You've got a green light for fun in Escape and Escape Hybrid. With up to 34 mpg city,
Escape Hybrid is the most fuel-efficient SUV on the planet. The standard 2.5L I-4 engine on
Escape gets 28 mpg hwy. Both offer the capability of available 4WD and tons of smart new
technology including our latest Ford SYNC® voice-activated, customizable media system and
available Active Park Assist – which helps you parallel park in as little as 24 seconds –
leaving you more time for adventure.

fordvehicles.com
Escape Hybrid Limited in Kiwi Green Metallic with available equipment

The powertrain is so self-sufficient, it actually recharges itself. The 2.5L I-4 Atkinson-cycle engine works with the electric traction motor to move you with 177 net hp. When you apply the brakes during normal driving, the Regenerative Braking process captures kinetic energy from your braking to recharge the 330-volt battery pack. The battery pack then supplies energy to start the engine and to drive in 100% electric mode up to 44 mph. When passing or merging, hybrid drive mode delivers an extra power boost for lively acceleration performance while still delivering lower average fuel costs. It’s the best of both worlds.

Escape Hybrid: The most fuel-efficient SUV on the planet.

1 Based on unadjusted city fuel economy from EPA (10/08) and VCA (5/08). 2009 EPA-estimated 34 mpg city/31 hwy. for Escape Hybrid FWD. Excluding vehicles built for Mazda.

fordvehicles.com
With fully independent suspensions and outstanding clearance, both Escape and Escape Hybrid are naturally nimble enough to drive up and over some formidable obstacles that some others will have to waste time driving around. If you prefer the road less traveled, go for the optional Intelligent 4WD System. Always on and always working, it automatically monitors traction 200 times per second (much faster than any person could) and adjusts torque distribution as needed to give you maximum grip. It’s got serious skills.
Active Park Assist conquers parallel parking.

In as little as 24 seconds, just press a button and drive by potential spots to activate the system. Active Park Assist uses its sensors to take some measurements and prompts you when it’s ready to park. You simply respond to system prompts and control vehicle speed using the gear shifter, gas and brake pedals - while it handles the hard parts - figuring out if the spot is big enough and automatically steering the vehicle into it. New for 2010, this remarkably intelligent system is optional on Escape Limited and Escape Hybrid Limited. It’s bound to be your new best friend.

MyKey™ – positively habit-forming.

The MyKey owner controls feature, also new for 2010, is standard on XLT, Limited, Hybrid and Hybrid Limited. It lets you program ignition keys with specific parameters to help encourage smart driving habits, such as buckling up and traveling at appropriate speeds. MyKey is perfect for reminding drivers of all ages to abide by the rules of the road.

fordvehicles.com
Gas engines **flex, tow, sip and go.**

Escape’s available Duratec® 3.0–3.0L V6 engine is Flex Fuel capable this year, so you can run it on gasoline, E85 (85% ethanol and 15% gasoline), or any blend of the two. Mated to an efficient 6-speed automatic transmission, it cranks out **240 hp** and tows up to **3500 lbs.** when properly equipped.

I-4 gets up to **28 mpg hwy.** Whether you pair it with the standard 5-speed manual transmission or the available 6-speed automatic, the standard Duratec 25–2.5L I-4 engine delivers remarkable fuel economy. It also supplies a spirited **171 hp** and **171 lb.-ft.** of torque.

**Easy Fuel™ reduces pump time.** Our industry-first Easy Fuel capless fuel filler not only reduces evaporative emissions, it also helps get you back on the road in a snap. The system automatically seals shut when you remove the fuel nozzle - there’s no cap. You just gas up and go. It’s standard on every Escape and Escape Hybrid.

12009 EPA-estimated fuel economy: 22 mpg city/28 hwy. for Escape FWD with 2.5L I-4 and 5-speed manual; 20 mpg city/28 hwy. for Escape FWD with 2.5L I-4 and 6-speed automatic.
Navigation with SIRIUS Travel Link™ The available Navigation System, displayed on a vibrant 6.5” LCD touch screen, features easy voice activation for everything from driving directions to accessing tunes. It also provides nearly 10 gigs of storage space for photos and music while class-exclusive SIRIUS Travel Link delivers up-to-the-minute local traffic, weather, fuel prices, sports scores and movie listings. On Escape Hybrid, this available system also features a Power & Efficiency screen (shown above) that coaches you on how to maximize your fuel efficiency by making the most of the vehicle’s electric mode.

SIRIUS® Satellite Radio. Available SIRIUS Satellite Radio comes with a 6-month subscription: Surf more than 130 channels including 100% commercial-free music, plus the best sports, news, talk and entertainment, coast-to-coast.

You talk. SYNC listens.

Ford SYNC® with 911 Assist™ plus new Traffic, Directions and Information. The award-winning, available Ford SYNC system - developed in association with Microsoft® - works with your paired Bluetooth®-enabled mobile phone and digital media player or USB drive. Make and take calls, play music by artist or genre, and more — all with the touch of a button and simple voice commands.

SYNC also features these convenient Driver Services:

- 911 Assist
- Turn-by-turn directions
- Vehicle Health Reports
- Business searches
- Up-to-the-minute weather
- Personalized business, sports, traffic alerts, entertainment news, and more

With 911 Assist, the system can make an emergency call from your phone if any airbag has deployed. And, unlike other systems that send you to a call center first, SYNC connects you directly to a 911 operator. SyncMyRide.com has all the latest news.

The vehicle’s electrical system (including the battery), the wireless service provider’s signal, and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be turned on, connected to SYNC, and the 911 Assist feature enabled in order for 911 to be dialed.

Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Driver Services not available with SIRIUS Travel Link or Navigation System. See your dealer for details.

Real-time traffic monitoring available in select markets. Some features are unavailable while driving. Subscription required after trial 6 months expire. Service available in the 48 contiguous states and Washington, D.C.
Escape Hybrid Limited in Stone with available equipment and Ford Licensed Accessory - Dual INViSiON™ DVD Headrests

Escape is just the right size – inside and out. Its comfort-designed seats easily accommodate as many as 5 adults. Supple leather-trimmed seating and heated front seats are standard on Escape Limited and Hybrid Limited this year.

The use of environmentally friendly, soy-based foam in seat cushions helps conserve limited resources and reduce CO₂ emissions. Escape Hybrid and XLT also feature sustainable cloth-trimmed seating made with 100% post-industrial materials – recycled plastics and polyester fibers that would otherwise have ended up in landfills.

fordvehicles.com
From its sleek look to its intuitive arrangement, the instrument panel in every Escape is designed to please. The available Ambient Lighting can be set to match your mood with 7 glowing options from red hot to cool blue. The available Rear View Camera displays a full-color image from a liftgate-mounted camera in your rearview mirror or on the Navigation System’s screen (when equipped).

Fans of the power moonroof will find it in these fun packages: Sun & SYNC Package (available on XLT) mixes the moonroof with our Ford SYNC® voice-activated, customizable media system. Moon & Tune Package (available on Limited) pairs it up with a 320-watt premium, 7-speaker sound system including a single-CD player.
Plenty of space for your latest challenge.

A. With the rear seats folded flat, Escape delivers up to 67.2 cu. ft. of wide-open space. And even with the seats up, you still get up to 31.4 cu. ft. of space to fill with everything you need.

B. Tip-fold-flat latches make it easy to configure the standard 60/40 split-folding rear seats to fit your immediate gear-hauling needs.

C. Escape Hybrid is uniquely prepared for your adventures with its 110-volt power outlet. Use it for your laptop, a radio, or even a small TV.

D. Inside the standard floor console: a 3-tier storage system, 2 removable bins, and a hidden storage area deep enough for a laptop or purse.

E. This hidden, lockable wet trunk is made for dirty work. It's found in the available Cargo Package, along with a retractable cargo area cover and 100-lb.-capacity roof-rail crossbars.

\[\text{See your Owner's Guide for complete details.}\]

fordvehicles.com
Escape XLT in Sterling Grey Metallic with available equipment

Simply tops in safety.

Escape and Escape Hybrid both received 5-Star ratings\(^1\) in the National Highway Traffic Safety Administration’s (NHTSA) frontal and side-impact crash tests. And the Insurance Institute for Highway Safety (IIHS) has named each a 2009 “Top Safety Pick” for achieving the highest rating possible in front, side and rear crash tests, and for having our standard AdvanceTrac® with class-exclusive RSC® (Roll Stability Control®). AdvanceTrac with RSC is the only electronic stability control system that utilizes 2 gyroscopic sensors to help keep all 4 wheels firmly planted.\(^2\) You also get 6 standard airbags, including front airbags, front-seat side airbags and side-curtain airbags on every 2010 Escape and Escape Hybrid.

\(^1\)2009 model year. Star ratings are part of the U.S. Department of Transportation’s Safercar.gov program (www.safercar.gov).
\(^2\)Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. For more information on AdvanceTrac with RSC, visit fordvehicles.com.

fordvehicles.com
Escape XLT shines with sport style.

With the Sport Appearance Package, Escape is dressed to impress all around. This ultimate statement of streetwise style is available exclusively on XLT in Ingot Silver Metallic, Sangria Red Metallic or Black. Outside, you get a high-gloss Black grille, lower front appliqué, sideview mirrors and liftgate spoiler, plus a blacked-out treatment on the headlamps. Body-color door handles and rocker moldings are accented by unique 17” premium Black wheels with a machined-finish outer ring. Inside, a Charcoal Black environment is paired with Charcoal Black cloth seating for a dramatic look. The instrument cluster, center console and doors each receive touches of high-gloss Black, while the door handles, air vents and shifter knob feature a chrome finish. The overall effect is eye-catching in all the right ways.

Permanent-Magnet AC-Synchronous Electric Motor
- Horsepower: 94 @ 5000 rpm

Comparisons based on 2009 competitive models (Small SUV class), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information.

New Vehicle Limited Warranty. We want your Ford Escape or Escape Hybrid ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Escape Hybrid is also covered by an 8-year/100,000-mile Hybrid Limited Warranty. Please ask your Ford Dealer for copies of these limited warranties.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

1-800-770-3677, or visit us at fordvip.com for a no- obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

To learn more about Ford Custom Accessories and to buy them online, visit fordaccessories.com.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Contact your local Ford Dealer for details and a copy of the limited warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. Contact your Ford Dealer for details regarding the manufacturer’s limited warranty and/or a copy of the FLA product limited warranty offered by the accessory manufacturer.
THE FACTS ABOUT FORD.

Drive quality.

FACT: On top of earning 8 Consumers Digest “Best Buy” awards for 2009 models, Ford Motor Company is unsurpassed by Toyota and Honda when it comes to quality.¹

Drive green.

FACT: Ford builds the most fuel-efficient midsize sedan in America (Fusion Hybrid: 41 mpg city)² and the most fuel-efficient SUV on the planet (Escape Hybrid: 34 mpg city).³

Drive safe.

FACT: No other car company offers you more vehicles that have received both 2009 IIHS “Top Safety Pick” and NHTSA 5-Star crash test ratings.⁴

Drive smart.

FACT: The voice-activated Ford SYNC® customizable media system and EcoBoost™ V6 engines are just a few of the innovative technologies you can only find in a Ford.

Visit fordvehicles.com to learn more.

Drive one.

¹Based on RDA Group’s GQRS cumulative survey of 3 months of service in 3 surveys of 2008 MY Ford and competitive owners conducted 9/07–5/08. ²EPA-estimated 23 mpg city/34 hwy., 27 mpg combined; Fusion 3.5 automatic, 41 mpg city/38 hwy. Fusion Hybrid. Actual mileage will vary. Midsize class per R. L. Polk. ³Based on unadjusted city fuel economy from EPA (10/08) and VCA (5/08). 2009 EPA-estimated 34 mpg city/31 hwy. for Escape Hybrid FWD. Excluding vehicles built for Mazda. ⁴Based on NHTSA 5-Star ratings for all 4 crash test categories. Star ratings are part of the U.S. Department of Transportation’s Safecar.gov program (www.safercar.gov).
