Modern sophistication defines the 2019 Edge. Athletic new front and rear styling reaches its ultimate expression in the new ST — an exhilarating 335 horsepower1 of performance-enhanced pleasure. There are plenty of smart new features as well. Starting with Ford Co-Pilot360™, a suite of standard driver-assist technologies designed to help you confidently navigate your world. A smooth-shifting rotary gear shift dial that puts you in control of the 8-speed automatic transmission. A wireless charging pad3,4 that makes recharging your mobile phone hassle-free. A standard FordPass Connect™ 4G LTE Wi-Fi hotspot5 that lets you connect up to 10 devices. And a B&O Sound System3 with 12 high-performance speakers. Now more than ever, it’s easy to keep your Edge.
Both EcoBoost® engines on the 2019 Edge are paired with a new quick-shifting 8-speed automatic transmission. Standard Auto Start-Stop Technology helps reduce fuel consumption during stop-and-go city driving by shutting off the engine when you come to a complete stop. When you release the brake pedal, the engine seamlessly restarts. Enhance your driving experience on all-wheel drive (AWD) models with racing-inspired paddle shifters that provide SelectShift® capability.

**2.0L ECOBOOST**

FORD CO-PILOT360™
Our world is increasingly distracted. A few seconds is all it takes... to lose focus. According to the National Highway Traffic Safety Administration (NHTSA), 94% of serious crashes are due to human error. To help you drive confidently so you can better enjoy your journey, the new 2019 Edge comes with Ford Co-Pilot360. This suite of 5 standard features can start helping the moment you begin backing out of your driveway.

2 Information about crash-avoidance technologies as part of the Government 5-Star Safety Ratings program can be found at www.SaferCar.gov. 1Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. 2Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions and does not replace safe driving. Please see owner’s manual for system limitations. 3Lane Keeping System does not control steering. 4Available feature. 5If stop is longer than 3 seconds, driver must intervene and press “RES” button or accelerator pedal to resume system operation. 6Certain restrictions, 3rd-party terms and data rates may apply. See footnote 3 on Standard Features page of Specifications, and your Ford Dealer for details.
Starting with the Intelligent Access key fob that gets you in. And push-button start that gets you going. A new rotary gear shift dial in the center console frees up space, allows access to the new wireless charging pad,1,2 and enhances the modern, sophisticated feel of the 2019 Edge. That feeling continues with the output from a new B&O Sound System.1 Its 10-channel amplifier pumps 800 watts of digitally processed sound through 12 high-performance speakers, including 3 midrange speakers and a subwoofer. No matter your destination or traveling companions, the new 2019 Ford Edge is designed to indulge, pamper and please.
With its rear 60/40 split seat folded flat, Edge converts to a cargo hauler with ease. A convenient EasyFold® seat release¹ for the rear seat lets you maximize cargo space with the touch of a button. Fold both sides of the seat back down for large objects, or leave one side up to carry cargo and passengers side by side. And if your hands are full as you approach the rear liftgate, just kick your foot under the rear bumper. The hands-free foot-activated liftgate¹ will rise on its own. This Edge is as versatile as you are.

Every precisely honed 2019 Edge asserts its presence wherever you go. And now, with Ford Co-Pilot360™ all Edge models are equipped with a standard suite of driver-assist technologies to help you better navigate your world. Up front, SE exhibits the freshened fascia, wider grille and redesigned hood of Edge that helps it cast a more planted stance. Intelligent Access gets you in, push-button start gets you going, and a turn of the new rotary gear shift dial gets you moving. Low- and high-beam bi-LED headlamps illuminate your view. Along the sides, 18" Sparkle Silver-painted aluminum wheels fill the wells, while the 4-wheel disc Anti-Lock Brake System (ABS) helps bring them to a halt. Inside, voice-activated SYNC® FordPass Connect™ and the more than 150 channels of SiriusXM® help keep you connected. There’s much to be desired about Edge SE.
A long list of SEL standards includes: dual-zone electronic automatic temperature control, SYNC® 3, LED fog lamps, 10-way power driver’s seat, 6-way power front-passenger seat, leather-wrapped steering wheel, and Reverse Sensing System. But what SEL opens you up to is what truly sets it apart. Choose from a power panoramic Vista Roof®, heated front seats,® and the Ford Co-Pilot360™ Assist+ Package. This package adds Adaptive Cruise Control with Stop-and-Go and Lane Centering, and Evasive Steering Assist. A voice-activated Navigation System with SiriusXM® Traffic and Travel Link® and pinch-to-zoom capability is also part of the package. The 2019 Edge SEL.
Add refinement to your driving experience with this well-appointed Edge. Titanium adds the ultra-convenient hands-free foot-activated liftgate, 19" Nickel-painted aluminum wheels, LED signature lighting up front, and LED taillamps with amber turn signals in the rear. Inside, luxury amenities include: a new 12-speaker B&O Sound System; new wireless charging pad; 10-way power, heated, leather-trimmed driver and front-passenger seats; a power-tilt/-telescoping steering column with memory; S/VNC® 3; a 110V/150W AC power outlet; illuminated front door-sill scuff plates; and ambient lighting. It’s easy to hit all the right notes in **Edge Titanium**.
With Equipment Group 301A, you can take Titanium to the next level. Utilize every driver-assist feature that Edge offers, including a front Split-View Camera\(^1\) that allows you to see around corners when slowly moving forward, as well as Enhanced Active Park Assist\(^1\) that helps make parking easier. Inside, enjoy cooled, leather-trimmed seats with perforated inserts up front, while passengers can take advantage of heated outboard seats in the rear. Add the Titanium Elite Package, which includes body-color exterior trim with bright chrome inserts and 20" bright-machined aluminum wheels with Premium Dark Stainless-painted pockets, to distinguish yourself even further. The new 2019 Edge Titanium Elite.

\(^{1}\)Driver-assist features are supplemental and do not replace the driver’s attention, judgment, and need to control the vehicle.
The first Ford SUV to be tuned by the Ford Performance Team is on the prowl: charging hard with 335 horsepower and 380 lb.-ft. of torque from an enhanced 2.7L EcoBoost engine – the most powerful gas V6 engine in its class.

A Gloss Black-painted wide-mouth mesh grille and ST badging set this Edge apart, as well as deep side skirts, dual trapezoidal exhaust outlets, and 21” Premium Gloss Black-painted aluminum wheels. A Ford Performance-tuned suspension provides dynamic handling, while standard all-wheel drive (AWD) helps to maximize traction. Plus, racing-inspired paddle shifters enhance your control of the new 8-speed automatic transmission with SelectShift® capability. A tap of the Sport mode button sharpens throttle response, allows for a more dynamic engine note inside the cabin, more aggressively programs the transmission shift points, and more.

Design cues on the steering wheel, front seat backs and door-sill scuff plates remind you that this SUV is truly something special. Introducing the new 2019 Edge ST.
STAY CONNECTED ON THE MOVE

IT ALL STARTS HERE
This vibrant 8” touchscreen is the command center of SYNC® 3 voice-activated technology, which integrates your paired mobile phone with Ford Edge as soon as you start your vehicle. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn’t miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

LINK YOUR APPS
SYNC 3 AppLink® links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone® users can view the Waze™ app’s community-based navigation and traffic features on the large SYNC 3 touchscreen. Amazon Alexa users can access thousands of skills and services they enjoy on their Amazon Echo with the Ford+Alexa® app.

CONNECT TO FORDPASS CONVENIENCE
A FordPass Connect™ 4G LTE Wi-Fi hotspot lets passengers connect tablets, laptops and smartphones. It includes a complimentary 3-month or 3GB data trial. And that’s only part of its convenience. Together with the FordPass™ smartphone app, FordPass Connect allows you to remotely start your vehicle and climate control system using your smartphone. As well as locate your vehicle and check approximate fuel range. FordPass also helps you find fuel and compare prices. Find, reserve and pre-pay for parking in select locations. Plus, get help 24/7 from our trained team of Ford Guides.

CONNECT YOUR iPhone
Apple CarPlay™ compatibility displays the iPhone interface on your vehicle’s touchscreen. Send and receive text messages by voice. Get directions. Access playlists from Apple Music®. Just ask Siri® for help. She already knows your voice.

CONNECT YOUR ANDROID PHONE
Android Auto™ compatibility displays the Android™ interface on your vehicle’s touchscreen. Get voice-guided navigation from Google Maps™ and Waze. Access your favorite music from your apps. Make calls. Send and receive messages. Just talk to Google Assistant™ and go.

MAP YOUR ROUTE
Voice-activated navigation delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look. SiriusXM® Traffic and Travel Link® helps you avoid traffic — before you’re in the middle of it. It also provides fuel prices and station locations. Current and forecasted weather. Movie locations and showtimes. Plus, the scores of your favorite sports teams, and more.
