2. Horsepower rating based on premium fuel per SAE J1349® standard. Your results may vary.  

BUILT TO INSPIRE.

By commanding attention wherever you go. By adapting quickly to your changing needs. By providing technology that can help you stay connected on the go. And by helping you more confidently navigate your world – with standard Ford Co-Pilot360™. The 2020 Ford Edge can help you do it all. It's a spirited confidence that runs deep, embodied in every vehicle that carries our family name. We've been perfecting our craft and striving to improve lives for over 116 years. Our first SUVs took you “out there.” Our current lineup takes you capably to your destination in comfort and style. We build for the adventurers. And we pour our hearts into everything we build.

ECoboost® Engines

SE, SEL and Titanium are powered by a 2.0L twin-scroll turbocharged, direct-injection engine. A 2.7L twin-turbocharged V6 puts Edge ST.

8-Speed Automatic Transmission

FWD or AWD

Elite Upgrade

Choose the Elite Package on the 2020 Edge Titanium, and you’ll be treated to a uniquely new interior environment that further enhances its hidden sophistication.

Titanium. Rapid Red Metallic Tinted Clearcoat. Available equipment. *Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. *Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. *Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. *Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

1 Qi wireless charging may not be compatible with all mobile phones.

2 Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

PUSH START AND GO
Your Intelligent Access key fob gets you in and push-button start gets you going without having to insert a key. Whatever you access or touch, the 2020 Ford Edge is designed to indulge, pamper and please.

GO WIRELESS
An available wireless charging pad1 in front of the center console lets your phone charge cord-free, within reach. And it can keep resting there while you use voice-activated SYNC3.2

DESIGNED TO EMPOWER.

12-SPEAKER SOUND SYSTEM
Standard on ST and Titanium, the B&O Sound System features a 10-channel amplifier pumping 800 watts of digitally processed sound through 12 high-performance speakers, including a subwoofer and 3 midwoofer speakers.

8” LCD TOUCHSCREEN
with swipe capability included with voice-activated SYNC3.2
BRIGHTENS YOUR DRIVE
An available power, panoramic Vista Roof® can flood the interior with natural light to benefit all passengers, while available Blue ambient lighting illuminates the front cupholders, door trim and media bin.

STYLED TO EASILY ADAPT.

KEEPS YOU CHARGED
Four 12V powerpoints, 2 USB ports and an available 110V/150W AC power outlet on the rear of the center console give you and your passengers plenty of opportunity to keep your devices charged and at the ready.

DIALS IN SIMPLICITY
Simply turn the nicely calibrated rotary gear shift dial to move the 8-speed transmission from Park to Reverse to Drive. The design frees up center console space as well.

ENGINERED TO EXCITE.

Both EcoBoost® engines on the 2020 Edge are paired with a quick-shifting 8-speed automatic transmission for spirited performance. On models equipped with available all-wheel drive (AWD), AWD disconnect allows for the disconnection of the rear driveline when the system detects AWD is not needed. To help reduce fuel consumption during stop-and-go city driving, standard Auto Start-Stop Technology shuts off the engine when you come to a complete stop. When you release the brake pedal, the engine seamlessly restarts.

2.0L ECOBOOST
This twin-scroll turbocharged, direct-injection engine has robust low-end torque—and delivers a virtually instantaneous surge of power. “There’s plenty of thrust, and the Edge has a calm, relaxed demeanor we came to appreciate during regular cruising,” says Car and Driver. Standard on SE, SEL, Titanium

2.7L ECOBOOST V6
The most powerful member of the Edge engine lineup sits behind the wide mesh, blacked-out grille of Edge ST. Featuring a light compact graphite iron engine block and aluminum cylinder heads, this twin-turbocharged, direct-injection engine delivers exhilarating V6 horsepower and torque. Standard on ST
From the driveway to the highway, our driver-assist features are designed to help you feel confidently in command at the wheel of your Edge.

**FORD CO-PILOT360™ TECHNOLOGY READY WITH AN ASSIST.**

Available equipment shown. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. Driver-assist features were not available on earlier vehicle models and are designed for use under certain conditions, therefore, are neither error-free nor fail-safe. Drivability must always be maintained on manual systems. Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions or at all speeds. See owner’s manual for system limitations. Lane-Centering System does not control steering. It is designed to only activate when needed.

**FORD CO-PILOT360**
Standard on every 2020 Edge

**PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING**
We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don’t take action, brakes can apply automatically. It’s designed to only activate when needed.

**BLIS® WITH CROSS-TRAFFIC ALERT**
Changing lanes demands your full attention. BLIS (Blind Spot Information System) can help by alerting you to vehicles detected in your blind spots. Cross-Traffic Alert helps by detecting and alerting you to traffic behind your vehicle as you’re slowly backing up.

**LANE-KEEPING SYSTEM**
It happens. Listening to your favorite podcast, you wander too close to your lane’s edge. Our Lane-Keeper System can help during a moment of distraction. If you drift out of your lane, it directs you with steering wheel torque to return, and can also alert you through vibration pulses. Shape a few times and as you come into focus, you know it’s time to take a break.

**AUTO HIGH-BEAM HEADLAMPS**
Sound familiar? You turn on high beams entering a dark stretch of road – then forget to turn them off as traffic approaches. Auto High-Beam Headlamps can detect poor lighting and switch them on for you. They can also sense oncoming headlamps and dim automatically for other drivers.

**REAR VIEW CAMERA**
Backin’ up appears a little multidistraction. Our Rear View Camera helps by providing a great view of what’s behind your vehicle. It also helps when you’re backing a trailer. A washer helps keep the camera free of debris (like dirt or ice), helping you navigate Reverse clearly and with more confidence.

**VOICE-ACTIVATED NAVIGATION**
Taking the wrong exit can put a serious dent in your day. Stay confidently on course with our Voice-Activated Touchscreen Navigation System, which features SiriusXM® Traffic and Travel Link® services to help you avoid traffic, find fuel (gas or java), and so much more.

**FRONT 180-DEGREE CAMERA**
Maneuvering crowded urban streets can be nerve wracking. This technology helps by supplying a 180-degree view in front of your vehicle. It lets you see to the left and right before you have a line of sight, displaying a view around corners as you slowly proceed. A lens washer even helps to keep the view clear.

**POST-COLLISION BRAKING**
We all try to avoid collisions, but sometimes they happen. Post-Collision Braking can potentially lessen the severity of a secondary collision by automatically applying moderate brake pressure when an initial collision event is detected. By slowing the vehicle, additional damage or injury to the occupants can potentially be lessened, especially if the driver is not able to apply the brakes themselves due to the circumstances. Standard on every 2020 Edge

**ENHANCED ACTIVE PARK ASSIST**
Never pass up a potential parking space again. Enhanced Active Park Assist makes it easy to park time after time – even in tight parallel or reverse perpendicular spots. Just activate, shift, accelerate and brake while Edge takes care of the rest. Park Out Assist with side-sensing capability can help you confidently navigate out of a spot when someone’s parked too close. Available on Titanium and ST

**ADAPTIVE CRUISE CONTROL (ACC) WITH STOP-AND-GO AND LANE CENTERING**
There are few things as tedious as bumper-to-bumper traffic. ACC with Stop-and-Go can help you keep pace on your journey, slowing down or even stopping your vehicle if the traffic ahead has slowed or stopped. When things clear, it can resume your set speed. Lane Centering helps keep Edge between the lines.

**Evasive Steering Assist**
We’ve all experienced it. Traffic is rolling along smoothly when suddenly, a vehicle in your path is stopped. To help avoid a potential collision, Evasive Steering Assist can provide extra assist to help you quickly steer around the vehicle.

**ADAPTIVE CRUISE CONTROL (ACC) WITH STOP-AND-GO AND LANE CENTERING**
There are few things as tedious as bumper-to-bumper traffic. ACC with Stop-and-Go can help you keep pace on your journey, slowing down or even stopping your vehicle if the traffic ahead has slowed or stopped. When things clear, it can resume your set speed. Lane Centering helps keep Edge between the lines.

**VOICE-ACTIVATED NAVIGATION**
Taking the wrong exit can put a serious dent in your day. Stay confidently on course with our Voice-Activated Touchscreen Navigation System, which features SiriusXM® Traffic and Travel Link® services to help you avoid traffic, find fuel (gas or java), and so much more.

**PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING**

YOUR TECH, YOUR WAY.

With seating for up to 5 and Wi-Fi hotspot capability, Ford Edge welcomes a vast array of smartphones, tablets, gaming systems and computers along for the ride. Plus, you can tap into the best in music, sports, comedy, news and talk with SiriusXM® inside your vehicle and on the go, with a 6-month All Access trial subscription. With our available Voice-Activated Touchscreen Navigation System, you’ll also enjoy a 5-year subscription to SiriusXM Traffic and Travel Link® services.

COMMAND IT
With your voice and your choice of display, SYNC® 3 voice-activated technology connects your tech with your Edge. SYNC 3 AppLink® gives you voice control of compatible mobile apps like Waze and Ford+Alexa. To see your phone's familiar interface on the big screen, take advantage of compatibility with Apple CarPlay™ for your Phone or Android Auto™ for your Android™ smartphone.

 CONTROL IT
Monitor and control your vehicle in incredibly powerful ways using the FordPass™ App alone or with FordPass Alexa Skill or FordPass Action through Google Assistant® when equipped with FordPass Connect.® Complimentary remote features let you start, lock and unlock your vehicle from just about anywhere, including right from your wrist with your Apple Watch®. Use your app to find your vehicle, schedule starts, find parking® and check fuel and fluid levels. When you need important vehicle information, like Vehicle Health Alerts, service history and Warranty info, the FordPass App put it at your fingertips. And when it’s time to bring your vehicle in for service, the app makes scheduling easy. Enjoy access to convenient services like Key by Amazon In-Car Delivery and peace of mind knowing roadside assistance is just a call or e-request away®

CONNECT IT
With in-vehicle Wi-Fi. Before you’ve even unloaded your purchase, you and your friends can be posting your adventure through FordPass Connect® with 4G LTE Wi-Fi hotspot capability. Its powerful antenna provides the ability to connect up to 10 devices at once 11 inside of Edge and up to 50’ away.

Available equipment changes. All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees, content and features are subject to change. Activated technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected services exclude Wi-Fi hotspot. FordPass Connect service requires (see FordPass Terms for more information). Message and data rates may apply. Check your availability at https://amzn.to/2JnYMtz. Roadside assistance is included for certain owners and available to everyone for a per-service fee. Don’t drive while distracted or while using handheld devices. Use voice controls.

Go luxe inside and out with Edge Titanium. Starting with the ultra-convenient hands-free, foot-activated liftgate and available adaptive LED headlamps with amber turn signals. Inside, amenities include: a 12-speaker B&O Sound System; wireless charging pad; 10-way power, heated, leather-trimmed driver and front-passenger seats; a power tilt/telescoping steering column with memory; a 110V/150W AC power outlet; illuminated front door-sill scuff plates; and Blue ambient lighting. Elevate your driving experience with the well-appointed Titanium.
Take Titanium to the next level by adding the Titanium Elite Package to Equipment Group 301A. Nearly every driver-assist feature that Edge offers will be yours, including a front 180-degree camera with Split View and washer that provides a cross-traffic view in front of your vehicle, as well as Enhanced Active Park Assist that helps make parallel parking easier. The Titanium Elite Package adds a unique new interior environment with Brunello door-trim inserts with Brick Red stitching, as well as front and rear floor mats with an embroidered Edge logo and accent stitching in Brick Red. Body-color exterior trim with bright chrome inserts, plus 20" polished aluminum wheels, distinguish Titanium Elite even further.

Leather-trimmed seating surfaces: Ebony/Brunello

Colors: Desert Gold, Iconic Silver, Magnetic, Agate Black, Burgundy Velvet Metallic Tinted Clearcoat, Star White Metallic Tri-coat

Titanium Elite Package includes select Titanium 301A features, plus:

- Appearance
  - Aluminum instrument panel appliqué
  - Body-color cladding with bright chrome inserts
  - Body-color front and rear bumpers
  - Brunello door-trim inserts
  - Ebony seats with Brunello perforated inserts
  - Unique front and rear floor mats

- Options
  - Cargo Accessories Package: interior cargo cover, cargo area protector, and rear bumper protector
  - Class II Trailer Tow Prep Package with Trailer Sway Control (requires AWD)
  - All-wheel drive (AWD; includes AWD disconnect)
  - Dual-Headrest Rear Seat Entertainment System
  - Engine block heater
  - Front and rear floor liners

Available equipment shown. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Metallic. Additional charge. Ford Licensed Accessory. Restrictions may apply. See your dealer for details.
Tuned by the Ford Performance Team, Edge ST charges hard with 335 horsepower¹ and 380 lb.-ft. of torque.² A Ford Performance-tuned suspension provides dynamic handling, while standard all-wheel drive (AWD) helps maximize traction. Plus, racing-inspired paddle shifters enhance your control of the 8-speed automatic with SelectShift® capability. Tap the Sport mode button to sharpen throttle response, more aggressively program the transmission shift points, and more. A Gloss Black-painted wide-mouth mesh grille, ST badging, and dual trapezoidal exhaust outlets set this Edge apart. Inside, design cues on the steering wheel, front seat backs and more remind you that ST is something special.

ST INCLUDES SELECT SEL FEATURES, PLUS:

**MECHANICAL**

Available equipment shown. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary.¹ Additional charge.² Restrictions may apply. See your dealer for details.³ Ford recommends using summer tires when temperatures drop to approximately 45°F (7°C) or below (depending on tire wear and environmental conditions), or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or winter tires. ⁵ Ford Licensed Accessory.
New Vehicle Limited Warranty. We want your Ford Edge ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year, 36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump-start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that’s right for you. Ask your Ford dealer for details or visit us online at ford.com/finance.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Insure. A new insurance product designed just for Ford owners. Ford Insure can help you save money on auto insurance for your connected Ford vehicle. Drive smarter, become an even better driver and earn bigger discounts – it’s a win/win/win. Visit the FordPass app.

Ford Original Accessories. They’re warranted for whatever predisposes you the greatest benefit: 24 months/ unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty.

Ford Licensed Accessories (FLA). Warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford dealer for details and/or a copy of all limited warranties.

Your Ford Dealer can provide complete details on all of these advantages.

Stay connected and in control of your vehicle with complimentary remote features accessed through the FordPass App. Start, stop, lock and unlock your vehicle, schedule a start, even check fuel and brake fluid from your phone! You can get a job alert, health alerts, service history and service alerts to help keep your vehicle in top notch.
From day one, we had the future in mind. And for over 116 years, we’ve focused on improving your freedom of movement, by making it possible for hardworking, everyday people to own a vehicle. One that’s well built. That you’re proud to drive. Born in Detroit, made in America¹ and famous worldwide:

We are the Ford Motor Company.

Your mobility is at the center of everything we do. And we’re excited to be designing and building smart vehicles that work for you. It’s why we put our family name on every one.

From our founding members, to our Ford family of employees around the globe, we work with pride. We build with care.

For you – and your family. By everyone in ours.

¹Made in the USA with domestic and foreign parts.
