ford C-MAX ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. C-MAX unique electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for copies of these limited warranties.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. PlugIntoFord.com is the place to visit for interactive learning tools that will help you make the most of your electrified lifestyle as a C-MAX Energi owner. Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on 2014 competitive models (C-MAX Hybrid class is Small Hybrid Vehicles; C-MAX Energi class is Small Plug-in Hybrid Vehicles), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations.
